NINETY-NINTH YEAR—NUMBER FORTY-SEVEN | TECUMSEH, MICHIGAN, AUGUST 24, 1950 | FIVE CENTS A COPY

School To Open Here, Sept. 6th

SCHEDULE TO BE FOLLOWED BY PARENTS AND CHILDREN IS ANNOUNCED BY SUPERINTENDENT

The 1950-51 school year in the Tecumseh Public Schools will open Wednesday morning, September 6 at 9 a.m., at which time all students are expected to enroll at the four school buildings in Tecumseh District No. 7. This includes all kindergarten children who are or will be five years old on or before December 1, 1950. Earl H. Place, superintendent of schools, announced today that the forty-two teachers of Tecumseh have been called back for teachers meetings which will be held on Tuesday, September 5, before the students arrive.

Plans are now complete to open school this fall in four buildings.

At Brownville School there will be morning and afternoon kindergarten sessions for beginners who will be five years old on or before December 1, 1950, and who live north of Chicago Boulevard. The kindergarteners who come in from District No. 5 will attend the afternoon kindergarten at Brownville.

All parents of kindergarten children are directed by Dr. E. Freeman Hersey, Lenawee county health officer, to take their children to a physician for a physical check up before school begins. The form to be filled out by the physician can be obtained from the office of the superintendent of schools if the family has misplaced the copy handed them by the census taker. The information should be turned in to the kindergarten teacher when the child enrolls.

Parents of all kindergarten children are expected to bring the child's birth certificate to the teacher at the time of enrolling.

At West Branch there will be a morning and afternoon kindergarten for all beginners who live south of Chicago Boulevard and who likewise will be five years old on or before December 1, 1950. The first grade section at West Branch will be made up of those students promoted from the West Branch school kindergarten with certain exceptions which will receive personal notification. The second grade section at West Branch will be made up of those students promoted from the West Branch first grade section with a few exceptions which will receive personal notification.

All other students in grades one through six will report to Central School. All pupils in the Central building, grades one through five, as of June 1950 will report to their same room. They will be assigned to their proper room and grade for the 1950-51 school year from there.

All pupils entering the first grade from Brownville kindergarten will report to the Central school auditorium for assignment.

All pupils promoted from the West Branch second grade will report to the Central school auditorium for assignment.

All new entrants in grades one through six will report to the Central auditorium for assignment. Any pupil not enrolled in the Tecumseh schools during the 1949-50 school year will be considered a new student.

It will probably be necessary to make some adjustments to equilize the size of grade classes. The cooperation of the parents has always been excellent and teachers confidently anticipate and need a continuation of that fine support.

All students in grades seven through twelve will report to the

ENROLLMENT SCHEDULE SAME AS LAST YEAR

The form of enrolling for classes which was initiated by the high school last year will take place again this year in the new high school study hall and library. All students from the seventh through twelfth grades will be enrolled alphabetically at the following time: All last names starting with A through C will enroll at 9 a.m.; D through G at 10 a.m.; H through N at 11 a.m.; O through S at 1 p.m.; and T through Z at 2 p.m. on Wednesday, September 6. The student is expected to pay the $6 enrollment fee before enrolling.

AT GREAT LAKES

Two local boys, Seaton Anderson Wilson of 115 Kilbuck street, and James Paul Hadsell, 211 N. Oneida street, have joined the U.S. Navy and are now at the Naval Training Center, Great Lakes, Illinois, where they will undergo eight to 11 weeks of recruit training. These boys have the opportunity of qualifying for a trade school during their classification tests.

Mrs. Annie Pocklington Buried At Ridgeway

Funeral services were held Sunday at 3 p.m., in the Niblack Funeral Home in Britain for Mrs. Annie Pocklington, 88 years old, of Ridgeway, who died at 8 p.m., last Thursday, in her home. She was born in London, England, April 6, 1862, and came to the United States when a child. Her first residence here was in Ann Arbor and later she moved to Ridgeway to live with the Francis Coates family. In 1884 she married Lafayette Pocklington who died in 1941. A son, Kenneth, died in 1919.

Mrs. Pocklington is survived by one daughter, Mrs. Estella Strong of Melvindale; a sister, Mrs. Rachael Lewis of Ann Arbor, and several nephews, nieces and cousins.

The Rev. Lorne Carter officiated at the service, and burial was in the Ridgeway cemetery.

Over 2,000 Will Be Able To Vote

ACTIVE REGISTRATION WOULD INDICATE INTEREST IN SEPTEMBER 12TH PRIMARY

Apparently, voters locally intend to take a more active interest in politics, particularly as it affects the September 12th primary election and the subsequent November general election.

Le Roy H. Titley, supervisor, said today that while an accurate check of the registration books at the close of yesterday's registration had not been completed, he was of the opinion that approximately 2,200 or 2,300 electors would be eligible to cast their ballots in the September primary. He said that between 100 and 200 new voters registered during the period prior to August 23.

Voters who failed to register by yesterday, unless they were absent from the township or ill on the final day of registration, will find themselves ineligible to vote in the September primary election. The state law is very clear on this phase of voting.

Mr. Titley estimated that Tecumseh township's population at the present time is around the 6,000 mark and he believes that at least one half of that number, or 3,000 would be eligible to register and vote. If such a figure is correct, then between 700 and 800 of the township's potential voters have failed to register. Those who have not registered, of course, may register prior to the November general election and vote at that time.

Curfew Law Is Before Council

Tecumseh's proposed curfew law, which would ban children under the age of 17 years from the streets after 10 p.m., on school nights, and after 11 o'clock Friday and Saturday nights, unless accompanied by adults, was given its second reading by the Village Council, Monday evening. It will come up for a final reading and vote on September 5.

The proposed law is sponsored by the police department, and is meeting some opposition from residents. However, it would appear that unless there is gerater opposition to the code than has yet developed, Council may pass the measure next month.

The Council ruled that all streets, damaged by the installation of gas mains by Consumers Power Co., be repaired and the cost billed to the company.

Persons in arrears on water bills will, in the future, be given only 10 days in which to pay. After that time a notice of disconnection will be sent to the customer, and a fee of $2 for reconnection will be made.

The S. D. M. license held by Tecumseh Tavern in the name of Charles L. Warner was transferred to Luke J. and Mabel I. Embury, on Council's permission.

Current bills were audited and ordered paid, and reports of committee and department heads were read and placed on file.

TALKS TO ROTARY

John Banish, member of the Michigan legislature and candidate for nomination on the Republican ticket for Congressman in the Second Congressional District, was the guest speaker at the regular dinner meeting of the Rotary Club, Tuesday evening at Brees House. Mr. Banish, a native of Jackson, discussed government generally and urged greater interest in it by all of the people.

Guests at the meeting included Louis Neahr, Grand Rapids, Sam Pemberthy and Howard Wick of Philadelphia, the latter formerly of Tecumseh, Jack Larsen of Jackson, and Leland Kerby.

A New Approach To A Political Campaign

A genuine horseless carriage—a 1903 one-cylinder Brush automobile — is being used to good advantage by Harold L. Ward, Ann Arbor, who is campaigning for the Second District Congressional seat in next month's primary. Ward doesn't seem to have any trouble attracting crowds when he appears at fairs and community festivals. The vehicle, discovered recently in a Washtenaw county farmer's barn, has been repaired and is in good running condition. It has a top speed of 15 miles an hour, a wood frame, chain drive and a crank. As for gas consumption, Ward, second from right in picture, says he hasn't filled the tank but once since the campaign started.

Two More Polio Cases Reported

THREE OF THE 20 VICTIMS THIS YEAR IN LENAWEE ARE FROM TECUMSEH

Tecumseh to date has accounted for three of the 20 cases of infantile paralysis reported in Lenawee, the County Health Unit announced today.

Two new cases of polio were reported in the Tecumseh area during the past week.

Philip Radant, 5-year-old son of Mr. and Mrs. Rinehart Radant, So. Union street, is in University Hospital, Ann Arbor. The diagnosis in his case was made on August 17.

Donald Bruce Harvey, 18-months old, of Route 1, Tecumseh, also is in University Hospital. His case was reported on August 18.

The third case here, reported two weeks ago, was that of James Duncan, 7, son of Mr. and Mrs. Harold Duncan, So. Pearl street. This child also is in University Hospital.

The County Health Unit said today that there likely would be no marked decrease in the number of polio cases, nation-wide, until after the middle of September. The peak period for polio, it was pointed out, is from mid-August until about September 15.

Thus far, there have been no deaths from polio in the county this year.

EDWARD PANGLE IS BURIED IN BROOKSIDE

Funeral services for Edward Pangle of 607 West Kilbuck street, who died last week Tuesday at the Ypsilanti State Hospital, were held Friday afternoon at 3:30 at the Collins Funeral Home, the Rev. Alvin Brazee officiating. The bearers were Roy Cadmus, William Homann, Raynor Ross, John Hamilton, Merton Thielan and Charles Schoenholtz. Burial was in the Brookside cemetery. Relatives and friends attended from Lansing, Ashland, Columbus Grove and Lima, Ohio, Clinton, Raisin, Adrian and Tecumseh.

I will be absent from my office July 26 through September 4, inclusive. Office open for collections and refills.

Harris Returns From Institute At Evanston

Tecumseh's recent pilgrimage to Tecumseh, Ontario, was the source of considerable interest to Chamber of Commerce and trade association secretaries who attended the National Institute at Northwestern University last week. Ronald Harris, secretary of the local Chamber who has returned from the Institute reports that the instructor in the civic affairs course made specific mention of the program, while many secretaries around the country are struggling to think up a way of promoting good will among "sister" towns within the United States.

Harris reports that this year's session of the National Institute at Evanston, Ill., differed from previous sessions because of the attention to the Korean crisis. "We all know that our lives are changing rapidly because of current events, and Chambers of Commerce and trade associations are very likely to have an important part to play as the situation develops.

"All speakers and instructors, including Eric Johnston, president of the Motion Picture Producers Association and former president of the United States Chamber of Commerce, emphasized that no matter what the outcome of the present struggle, or how soon it ends, American business and the whole American way of life must from now on be alert to future dangers."

Over 500 secretaries from all parts of the United States attended the Institute which is the largest of the institutes held in various regions of the country each summer.

TAKES JAIL TERM

Robert Lowery, Tecumseh, was sentenced to pay a fine and costs of $23.60 when he was arraigned in Justice Robert French's court on Saturday, charged with being drunk. He was arrested last Friday evening by local police. In default of payment of the fine and costs the justice ruled that Lowery must serve seven days in jail. He accepted the jail term.

MERCHANTS LOSE

The Cement City Baseball team defeated the Tecumseh Merchants team on the local field last Sunday by a score of 5 to 4. Dave Murphy was the pitcher for Tecumseh. Next Sunday the team will travel to Rivers End.

Merchants Sponsor Amateur Program

WINNER TO GO ON TELEVISION; REGISTRATION ON MONDAY, AUGUST 28

Some youngster from the Tecumseh trading area will be given an audition and television appearance early this fall as a result of an amateur contest to be held in the business district, Saturday evening, September 2. The contest will be sponsored by 66 local merchants and will feature an exhibition by Roy Rew of Plymouth, famous magician and escape artist.

Mr. Rew will act as master of ceremonies, will give the auditions to the contestants, and perform his magical demonstrations throughout the evening. Many local residents have seen his performances on television, and his capabilities in this field are highly regarded. The trunk from which the climactic escape act is performed will be on exhibit the week before the performance, and all residents will be welcome to inspect it for possible trick openings or other hidden escape devices.

All contestants must be amateurs, and the winner will be assured that the appearance will be well worth his or her while. Many of the local merchants are putting up prizes for the winners, all of them handsome and useful. Moreover an appearance on television, plus free transportation to and from the television studio, is an opportunity which is difficult to obtain by many of the most gifted amateurs.

Registering to appear on the program is very simple. The amateurs are merely asked to be at the auditorium of the Central school building on next Monday evening, August 28, at 7:00 p.m. Mr. Rew will be present at that time to coach the youngsters so that they will be able to display their talents to the best of their ability. A real opportunity seems to be in store for some gifted young person of this trading area.

CALL FOR FOOTBALL

Coach Elven Duvall requests that all boys interested in football report Monday, August 28, at 8 a.m., in the gymnasium of the Central building. The physical examination will be given at this time by Dr. J. R. Thompson. Equipment will be given out and the boys will begin conditioning.

19 NEW CASES OF RABIES ARE REPORTED IN MICHIGAN

You're Most Apt To Be Bitten By Your Own Pet Dog

Nineteen new cases of animal rabies reported in Michigan in the past month brought these warnings from the Micigan Department of Health.

Have your own dogs immunized against rabies. You and your children are most apt to be bitten by your own pet.

Report stray dogs to the dog pound or to sheriff's officers. Stay away from any animal which acts strangely. Not only dogs, but also skunks, cats, squirrels, foxes, horses and dogs, and many other animals can get and give rabies.

Report all animal bites to your doctor at once. If the bites are around the head and face, the physician may need to start anti-rabic treatment immediately.

Confine the biting animal away from other animals and people for at least ten days. If he does not die in ten days, he does not have rabies. If he dies in that time, he may have had rabies. Police or health officers will prepare and send the head to the Michigan Department of Health Laboratories or to the Pasteur Institute Laboratories at Ann Arbor and Detroit where analysis of the brain tissue will be made to determine whether the animal died of rabies.

The examination of brain tissue is of the utmost importance. If the dog had rabies, anti-rabic treatment must be given to those bitten by him and possibly some of those in close contact with him to save their lives. If he did not have rabies, treatment of those bitten by him, already underway, may be stopped.

If in order to protect humans, it is necessary to kill the biting animal do not club him on his head or shoot him through the head. This destroys brain tissue needed to determine whether he had rabies. When any dog dies or is killed under conditions which might indicate rabies, police or health officers should send his head to the laboratories for analysis.

A total of 135 cases of animal rabies were reported in Michigan between January 1 and August 11. The majority of the new cases are in the southeastern section of the state. For additional information on rabies and rabies control, go to your local health department or write to the Michigan Department of Health.

Mrs. Anna W. Jenkins, Clinton Resident, Dies

Mrs. Anna W. Jenkins, wife of Dell F. Jenkins of Clinton, died at 3:30 a.m., Monday, at St. Joseph's Hospital in Ann Arbor, where she had been a patient for ten days. She was 61 years old.

Mrs. Jenkins was a member of the Golden Rod Chapter of the Order of Eastern Star, the Pythian Sisters, and of the Clinton Methodist church.

Surviving besides her husband are one daughter, Mrs. Virginia Gieske of Clinton and one grandson.

The funeral was held Wednesday at 2 p.m., at the Hause Funeral Home in Clinton and burial in the Riverside cemetery.

Chamber To Aid In Procurement

LOCAL ORGANIZATION IS INFORMATION CLEARING HOUSE FOR COMMERCE DEPT.

The Tecumseh Chamber of Commerce has been designated by the Department of Commerce as one of the outlets by which local manufacturers may get information on procurement from the Department of Defense and General Services Administration, it was announced today by Ronald Harris, secretary.

This system has been set up by the United Department of Commerce to make it possible for local business men to learn what items are up for procurement without having to take trips to Washington or to district ordnance officers.

Each day the Chamber of Commerce receives a consilodated synopsis of Department of Defense and General Services Administration procurement information. This synopsis gives the description and quantity of the items, the invitation number, the opening date for bids, and the particular procurement agency for each item.

In addition to these daily lists, the Chamber of Commerce will also receive a weekly synopsis of contract award information. This weekly list will be in many instances of more value to local business men than the bid information. This award information tells who has received prime contracts and puts the local business man in a position know where he may look to offer his facilities for sub-contracts.

"We do not receive these lists in quantity for distribution," Harris stated. "However each list will be placed on file in our office where it will be available to any local manufacturers who may wish to make a check."

Polution Order Delayed By State

VILLAGE GIVEN TWO MONTHS IN WHICH TO START PLANS FOR TREATMENT PLANT

The Village of Tecumseh was given until October 24 to "get its house in order" and to present definite plans to the state for the construction of a sewage treatment plant, when it appeared before the Rivers and Streams Control Commission at Lansing, Tuesday. The Village now is in violation of an order issued by the Commission in 1948 which required that the plant be started not later than June 1, 1950, and completed not later than June of 1951.

At the present time, raw sewage is being dumped into the River Raisin by the village, a practice that has been followed here since the early 1900's. The state contends that the pollution of the stream must stop, and the hearing Tuesday was to show cause why a suit should not be instituted in court, to force the village to act.

The Village, Tuesday, told the Commission that plans for the plant which were drawn two or three years ago have been misplaced, and that in any event they must be revised, due to the town's steady growth. The Commission, as a result, tabled the case until October to give the present council time to assemble new data.

It is estimated that the installation of a sewage treatment plant here would cost somewhere between $300,000 and $400,000. With the present high tax rate, council members feel that the Village cannot afford to increase the load.

The hearing in October will be held at Milford. Those attending the Lansing session Tuesday were Mayor J. Floyd Elliott, A. G. Leach, village engineer, and J. H. Rohweder and E. C. Heilman, members of the council.

Drivers Draw Terms In Jail

TWO ARE SENTENCED FOR RECKLESSNESS; DOZEN OTHERS APPEAR IN COURT

Two drivers, both of them charged with recklessness, drew 2-day terms in the county jail, when they appeared before Justice Robert French here during the past week.

Louis Ramez, 23, of Tecumseh, was arrested at 10:10 p.m., on August 18, charged with reckless driving. Police said that he ran three stop streets, that he was speeding, and that he was operating his car with defective brakes. Justice French sentenced Ramez to two days in jail, to pay a fine of $50 and costs or $8.06.

Richard K. Cook, 22, Adrian, was arrested at 5:50 a.m., August 16, on South Ottawa street on a reckless driving charge. Police said that he was driving his car in excess of 50 miles an hour, and that he was cutting in and out of traffic. His sentence by Justice French was two days in jail, a fine of $50 and costs of $8.60.

, Grogory Negrete, 20, Adrian, was arrested August 18, also charged with reckless driving. He was operating his car in the downtown district at a speed of 65 miles an hour, officers said. Justice French imposed a fine of $50 and costs of $8.60.

Curtis N. Smith, 27, R. F. D., Adrain, will face a reckless driving charge after his release from Herrick Memorial Hospital. Police say that at 2:23 a.m., Monday, Smith was driving on North Union street and went to sleep, his car swerving to the left side of the road. It struck a parked car owned by Elsa Siminson, 317 N. Union, and forced it into another car that was parked, owned by C. Wan, also of the same address. The Simison car suffered $700 damage, and Smith's car $500 damage. The Wan car was not badly damaged.

Smith was removed to the hospital, suffering from face cuts. He was given a reckless driving summons.

Those who appeared in Justice French's court during the past week to answer to traffic law violations and their fines were as follows:

Ernest Horvath, Tecumseh, no operator's license, $8.10; Clara Hoag, Northville, speeding, $8.10; Douglas Jackson, Milan, speeding, $8.10; Richard Lorenz, Britton, speeding, $5.10; Lowell W. Dunbar, Britton, speeding, $7.10; Carl Clark, Tecumseh, speeding, $7.10; Elijah McDougal, Crystal Beach, Mich., speeding, $8.10; Dale C. Beech, Ridgeway, speeding, $7.10; William E. Clark, Toledo, speeding, $10; Fred Pohnert, Ann Arbor, speeding, $5.10; Richard Fielder, Tecumseh, speeding, $6.10; Donald Cannon, Adrian, no operator's license, $8.10; James E. Burner, Toledo, speeding, $8.10; Walter Oleszkowicz, Detroit, speeding, $7.10; Henry Morse, Tecumseh, speeding, $10.

Adrian Woman Hurt When Two Cars Collide

Mrs. Richard Jacobs, 19, Adrian, suffered a fractured right elbow, and bruises and shock when the car in which she was a passenger, driven by her husband, collided with another at Billington's Corners at 3:50 in the afternoon of August 16. Mrs. Jacobs was removed to Herrick Memorial Hospital for treatment.

Mr. Jacobs, 21, was given a summons for making an improper left turn. Officers say that Jacobs was driving west and attempted to turn onto M-52 when his car collided with one driven by Clarence Goshen, 21, Cement City. Both cars were damaged.

FUNERAL SERVICES HELD FOR BERNICE PARKER

Funeral services for Miss Bernice Mary Parker, local teacher who died suddenly last week Tuesday at Herrick Memorial Hospital, were held Friday afternoon at 1:30 at the Collins Funeral Home, with Rev. Donald C. Wilson assisted by Rev. Alvin C. Brazee, officiating. The bearers were Myles E. Runk, Earl Place, Delmar Crisp, Neville L. Hart, Clare Cunburn and Benjamin Standen, all members of the school faculty. Local teachers and members of chapter AJ, P.O.E., attended in a body. Burial was in Brookside cemetery.

Relatives and friends attended from Nashville, Michigan, Climax, Monroe, Ida, Elsie, Lansing, Brooklyn, Addison and Tecumseh.

TAX NOTICE

I will be at the United Savings Bank every Saturday through July and August, or every forenoon Monday through Friday at my home 219 So. Pearl, from 9 to 12 noon, for the collection of village taxes.

Do We Need More Regimentation?

For the sake of argument, we are inclined to agree with the Rev. Donald C. Wilson, pastor of the Presbyterian church here, who is opposed to the enactment of a curfew law in Tecumseh. Such an ordinance is now before the Village Council and, unless there is major opposition, it more than likely will be given approval. Its passage has been requested by the Police Department.

The Rev. Mr. Wilson, in a letter to the Council discussing the proposed regulation, says that he cannot conceive of Tecumseh—normally an aggressive community—considering such a law. He declares that its enactment would be a sad commentary on the parents of the community, and could be construed by the town's youth as a "no confidence" vote by the adults. Such an imagined lack of confidence might, he points out, cause teen-age morals to slump and juvenile delinquency to increase. That, of course, is the exact opposite of the intent of the law.

But Mr. Wilson has another argument and, in our opinion, it is the best argument of them all. He says that the passage of a curfew law merely enables the police to do the job that should be done by the parents. "In reality," he says, "we are asking the police to do the job that rightfully belongs to the parents."

In our opinion there is no such thing as juvenile delinquency. We know that there is much talk about such delinquency, that magazines and newspapers print article after article on the subject and that some folk have made considerable money writing books on its cause and treatment. But when it is all boiled down to the facts, it is PARENTAL DELINQUENCY and not juvenile delinquency that is the problem in Tecumseh, in Michigan and throughout the nation.

Parents, it seems, are shirking their responsibility as parents. It is easier to give the youngsters a dollar or two and "get them out of their sight" than it is to disagree with them, to discuss their problems with them, and, perhaps, enforce a little of the discipline that built character and manhood in other generations.

These are "easy" times. We are accustomed to having our government do most of our work and solve all of our problems. We demand security — from the cradle to the grave —and the politician who can't deliver such a program to the people cannot expect to long endure. We send our youngsters to school for six or seven hours a day, five days in the week and expect that the teachers will instruct them in all phases of life. We expect the school to mold character, we expect that it will discover faulty vision, bad teeth and tonsils, and further, when such defects are discovered we expect that some agency will remedy these conditions "without cost or bother" to us as parents.

Of course, we do not expect the school teachers to use any measures that might, in the least, inconvenience our children or ourselves. Today, it is a crime for a teacher to even think of applying a paddle in an effort to obtain discipline. And too many "seventh hours" after school are likely to interrupt the home program and bring parental condemnation upon the entire school system. Modern teachers not only must be teachers, they must be able to please the parents, too, and this dual role, we understand, is a genuine headache.

We, as parents, should not expect to shirk our responsibility of raising a family and ask that the job of training and discipline be saddled upon the schools, the police department, the probate court and the public generally. If mothers are never home, if fathers never care, youth is soon out of control. That's what makes juvenile delinquency — it is brought about by parental delinquency.

If Tecumseh's youth is getting out of control no one can be blamed but the parents. All of the curfew laws in the world will do no good under such circumstances.

We're just old-fashioned enough to believe that the job of raising a family is a job that belongs to the parents. And we're also old-fashioned enough to believe that a hair brush, administered often enough and low enough is a fine tool for building character.

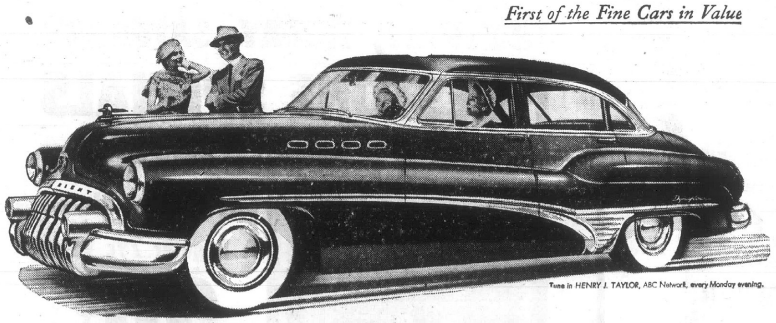
First of the Fine Cars in Value



Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

It's a *very* satisfying feeling

YES, it's good to slip into a truly fine automobile and sense its richness, its comfort, its room.

And there's a great thrill in touching off the waiting power of a great-hearted straight-eight and feeling its swift response at any speed.

It's fun to count the quick, admiring glances thrown your way.

It's nice to have a car that parks easily, for all its inches. It's very pleasant to do away with gear-shifting and clutch-pedal pushing, and know in its stead the utter smoothness of Dynaflow Drive's silken transmission of power.

And still that doesn't probe the depths of a ROADMASTER owner's secret satisfaction.

For while he knows he has a fine car, by its look, its feel, its appointments—

While he has performance at his command that needs play second fiddle to no other on the road—

While he enjoys a very special measure of creature comfort in the quite matchless gentleness of ROADMASTER'S ever-level ride—

He knows too that he has made an exceptionally wise investment.

He has spent his money for the things that make a fine car fine—and nothing simply for show.

He has paid the lowest price per pound in the fine-car field—he has the very satisfying feeling of knowing his dollars have given him solid merit, and solid merit alone.

We'd like to have you try ROADMASTER in honest comparison with the highest-priced cars to be found. We'd like to have you try to match it for room, for comfort, for finish, for handling ease and for ability on the road.

Then check the prices—and see if your own sense of value doesn't advise signing up right now with your Buick dealer for a Buick ROADMASTER.

Lenawee 4-H Members Report For State Show

Lenawee county 4-H Club members are busy this week making final preparations to compete in the State 4-H Club Show at Michigan State College, East Lansing, August 29 to September 1.

Many are grooming livestock, putting the finishing polish on handicraft, pressing clothing entries, selecting fresh garden vegetables or rehearsing their demonstrations for the big event.

M. M. Eppelheimer, assistant county agricultural agent, says Lenawee county will be well represented this year at the thirty-fifth annual State 4-H Club Show. It marks the ninth year the event has been held on the campus of Michigan State College.

Dormitory and cafeteria facilities of the college are available to the 4-H Club members, the agent says, and evening entertainment is provided for the visitors without charge.

More than 4,000 entries are expected. Last year all but four counties in the state competed. Arrangements are being made to house nearly 2,000 4-H Club members. Many of those living within driving distance of East Lansing will return home each night. Mr. Eppelheimer says entries from this county will include: dress revues, demonstrations, public speaking, and exhibits in dairy, steers, beef cattle, sheep, swine, poultry, rabbits, handicrafts, clothing, food preparation and food preservation, flower gardens, vegetable gardens, and crops.

COMPLIMENTED AT LUNCHEON

Miss MarLou Gilman was complimented when Miss Mary Brown entertained at a luncheon in her home last Thursday afternoon. Canasta was the diversion and the prizes won by Mrs. G. C. Ely, Miss Martha Hayden and Mrs. Herbert Farver were presented to the bride-to-be, who also received a shower of miscellaneous gifts. Mrs. G. C. Ely of Montpelier, Ohio, was the out of town guest.

MISS GILMAN HOSTESS

Miss MarLou Gilman was hostess at a formal dinner party at the Tecumseh Country Club Tuesday, August 15. She had as guests, Mrs. Anne Kessler and Mrs. Katherine Doehler of Ann Arbor, and Misses Mary Brown and Pat Hammack who will serve as bridesmaids at her wedding, August 23.

100 AT SMORGASBORD

About 100 members attended the smorgasbord at the Tecumseh Country Club Sunday evening, August 27. Mr. and Mrs. Earl Wickwire, Mr. and Mrs. John Thompson and Guy Belding were the host and hostesses.

School To Open

(Continued From Page 1)

new high school building for assignment.

The grade school faculty will use Wednesday afternoon and all day Thursday and Friday for visiting the homes of students in the kindergarten through the sixth grade. These trips to the homes of parents are regarded as a splendid means of opening a school year with a better understanding of problems that face parents and teachers alike.

In the Junior and Senior high school students will take part in a special testing program for the remainder of the week after all students have been registered for classes.

The book fee of $3.50 per students for all grades through the sixth, and the fee of $4.00 per student in grades seven through twelve will be paid at the beginning of the school year. This fee does not include the work books in any grade.

Beginning Monday, September 11, all grades kindergarten through the twelfth will begin at 8:45 a.m., and at 1 p.m. in all buildings. All sections of the kindergarten, first, second and third will be dismissed at 11:30 a.m. and 3:30 p.m. Grades four, five and six will be dismissed at 11:45 a.m. and 3:45 p.m. Students in the Junior and Senior High School will be dismissed at 11:45 a.m. and at 4 p.m.

Students who come by bus to attend the kindergarten, first and second grades, except for District No. 5, should go to West Branch. All students in grades three through six will report to Central while all students in grades seven through twelve will come to the new high school building.

Ellsworth H. Marshall Dies of Heart Ailment

Ellsworth H. (Ez) Marshall, a former resident of Palmyra and Adrian, died Friday night, August 18, at his summer home near Tawas, Michigan. He had had an impairment of the heart for the past two years.

Mr. Marshall was born May 27, 1888, at Victorsville, Ogden Twp., Michigan, at the home farm of his parents William H. and Addie E. Marshall. His parents moved to Palmyra where he spent his young boyhood, later living in Adrian. He joined his brother, W. Hal Marshall in the insurance business for several years, later was transferred to Manistee, as an agent for the American Life Ins. Co. After two years at Manistee, he was made supervisor of agents for the company, traveling in Michigan, Ohio, Kansas, Missouri, Iowa and Oklahoma. He held this position for over 25 years. For the past 10 years Mr. Marshall had been state agent for the Ohio State Life insurance Company of Columbus, with offices in Detroit. He still held this position at the time of his death. He was well known in Tecumseh. He was a member of the Masonic order of the Blue Lodge in Richmond and the Knights Templer of Mt. Clemens, also was a member of the Congregational Church at Richmond.

Mr. Marshall had been a resident of Richmond, Michigan, for over 30 years where he took a keen interest in all local affairs.

He is survived by his widow Sybil, one daughter, Mrs. Gilbert Lindke, one son, Kirk Marshall, one sister, Mrs. Robert R. King and one brother, W. Hal Marshall of Tecumseh.

The funeral was held at 2 p.m. Monday at Richmond. There was a large attendance of his many friends, among them Claris Adams, president of Ohio State Life, and Frank Barnes, superintendent of agents.

Those attending from Adrian, were Mr. and Mrs. Robert King, Mr. and Mrs. Robert King, jr., Mrs. Lenord Schober, Earl J. Christmas and Ray White and Mr. and Mrs. W. Hal MHarshall from Tecumseh.

MISS JUANITA BENNETT WEDS JOHN UNDERWOOD

Miss Juanita Bennett, daughter of Mrs. August Woerner of Adrian, and John Underwood, son of Mr. and Mrs. George Underwood of Clinton, were married Sunday afternoon in the Methodist church here. The Rev. Douglas Parker of Morenci, performed the double ring ceremony in the presence of the immediate families and a few friends.

The bride was attended by her sister, Mrs. James Osburn of Tecumseh, as maid of honor. George Underwood, jr., of Adrian, attended his brother as best man.

Mr. and Mrs. Underwood are residing in Adrian. The bride is a graduate of Adrian high school, and Mr. Underwood graduated from Tecumseh high school and is now employed as sales manager at the Stockwell Motor Sales in Morenci.

CARD OF THANKS

To all the friends and neighbors, who so kindly assisted us before and at the time of the death of our husband and father we wish to express our sincere gratitude, especially to the ladies of the Methodist church who so ably served the dinner, and all those who helped in other ways, and to Ellsworth Collins, whose kindness and helpfulness couldn't be excelled.

The Family of Ed Pangle

CARD OF THANKS

I wish to thank my friends for the beautiful flowers and cards sent me while I was in Herrick Memorial Hospital, also Dr. Dustin and Dr. Hemmel, the nurses and Miss Spaulding for their kindness to me, also my friends who have done so much for me since I returned home.

Nellie M. Wilson

CARD OF THANKS

We wish to thank our many friends for the beautiful flowers and kindness extended during the illness and death of our mother, Mrs. Annie Pocklington.

Miss Wilma Hoagland Bride of Robert Beebe

At eight o'clock on Saturday evening, Miss Wilma Hoagland, daughter of Mrs. Lillian Hoagland, of Adrian, and Robert Beebe of Ypsilanti, son of the late Mr. and Mrs. Walter Beebe, were united in marriage at the Assembly of God church in Ypsilanti, Michigan.

Before the ceremony, Miss Bernice Foote of Ypsilanti played an organ program of nuptial music. George Moore of Ann Arbor played "I Love You Truly" as a violin solo. The Kolenda Brothers Quartette sang.

The Rev. D. G. Foote performed the impressive double ring ceremony before an altar banked with gladioli and lighted candelabra. After the closing prayer, while the bride and groom still knelt at the altar, the quartette sang the consecration hymn.

The bride chose for her wedding a gown of white slipper satin, made with a V-neck and trimmed with satin covered buttons. The over skirt of French imported ended in a small train. Her fingertip veil of white illusion was caught with a pearl tiara and she wore a double strand of pearls. Her colonial bouquet was of red roses and white poms, with rosebuds caught in the streamers. She was given in marriage by her uncle, Herman Cole of Detroit.

Preceding her to the altar were three bridesmaids, her cousin, Mrs. Roy Kedney of Detroit; Miss Beverly Haworth of Minneapolis, Minn., and Miss Shirley Cashner of Hackettstown, New Jersey. Miss Deloris Beebe, sister of the groom, was maid of honor. Their gowns were orchid, pink, yellow and aqua respectively, of frosted organdy over taffeta made princess style with full floor length skirts. Their halo head dresses were of the same material, and they carried colonial bouquets similar to that of the bride.

Paul Mueller of Saline was best man for Mr. Beebe and the ushers were Paul Soag of Belleville, Robert Dubois of Ypsilanti and Richard Cole of Detroit, cousins of the bride.

Mrs. Hoagland, the bride's mother, chose a navy blue and white crepe dress with white accessories and wore a corsage of pink roses. Mrs. Grace Cady, aunt of the groom, wore a navy blue crepe dress with navy accessories and also a corsage of pink roses.

After the ceremony a reception was held by Mrs. Loyal Wilson, aunt of the groom, at the Literary Ladies Club House, which was decorated with lighted candles and bouquets of gladioli and other late summer flowers. The Kolenda brothers quartette sang several selections and Lee Dubois played "Because" as a violin solo.

Miss Shirley Eastner had charge of the guest book and 175 were registered.

Mrs. Harold Speers, aunt of the groom, served the traditional five-tiered wedding cake, topped with a miniature bride and groom and decorated with bells and roses. Miss Florence Fish, Anne Street, Helen Goddard and June Sparrow were at the punch bowl. Mrs. Lee Dubois also assisted with the refreshments.

The bride chose for her wedding trip a gray suit with yellow accessories. They left for a trip to Niagara Falls and on their return they will reside at Shady Park Trailer Camp near Ypsilanti.

The bride is a graduate of Cleary Business College and North Central Bible Institute, and the groom is employed at Kaiser-Frazier Corporation. Mrs. Beebe and her mother, Mrs. Hoagland, were former Tecumseh residents.

NERVOUS RUN DOWN WOMAN FINDS HELP

Mrs. Mary E. Price writes from Detroit that before using O-JIB-WA BITTERS, she suffered continually with gas, indigestion, nervousness and felt all run down and weak.

The letter which is printed below was written by Mrs. Price of her own free will, because she is so grateful for what O-JIB-WA BITTERS has done for her. It is printed here so that other sufferers of indigestion, gas, heartburn, nervousness and other conditions associated with stomach disorders may try O-JIB-WA BITTERS with confidence.

MRS. PRICE
Detroit, Michigan
June 20, 1950

O-Jib-Wa Medicine Company,
Dear Sirs:

I am writing in regards to your fine medicine. I feel like a million dollars since I started taking it. Before I started to use this fine and wonderful tonic, I was nervous, run down and had no energy at all. I suffered continually with stomach distress.

By the time I had taken the medicine seven days, I began to feel like myself. I have taken one pint bottle to date, and intend to get another one tomorrow. You can bet I have been telling all my friends how O-Jib-Wa has helped me. My nerves were so bad that loud noises or a rough word around me made me cry like a child. Now, this is all gone and I sleep fine at night without my usual trouble of getting to sleep.

I have no stomach trouble at all and my skin is like a child's. Thanks to you and your wonderful medicine. I have told my sister, and all of my friends about your medicine, and many of them have decided to try it, and I am sure they will like it too.

You can print this letter in the newspaper if you care to, for every word is true. I am

Sincerely
Mrs. Mary E. Price

Detroit, Michigan.

O-Jib-Wa Bitters Can Help You Also

O-JIB-WA BITTERS is an all herb medicine, containing no dope or harmful drugs. This great medicine acts to uproot and drive out the causes of most common stomach ills. O-JIB-WA is like taking "3 medicines in 1" as it stimulates the digestive organs, stopping gas, indigestion and heartburn. It helps to clear the blood of poisons and waste that foster dizzy spells, headaches and rheumatism. O-JIB-WA stimulates weak sluggish kidneys to relieve backaches, nightly tiring and restless sleep. It is truly an amazing medicine and much more could be said for it. However, the proof is in its use. We urge every sufferer to try this medicine. YOU WILL NOT BE DISAPPOINTED. O-JIB-WA BITTERS is not expensive. It is available in three economical sizes and sold in all leading drug stores in Michigan, being especially recommended by:

"THE FARM"

54 acres located in Onsted recess from the Onsted High School and known as "The Farm," now serving the public as a high class restaurant with a Duncan Hines rating. This location offers a multitude of possibilities with over a quarter of a mile of business frontage and one excellent business corner suitable for a super service station, super market or dairy bar. The house as it stands now is used as a restaurant which could easily be changed into a convalescent home or a three family apartment, used as a library, civic offices or continue in its present role. The barn on its high knoll is suitable for a machine shop, farm machinery outlet or used for storage of the products of the 54 acres. The land is so located to the village of Onsted as to make a very desirable subdivision development. Onsted has a very real need for all or any of the above services. We will entertain any reasonable offer.

2 Men Are Held In $3,000 Theft

SHERIFF'S DEPUTIES, STATE POLICE MAKE QUICK WORK OF ROBBERY CASE

Frank Ingle, 40, and Maynard Maude, 19, both of Route 1, Tecumseh, are being held at the county jail in Adrian in default of $7,500 bail, awaiting their arraignment in circut court on a charge of breaking and entering in the nighttime. The two men, on Monday, waived examniations in Justice John Lowe's court.

Ingle and Maude were arrested by sheriff's deputies and state police after the theft of a safe from the home of Alfred Boyd, early Saturday morning. Boyd lives on Ives Road, a few miles southwest of here.

Boyd had been away from home Friday night. He returned early Saturday and discovered that a 500-pound iron safe, in his basement, had been removed. It contained about $1,900 in cash, $1,000 in government bonds, and several valuable stocks and papers. Boyd named three suspects with whom he said he had had several drinks in Tecumseh taverns, Friday night.

Officers made a careful inspection of the premises and noticed that a car had been driven out of the driveway on which was a peculiarly worn right tire. They traced the tire's path and discovered that similar marks were in the driveway at the home of Fred Wrasse, 54, owner of a house about a mile east of Boyd's. He had rented rooms to two men, and he permitted officers to search his premises. There were roller marks on the porch of the Wrasse house, and in a nerby shed the police found an electric drill, heavy hammers, drift pins and a wrecking bar. All had been used recently and the two men were taken to Clinton for questioning.

Police again returned to the Wrasse house for a further search. They found $910 in a tin box and $810 under the rug in Ingle's bedroom.

Boyd, investigating on his own, found his safe caught in a wire fence at the edge of the Fisher gravel pit, just south of here. The safe was recovered and in it was $1,300 in bonds. More bonds were strewn along the pit bank, along with stocks and papers. Confronted with the evidence, Ingle and Maude confessed. Wrasse had no knowledge of the theft.

The men said that they decided to steal the safe "on the spur of the moment." They didn't realize, they said, what was in it, in fact one of them, Ingle, said that he kicked a purse containing $1,900 in cash, not realizing that it contained money. He also admitted dumping the safe into the pit.

After the robbery, Ingle said, he went to Adrian and had several drinks at a bar. He didn't tell Maude about his $1,900 find when he returned home and kicked the purse. He put the money in "safe keeping" under his rug and in the box, he said.

DR. JAMES SPENCER TO BE ORGANIST AT ST. PETER'S

St. Peter's Episcopal Church will have the services of Dr. James Spencer, director of music of Adrian College, as organist and choir director beginning on September 10. Dr. Spencer is well known in Tecumseh, having played here on many occasions. Having held similar positions in Christ Church, Adrian, and Trinity Church, Toledo, he comes to St. Peter's to lead the musical work so much a part of the form of service in the Episcopal church.

The first rehearsal of St. Peter's choirs will be on Wednesday, September 6. The junior choir will meet at 7 p.m. and the senior choir at 7:30. During the summer months, Miss Marilyn Lindsley has served St. Peter's as organist.

90 AT DANCE

About 90 members attended the dance Saturday evening at the Tecumseh Country Club. George Pittman's orchestra from Manchester furnished the music for dancing from 10 until 1 o'clock. Light refreshments were served by the hosts and hostesses. The committee in charge included Mr. and Mrs. Percy Bowen, Mr. and Mrs. Lawrence Blum, Mr. and Mrs. Earl Wood, Mr. and Mrs. Hubert Van-Camp and Mr. and Mrs. Louis Schneider, sr.

The Hand Is Quicker Than The Eye

The hand will be quicker than the eye when Roy Rew of Plymouth, magician of television fame, stages some of his acts at an amateur show here, Saturday evening, September 2, at 9 p.m., in the downtown district. The free show is being sponsored by the merchants, and the winner of the amateur contest — some local person — later will appear on television as well as receiving other prizes.

Amateur Show Here, Saturday

WINNER WILL GO ON TELEVISION; MANY OTHER PRIZES ARE OFFERED

More than a score of fine prizes are in store for the winners in the amateur program sponsored by Tecumseh merchants next Saturday night at 9 p.m. on south Evans street, just off the four corners. This program, which will provide opportunities for the contestants and excellent entertainment for the people of the entire trading area.

The winner of the contest will be given a television appearance over one of Detroit's leading stations, as well as a United States Saving Bond and the trip to and from Detroit in a quality automobile.

Among other prizes to be awarded are an album of music, calling cards, camera, color portrait, colognes and perfume, an electric broiler, corn popper, table lamp, a gallon and a half of ice cream, baskets of groceries, oil change, and corsage. Several of the restaurants are giving chicken and steak dinners, and one of the bakeries is giving a twelve piece birthday cake. In addition to all these, several of the merchants are giving gift certificates which the winners may exchange for merchandise they may select in the store.

In addition to performing his magic, including the famous trunk escape act, Mr. Rew will act as master of ceremonies and make the arrangements for the television appearance.

There is still time for amateurs to enter the contest. There is no age limit, but the contestants must be bona fide amateurs. If you can play a musical instrument, dance, or have any other talent which can entertain an audience, you may enter the contest by being at the four corners not later than 8:15 Saturday night.

Since Mr. Rew would like to know as soon as possible, how many contestants there might be and what will be the nature of their acts, it would be helpful if contestants would leave their names and their performance at the Chamber of Commerce this week.

The trunk from which the escape act is to be performed is now on display at the United Savings Bank. In case of rain Saturday evening, the full performance will be given in the auditorium of the Central school.

Cub Scout Pack To Organize Next Thursday

The Tecumseh Cub Scouts Pack 4 will commence its fall program with a family picnic at Recreation Center on Thursday, September 7, at 5:30 p.m. All boys who are of eligible age to join are asked to come with their families. Each family is to supply their own drinks, sandwiches, table service, and a dish to pass. After the meal there will be games for the children and an organization meeting for the parents. In case of rain the affair will be held in the gymnasium of the Central School.

Alfred Bacon, 95, Is Buried In Brookside

Private funeral services for Alfred Bacon, aged 95 years, were held Monday at 2:30 p.m., in the Green Funeral Home, with Rev. Allan Ramsay officiating. Mr. Bacon died at 6 p.m. Friday at the home of his daughter and husband, Mr. and Mrs. Lavern Russell, southwest of Tecumseh. He had made his home with the Russells since 1931.

Mr. Bacon was a life member of the Joppa Lodge, F. & A. M., of Bay City, and also a member of the Episcopal church.

He is survived by three daughters, Mrs. Helena B. Hughes of BaKersfield, Calif., Mrs. Ida E. VanLeeuwen of Royal Oak, and Mrs. Jessie Russell of Tecumseh. Twenty-one grandchildren and 28 great grandchildren also survive. His wife and two sons preceded him in death.

The bearers were Elmer Russell of Melvindale, Claude Hughes of Bay City, Edward Bennett of Bay City, John Hughes of Midland, Frank Bacon of Detroit and Charles Parker of Clinton. Friends and relatives who attended the services were from Melvindale, Bay City, Midland, Detroit, Clinton, Wamplers Lake and Tecumseh. Burial was in Brookside cemetery.

Horace Gray, 57, Dies; Was Former Resident

Horace Gray, age 57 years, died suddenly at his home in Toledo, Friday night about 7 o'clock. Death was the result of a heart attack.

Mr. Gray is survived by his wife, Lydia, three children, John and Francis Gray, and Mrs. Barbara Johnson, and three grandchildren. One sister, Mrs. Norleen Lister of Holloway and several nieces, nephews and cousins also survive.

Mr. Gray was the first wounded veteran of World War I to be returned to Lenawee county. He was a charter member of the American Legion of Tecumseh. The family formerly resided here.

Funeral services were held Monday in Toledo and burial was in a Toledo cemetery.

FINAL TAX NOTICE

I will be at the United Savings Bank on Saturday, September 2, and again on Saturday, September 9, for the collection of Village taxes. The final day for payment without penalty will be on Friday, September 15, at my home. If you want your tax receipts, call at the bank for them.

IF YOU MUST DRIVE OVER THE HOLIDAY, DRIVE CAREFULLY

Labor Day Driving is More Dangerous Than July 4th

Labor Day is more deadly than the Fatal Fourth!

More Michigan people will be killed by accident over Labor Day than were killed over the Fourth of July if last year's figures are any indication, the Michigan Department of Health warned today.

Automobile accidents will take more lives than any other cause. If you must travel over the Labor Day holiday:

Have your car checked and repaired now — the steering machanism, lights, horn, brakes, windshield wipers and tires.

Start early; drive with care. A driver who takes a chance is a poor driver.

Obey traffic signs, safe speed limits and yellow lines. The minutes you might save by crowding ahead may mean all the minutes of your life or the lives of your dear ones.

Do not drink if you are to drive. Do not drive if you have been drinking; do not ride with a driver who has been drinking — better to stay over and take a train or bus. Speed and drinking cause most of the serious accidents.

Watch out for that crazy driver and be sure you don't drive "crazy" yourself.

Take it easy! Your life depends on it.

Last year, 60 Michigan people were killed by accident during the Labor Day holiday — 33 of them in traffic, 8 by drowning, 8 by fires and burns, 7 by falls and 4 by other miscellaneous causes. Hundreds were gravely injured, most of them in traffic.

Here's a slogan to remember:

Avoid those broken bones and a broken heart;
Do some safety thinking before you start.

Jail Sentence Appealed Here

MAN CONVICTED OF RECKLESS DRIVING APPEALS SENTENCE OF JUSTICE

Delbert King of Herrick Park who last week was found guilty in Justice Robert French's court by a jury, of reckless driving, has appealed his sentence to the circut court and has been released on bond, pending a new trial.

The justice, after King's conviction, imposed a sentence of five days in the county jail in addition to a fine of $50 and court costs amounting to $71.

Ernest Horvath, also of Tecumseh, pleaded guilty to a drunk driving and drunk and disorderly charge in Justice French's court last week and drew a fine and costs amounting to $157.20.

Other cases in Justice French's court last week included:

Charles Anderson, 22, White Cloud, Mich., charged with being drunk and disorderly. His fine and costs totaled $57.20.

Glesson Boody, 34, Big Rapids, charged with being drunk. His fine and costs totaled $23.60.

Harry Marsh, 29, Tecumseh, charged with being drunk. His fine and costs amounted to $23.60.

Donald Snyder, 42, Alvordton, O., charged with being drunk. He drew a fine and costs of $23.60.

Says America's Spirit Will Control Destiny

The spirit of America, not its strength in numbers, in production and in wealth, is what will determine the future of democracy, William L. Berkhof, superintendent of school at Mt. Clemens, told members of the Rotary Club here Tuesday evening, when he spoke, following dinner at Legion Memorial Home. Mr. Berkhof, former superintendent of the schools here, used as his subject, "America's Destiny."

The speaker compared America, since World War II looked upon by the world as the champion of free people, to a youth suddenly "grown up." He declared that many of the errors in government thus far, perhaps have been made as a result of immaturity, because America has assumed this role of leadership for only about 10 years.

Berkhof warned, however, that while America and its allies may have the manpower, the wealth and the production know-how, such strength is not in itself sufficient to fulfill its destiny. It is the spirit of the people, the determination, the lack of selfishness and the desire and genuine love for liberty and freedom that ultimately will determine our nation's future.

"I am not given to pessimism," Berkhof said, "but these are serious times. Each of us, as Americans, must and are playing a role in the shaping of America's destiny. Because this is true, the spirit of the free people of America will determine our future, regardless of things material."

Jack Larsen of Jackson, Democratic candidate for Congressional nomination from the Second District, a former resident, also spoke briefly. John Larsen, his father, also was a guest. Other guests included: The Rev. Edward Escolme, and Vern Manwaring of Tecumseh, and the Rev. John Van Purvis, Floyd Strayer and Clayton Goble of Blissfield.

Merchants Team Loses To Rivers End, 13-9

The Tecumseh Merchants baseball team traveled to Rivers End last Sunday, and went down to defeat by a score of 13 to 9. Mel Murphy and Ronnie Henkel pitched a good game but Walz, of Rivers End, out-did the boys. Walz and Rhoades both hit home runs for the winners.

The final game of the second series in the Quad County League will be played here, Sunday. Tecumseh has a record of 4 wins and 2 defeats.

The mox score:

Goodwill Conference To Be Held Sept. 8-10

Under the chairmanship of Mr. and Mrs. David Mellott of Morenct, the Michigan Council of Churches will hold one of its series of "Goodwill Conferences" at the Boy Scout camp at Washington Lake on September 8 through 10. Professor Harry DeVries of the Michigan State Normal College, Ypsilanti, will be discussion leader for such topics as, "How can we combat our feeling of futility in the presence of the world situation?" "How can democracy function in regard to—the displaced person, the migrant, industry, racial minorities, freedom of speech and press, etc." "What should be the Christian's attitude toward Communism?" and many other timely subjects.

All people are welcome. Sessions open with dinner on Friday and close Sunday afternoon.

Quaker Bonus Is Over $7,500

AMOUNTS TO ABOUT $151 FOR EACH EMPLOYEE AT TECUMSEH PLANT

Smiles were the style today when employees at the Tecumseh plant of the Quaker Oats Company received more than $7,500 in annual profit-sharing checks.

This 15th yearly wage bonus added an average of nearly $151 to the employees' regular earnings during the company's recently ended business year.

Donald T. Nixon, plant manager, explained that 50 local employees were eligible this year to share in company profits. Eligibility, he said, is chiefly dependent upon six months or more of service.

Similar checks also went out to workers in Quaker's Chicago headquarters and in its other plants, grain elevators and sales offices throughout the country. Total profit-sharing sum was nearly $1,175,000.

The plan was voluntarily established by Quaker 15 years ago. It calls for setting aside each year a fixed percentage of company earnings. Employees thus share profits whenever the firm has a successful year. To date they have shated a total of $9,280,183 above their regular earnings.

Local Band Will Play In State Fair Parade

The Tecumseh high school band, under the direction of Clare Camburn, has received notice of position in the grand opening day parade of the State Fair at Detroit, September 1 at 11 a.m. The parade will form on East Jefferson and East Larned and Woodward Ave., and will march past the reviewing stand at the corner of Columbia and Woodward Ave. There will be 15 bands in the parade, which will be led by mounted police, the Detroit Police Band, the officials' cars, Marine color guards, U.S. Army band, Navy ducks, and various other bands, floats, Boy Scouts, Girl Scouts, and other organizations.

The Tecumseh High School band holds 58th position in the parade.

34 AT LUNCHEON

Thirty-four women attended the 1 o'clock luncheon, held at the Tecumseh Country Club last week Wednesday. Bridge and canasta were the diversions. The hostesses, Mrs. Robert Fuller and Mrs. Charles O'Neil made baked goods for the prizes. The door prize was twarded to Mrs. C. F. Sage, and Mrs. W. T. Claxton, Mrs. Leon Williamson and Mrs. Earl Wickwire won the other honors. Reservations for the September 6 luncheon should be made with Mrs. Wm. Bruce, phone 285R, or Mrs. Donald Cobb, 266W, not later than Tuesday noon.

Fred M. Alger, jr.

Fred M. Alger, jr., Michigan's secretary of state and Republican candidate for nomination for governor, will be the guest speaker at an inter-city meeting of Rotary Clubs, to be held at Legion Memorial Home here, Tuesday evening, September 5, at 6:15 o'clock. Rotarians from Adrian, Blissfield, Clinton, Saline, Milan and Monroe will be invited. Well over 200 are expected to attend. M. G. Partridge, chairman of the program committee of the Tecumseh club, is arranging the meeting.

Swim Winners Are Announced

OVER 250 TOOK PART IN RECREATIONAL PROGRAM DURING THE SUMMER

Winners of swimming awards in the program sponsored by the Community Recreation Center, have been announced by the Misses Louise and Dorothy Bowen, instructors. Red Cross certificates were being issued to the victors, and these may be obtained at the Bowen home, 214 S. Maiden Lane. Those in the life-saving group, however, will be late in receiving their awards, as the certificates have not yet arrived.

About 250 people participated in the course. Of that number, the winners of certificates are as follows:

Swimmers: Merene Boltz, Fred Buchheimer, Barbara Crowell, Lois Crowell, Judy Fairbanks, Barbara Hall, Shirley Larned and Nancy A. Weaver.

Intermediates: Richard Baker, Gary Cameron, Teresa Cornell, Judy Fairbanks, Betty Greene, Robert Gurtzweiler, Shirley Larned, Mary Lou Partridge and David Rice.

Martin George Schmidt Buried on Wednesday

Funeral services for Martin George Schmidt, 81, father of Mrs. Harold Wolf of Tecumseh, were held Wednesday at 2:30 p.m., from the Collins Funeral Home. The Rev. George Elstrom of Adrian officiated, and burial was in the Prattville, Mich., cemetery.

Mr. Schmidt's death is believed to have occurred last week Monday, while Mr. and Mrs. Wolf were on vacation. The Wolfs had been absent from their home for three weeks, and before they left they took Mr. Schmidt to visit at his daughter's home in Oxford, and Mrs. Schmidt to her daughter's home at Manitou Beach. The Schmidts had made their home with the Wolfs here for some time. Mr. Schmidt did not remain in Oxford, but returned to Tecumseh. He was found dead in bed by Mr. and Mrs. Wolf when they returned from their vacation, Sunday about 10 p.m. Coroner Paul Mott ruled that death was due to a heart attack.

Mr. Schmidt is survived by the widow and three sons, Lawrence of Wilson, Mich., and Anthony and Herbert of Battle Creek; three daughters, Mrs. Milton Dennis of Manitou Beach, Mrs. Violet Fritch of Oxford, and Mrs. Wolf of Tecumseh; also, by twenty-one grand children.

CHOIR TO MEET

The Methodist choir starts its fall season with a meeting at the church tonight, Thursday, at 7:30 p.m. Old and new members interested in singing are urged to attend. Glen Gould will direct.

School Opens, Wednesday

FOUR BUILDINGS TO HOUSE ALL GRADES IN TECUMSEH; 42 TEACHERS ON STAFF

The doors of the Tecumseh public schools will swing open on Wednesday morning, September 6, for the reopening of the 1950-51 school year, Earl H. Place, superintendent, has announced. The heaviest enrollment in the village's history, approximately 1,100 is expected, and a staff of 42 teachers will be ready to assume classroom duties. A meeting of the teachers on Tuesday, September 5, will precede the return of the students.

At Brownville school there will be morning and afternoon kindergarten sessions for children who will be five years old on or before December 1, 1950. Beginning youngsters who live north of Chicago boulevard will report to Brownville, and in the afternoons youngsters from District No. 5 will attend classes there. There also will be kindergarten classes at West Branch for children who live south of Chicago boulevard. It was pointed out today that parents of kindergarteners are expected to bring the child's birth certificate at the time of enrollment, and the Lenawee County Health Unit has warned that parents are expected to take beginners to their doctor for a physical check-up before school begins. The certificate, filled out by the doctor, should be handed to the teacher with the birth certificate.

In the first and second grades at West Branch, classes will be made up of children promoted from kindergarten and first grade, last year. There may be a few exceptions, and in such instances parents will be notified, it was said.

ENROLLMENT SCHEDULE SAME AS LAST YEAR

The form of enrolling for classes which was initiated by the high school last year will take place again this year in the new high school study hall and library. All students from the seventh through twelfth grades will be enrolled alphabetically at the following time: All last names starting with A through C will enroll at 9 a.m.; D through G at 10 a.m.; H through N at 11 a.m.; O through S at 1 p.m.; and T through Z at 2 p.m. on Wednesday, September 6. The student is expected to pay the $4 enrollment fee before enrolling.

Children in grades one through six will report for school at the Central building. All children who attended Central in grades one through five as of June 1950, will report there again this year, as will pupils who will enter first grade from Brownville kindergarten, those promoted from West Branch second grade to the third grade. New entrants in the local grade schools also will report to Central for assignment. There may be some necessary adjustments, it was pointed out, but this will be done when classes are equalized.

Students in the junior and senior high school, grades seven through twelve, will report for enrollment at the new high school building.

Wednesday afternoon and the remainder of next week will be used by the grade school faculty for visiting the homes of the students in kindergarten through the sixth grade. Junior and senior high school students will participate in special testing programs during the remaining days of the week.

Students in all grades through the sixth will pay a $3.50 book rental fee, and in grades seven through twelve a $4 fee, at the beginning of the year. This fee does not include the cost of work books in any grade.

Beginning Monday, September 11, all grades kindergarten through the twelfth will begin at 8:45 a.m. and at 1 p.m. in all buildings. All sections of the kindergarten, first, second and third will be dismissed at 11:30 a.m. and 3:30 p.m. Grades four, five and six will be dismissed at 11:45 a.m. and 3:45 p.m. Students in the Junior and Senior High School will be dismissed at 11:45 a.m. and at 4 p.m.

Students who come by bus to attend the kindergarten, first and second grades, except for District No. 5, should go to West Branch. All students in grades three

September Vote Interesting

With well over 2,000 voters in Tecumseh Township registered and eligible to cast their ballots in the September 12 primary, it will be interesting to observe the electors' reaction, particularly as it affects state and national candidates.

Next month's primary should attract a heavy vote, statewide. Normally, Michigan is a Republican state and there is an interesting contest for the nomination for governor on the G.O.P. ticket. Governor Williams, who is rounding out his first term as a Democrat governor, is unopposed in the primary, and it is certain that he will give the Republican nominee a stiff battle in the November general election. Seasoned political observers declare that unless the Republicans are able to nominate a strong candidate in September, Mr. Williams will be an easy victor. This much is certain, Williams has a winning personality, and he has a smooth-running political machine.

The vote, then, in Tecumseh Township and in Lenawee County, normally Republican strongholds, should be vitally important in the choice of the G.O.P. nominee for governor. The Wayne County vote is expected to be heavy but Wayne, more and more, is sliding into the Democratic column. The Republicans, it seems, must gather their strength in the rural areas and in cities under 25,000 population.

Equally or more important to Lenawee voters, however, is the contest for the seat in the House of Representatives from the Second Congressional District. Cong. Earl C. Michener of Adrian, a Republican, who has represented this district for more than 20 years, has decided to retire. He is not a candidate for re-nomination. Candidates seeking the office and the September nomination come from Jackson, Monroe and Washtenaw Counties. Lenawee is not represented in the list.

Only once in the last quarter of a century has a Democrat sat in the House seat at Washington from the Second District. John C. Lehr of Monroe, was the Democrats' last successful candidate. This year the Republicans are putting up a stiff fight to hold the seat, but the Democrats are fighting equally as hard. There are contests in both parties for the primary nomination and, of course, the real battle for election will come in November.

How will local voters react to these contests? Will half or less of the registered electors in Tecumseh Township fail to vote? Will they assume the "let George do it" attitude?

The history of elections here and in Lenawee in the past few years has been anything but encouraging. Each year, the returns show, a few less voters cast their ballots than in previous elections. The County's population has been growing steadily, but its strength at the polls seems to be diminishing. This is because too many voters are assuming a "don't care" attitude.

When next month's primary election comes along, don't say to yourself, "Why should I bother, my vote won't count anyway, and one vote more or less will not make any difference." That is the wrong attitude, and it is NOT the American attitude.

The United States is the last democracy on earth to enjoy the use of the free ballot. Too many people believe that the right to vote is God-given, that it is something that they inherited at birth, and that it is something that they will always have and cannot lose. Such is not the case. The right of the free vote in the United States was won on the battle field by our forefathers, who died that we might have liberty.

We can lose that liberty, the right to the pursuit of happiness, freedom of speech, of the press and of worship, by doing just what we have been doing for the past 20 years—*staying away from the polls.* In the last national election, less than 50 per cent of the voters cast their ballots. A minority group in the nation elected a president of the United States.

When September 12 rolls around, go to the polls and vote. It matters not whether you are a Democrat or a Republican, when you vote you are exercising your right as an American. It is not parties that we are attempting to maintain in this country, it is the American way of life. And the surest way to lose that way of life is to fail to take an interest in government.

DIVORCE RATE DROPS, BUT IT'S STILL HIGH

Michigan's divorce rate has dropped one-half in the past three years, but in 1949 there was still one divorce for every 3.3 marraiges in the state, the Michigan Department of Health reported today.

While 10.2 out of every 1,000 Michigan people were divorced in 1946, only 5.1 out of every 1,000 were divorced in 1948. Divorces, which declined from a peak of 29,158 in 1946 to 16,017 in 1948, were up to 16,274 in 1949.

Michigan's marriages were continuing a downward trend which followed the war-created 1946 peak of 78,808 marriages. In 1949, only 55,109 marriages were performed. While 27.6 people out of every 1,000 undertook marriage in 1946, only 16.7 out of every 1,000 undertook marriage in 1949.

MUSIC CLUB PICNIC

Twenty-two members and guests of the Music Club met at the summer cottage of Mrs. Wilfred Waldron at Sand Lake, last Friday afternoon for a potluck dinner. Mrs. Thomas Gallant, president, presided at a short business meeting and the club voted to devote the first part of the year to choral music. A social time was enjoyed by the group. The next meeting will be held September 19, at the home of Mrs. Lulu Ruthruff and Miss Bess Pulver.

MISCELLANEOUS SHOWER

Miss Jeanette Morden of Macon was the guest of honor at a miscellaneous shower in the home of Mrs. Robert Smith, August 21. Miss Joan Bilan was the assistant hostess, and fourteen classmates of the honored guest were present. Games were played and the prizes won were presented to Miss Morden. Refreshments were served by the hostesses.

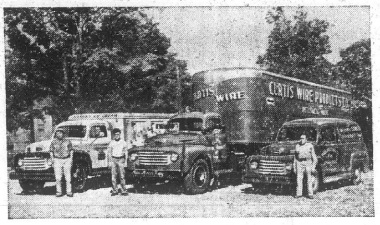
MICHIGAN TRUCKMEN IN NATIONWIDE FORD ECONOMY RUN!



● The Ford Truck operators, at left, are participating in the gigantic, 48-state Ford Truck Economy Run along with the thousands of others.

For the 6-month period ending December 31, they are keeping accurate, day-to-day records of gas and oil consumption, repairs, maintenance, loads hauled and miles travelled. They are demonstrating, for the record, what they already know from experience—that Ford is America's No. 1 Economy Truck Value!

Three Petoskey truckmen in the Economy Run are Chris Land and Ford F-6 of Petoskey Packing Co., Noel Ryel and Ford F-8 of Curtis Wire Products Co., and Don E. Newland and the Ford F-1 Panel of Bremmeyr-Bain Hardware Co.

THOUSANDS OF FORD TRUCK OWNERS ALL OVER AMERICA MAINTAIN DAY-TO-DAY RECORDS FOR THE GREATEST ECONOMY DEMONSTRATION EVER!

Now it'll be down in black and white—demonstration of Ford Truck economy! Each month of the Economy Run Ford Truck owners throughout the nation will report their daily economy records.

The results will be a comprehensive record of operating economy for every truck-using vocation. Thus the low cost operation of Ford Trucks will contribute to Ford's reputation as America's No. 1 Economy Truck Value!

All models on all jobs—under actual truck conditions! On the farm, in the cities, in every state of the Union, there are Ford Trucks operating in this spectacular Economy Run. All models are included. Every type of load and road condition will be met—from stop-and-go city traffic, to transcontinental hauling! Yes, the entire U.S.A. is the proving-ground for Ford Truck economy!

EVERY FORD TRUCK IN THIS GIGANTIC ECONOMY RUN CARRIES THIS SIGN—

This black and orange sign is mounted on every Ford Truck in the Economy Run. Look for it.

Ford Trucking Costs Less Because—

FORD TRUCKS LAST LONGER

Using latest registration data on 6,592,000 trucks, life insurance experts prove Ford Trucks last longer!

"School of Fashion" Is Awaiting Club Women

On the afternoon of Wednesday, September 6, the day that elementary and high school pupils troop back to school, some of their mothers, older sisters, aunts, grandmothers, and neighbors will be veiwing the "School of Fashion Parade" at the Tecumseh Country Club. Here young ladies preparing for another term at college may see what fashions and accessories they may yet add to their wardrobes from the offerings of local merchants. A nearby furrier will also display new styles for daughter and matron as well.

Mrs. H. H. Hanna, in charge of models, is again assembling them from local talent.

This year the theme of "School Days" is being uniquely keynoted in the decoration of the lounge and tables. An introductory prologue to the show will depict a belle of yesteryear, replete with period costume, who will symbolize the agelessness of 'milady's interest in fashion. This episode has been originated by the hostesses, Mrs. Wm. Bruce and Mrs. Donald Cobb. Mrs. Robt. Laidlaw will portray the belle and Mrs. Louis Carlson will be the narrator. The latter will also act as mistress of ceremonies and introduce each model.

Mrs. Chester Beach and Mrs. Norris Morehouse are general chairmen of the event with Mrs. Dalton Walper in charge of decorations and Mrs. Robt. Dillon, the accompanist.

A luncheon at 1 p.m. will precede the School of Fashion Parade. Reservations should be made with Mrs. Wm. Bruce, 285R—or Mrs. Donald Cobb, 566W, by Tuesday noon, September 5. Guests are welcome.

HONOR BIRTHDAY

Mr. and Mrs. Harry Creger entertained in their home Tuesday evening at a 6:30 potluck dinner for the birthday anniversary of their daughter, Mrs. Ernest Hammack. The evening was spent socially and Mrs. Hammack received many gifts. During the evening she received a long distance call from Mr. and Mrs. James Hathaway of San Diego, Calif., wishing her a happy birthday. Mrs. Hathaway was the former Ardis Harkness of Tecumseh.

GIRL BOWLERS MEET

The Ladies House Bowling League met at the American Legion Home Tuesday evening at 8 p.m. The officers for the coming year are: President, Mrs. Jean Merz; vice-president, Mrs. Marie Greiman; secretary and treasurer, Mrs. Evelyn Buehrer. They will start their bowling September 19, at 7 p.m. and 9 p.m., respectively. All girls interested in bowling should leave their names with any one of the officers.

O. E. S. MEETING

The regular meeting of the Order of Eastern Star will be held Thursday evening, September 7, at 8 p.m. There will be a business meeting followed by a potluck supper. Mrs. Don Hunt and her committee will have charge of the supper.

P. S. — He Got The Job

A bright young lad was applying for a job as junior clerk to a City firm. He had to sit for an examination before the final choice was made, and one of the first questions he came across was, "What is the distance of the earth from the sun?"

He wrote his answer carefully. "I am unable to state accurately the required distance, but I do not believe that the sun is near enough to interfere with a proper performance of my duties if I secure this position as clerk."

SHARP UP-TURN IN INDUSTRIAL ACTIVITY NOTED IN COUNTY SINCE 1948

The August survey of the labor market in Lenawee county, issued by the Michigan Unemployment Compensation Commission, shows that employment in the county reached a new all-time high during mid-July. In 193 establishments employing eight or more persons, there was an increase of approximately 1,800 since December of 1948. Manufacturing firms registered a total gain of 1,830, while non-manufacturing firms reported a very slight decline.

In all industries in Lenawee county there was a total of 15,627 persons employed as compared to 13,818 in December of 1948. Of this number, 8,364 were employed in manufacturing.

The report shows Tecumseh to be the second largest employer of labor in Lenawee county. As of mid-July, the report showed Tecumseh's employment to be 3,405 in industry as compared to Adrian's 8,782. Blissfield's employment amounted to 402, Clinton's to 1,001, Hudson's, 484, Morenci's, 336, and in all other areas of the county 1,207.

Hiring schedules of 14 major industrial plants, according to the report, point to personnel reductions of 200 in the next four months as a result of curtailed seasonal activity. This situation may, however, be altered when new factory building construction now under way is completed. Adrian's industrial plants are presently adding 125,000 square feet of floor space to their present facilities, the report says.

Postmasters Entitled To Civil Service Rights

Harry B. Mitchell, chairman of the United States Civil Service Commission, has called upon the American public to recognize that postmasters are permanent officers under the Civil Service System, and entitled to all the rights and privileges of the law.

Chairman Mitchell's statement was issued as a part of a nation-wide campaign launched by the National Association of Postmasters to educate the public as to the true status of postmasters in the Civil Service System. Too many people, the Association announced, believe that postmasters are temporary political appointees and it is resulting in an incorrect attitude toward the Postal Service.

In a public statement Chairman Mitchell announced: "Every postmaster not only has to qualify for appointment through an examination given by the Civil Service Commission, but he must be among the three top eligibles. Like other Federal workers, the postmaster serves without limitation on his term, subject only to the same competent handling of his office as required of all personnel.

"The country benefitted when postmasters were placed under competitive civil service. The postmaster and his employees are the most important daily contact a citizen has with his Government. I am glad to know that the National Association of Postmasters is launching a campaign to inform the American public as to the real facts. The United States Civil Service Commission is particularly gratified at the manner in which postmasters are performing their duties."

The Association has established a national committee to conduct the campaign with Fergus McRee, Postmaster, Richmond, Va., as chairman. Top officials in government and in both major political parties have joined in expressing approval of the program the sole aim of which is to correct the oft-repeated statements that postmasters are serving only upon a temporary basis, whereas the law of the land has placed them as a vital part of the Civil Service System.

U-M SUMMER SESSION WILL END AGUST 18

ANN ARBOR—Summer Session at the University of Michigan, except for the Law School, will end on Friday, August 18. Law School courses will continue until Saturday, September 2.

This year's Summer Session will be the last to be directed by Louis A. Hopkins, who is retiring after 44 years of service on the faculty. He has directed the Summer Session since 1934.

Activity on the campus will be relatively quiet after the close of the Summer Session until the week of September 18 when Orientation Week activities start for new students. Classes will begin in the Fall Semester on Monday, September 25.

COMFORT IS NAMED FRIENDS' TREASURER

Ralph Comfort of Tecumseh was chosen as treasurer of the Mission Board at the Ohio Yearly Meeting of Friends, held in Damascus last week. Charles D. Robert of Greensboro, N. C., had held this position for the past fifteen years.

Mr. Comfort drove to Damascus for his family Saturday and was formally introduced at a mass meeting and accepted the new position. Rev. Edward Escolme is recording clerk of the Meeting.

LEGAL NOTICE

Order of Hearing—Probate of Will
STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for the County of Lenawee.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 28th day of August in the year one thousand nine hundred and fifty.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of ESTHER GOHEEN, Deceased.

On reading and filing the petition, duly verified, of Wendell L. Cleveland, praying that an instrument in writing purporting to be the last will and testament of said deceased, may be duly proved and admitted to probate, and that administration of said estate may be granted to petitioner the executor named in said instrument, or to some other suitable person.

It Is Ordered, That Monday, the 18th day of September next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

Miss Marlou Gilman Weds Robert S. Ely

St. Peter's Episcopal church was the scene of a lovely church wedding, Wednesday evening at seven-thirty o'clock when Miss Marlou Jane Gilman, daughter of Mr. and Mrs. Clarence W. Gilman of Tecumseh, and Roger Scott Ely, son of Dr. and Mrs. Gilbert Ely, of Montpelier, Ohio, were united in marriage. The Rev. Allan L. Ramsay, rector, performed the double ring ceremony. Lighted tapers and satin roping accented with clusters of white pom-poms garlanded the choir-loft, and the altar was decorated with candlabra and gold vases filled with white roses. The family pews were marked with white satin bows.

Miss Gilman was given in marriage by her father. She was attired in a gown of French chantilly lace and nylon tulle over white satin, fashioned on princess lines, featuring a face-framing collar and long sleeves embroidered with frosted paillett and seed pearls. Her double-tiered silk illusion veil fell from a matching lace cloche, also embroidered with paillettes and outlined with seed pearls. She carried a white prayer book, a gift from her god-parents, topped with white orchids and stepanotis.

Mrs. Ann Kessler served as matron of honor. The bridesmaids were the Misses Mary Brown and Patricia Hammack and Mrs. Katherine Daehler. Mrs. Kessler and Mrs. Daehler, both of Ann Arbor, are recent brides and sorority sisters of Miss Gilman. The bride's attendants wore identically styled gowns of silk net over satin, fashioned with ballerina length skirts of satin with double tiered overskirts of net falling to the floor in a handkerchief hemline. The matron of honor was in a white gown over blue, and the bridesmaids' gowns were in ice blue. All wore small veiled cloches, matching gauntlets and ice blue linen pumps. Their bouquets were arrangements of Rubrum lillies and stepanotis on a silver ring tied with magneta silver and satin.

As the wedding guests were being seated by Robert Briggs, Heinric Kessler and William Daehler of Ann Arbor, Jack Tonneberger, organist, presented a program of nuptial music which continued throughout the ceremony; he also accompanied Miss Deloris Oats of Trenton, sorority sister of the bride, who sang "I Love Thee" and "O Perfect Love." As the couple knelt at the altar, Mr. Tonneberger sang "The Lord's Prayer."

Richard F. Ely, only brother of the bridegroom, served as best man.

The wedding ring theme was carried out in the decorations for the reception for 300 guests at the Tecumseh Country Club after the ceremony. In the receiving line, Mrs. Gilman greeted the guests in a floor length gown of gray with primrose accessories. Mrs. Ely, for the wedding and reception, chose delphinium blue with primrose accessories, and both mothers wore shoulder corsages of amaryllis. Friends of the newly-wedded couple who assisted at the reception were Beverly Young of Dearborn, Paula Benge and Bud Marshall of Ann Arbor, Jean and Robert Lockhardt of Montpelier, Gertrude Peterson of Petosky, Marianne Singler and Elaine Rittmeyer of Detroit, Joyce Braun of Saline, Janet Braun of Milan, Mr. and Mrs. Herbert Farver, Louise Wilson, Dorothy Jean Brandt and Jane Hanna of Tecumseh.

Mr. and Mrs. Ely left on their wedding trip in the resort area of northern Michigan, the bride traveling in an original suite of irridescent gabardine on which she pinned her bridal orchids. She wore black velvet accessories. Her pearl choker was a gift from the bridegroom.

Mrs. Ely is a graduate of Tecumseh high school and in June she received her degree from the University of Michigan, School of Dentistry in dental hygiene. She is a member of the Alpha Delta Pi Sorority. Mr. Ely graduated from Montpelier high school and served for two years with the U.S. Navy, stationed at Bremerton, Wash. He received his A.B. degree and teacher's certificate from the University of Michigan in June, and is now attending the School of Denistry at the University.

After September 15 Mr. and Mrs. Ely will be at home at 1309 South University Ave., Ann Arbor, where Mr. Ely will continue his studies and Mrs. Ely will be employed as a dental hygienist.

Guests for the wedding and reception were registered from San Francisco, California, Garden City, N. Y., New Kensington, Pa., Valparaiso, Fort Wayne and Bloomington, Ind., Chicago, Ill., Braun, Lima, Montperier and Toledo, O., Frankfort, Muskegon, Lansing, Battle Creek, Kalamazoo, Coldwater, Hillsdale, Romulus, Ypsilanti, Flint, Gross Pointe, River Rouge, Dexter, Adrian and nearby towns.

Almost anybody can tell you how to increase your business and the plan will work—until you try it.

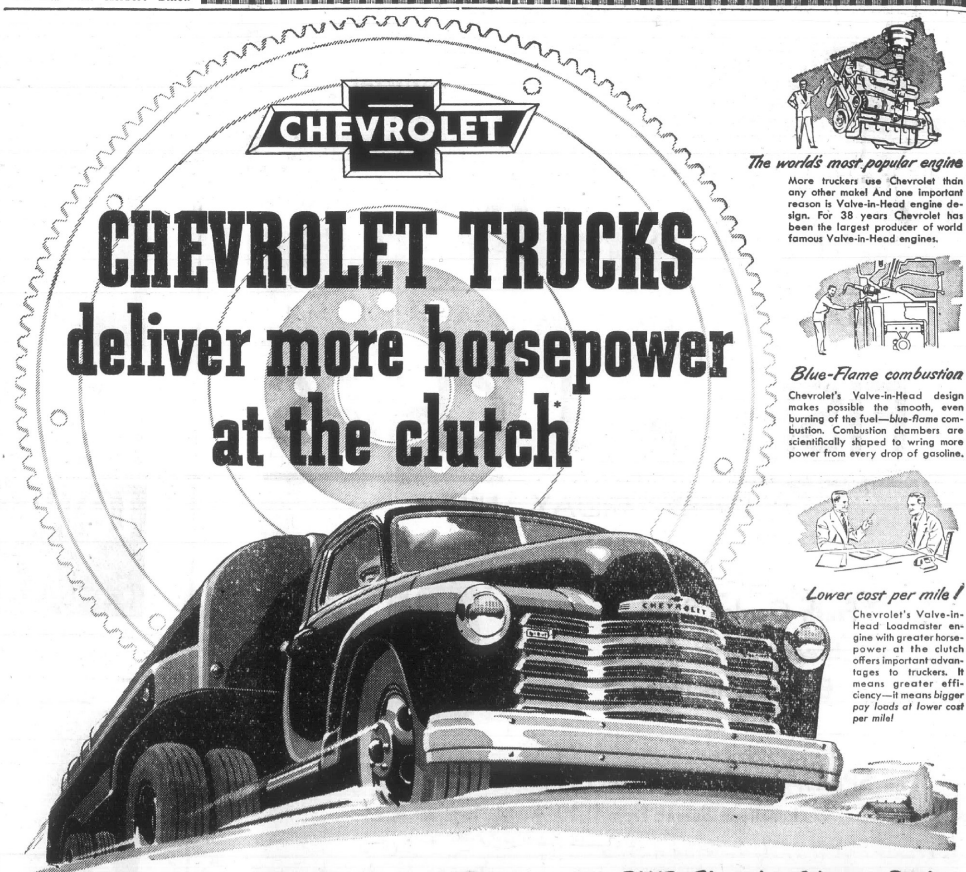
CHEVROLET

CHEVROLET TRUCKS deliver more horsepower at the clutch*



The world's most popular engine

More truckers use Chevrolet than any other make! And one important reason is Valve-in-Head engine design. For 38 years Chevrolet has been the largest producer of world famous Valve-in-Head engines.

Blue-Flame combustion

Chevrolet's Valve-in-Head design makes possible the smooth, even burning of the fuel—*blue-flame* combustion. Combustion chambers are scientifically shaped to wring more power from every drop of gasoline.

Lower cost per mile!

Chevrolet's Valve-in-Head Loadmaster engine with greater horsepower at the clutch offers important advantages to truckers. It means greater efficiency—it means *bigger pay loads at lower cost per mile!*

Net horsepower . . . the power you use, the power *delivered at the clutch* . . . is the true measuring stick of a truck's ability to haul payloads. And for *net* horsepower, Chevrolet heavy-duty trucks with Loadmaster engine have no equal among the five most popular standard equipped makes in their weight class—13,000 to 16,000 lbs. G.V.W. Chevrolet heavy-duty trucks lead them all! Compare the facts! Check the serial plates of all other popular makes for proof. And remember—*it's the power at the clutch that counts!* Come in and let us tell you the full story of Chevrolet's truck leadership.

*Proved by certified ratings on engines used as standard equipment in conventional models of the five most popular makes.

"THE FARM"

54 acres located in Onsted across from the Onsted High School and known as "The Farm," now serving the public as a high class restaurant with a Duncan Hines rating. This location offers a multitude of possibilities with over a quarter of a mile of business frontage and one excellent business corner suitable for a super service station, super market or dairy bar. The house as it stands now is used as a restaurant which could easily be changed into a convalescent home or a three family apartment, used as a library, civic offices or continue in its present role. The barn on its high knoll is suitable for a machine shop, farm machinery outlet or used for storage of the products of the 54 acres. The land is so located to the village of Onsted as to make a very desirable subdivision development. Onsted has a very real need for all or any of the above services. We will entertain any reasonable offer.

Disposal Plant A Big Headache For Councilmen

WHAT WILL THE COST BE, HOW CAN IT BE PAID FOR, ARE THE PROBLEMS

The Village of Tecumseh has until approximately October 24 — just about two months — to decide whether it will:

1. Spend from $250,000 to $400,000 for a new sewage treatment plant.

2. If it does agree to spend that amount of money, the money must be raised by the issuance of revenue bonds and a new tax must be levied for their retirement. How can this be done? And,

3. If the village decides against the installation of the plant, then will the State of Michigan take Tecumseh into court and force its installation and, perhaps, at the same time, impose a fine of $500 a day for each day that the plant is not in operation after such an order becomes effective?

Briefly, those are the questions that are facing Mayor J. Floyd Elliott and members of the village council, particularly E. C. Hellman, chairman of the water and sewer committee.

"It is a big decision," Mr. Hellman said in discussing the matter. "I have spent some sleepless nights thinking about it, and I am willing to admit that I haven't found the answer."

The big headache for the council members started last week Tuesday when they were called before the Water Resources Commission at Lansing and asked to show cause why a sewage treatment plant was not in operation here at the present time. Nearly two years ago the state issued an order that such a plant be built and Tecumseh was given until June 1 of this year to have it in operation. However, no such plant has been built, raw sewage is being dumped into the River Raisin, and, to date, the council has no plan for financing such a project.

"I dont' know what a treatment plant here would cost," Heilman said. "We have visited other cities where treatment plants are in operation but these plants were built years ago and costs now are much higher."

Heilman estimated that a plant adequate for Tecumseh's needs and possible future expansion would cost between $250,00 and $400,000. He said he believed that the village could do a large amount of its own work in the construction and in that way hold down the expense. However, he indicated that the $250,000 figure would be an absolute minimum.

The only way that the chairman of the water committee can see for raising the money needed to install the plant is to issue revenue bonds, tax water bills and use the tax money to retire the bonds.

"It would be a long pull," Heilman said, "depending, of course, upon the interest rate that the bonds would carry. The state wants us to retire all of the bonds in 15 years. That would mean a heavy water tax."

Heilman said that at the present

Fred Feight Is Winner of 4-H Plowing Title

Fred Feight, Route 1, Tecumseh, won first place in the plowing contest last week at the Michigan State 4-H Club Show at Lansing. He had previously won the right to contest in the state meet by winning the district title. Runner-up was Garry Denhof of Conklin. Third place went to Leroy Gustave of Monroe county. There are about 120 Lenawee County 4-H Club members in attendance at the state show.

Eight Michigan 4-H Club boys and girls, judged outstanding in their club work, will receive free trips for their efforts.

The eight winners—four of whom will go to the national 4-H Club camp in Washington next June and four to the Canadian National Exposition in Toronto this weekend, were seleceed last night.

The winners of the Washington trip were Joyce Brindley, Allegan County; Delphine Ehlers, Kalamazoo county; Victor Ball, Calhoun county; and Dick Labadie, Cass county.

Those receiving the trip to Toronto are Betty Mikkola, Gogebic county; Jeanette Becker, Clare county; Fred McFadden, Delta county; and Howard Ball, Emmet county.

Baptist Church Is Redecorated

BELFRY AND ROOF ALSO REPAIRED; SERVICES TO RESUME ON SUNDAY

After a three-weeks' recess, during which time the auditorium and Sunday School rooms have been redecorated, as well as repairs made to the roof and belfry, the Baptist church will resume services on Sunday with a complete schedule of meetings, the Rev. B. O. Bashore, pastor, announced today.

The regular morning worship service will be at 11 a.m., and the Rev. Mr. Bashore will use as his subject, "What Is Our Destiny?" The church's radio program also will be on the air, as usual.

Work of redecorating the auditorium of the church, as well as the Sunday school rooms, will be completed this week. The church roof also is being repaired, and the belfry, discovered to be in bad structural condition, also is being strengthened.

Mr. Bashore, the pastor, who has been absent from the pulpit for several weeks, recovering from a heart condition, is now much improved in health and will be in charge of all services, as usual.

Ray O. Mathias Joins Staff of The Herald

Ray O. Mathias of Addison, has joined the staff of The Herald and with his family will move to Tecumseh as soon as suitable housing accommodations can be found.

Mr. Mathias is a well-rounded newspaper man. Following his high school and college training, he was associated with his father-in-law, W. J. Lewis, in the publication of The Addison Courier, and remained there for 16 years, until the newspaper was sold. He then spent some time in Hudson, with the Post-Gazette, and two years ago, for about a year, he was with The Herald. More recently, he has been with The Telegram at Adrian.

Mr. Mathias will assist in the mechanical, advertising and news departments of The Herald. Mr. and Mrs. Mathias have two sons and two daughters, and two of the children will attend school in Tecumseh.

DR. DUSTIN DELEGATE TO MEDICAL MEETING

One Tecumseh doctor of medicine will serve as a delegate to the House of Delegates, policy making body, of the Michigan State Medical Society when that group opens its annual meeting in Detroit on September 18 according to R. H. Baker, M.D., Pontiac, speaker of the house.

The representative from this area is R. E. Dustin, M.D.

The House of Delegates will meet prior to the 85th Annual Postgraduate Conference which opens at the Book-Cadillac Hotel, Detroit, Wednesday, September 20. The conference this year features scientific lectures by more than a score of the leading medical teachers and clinicians in the country.

VEHICLES DAMAGED

A taxicab driven by Myrtle E. Watkins, Tecumseh, and a truck driven by Willis Porter, also of Tecumseh, collided at 8:20 a.m., Wednesday, at Chicago Boulevard and Evans street. Damage amounted to about $60, police said. No one was hurt.

Merchants Plan Retail Sessions

SERIES OF CONFERENCES AFFECTING LOCAL PROBLEMS TO BE HELD HERE

A series of six retail conferences will be sponsored by the Chamber of Commerce starting on Tuesday, September 19. These conferences will be conducted by Michigan State Colleges, and through the cooperation of the Michigan Retailers Association, the Vocational Department of the State Department of Public Instruction, and the local schools, will bring specialists in various phases of retailing to Tecumseh.

Earl Heap, of the Department of Business and Industry of the college, met with the directors of the local Chamber last week and outlined the program. He had also conferred with several local merchants and found them unanimously favorable to the program.

Under the plan, local retailers will decide what topics they would like discussed. The college then arranges for a specialist in that particular field to talk with them on the problem. During the day of the meeting, a field man talks with the merchants so that the specialist in the evening will be informed as to Tecumseh's particular needs.

The first two meetings will be devoted to community sales promotion and rural-urban relations. The following four meetings will be on topics the merchants will choose and will be on such subjects as inventory control, credit control, retail advertising, window and interior display, store fronts, store layouts, store maintenance, better buying, store expense control, and other practical retail problems.

These retail conferences have been held in Adrian, Hillsdale, Coldwater, Jonesville, Albion, Sturgis, Hudson, and many other towns during the last year. Many others are signing up for the programs this fall.

The cost of the program is very small, provided at least twenty-five merchants sign up. The Chamber of Commerce is sending out return cards to the merchants and urges them to return them at once so that they can determine if the full number will be enrolled.

Council O.K.'s Curfew For Kids

NEW LAW PROHIBITS YOUNGSTERS UNDER 17 FROM STREETS AFTER 10 O'CLOCK

A curfew law, prohibiting children under the age of 17 years from the streets of the village after 10 p.m., Sundays through Thursdays, and after 11 p.m., on Friday and Saturday nights, was given the approval of the village council, Tuesday evening. The new law, requested by the police department, becomes effective on September 15.

Under the ordinance, children under the 17-year age cannot go on the streets after the curfew hour unless accompanied by parent, guardian or some other responsible person, or at their direction.

The ordinance, in its final form, was changed slightly and throws the responsibility for permitting children to violate the law directly upon the parents or guardians. In the future, then, youngsters in violation may be returned to their homes and parents made to answer for the offense.

Council, by a four-to-two vote, refused to change the name of East Brown street to Herrick Park Drive. East Brown is the entrance to the new subdivision. Council-

Tecumseh Asks Tecumseh To A Giant Corn Roast

Tecumseh, Ontario, is inviting its friends from Tecumseh, Michigan, to a giant corn roast on Saturday evening, September 23. A delegation from the sister Canadian town came here last week to extend the invitation.

The corn is the famous Del-Maize variety which is the special favorite of Finer Foods of Canada and is widely advertised in national American magazines. The crop will be at its peak at that time, the Canadians state, and the Tecumseh, Ontario, factory, which is the largest canning factory in the British Empire, will be glad to furnish all the corn the crowd can eat.

The event will be held at the Sportsmen's Club, where the Tecumseh-Tecumseh trap shoot was held last July 1.

The Canadian visitors who came here to extend the invitation were Steve LeBlanc, Don Fontaine, Eddie Paquette, and W. P. Richards.

2 Drunk Drivers Get Jail Terms

JUSTICE FRENCH IMPOSES HEAVY FINES; TRAFFIC COURT IS BUSY PLACE

Tecumseh, and for that matter all of Lenawee county, escaped the Labor Day weekend holiday without a traffic fatality or a single serious accident but, nevertheless, the traffic court in Tecumseh has been a busy spot during the past week.

Two local men, charged with drunk driving, drew jail sentences, two reckless drivers also received jail terms, and fines were meted out in other instances.

Richard P. Bowers, 25, Tecumseh, pleaded guilty to a drunk driving charge in Justice Robert French's court on Tuesday and drew a jail sentence of seven days in addition to a fine and costs of $83.60.

Grover Stiving, 59, Tecumseh, pleaded guilty to a similar charge last Saturday before Justice French. He drew a 14-day jail term in addition to a fine and costs of $108.60.

Orville L. Hubert, 21, Sparta, pleaded guilty to a reckless driving charge and he drew a jail sentence of three days and a fine and costs of $58.60 or, in default, a 7-day jail term.

Lester Bowman, Adrian, pleaded guilty on Tuesday to a charge of reckless driving and he drew a fine and costs of $58.60 and, in addition, a five-day jail term.

William Jackson, 65, Tecumseh, pleaded guilty last Saturday to a charge of being drunk. His fine and costs amounted to $28.60.

Eight persons paid fines and costs in Justice French's court during the past week for traffic law violations.

Those in court and their fines were: Robert Lawson, Britton, Rt. 2, failing to observe a stop street, $6.10; Francis Woerner, Toledo, speeding, $5.10; David Wilson, Big Rapids, speeding, $7.10; James E. Carr, Adrian, speeding, $6.10; Roy Boyke, Wyandotte, speeding, $7.10; Curtis N. Smith, Adrian, R. D., reckless driving, $58.60; Robert Welke, Adrian, speeding, $7.10; Walter Rogers, Palmyra, R. D., speeding, $6.10.

W. S. C. S. TO MEET

On Wednesday afternoon, September 13, at two o'clock, the Woman's Society of Christian Service will hold a regular meeting in the social room of the Methodist church. Mrs. E. E. Duvall will conduct a program on "Health through a Brotherhood of Nations." Mrs. E. A. Collins, Mrs. George Wittrup and Mrs. H. H. Loveland will be the hostesses.

School Opens In All Grades

ALL-TIME HIGH ENROLLMENT OF OVER 1100 REPORTED BY SUPERINTENDENT

An all-time high enrollment in the Tecumseh public schools was reported by Earl H. Place, superintendent, on Wednesday, following the reopening of the schools for registration.

While it will be impossible to make an accurate check of students in all of the grades until after next Monday, Mr. Place estimated the total registration at 1,125, about 75 more students than reported for classes on the opening day in 1949. This number, he said, may grow still larger, but he doubted that it would hit the 1,200 mark.

The largest enrollment, Place said, is in kindergarten and the first five grades. Kindergarten classes, this year, are expected to number about 110, and in the fifth grade about 95 are enrolled. However, the growth of the schools is being felt through the senior high school, where the 12th grade class is expected to number 80.

"The real bulge in the system is in the elementary grades, particularly in kindergarten through the fifth grade," Place said. "As the years progress, it will be felt in the higher grades. The unusually large fifth grade this year will make itself felt next year in the sixth, and the large kindergarten class will report for first grade study in another year."

The students reported on Wednesday for registration in all grades. The remainder of the week will be spent by elementary teachers, visiting in the homes of pupils. In the junior and senior high schools, students will spend the week in special testing programs. Actual class work for all students will begin on Monday.

A complete staff of teachers, 42 in number, reported at the preschool teachers' meeting at the high school, Tuesday. They received final instructions from the superintendent, the high school principal, James McDowell, and from the elementary principal, Darwin C. Smith.

Alger Warns Of Socialism

SAYS VOTERS SHOULD TAKE KEENER INTEREST IN POLITICS OF THE NATION

Voters should take a keener interest in the politics of the nation, they should exercise their right of ballot and carefully screen candidates for public office, Fred M. Alger, Jr., Michigan's secretary of state and Republican candidate for nomination as governor, told an inter-city meeting of Rotary Clubs, Tuesday evening following dinner at Legion Memorial Home. Mr. Alger's address was tape recorded for rebroadcasting over Station WABJ at 5 p.m., Wednesday.

Apologizing for making a political talk before a Rotary meeting, Alger declared that he was "speaking from his heart" when he discussed matters vital to the state and to the nation. "This so-called police job that we are doing in Korea is costing American lives, and the end is not yet," the speaker said. "I hope and pray that we are not seeing the beginning of a third world war."

Alger criticized the national administration for a wavering foreign policy, slapped at increased taxes nationally and on a state level, and pledged good government for the folk of Michigan at a cost that they could afford.

Alger flew to Tecumseh from Detroit, arriving here about 6:10

Famous Contralto To Sing Here, September 24

Margit Kormendy, contralto at the Fort St. Presbyterian Church, Detroit, will be guest soloist for the Vesper Service of Music at St. Peter's Episcopal Church on Sunday, September 24, at 5 p.m. This will be the first of the series of Vesper Services at St. Peter's for this fall and winter season. Dr. James Spencer, organist and choir director of St. Peter's will be organist at this service, and will offer several solo numbers.

Noted for recital and oratorio work, Miss Kormendy made one of her finest recordings of "The Messiah" as soloist with the Augustanan Choir of Rock Island, Illinois. With this choir, she broadcast "The Messiah" over the nation-wide radio chains on several occasions. Miss Kormendy recently appeared as soloist with the Detroit Symphony Orchestra, of which the Detroit News said," . . . She is a strong candidate for our foremost contralto, her voice is rich, colorful and warm . . ." Critics in New York, Cincinnati, and other cities have warmly praised fine performances in those cities.

The program for this Vesper service will be published in full. It will be a well-balanced program of both majestic oratorio music and familiar hymns.

Air Guns Will Be Confiscated

POLICE TO USE OLD ORDINANCE IN EFFORT TO CHECK LOCAL DAMAGE

In an effort to check an ever-increasing amount of damage, due to the firing of slugs from air guns, the police department announced today that it would invoke an old ordinance which permits officers to confiscate guns in the event of proof of damage as a result of the firing of such weapons. Also, it was said that parents of boys who cause damage with such guns may be held responsible under the law.

Most recent reports of damage, police said, include the breaking of 13 windows in the Butler Motor Sales building, and other windows at the Bruce Foundry. Dozens of windows in residences also have been broken, it was said.

"We are getting entirely too many complaints from residents about the use of air guns," Chief of Police M. E. Clark said. "This must stop, and I believe that it will, once parents understand that they are responsible for any damage done by their children with the guns."

LABOR ON LABOR DAY TO REPAIR WATER MAIN

Village Engineer A. G. Leach and members of the street and water department "enjoyed" Sunday and Labor Day working to repair a service main leak in a water pipe on West Chicago boulevard at Adrian street.

The leak started, noticably, Saturday night and it was not until late Monday that repairs were completed. Mr. Leach said that the main was orginally installed about 23 years ago, and that the break was due to "old age."

AT GREAT LAKES

Seaton Wilson, 115 W. Kilbuck st., and James P. Hadsell, 211 N Oneida, are now at the Naval Training Center, Great Lakes, Ill., where they will receive eight weeks of training, having entered the U.S. Navy. Upon completion of their work at Great Lakes they will be assigned to ship or trade school.

SCOUTS TO MEET

Boy Scout of Troop 4 will hold their first meeting of the season on Monday, September 11, at the Scout cabin. All Scouts and boys wishing to become Scouts should report for registration. The Scout cabin will be open at 6:30 and the meeting will begin at 7 p.m.

TO COLLECT PAPERS

The Boy Scout troop led by James C. Beardsley enjoyed an overnight hike to Prospect Hill this past week. This troop together with Britton troop 23, will collect papers and magazines the second Sunday of each month, and they request that papers be left at the curb.

NOTICE

To the people of Tecumseh, Britton, Ridgeway and Macon. On Sunday, September 10, the Boy Scouts are having a paper drive. Please place all paper on curb for pickup. Thank you for your cooperation

Tuesday's Vote Size In Doubt

ABOUT 2,200 ARE REGISTERED IN TOWNSHIP; POLLS OPEN 7 A.M., TO 8 P.M.

With about 2,200 voters registered and eligible to cast their ballots in Tecumseh township in next Tuesday's primary election, political dopesters were puzzled today as to the size of the vote. Some predicted that about half of the electors would go to the polls and others believed that the voting would be even more brisk. Statewide, it was said, voting is expected to be a little above normal in a primary year, due to the spirited five-cornered race for governor nomination on the Republican ticket.

Interest in Lenawee county seems to center around four offices, the nomination for Congressman, for treasurer, for prosecuting attorney and for sheriff. Earl C. Michener of Adrian, Republican representative in Congress from this district for more than 20 years, is not a candidate for re-election. The nomination for the post on the Republican ticket is being sought by six candidates, and three Democrats also are seeking to place their names on the November ballot. Only once in the past 20 years has a Democrat sat in the second district's seat in Congress.

There are no contests for county offices on the Democratic ticket but on the Republican side, there are contests for prosecuting attorney, sheriff, and county treasurer. Candidates for these offices are active and may stir up a slightly higher vote, next Tuesday.

Candidates whose names will appear on the nominating ballots in the primary next Tuesday are as follows:

Republican ticket: **Albert J. Engel, Harry F. Kelly, Eugene C. Keyes, Thomas S. Leith and Fred M Alger, jr.,** Lieutenant Governor; William C. Vandenberg, Harry Henderson, Lavern Laubengayer and Dan Mills. Congress: Harold L. Ward, Murl K. Auten, John W. Bannisch, Henry C. Barnes, jr., Phillip P. Kelly and George Meader. State Senator: Elmer R. Porter. Representative in Legislature: Rollo G. Conlin. Prosecuting Attorney: Edward N. Mack and Rex B. Martin. Sheriff: William M. Howe and Wade Willett. County Clerk: Robert B. King. County Treasurer: Willis L. Moore and Harry Bradley. Register of Deeds: Leonard A. Warner. Drain Commissioner, Archie Bruce. Coroners: Ed. M. Braun and Paul E. Mott. Surveyor: Walter E. Frazier.

Democratic Ticket: Governor: G. Mennen Williams. Lieutenant Governor: John W. Connolly. Congress: John P. Dawson, Jack Larsen, William C. Sterling. State Senator: Henry I. Bourns. Representative in Legislature: James H. Baker. Prosecuting Attorney: George W. Bean. Sheriff: (no candidate). County Clerk: Fay E. Crane. County Treasurer: Merritt L. Brown. Register of Deeds: (no candidate). Drain Commissioner: Robert J. Horn. Coroners: Dorman S. Jurden.

Voting in Tecumseh township will take place, as usual, in the council building on South Evans street. The polls will be open from 7 a.m., until 8 p.m., next Tuesday.

Sharon Downing, Hudson, Wins Spot on TV Show

Sharon Downing of Hudson, was the winner in the amateur contest sponsored by Tecumseh merchants and staged on South Evans street off the four corners last Saturday evening. The eight-year-old girl did a costumed song and tap dance number, combined with acrobatic dancing which made her a ready favorite with the crowd.

Second place was won by Joe Caruso of Tecumseh with an accordion number, while third place was given to Betty Gallagher of Manitou Beach, also for an accordion presentation.

As winner, Sharon will appear over television station WJBK next Tuesday afternoon between 4 and 5 o'clock on the Bob Murphy show. In the event that the United Nations is on TV at that time, an alternate date will be given. Sharon and he other contestants also received many merchandise prizes given by local merchants.

Roy Rew, Plymouth magician, served as master of ceremonies and climaxed the evening by making an "escape" with his wife from a locked and tied trunk within ten seconds.

Other contestants were Betty Lewis and Marlene Dopp of Adrian in a Hawaiian guitar duet; Sharon Mullaly of Hudson, song and tap dance; and Austin Avery, Adrian, in a violin solo. Billy Hayden of Tecumseh gave a pantomime and monologue presentation but declined to enter for a prize. Several spectators thronged the area to witness the performances.

TUESDAY, OCTOBER 17, WILL BE "ONSTED DAY" IN TECUMSEH

Neighboring Club Women To Visit Here, Full Day

The Onsted Women's Club will spend a day visiting Tecumseh on Tuesday, October 17, it was announced today by the Chamber of Commerce. Preliminary details of the day were arranged when directors of the club visited Tecumseh last week and talked with Chamber officials.

The Onsted club has made a practice in recent years of having one of its meetings in the form of an excursion to some interesting place in the general area, last year's visit being to Willow Run. The publicity which Tecumseh has been receiving during the last few years made them feel that a day spent here might be enteresting and informative.

Through their inquiries and work with the local Chamber a tentative schedule for the day has been set up. The visiting ladies are expected to visit historic St. Peter's Church where they will be given a welcome and a brief historical sketch of Tecumseh.

Superintendent of Schools Earl Place is making arrangements for the visitors to have a tour through the new high school while it is in actual operation. Since the ladies also wished a tour through a local factory which was not too large, Don Nixon, manager of the local Quaker Oats plant is making arrangements for them to visit that plant.

The club will also be taken on a tour of the Tecumseh area, showing the home and institutional building which is now under construction or which has been completed recently, including the new Catholic church and the addition to Herrick Memorial Hospital.

Arrangements are being made for a luncheon at the Tecumseh Country Club, and at the ladies' request there will be sufficient free time so that they may make visits in the shopping district. Badges will be furnished so that local people will be able to identify their guests.

The visitors from Onsted who consulted with the Chamber of Commerce last week were: Mrs. Philip Sayer, president of the club; Mrs. James Feller, Mrs. Roy Larson, and Mrs. John Cattell, directors. A fourth director of the club, Mrs. Elwood Little, was unable to make the visit but has indicated her favor of the project.

When Will We Face The Issues?

The Village of Tecumseh, like every growing community, is face to face with many, many problems. It is, for instance, growing out of its boundry lines, its school buildings are feeling the pinch of ever-increasing enrollment, its residents are demanding more and more from government by way of improvments, and, as a result, government is constantly looking for new sources of revenue.

At the present time, Tecumseh is face-to-face with the installation of a sewage treatment plant. How badly the Village needs this improvement, we do not know. The State, however, is demanding that the treatment plant be installed and, in all probability, Tecumseh will be forced to build it. The cost of such a plant here, it is expected, will be between $250,00 and $400,000. Some feel that the $400,000 figure is high, but everyone concedes that the quarter of a million figure is an absolute minimum. In any event, it is almost certain that Tecumseh residents will be forced into some kind of a revenue bond issue, to be retired, perhaps, over a 15 year period, with the aid of a special tax on water bills.

However, the cost of installing the plant is only the beginning. Once it has been completed it must be operated and the cost of operation probably will be $10,000 a year, according to estimates. That is another figure that must be added to the tax load, and must be paid by the property owners.

Tecumseh's traffic today is far greater than it was even five years ago and for that reason its streets are wearing out and are in need of repair. This, too, costs money and there is only one source to tap — the taxpayers.

It will not be too long before there will be increased agitation for the building of additional school buildings. True, Tecumseh only a little more than a year ago completed a new high school building at a cost of about $500,000 but Tecumseh is growing, and the pinch that will soon be felt will be the elementary field. Perhaps enlarged or additional branch buildings will be a necessity.

Tecumseh only recently added another well to increase the water supply to residents and industry at a cost of $10,000. Tecumseh, at the present time, is pumping about 2,000,000 gallons of water daily. In some sections, water pressure is low. How long will it be before it will be necessary to install a water tower at the wells to overcome this difficulty? One guess is as good as another, but the cost will be in excess of $100,000.

In addition, there are the problems of an enlarged police department, an expanded sewer, water and streets department, better housing facilities for our fire department, improved street lighting, curbs and gutters and dozens and dozens of other things that we, as residents of a proud, growing community believe we should have and enjoy.

This is not written with a pessimistic thought in mind, because there is no reason for pessimism if we will assume our responsibilities. We are growing, in fact in the past 10 years we made the most rapid growth of any community in all of Lenawee county. But with growth comes responsibility, and we must not shirk it if we are to continue to expand.

The Tecumseh Village Council is face-to-face with all of these problems. Members of the council are business men, neighbors of all of us, and they are trying to do a job that most of us frankly admit we would not enjoy or accept. It is easy to criticize, but it is time for constructive thinking.

There is an ordinance in Tecumseh calling for the establishment of a planning commission. This commission should function in close cooperation with the council, the Chamber of Commerce, with industry, with business and with residents. Unless we do some careful planning the future may be rough.

It is, in our opinion, time that the business and industrial leaders of Tecumseh devoted a little more of their time to the business of government. It is time that the Council called upon these leaders for direction and guidance. It is time that these leaders shared some of the problems of the Board of Education.

This is our town and we, its residents, will determine its future. We must remember that shirking responsibility will get us nothing, and that in cooperation lies success.

PRESBYTERIAN CHURCH SCHOOL TO REOPEN

The Presbyterian Church School will reopen Sunday, September 10, at 10 a.m. after a six week summer vacation. All classes will meet as before to finish the summer quarter's material. Rally Day exercises will be held Sunday, September 24, and the fall term will begin October 1. This will mark the beginning of the third year of the Presbyterian Church School curriculum which is now widely used by other Protestant denominations.

HARMONY HOME MAKERS

The Harmony Home Makers will meet Wednesday, September 13, for a potluck dinner at 12:30 at the home of Mrs. Mary Cleveland. The assisting hostesses will be Mrs. Herbert Cleveland and Mrs. Dana Wallace.

ST. PETER'S CHANGES HOURS OF SERVICE

With the beginning of fall activities, the service of St. Peter's Episcopal church will change. There will be an early celebration of the holy communion at 8 a.m. followed at 10 a.m. with Sunday School worship service and classes for children from first grade through high school. At 11:15 a.m. there will be morning prayer and sermon and at the same hour the nursery school for pre-school and kindergarten children will be held.

CHILD STUDY CLUB

The Tecumseh Child Study Club will meet Monday evening, September 11, at 8:30 p.m., in the home of Mrs. Earl Place. The co-hostesses will be Mrs. Ben Standen, Mrs. Walter Dunbar and Mrs. Virgil Tucker. The ladies in charge of the children's favors are Mrs. Hugh Andrews, Mrs. Norman Baily, Mrs. Leo Bishop and Mrs. Keith Barron. Mrs. Donald Cobb is chairman of the program and has as the guest speaker of the evening, Thomas Grinzow, of the Department Mental Health of Lansing.

COLLEGE DANCE

The young people of the Tecumseh Country Club are sponsoring a College Dance, Friday, September 8, as a farewell party for all Tecumseh youth of college age. Music, furnished by the Rythm Masters, will be followed by a midnight lunch. It is hoped by the committee that everyone of college age will feel free to attend this dance.

SUMMER HAVEN GROUP IN ANNUAL PICNIC

The fifth annual picnic of the Summer Haven Association was held recently at the summer home of Mr. and Mrs. Cyrus T. Camp in the Irish Hills. The association is composed of folk who usually spend their winters in Florida, chiefly in Winter Haven and vicinity. This year there were about 65 present from Ypsilanti, Adrian, Tecumseh, Detroit, Grand Rapids, Bowling Green, O., and Canada.

After dinner the meeting was addressed by Prof. F. B. McKay of Ypsilanti who spoke on the duties of citizenship. Rep. J. E. Warner of Ypsilanti, chairman of the Ways and Means Committee of the State Legislature, spoke on matters of taxation.

These officers were elected: President, Irving B. Hunter; Secretary, Mrs. Ruth M. Hunter; Treasurer, Cyrus T. Camp. It was decided to hold next year's picnic in Ypsilanti.

HOLMES—RUTHLEDGE

Norman Holmes and Ardith Ruthledge, both of Morenci, Michigan, were married Saturday afternoon, September 2, at 2 p.m., in the Baptist parsonage, by the Rev. B. O. Bashore. They were attended by Mr. and Mrs. Roy Willnow of Tipton.

Thoughts of retaliation and revenge will always harm a nation or individual, rather than be of any help.

Disposal Plant

(Continued From Page 1)

time the water department receipts from the sale of water to residents amounts to about $29,470 annually. Last year the department spent $13,413.48 for labor and maintenance, leaving a profit of about $16,000. A large amount of this "profit" and even more went for the extension of water mains in the village, he said.

"Last year the department operated without any unusual expense but this year it is different. We have found it necessary to add a new well and it is now in operation. That cost us about $10,000, so you can see that any profit that we make this year will be turned back into capital investment. It is impossible to hope to retire the bonds, if they are issued, from present water receipts," the chairman said.

The village now has four wells supplying its water. Two of the wells produce 500 gallons a minute, the other two 1,000 gallons a minute. Tecumseh now is using about 2,000,000 gallons of water every 24 hours.

It appears almost certain to council members that the village will be forced by the state to install the treatment plant. Similar orders have been enforced in other parts of the state, and some cities have been forced to act after a court order was issued.

Tecumseh, at the present time, is enjoying an unusually low water rate. The minimum bill to a householder is $9.50 annually if it is paid within the discount date. That rate has been in force here for more than 20 years, and never was increased as costs of labor and maintenance increased.

"I don't know how much of a tax it would be necessary to levy on water bills to retire the bonds," Heilman said. "The amount will all depend upon the cost of the plant and the rate of interest that the bonds carry. However, it would not surprise me if a 50 per cent tax would be necessary."

If a 50 per cent tax were levied, it was pointed out that it would return about $15,000 annually to the village. It is hoped that about $5,000 of this amount might be used for interest purposes and $10,000 for principal. However, if the state insists upon retirement in 15 years, the tax might, of necessity, be even larger.

"Personally," Heilman said, "I would be glad if someone could come forward with an answer to our problem. I'm not in 100 per cent agreement with the state on the need for such a plant here, particularly at this time. We are carrying a heavy tax load, and I dislike very much to see it increased. Whether we can make the state understand our problem, and the Commission will be lenient with us and grant a further extension of its time limit order, I don't know. However, if we are forced to act, then we must raise the money and the only way that can be done is through some form of taxation."

Miss Madalyn Downing Weds Robert G. Irwin

The Methodist church in Britton was the scene of a lovely wedding last week Wednesday evening at 8:30 when Miss Madalyn Eunice Downing, daughter of Mr. and Mrs. Leland Downing of Britton, became the bride of Robert G. Irwin, son of Mrs. Ed Furgason of Tecumseh and Leo W. Irwin of Clayton. The double ring ceremony was performed by Dr. F. B. Clifford before an altar decorated with tall vases of orchids and white gladioli and lighted candlabra, and a glowing cross in the background. The family pews were marked with white gladioli and laurel, tied with white satin bows.

As the guests were seated by Merlyn Downing, brother of the bride and William Furgason, cousin of the bridegroom, Miss Alyce Ann Prellipp played nuptial music and accompanied the soloist, Gene Mackey of Deerfield, who sang "I Love You Truly" and "Because."

The bride, given in marriage by her father, wore a lovely gown of white nylon marquisette over slipper satin. It was styled with a fitted bodice with tiny satin covered buttons down the back, and the long sleeves ended in calla points over her hands. The hooped skirt featured a lace-trimmed peplum ending in a full lace-edged train with alternate ruffles of marquisette and Chantilly lace. Her double tiered veil of illusion net with matching lace edge fell from a pearl beaded tiara. Her only jewelry was a single strand of pearls and matching earrings, a gift of the bridegroom. She carried a bouquet of white chrysanthemums centered with lilies.

Miss Ada Marie Bruce of Macon was maid of honor. She wore a gown of pale green slipper satin with lace yoke and full bustle skirt, and carried yellow chrysanthemums. The bridesmaids were Mrs. Merlyn Downing of Tecumseh, and Mrs. Francis Newell of Britton. Each wore matching gowns of pink and blue taffeta, styled with hooped skirts. They carried pink and blue chrysanthemums. Each wore a flower tiara to match their bouquets. The flower girls were six-year-old Dianna Lou Seegert and four-year-old Sue Ann Wadsworth of Petersburg, cousins of the bride. They wore matching dresses of yellow taffeta, net yoke and ruffled hoop skirts, carrying tiny baskets of blue and white bebe chrysanthemums and white ribbon streamers.

Richard Cadmus of Tecumseh was best man and little Donnie Smith, three years old of Adrian, another cousin of the bride, acted as ringbearer, carrying the rings on a lace-edged satin pillow.

Mrs. Downing chose for her daughter's wedding a green crepe dress with satin trim and wore black and white accessories. Mrs. Furgason, the bridegroom's mother, wore a green dress with black accessories. Both had corsages of pink roses. Mrs. Vivian Mathews of Tecumseh, grandmother of the bridegroom and with whom he had made his home, wore a black dress with matching accessories and a corsage of white carnations.

After the ceremony a reception was held at the Tecumseh Grange Hall for 300 friends and relatives. The lovely decorated three-tiered wedding cake, topped with a miniature bridal couple, centered the hand crocheted lace-covered table. Mrs. Earl Smith of Britton cut and served the cake. Others assisting with the refreshments were Mrs. Clen Furgason, Mrs. Richard Furgason, and the Misses Shirley Ann Downing and Margaret Barrett of Britton. Mrs. Forrest Barrett of Britton was in charge of the gifts and Miss Helen Furgason of Tecumseh, sister of the bridegroom, had charge of the guest book.

The bride is a graduate of Britton high school, class of 1950. The bridegroom, graduated from Tecumseh high school in 1948 and is employed at Tecumseh Products Company.

For traveling, the bride changed to a light blue print dress with white accessories, and wore a corsage of white lilies surrounded by white chrysanthemums. After a short wedding trip through northern Michigan they will reside in their newly furnished apartment at 606 West Kilbuck street in Tecumseh.

Friends and relatives were registered from Liberty Center and Delta, Ohio, Clayton, Adrian, Temperance, Grand Rapids, Milan, Saline, Ann Arbor, Petersburg, Ridgeway, Holloway, Tipton, Macon, Britton and Tecumseh.

Monday Club To Hold Luncheon on October 2

Mrs. E. J. Aebersold, vice president of the Tecumseh Monday Club in charge of programs for the ensuing year, has announced that the programs have been planned by the departments and standing committees and that the year books have gone to press. She says that the club is looking forward to programs ful of interest and information. Several of the meetings will be held in the homes of members who will be assisted by other members. Other meetings will be in the Methodist church, the Tecumseh Grange Hall, the new high school building, and the Fellowship Center of the Presbyterian church. Also, one will be held in Jackson.

Mrs. Earl Wood, second vice president, has been responsible for the meeting places.

The Tecumseh Monday Club will officially open its fifty-sixth year on October 2 with a luncheon and program planned by the past presidents with Mrs. Guy T. Pockington, their president, in charge. Mrs. T. Rentschler, the new club president, will preside at the meeting.

W. S. C. S. To Entertain Rollin Center Women

In observance of its tenth anniversary, the local Woman's Society of Christian Service of the Methodist church expects to entertain the Woman's Society of Rollin Center as their "Encouragers" next Tuesday evening, September 12, in the social room of the local church. The Guild Circle, under the direction of Mrs. George Hay and Mrs. Victor Peterson, will present an appropriate program with Mrs. Willis Porter arranging the devotions. A birthday cake will be a special feature at the refreshment table, to be arranged by the Reliable Circle with Mrs. Bert Warren in charge and with the Youth Group assisting.

Mrs. T. Rentschler, the president, is anxious that all women attend as the unique idea is based on a passage in the Bible saying, "And the carpenter encouraged the goldsmith." The plan is being carried out among the Woman's Societies throughout the United States and in many foreign countries.

According to an invitation received from Mrs. Fred Kanous, the president, the Britton Society has invited the Tecumseh Society to be its "Encouragers" at a one o'clock luncheon on November 15. Reports of these birthday parties will be compiled and sent to the Woman's Division in New York.

men Rohweder and Porter voted in favor of the change, Councilmen Truesdale, McCombs, Heilman and Sluyter opposed it. Council had been asked to change the street's name by a petition of residents. A few weeks ago such a change was opposed by communication, it being contended that Brown street was named after one of the original founders of Tecumseh.

The council voted to grant permission for the removal of six trees on the north side of East Brown street, to permit the building of a sidewalk.

Storm sash will be installed immediately on the council building and the village office building, S. Evans street.

Current bills were ordered paid, and reports of department heads and committees were heard and placed on file before council adjourned.

GETS GOLD CERTIFICATE

COLUMBUS, O.—A Ton of Gold Certificate has been awarded a registered Jersey cow owned by Meadowridge Jerseys, Inc., Ridgeway, Mich. The award went to his cow Thomas Royal Basil X Teffia, which has produced 2,000 pounds butterfat—more than a ton—in four years. The certificate was presented by The American Jersey Cattle Club, from its headquarters in Columbus, O.

During the test period Thomas Royal Basil X Teffia produced more than 2¼ times as much butterfat as the average dairy cow in the United States. All her tests were checked by both the Michigan State College and The American Jersey Cattle Club.

Most dairy cows are discarded before they have completed three years of production. The long life and high rate of production recorded by this Jersey are goals the dairy industry is striving to reach. The above cow completed her present record at seven years of

UNION TO MEET

The Baptist Ladies Union will meet Thursday afternoon, September 14, at the home of Mrs. Charles Williamson on W. Chicago boulevard.

Ask Mrs. Dennett

The teacher was talking about the dolphin and its habits.

"And children," she said, impressively, "just think! A single dolphin will have 2,000 baby dolphins!"

"Goodness!" exclaimed the little girl at the foot of the class, "and how many do the married ones have?"

DAUGHTERS MEET

The Daughters of St. Peter held their first meeting of the year on Tuesday with Mrs. Percy Hand. Eleven members were present. Plans were made for the annual bazaar, to be held in October. At the conclusion of the meeting lunch was served, and Mrs. Hand was assisted by Mrs. Lynn Hubbard.

MACON

From where I sit ... by Joe Marsh

Squint's Drumming For Fair Play!

Squint Miller's mighty proud of the lot he owns that fronts on River Road—one of the prettiest spots around here.

He's been in a stew about it lately, though. Seems that trash-dumpers take one look at his property, stop their car or truck, and out goes a load of rubbish, spilling all over his place and the roadside, too. Wouldn't that make *you* mad?

Last night Squint dropped by the house. Over a friendly glass of beer, he tells me what he's done. "I put a couple of empty oil drums out there," he says, "with a big sign reading: 'If you must dump trash—use these—I like to keep *my* property clean!'"

From where I sit, Squint's sign should make any would-be roadside trash-dumpers pretty darned ashamed of themselves. Now and then some folks just have to be reminded that they ought to have as much regard for their neighbors' rights as they do for their own.

Elect A Man With Experience

GEORGE MEADER

(Republican)

CONGRESS

The Second District—and the Nation—need George Meader's experience and proven ability in Congress:

1. Through his years of experience as Counsel-Investigator for two major United States Senate investigating committees, Meader has seen the need for a thorough house-cleaning and for more efficient government in Washington.
2. Meader will not be a "green" stranger, forced to use his first term or two to acquire the know-how of a congressman. His seven years of unusually useful experience will fit him to assert an aggressive leadership in the public interest at the outset of his service.
3. George Meader will command immediate recognition from his colleagues in Congress as an experienced and able investigator and counselor whose judgment will be of major value to top-ranking committees.
4. Meader has seen the confusion, ineffectiveness and downright blundering of the Democratic Administration in foreign and domestic policies.
5. Meader has seen the inexcusable failure to prepare this Country's defenses against Communist-Russian aggression—a danger he personally called to the attention of the White House in 1945!
6. Meader has seen the Democratic Administration's failure to clear Russian sympathizers out of powerful public positions.
7. Meader has seen hard-earned tax dollars dissipated in red tape and inefficiency.
8. Meader has seen power-hungry bureaucrats try to rule the people, instead of serving them.
9. Meader has seen governmental Washington from the inside as only a Senate Committee Counsel-Investigator could see it.

He knows what is wrong.
He knows what to do about it.
Elected, he will do something about it.

Ann Arbor lawyer since 1932, married for 22 years (3 children) Meader has participated actively in community and civic affairs.

George Meader, as candidate for Prosecutor, led the Republican ticket in Washtenaw County in 1940 and in 1942.

George Meader was runner-up to the incumbent Congressman in the 1948 Republican primaries, securing more votes than the combined total of the two other candidates.

HAROLD L. WARD

REPUBLICIAN FOR CONGRESS

HIS POLICY

DEFENSE. A strong national defense is necessary to the security of our country and to free nations everywhere. Our fighting forces must be substantial in numbers and armed with weapons unexcelled by potential enemies. But while there should be no skimping on military provisions for security, there must be watch-dog thoroughness in seeing that the defense dollar buys a full dollar's worth of goods.

SUBVERSIVES. There must be more careful scrutiny by federal and state authorities of the activity of questionable individuals and groups. Persons and organizations — both Communist and Fascist — who would destroy our Constitutional form of free government must be identified and their activities exposed. The glare of publicity and effective application of existing statutes will adequately deal with subversive dangers without the far more dangerous expedient of cancelling the freedom of all for the sake of a few.

BIPARTISANSHIP. For more efficient legislative work and executive direction in these quick-action days of decision, bipartisanship is necessary, not only on foreign policy, but also on major domestic issues which affect the country as a whole, as, for example, in matters concerning defense and executive branch reorganization. Bipartisan cooperation will allow for a consistent national economic policy, a national defense plan with definite direction, and elimination of waste of all important time, effort and money in government.

TAXATION. Just as men are drafted, excessive profits must be drafted. If individuals are to pay increased taxes, business and industry must expect to pay their share of the costs of protecting our democratic way of life. Our government must be operated on a pay-as-you-go basis. With the present great drain for security measures, there must be made a tremendously unselfish effort by every Congressman to eliminate provincial, pork-barrel demands upon federal funds.

UNITED NATIONS. We must continue to give the United Nations our support and cooperation to make it a better-functioning body, inasmuch as in it rests our best hopes for eventual world peace.

FOREIGN POLICY. Foremost is the need for arming of our democratic allies. They are now, and must remain, a bulwark against the Communist tide in eastern Europe. Secondly, we must provide the small countries of the world with technical know-how so they may better their standard of living. It is a second line of defense against Communism. Furthermore, only if there is a more nearly balanced world economy, and only if standards of living are more nearly uniform, can we hope to have eventual world understanding and peace.

FARM ECONOMY. A simple and sensible farm program is needed, with flexible price supports that would provide the farmer with an income on a par with that of the non-farmer. Such price supports are the farmers' equivalent of the laborers' minimum wage, social security and collective bargaining agreements. Our conservation program should be intensified, and broadened. We need an economy of abundance, and must stop destroying food to create a scarcity. Food surpluses can be absorbed and our world economy balanced through reduction of trade barriers and through increased consumption abroad as we assist other nations with our technology. Scientific research can bring to light new uses for farm products.

U. S. ECONOMICS. Curbs must be placed on speculation which is merely adding to our already high cost of living. Also, there is a need for Congressional Committee probes of unusually big price boosts and "rigged markets" which have cut deeply into the purchasing power of the dollar. The small businessman should be given protection against unfair competition. Below-cost-selling should be prohibited. Competition should be encouraged, and our present fluctuating policy brought to an end. If harmony is to exist between labor and management, the present Taft-Hartley Act should be amended. The laborer is entitled to a return from the lower per unit cost through the annual improvement factor in production. As to employment practices, the employer should be free to hire those best qualified for a position, but he should not be free to use discriminatory tactics in his selection.

Does Yur Iron Critter Wobble and Shimmy, Eh?

Wa'al It's Time Yuh Saw Us Fur a Straight Steer Fur Only $5.85

Yep, we says there are steers and steers, and rite now we'd like to yak yak with yuh about the double 'E' kind o'steerin'—the kind yur iron kritter does when yuh drive it down th road.

Now, if it shimmys and shakes and wobbles a bit, its time yuh steered straight fur our hoss-stabul-hospitul. Iron nags, when yuh kant steer um, are dangerius, and that's no fooling. Not only are yu takin a chance with yur own life, yur likely to kill somebody else.

This month we got a speshul on "Straight Steers" at our hospitul. We'll set the camber, set the caster, and adjust the toe-in on yur kar, and do the whoel job for only $5.85. What we calls "Straight Steerinf" some oth er cowhands kalls "Front Alignment." It all the same.

New, why take any more chances? Yur endangerin yur life, and somebody else's too, and yur wearin out yur kar and the tires, unnecessarily.
Bring her in fur an adjustment. It's the cheapest $5.85 youll ever spend.

Skogmos The Friendly Store's FIRST BIRTHDAY Sale!

OUR FIRST ANNIVERSARY — Yes, friends, we are starting our second year in business here as your Friendly, Skogmo Store. During the past 12 months we have more than doubled our stock of merchandise, and we have exceeded in sales volume our fondest estimates. We have been able to do this because YOU, THE PUBLIC, patronized us, and urged us to add many new departments. For this loyal patronage we say THANK YOU, SINCERELY. For the future, we promise greater expansion and a larger store. And always remember, Skogmo's is The Friendly Store, where you can clothe the family for less.

Hosiery - Lingerie - Girdles

We realize that the war has caused some merchandise to become scarce and high priced, but at our store you'll find the merchandise, and you'll also find it at the right price, too. Here are some "scarce" items you'll want to buy.

Star Dust

Girdles

Everybody knows the quality of Stardust Girdles, and we're offering them in satin at this reasonable price. Remember, this is another of our Birthday specials.

$1.98

Others up to $3.29

51-Gauge

Nylon Hose

Yes, ladies, we know Nylons are being talked about nowadays, but we've made a special purchase, especially for our Birthday Sale. Sheer, 51-gauge hose, full-fashioned, and what a value.

$1.29

(Limit—2 pairs to a Customer)

Nylon

Slips

You have been asking for Nylon Slips, so we shopped around to get some of them for you — and priced for about half of what you'd normally expect to pay. These slips are finely tailored, smart fitting, and excellent quality.

$2.98

Suits - Dresses

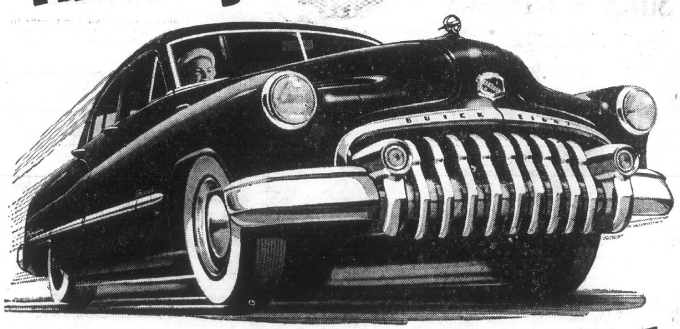
Thinking of the Long Pull?



Better Buy Buick!

IF that car of yours has put its best days behind it, there's no time like right now to think about starting out afresh with a taut, new, up-to-the-minute motorcar with all its mileage still in it.

And there's no better place in the world to start than with the beauty pictured here, for a variety of reasons.

For one thing, this Buick SPECIAL is a quick-stepping Fireball valve-in-head straight-eight that's priced lower than some sixes.

For another, it's built with typical Buick ruggedness through and through—a husky that can take a lot of years without crying "Uncle!"

Then, too—this high-styled beauty is proving to be one of the most economical Buicks ever built—easy on gas, easy on upkeep, easy on you in its soft, floating, light-handling comfort.

It even comes with Dynaflow Drive* if you like—and Dynaflow means that you will never have to service or replace a friction clutch, and that rear-end or transmission servicing—even engine upkeep—are cut to a minimum.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Of course, you can't see all of this in the brief span of a trial drive.

But you can experience the good solid feel of Buick strength beneath you. You can satisfy yourself on the lightness of the controls, the utter smoothness of Dynaflow, the quick surge of Buick's Fireball power.

All such things will tell you that this is a car you'll be glad to live with for a long time to come—and you need only to ask your Buick dealer for a demonstration to see precisely what we mean.

Why not call on him soon to talk about signing up?

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

COMMUNICATION

To Someone in Tecumseh:

As a summer resident of Tecumseh, much of my time is spent on or near Red Pond on the Raisin River. Like many others, I find it a place of quiet, natural beauty, due largely to its setting of trees and water plants. There is scarcely a day that doesn't bring people in varying numbers to this spot — some to fish, some to picnic, and some to just enjoy the view. In other words it is a pleasant enough place to make it of great value to those who like being out of doors. Here there is a fair amount of natural entertainment and interest in the various forms of wild-life, of which the waterfowl are perhaps the most spectacular.

At the top of this list of "entertainers" are the herons. These birds are rare and hence are of such value that our government has provided protection for them by making it unlawful to kill them. Two kinds of herons are seen here: The Great Blue Heron and the White Heron. The White Heron has probably no equal for beauty and grace in the bird world and the demand for his plumage once brought him to the verge of extinction. One is indeed fortunate nowadays to have the privilege of seeing one of these beautiful birds.

To those who have come to Red Pond within the past week that privilege has been granted by the presence of one of them. This White Heron seemed to have become accustomed to his assured safety and spent much of his day in the lower portion of the pond where he could be viewed at close range. It was a beautiful sight and a rare one. To those of you who had not the pleasure of seeing the White Heron, you can do so now for he hangs from the branches of a dead tree on the south shore of the pond with a bullet hole in his slender, white neck.

To you who fired the shot, regardless of your age, this is a message of thanks for putting him thus on display. However, I feel I speak for all the rest of us when I say a dead White Heron is not a pretty sight, and please let the rest of them live.

Russell Stienke,
Ann Arbor, Mich.

Elitor's Note: Mr. Stienke is a student at the University of Michigan, and during the summer months he spends considerable of his time in the Tecumseh area sketching and painting. He has a cabin on the River Raisin.

Bradley Loses Treasurer Job

VETERAN OF 20 YEARS DEFEATED IN PRIMARY; LIGHT VOTE CAST LOCALLY

In one of the most surprising upsets in Lenawee primary election history, Harry Bradley of Palmyra, county treasurer for 20 years, lost the Republican nomination to his only opponent, Willis Moore, at the polls, Tuesday. Mr. Moore's total vote was 3,995 as compared to Mr. Bradley's 3,149. Moore is supervisor of Adrian township, and a former treasurer of that township. He will be opposed in the November election by Merritt L. Brown, Democrat, who was his party's only candidate.

In two other Republican contests in the county, incumbents were the victors. Wade Willett, sheriff, was an easy victor over William Howe, his opponent. Willett's vote totaled 4,219 to Howe's 2,829. In the race for the nomination for prosecuting attorney, Rex Martin, incumbent, won over Edward Mack by a vote of 4,293 to 2,744.

Lenawee, in state and national Republican contests, divided its vote on an average that compared with state-wide balloting.

Harry Kelly, former two-term governor of Michigan, proved an easy victor for the nomination for governor, Tuesday, over four contenders. His closest opponent was Fred Alger, who conceded victory to Kelly, Wednesday.

In the Second District congressional race, it appears that the Republican nominee may not be definitely known until late today. Wednesday incomplete returns showed that Murl Aten, state auditor general, and George Meader, Ann Arbor, were running neck-and-neck, in a field of six candidates. On the Democratic ticket, it generally was conceded that John P. Dawson of Ann Arbor, was the nominee.

Balloting in the state and the county was a little below average for a primary election, and in Tecumseh township less than 40 per cent of the registered voters visited the polls. The total vote here, not including spoiled ballots, amounted to 716. There are about 2,200 registered voters.

Here is how Tecumseh voted:

Republican ticket. For governor: Engel, 28; Kelly, 128; Keyes, 109; Leith, 7; Alger, 340. Lieut Gov.: Vandenberg, 379; Henderson, 131; Laubengayer, 15; Mills, 39. Congressional: Ward, 100; Aten, 125; Bannasch, 184; Barnes, 17; Kelly, 55; Meader, 103. State senator: Porter, 385. State representative, Conlin, 376. Prosecuting attorney, Mack, 148; Martin, 419. Sheriff: Howe, 208; Willett, 386. Clerk: King, 521. Treasurer: Moore, 259; Bradley, 327. Register of deeds: Warner, 537. Drain commissioner, Bruce, 381. Coroners: Braun, 304; Mott, 249. Surveyor, Frazier, 364.

Democratic ticket. Governor: Williams, 101. Lieut Gov.: Connolly, 88. Congress: Dawson, 21; Larsen, 67; Sterling, 13. State senator, Bourns, 87. State representative: Baker, 85. Prosecutor: Bean, 84. Clerk: Crane, 82. Treasurer, Brown, 72. Drain commissioner, Horn, 82. Coroner: Jurden, 74.

Two Are Killed When Cars Crash

HEAD-ON MISHAP AT CAMBRIDGE JUNCTION, EARLY SUNDAY, PUTS 3 IN HOSPITAL

Two persons were killed and three others were seriously hurt, at about 12:30, Sunday morning, in a head-on crash of automobiles just west of Cambridge Junction on US-112.

The dead are: Joseph Krolo, 27, Detroit, who was killed almost instantly, and Ann McLanahan, 37, of Royal Oak, who was dead upon admittance to Herrick Memorial Hospital here. Both were drivers of the crashed cars.

The injured are: John M. Krolo, 29, Fleming, Ky., a passenger in the automobile driven by his brother; Harriet Washburn, 32, Royal Oak; and Betty Salmon, 31, Detroit. They were passengers in the McLanahan car.

State police reported that the Krolo automobile was on the wrong side of the road and that the mishap occurred on a hill and curve.

Krolo suffered a fractured skull and internal injuries and the Washburn woman internal injuries and fractures. Both were removed to University hospital, Ann Arbor, after treatment at Herrick hospital here. Betty Salmon still is a patient in the local hospital.

State police are continuing their investigation as to the cause of the accident.

New Credit Regulation Code on File at C. of C.

Tecumseh retailers who are doubtful of their status under Regulation W on consumer credit may consult the full text of the regulation which is on file at the Chamber of Commerce. "While most of our retailers have been informed through the press and other sources concerning the reactivation of this regulation," Ronald Harris, Chamber secretary said today, "there is a possibility that some of them may be incompletely or mistakenly informed. We do not have enough copies for distribution, but the regulation is available at our office for consultation."

The regulation will become effective at the opening of business next Monday, September 18.

Chief items affected will be automobiles, various appliances, furniture, home repairs, alterations, and improvements.

Students Will Get Eye Tests

TECUMSEH INCLUDED IN COUNTY-WIDE PROGRAM BY TRAINED TECHNICIANS

School children from Tecumseh and the surrounding community are to be included in the some 9,000 students in Lenawee county to be given vision tests in the next two months.

The actual testing will be done by Miss Pearl Haist of the county health department, assisted by four technicians, Blanche Hanke of Adrian, Mildred Robinson of Manitou Beach, Doris Stahl of Morencl, and Helen Hendershott of Tecumseh. All attended a state workshop this summer to qualify for the program.

Mrs. Hendershott will be in charge of one of the first four sections to be held for students in Tecumseh and the Tecumseh area the first week in October, according to present plans. An organizational meeting of local teachers is to be held in the library of the senior high school Tuesday, September 26, at 4 p.m. when Miss Caroline Austin of the state health department will be here to explain the workings of the program and to brief the teachers on their part in conducting the tests. Miss Austin will also address the Tecumseh Rotary Club that evening.

Milton C. Porter, county superintendent of schools, states that the program is not merely to determine which children need glasses and which do not. "We want both the parents and school children to become conscious of the ways in which their vision may be damaged or best preserved for a lifetime. Proper lighting in the classroom and at home may have a lot to do with it."

FIRST GAME SEPTEMBER 21 AT PITTSFORD; MORENCI HERE, SEPTEMBER 29

Coach Elven Duvall of Tecumseh high school faces probably one of the toughest assignments of any coach in the Lenawee County Athletic Association this year. With but nine lettermen back around which to build the varsity, he will have to rely on sophomores from last year's freshman squad along with a few juniors and seniors from last year's varsity reserves. The team will be light with Dave VanWinkle, 187-pound fullback, topping the list of returning lettermen. Dave is a senior and will be playing his fourth year of football.

Other returning lettermen are Owen Campbell, a senior playing his fourth year, who has been converted from center to end; Dick

THREE MINOR MISHAPS

Three minor accidents involving motor cars were reported to police here during the past week. Cars owned by Carl F. Rieve, Rt. 2, Britton, and by Ralph E. Snyder, Clinton, were involved in a mishap in the parking lot south of the boulevard, Monday. Damage was minor.

Russell H. Starkey, Tecumseh, and Ervin O. Wyse, Dundee, reported minor damage to their cars, involved in a mishap at N. Maumee and Logan streets.

Clarence Keller, Clinton, and Robert Furgason, Rt. 1, Tecumseh, did minor damage to their cars in a mishap on N. Mill street. The latter two accidents also happened on Monday.

MAKE DASH FOR COVER . . . Two American soldiers, somewhere in Korea, run for safety after their truck begins to burn in a ditch. The fighting continued violent as the United States insisted that any United Nations peace program for Korea must include among its objectives creation of a unified and independent country. This declaration in the midst of the Korean conflict was interpreted as a hint that the unified command might keep on driving past the 38th parallel and occupy all North Korea, once it started the North Koreans on the run. Chief U.S. delegate, Warren Austin, has avoided any direct reference to this possibility in outlining U.S. peace aims.

Retailers To Meet, Tuesday

JOURNALISM FACULTY MEMBERS TO OPEN SERIES OF CONFERENCES HERE

Earl McIntyre, member of the faculty of the School of Journalism of Michigan State College, will be the first specialist to meet with Tecumseh merchants at their initial conference next Tuesday evening at the new high school, sponsored by the Chamber of Commerce.

Mr. McIntyre is reported as ideally qualified to lead the discussion in the town of the size of Tecumseh. His topic wil be Community Relations, with considerable emphasis on methods of securing the good will and confidence of rural customers.

His lifetime experience has dealt mostly with retailers. Brought up in the newspaper business, he started in his father's print shop. For fourteen years he was the manager of a chain of small newspapers and worked constantly with retailers in small and medium sized towns.

Later he became executive secretary of a chamber of commerce and prior to his present position with the college he spent five years in army intelligence work in the south Pacific.

At the present time in addition to his work in the School of Journalism, he is president of the Lansing Sales and Advertising Club. He is advertising consultant for the Michigan Retail Hardware Association, and retail consultant for the Capitol Advertising Service in Lansing. In 1949 and 1950 he was publicity chairman for the Lansing Community Chest.

Mr. McIntyre is reported as a very down-to-earth worker with merchants, and very skillful in the question and answer discussion period. Earl Heap, of Michigan State College, will spend Tuesday in Tecumseh talking with the participating merchants. He will then talk with Mr. McIntyre prior to the meeting so that the problems discussed will be pertinent to Tecumseh as stated by the merchants themselves.

SCHOOL BOARD MEETS

The regular meeting of the board of education for September was held, Tuesday evening, in the superintendent's office at the high school. Only routine affairs were considered. These included reports on the opening of school for the 1950-51 year, disclosing a peak enrollment, and a canvass of improvements made to the buildings during the summer recess.

Sponsored Parties Get Curfew's O.K.

NEW ORDINANCE WILL NOT AFFECT SCHOOL AND OTHER SOCIAL FUNCTIONS

Tecumseh's new curfew ordinance, which goes into effect on Friday, should not affect the actions of boys and girls attending school parties, church functions and other sponsored civic activities, Chief of Police M. E. Clark said today.

Chief Clark pointed out that it was not the department's intent, through the ordinance, to restrict such social activities in the village. He said that youngsters attending such sponsored functions would be expected, however, to return to their homes within a reasonable time after such parties were ended.

The curfew law prohibits children under the age of 17 years from the streets in the village after 10 p.m. on Sundays through Thursdays, and after 11 p. m., on Friday and Saturday nights. If youngsters are on the streets they must be accompanied by parent or guardian, or some other responsible person.

The ordinance, as enacted, places the responsibility for permitting children under 17 to be on the streets after the restricted hours directly upon the shoulders of the parents.

If You Don't Like Lights, Don't Use Your Fists

It seems that Ernest Randall, 29, of Tecumseh, despises motorists who refuse to dim their lights. But Justice L. J. VanDusen, Clinton, didn't like the way that Randall objects, consequently he sentenced him to serve five days in the county jail at Adrian, Saturday. In addition he ordered that Randall pay a fine of $10 and costs of $4.30.

According to Clinton state police, Arnold Wilson of Rt. 1, Clinton, reported to them about 10 p.m., Friday, that he had stopped at Billington's Corners, M-50-52, and was struck by a motorist he did not know, after an argument occurred. He told officers the offending driver was in a car bearing a Minnesota license.

Troopers discovered the car at Randall's home here. He admitted the argument with Wilson, and of striking him.

Police said that Randall didn't know whether it was Wilson's car or some other car that had blinded him with headlights.

Girl Scouts Need Leaders

SEVERAL TROOPS MUST BE DISCONTINUED UNLESS CO-OPERATION IS OBTAINED

The Tecumseh Girl Scout Association held its first meeting of the new year last week Wednesday evening, at the Scout cabin. About 20 members were present. It was announced that several troops will have to be discontinued unless more new leaders come forward to assist. New leaders will be trained and given an adequate supply of scouting aids before assuming troop activities. They should be women 21 years of age, or older, and have a genuine appreciation of girls aged seven through 18, in order to qualify. Assistant leaders should be at least 18 years old. The association decided that new troops of Scouts will not be formed until the present troops have resumed activity with two leaders for each troop.

Mrs. Clarence Beach was elected to the position of supply secretary by a majority vote of the association. Mrs. George Wittrup was named as the Juliette Law member to the organization. Mrs. Truman Rentschler was named chairman of the program committee. Mrs. Lyle Grigg will direct the publicity, Mrs. Clifford Cameron was appointed to head the Day Camp committee, Mrs. LeRoy Tit-

ROTARIANS TOLD OF DISTRICT CONFERENCE

Rotarians were briefed on the happenings of the district conference of that organization, held last month in Detroit, by three of the local club members who spoke, following dinner Tuesday evening in Legion Memorial Home. The speakers were Earl H. Place, chairman of the club service committee, M. G. Partridge and L. W. Larsen, vice-president and president of the club, respectively. The Detroit conference was the first to be held since the formation of the new 223rd district, comprising clubs in the United States and Canada, and of which Tecumseh is a part.

A CHILD IS NO MATCH FOR A 3,500-POUND AUTOMOBILE

School's Now In Session! Watch Out for the Kids

According to a monthly bulletin just released by the Michigan State Police, 155 persons were killed in motor vehicle traffic accidents in Michigan during July. This toll was 39—or 34%—higher than in the same month in 1949 and the highest monthly fatality record since September last year. In addition to the 155 fatalities, in July, there were 4,302 injuries, an increase of seven percent. The number of accidents also was up by 1,086 to a total of 12,699 for a nine percent increase.

Most of the increase, according to the state police, occurred on the rural county road system. This but emphasizes the urgent need for the improvement of our country roads.

With most of Michigan's schools opening last week and this, Dr. Lee Thurston, superintendent of public instruction, has announced the opening of an all out drive against traffic accidents involving children. It is sponsored by the Michigan Safety Commission and its 69 member advisory committee, and will be featured by a large scale public education program. The official slogan is "Watch Out For Kids."

According to Dr. Thurston, there were over 4,000 children hit by vehicles last year. Of these 119 died and many of the rest were severely injured.

Motorists always have a special responsibility when it comes to children, and this is especially so when children are returning from carefree vacations. A child is no match for a 3,500-pound automobile capable of traveling upwards of 80 miles per hour. No matter how much a child may contribute to the cause of an accident no motorist would be uncharitable enough to blame a child for an accident which the motorist could have prevented.

Funeral Services Held For J. H. Finnegan

John H. Finegan, aged 51 years, died at 10:30 a.m. Friday in Herrick Memorial Hospital, Tecumseh. He had been in poor health for the past three years. Born August 4, 1899, in Paulding county, Ohio, he moved to Tecumseh 12 years ago where he bought a farm on the Holloway road.

Mr. Finnegan is survived by his wife, Anabel, a teacher in the public schools, and six children, Mrs. Robert Snyder of Tecumseh, Jacqueline Finnegan of Toledo, Shirley, Roger, Carol and Christine at home; his parents, Mr. and Mrs. John F. Finnegan and two grandchildren.

Funeral services were held in the Green Funeral Home, Sunday afternoon at 2 o'clock with Rev. Warren Enyart, of the Holloway Presbyterian church, officiating. The bearers were George Finnegan of Tecumseh, William Finnegan of Melrose, Ohio, Floy Finnegan of Broughton, Ohio, Fred Finnegan of Litchfield, Ed DeGroot of Holloway and Arthur Krauter of Detroit. Friends and relatives were registered from Jonesville, Chicago, New Castle, Penn., Plymouth, Toledo, Holloway, Ridgeway, Cincinnati, Ohio, and Cayuga Falls, Ohio. Burial was in the Holloway cemetery.

Classes Bulge Grade Schools

HEAVY ELEMENTARY ENROLLMENT BECOMING PROBLEM; ALL CLASSES IN SESSION

Heavy elementary enrollment in the Tecumseh public schools is causing grade classrooms to bulge, and the pinch is even being felt in the high school where an all-time record number of freshman (9th grade) have registered, according to Earl H. Place, superintendent. The total enrollment in the schools here as of yesterday, Mr. Place said, was 1,053, a record for Tecumseh. This number may be slightly increased by later registrations this month.

The real pinch in classroom space is being felt from the kindergarten through the fifth grade, Place said. Kindergarten registrations now number 101, there are 92 in the first grade, 115 in the second grade, 94 in the third, 92 in the fourth, and 93 in the fifth. The number begins to slacken in the six grade where only 79 are enrolled.

The heavy enrollment is making itself felt in the high school, and in the ninth grade the enrollment totals 104. Last year's freshman class numbered 85.

Place pointed out that the total enrollment in the school this year is the largest ever in Tecumseh. He also said that an even greater enrollment could be anticipated next year, when another equally heavy kindergarten class is expected. It may not be too long, he declared, before additional elementary classroom space may be necessary.

All classes, kindergarten through twelfth grade, are in session this week, and a complete staff of 42 teachers are on the job, the superintendent said.

Mrs. Barbara E. Schmidt Buried In Prattville

Mrs. Barbara Elizabeth Schmidt, age 79 years, died Monday morning at 10:15 o'clock, at the University Hospital, Ann Arbor, where she had been a patient since last Thursday. She fractured her right hip in a fall at her home here, September 7.

Mrs. Schmidt was born December 22, 1870, in Frankenmuth, Michigan, and had made her home with her daughter, Mrs. Harold Wolf in Tecumseh for the past several years. Her husband, George, preceded her in death two weeks ago.

She is survived by three sons, Lawrence of Wilson, and Anthony and Hubert of Battle Creek, and three daughters, Mrs. Milton Dennis of Manitou Beach, Mrs. Violet Fritch of Oxford, and Mrs. Harold Wolf of Tecumseh. Also 21 grandchildren and two great-grandchildren survive, as do three sisters, Mrs. Leon Fenner of Redondo Beach, California, Mrs. Albert Mills of Rhodes, Michigan, and Mrs. Michael Radaner of Midland, and two brothers, George Deanzer of Midland, and Michael Deanzer of Flint.

Funeral services were held Wednesday afternoon at 2:30 from the Prattville Seventh Day Adventist Church. Burial was in the Prattville cemetery.

Band Festival Here, Oct. 18th

11 BANDS, 500 MUSICIANS WILL TAKE PART IN OUTSTANDING EVENT

"This is America" will be the theme of the fourth annual Band Festival to be held in Tecumseh, October 18, it was decided at a meeting of area bandmasters and civic officials at the high school, Monday evening. Eleven bands and some 500 musicians will participate in the affair which is fast becoming one of the outstanding musical events in southern Michigan.

This annual music festival was started a few years ago by Clare Camburn, director of the Tecumseh High School band. The event proved so popular that it has grown each year to the extent that the sponsorship and promotion for this fourth event will be in charge of the Chamber of Commerce, relieving Mr. Camburn of details not directly connected with the music itself.

It was felt that the festival had now attained a stature that made a theme desirable with each of the bands presenting a phase in the continuity. The development of democracy in America proved popular and the title "This is America" was adopted by the group.

Each band will develop some phase of American history, such as the landing of the Pilgrims, the first Thanksgiving proclamation, the Declaration of Independence, plantation life, the Civil War, the

Two Drivers Get Jail Terms

MANY OTHER TRAFFIC VIOLATION CASES ARE DISPOSED OF BY JUSTICE FRENCH

Two jail sentences were meted out and a dozen other traffic law violators drew cash fines in a series of cases before Justice Robert French here this week.

C. Higgins, 18, of Herrick Park, drew a fine of $50, costs of $8.60 and was sentenced to spend the week end in the county jail, when he pleaded guilty to driving his car at an excessive rate of speed. Higgins was arrested on complaint of Herrick Park residents, Saturday.

C. L. Patterson, Rt. 3, Manchester, was arrested at 3 a.m., September 10, by police, charged with reckless driving. Before Justice French he drew a fine of $50, costs of $8.60 and was sentenced to serve five days in the county jail.

Others in Justice French's court during the past week are: Walter Krystoeiak, Toledo, speeding, $10; Marlyn Waldvogel, Monroe, speeding, $8.10; George Beaublen, Monroe, speeding, $8.10; Arthur Piercy, Jasper, speeding, $6.10; Phyllis Hurst, Jackson, running red light, $5.10; Irving Luce, Tipton, speeding, $7.10; Robert Hoover, Clinton, running stop sign, $4.10; Richard Barber, Toledo, speeding, $5; Sevestre Vellarreal, Britton, no operator's license, $8.10; Raymond Anderson, Boyne City, speeding, $6.10; Glenn Hawley, Adrian, speeding, $10.10; Senon Solis, Blissfield, speeding, $8.10; Lloyd Higley, Stanwood, speeding, $6.10; William Applin, Onsted, speeding, $7.10; Patrick Donovan, Toledo, speeding, $9.10; Peter Quinlan III, Toledo, speeding, $7.10; Quenton Bauman, Detroit, speeding, $8.10; Martin Jurasek, Clinton, speeding, $7.10.

FIRE DESTROYS CAR IN TRAILER PARK

A new 1950 model car, owned by Lowell Maynard and parked in the trailer camp on E. Kilbuck street, was badly damaged by fire of unknown origin, at 11:45 p.m., Monday. The local department extinguished the blaze. The loss is estimated at $1,800. It was the first fire call the department here had received in 38 days.

HAPPY HOME BUILDERS

The Happy Home Builders Club of the Baptist church met Monday evening, September 11, at the home of Mr. and Mrs. Delbert Tallman of Clinton. Twenty-six members and children attended. During the business meeting the club voted to give $50 to the building fund, also to have an old fashioned church supper and fair in October. The October 2 meeting will be held with Mr. and Mrs. Carl Fosbender on Outer Drive. Dalton Van Valkenburg led the devotions. During the social hour, games were played.

On The Phone, Patience Is A Virtue

If you are a Michigan Associated Telephone Company subscriber in Tecumseh, and if you haven't lost your patience as a result of the service that the company is offering, you should be commended — in fact we'd almost be willing to suggest that you be awarded the Congressional Medal of Honor.

The Michigan Associated Company has filed a petition with the Michigan Service Commission, requesting that its rental rates be sharply increased. A hearing has been held on the request, and the case is now pending, awaiting a decision.

For the life of us, we cannot understand how the Service Commission could justify a rate increase until the quality of the company's service has been improved. We say this, knowing full well that the cost of labor and materials has risen sharply in the past months. If the company rendered to Tecumseh the type of service offered by competing companies in other communities, we could understand the need for a raise. But such is not the case, in fact if we were to judge we would say that the service is less efficient now than it was even sixty days ago.

When subscribers complain to local management about the poor service they are told that improvements are to be made, in the future, that an enlarged switchboard, perhaps the dial system, will be installed, and that more toll lines for long distance service will be added. These are the same promises that we heard before World War II, and they are promises that have not been fulfilled. During the War the company pleaded that it was impossible to obtain equipment for improvement, and subscribers accepted the excuses. During the years since the war subscribers listened to still more excuses and now, we suppose, the Korean trouble will furnish a new alibi.

We realize that Tecumseh is a rapidly growing community. We know that its growth in the past ten years was greater than in any other community in Lenawee county. We suspect that local and long distance calls at the telephone switchboard have doubled and perhaps doubled again during the past decade. But the fact still remains that the company has not kept pace with the growth, and that it is endeavoring to serve the community with inadequate lines and equipment.

The poor service offered by the company makes it extremely difficult for business and industry to carry on in an efficient manner. Especially is this true when long distance calls are involved. It is not unusual to be told that there is a 30-minute delay on calls to Adrian, only twelve miles away. And sometimes those 30-minute delays develop into 60-minute delays. Business men are finding it to their advantage to drive to nearby points in their cars rather than attempt to use the telephone. They save time, and today time is money.

Business men, too, are complaining about the local service, how they wait and wait, sometimes for as long as 1our and five minutes, for the operator to answer. And when the number they call fails to answer, and they learn through personal contact, later, that the number-called-phone did not even ring, they burn still more. Either the operator did not ring, or the equipment is faulty, they contend. In any event, they did not get their party.

Business men, also, are learning that it does not pay to complain to the operators about the poor service. A word or two of sarcasm from a subscriber generally results in less efficient service, at least until the operators change on the switchboard. Grin and bear it seems to be the best policy.

Certainly, Tecumseh is entitled to better telephone service than it is receiving from the Michigan Associated Company and, certainly, the company is not entitled to any increase in rental rates until the service is improved.

The Michigan Associated Company is operating under a franchise in Tecumseh, granted by the Village Council. The Council already has opposed any rate increase here until service improves. We believe that the Council should go still farther and complain NOW to the Public Service Commission that Tecumseh's service is inadequate. Perhaps it would be well if the Chamber of Commerce joined in the complaint.

Perhaps, if Tecumseh complains long enough and loud enough, both to the company and to the state commission the quality of the telephone service will improve.

It is certain, however, that the complaints must be made to a source that is higher than the company's offices in Tecumseh.

BRITTON

The Methodist Woman's Society of Christian Service are to be entertained October 5 by the Wellsville Society in observance of the tenth anniversary. The local society will entertain the Tecumseh Methodist Society on November 15 with a 1 o'clock luncheon and an appropriate program.

The first P. T. A. meeting of the fall session will be held Monday evening at 8 o'clock in the gymnasium. This will be a reception for new teachers on the faculty. There will be entertainment and refreshments.

Mrs. Roy Mathews of Orrick, Missouri, and Mrs. Mattie Slick of Excelsior, Missouri, have been in Britton spending several days visiting Mr. and Mrs. Raynor Benedict and other friends.

Mrs. Harold Craig is ill at her home north of Britton.

Mr. and Mrs. Jennings Frayer and family and Mr. and Mrs. Percy Cadmus and family were Sunday dinner guests of Mr. and Mrs. Ben Frayer in Wayne.

Douglas Frayer began his teaching duties at Caro last week. Miss Elnora Cadmus is teaching in Flat Rock.

Mrs. Ralph McCarbery of Tecumseh and Mrs. Agnes McCarbery were Sunday afternoon callers in the home of Mrs. Margaret Curry.

Mr. and Mrs. William Dettman and Mrs. Millard Cheever were Sunday guests of Mr. and Mrs. Carl Koch and family in Flint.

Miss Rose-Mary Gilmore entertained in her home recently at a bridal shower in honor of Miss Mary Lou Rielcia. Mrs. Martin Keasal assisted Miss Gilmore. She was presented with many lovely gifts from her friends. Refreshments were served. The guest of honor will become the bride of James Vallie, September 30.

Mr. and Mrs. William Judkins, Jean and Tommy, were in northern Michigan from Friday till Sunday evening vacationing.

Arthur Carothers spent the week end in Haskins, Ohio, as guest of Mr. and Mrs. John Wires.

Born to Mr. and Mrs. Thomas Culbert of Oxford, September 7, in Ypsilanti Byer Hospital, twin daughters. Mr. Culbert was the principal in the Britton schools last year.

Mrs. Emma Rudel of Detroit is spending several days this week in the home of her brother, Fred Rieve.

Mrs. Gerald Benedict who has been ill at her home is much improved.

The Congregational Dorcas Class meets today at the church with Mrs. Jennie Theeke presenting the afternoon program. A potluck supper will be served with Mrs. Cora Underwood as the chairman.

The Methodist church observed the first family night of the fall Wednesday evening with a potluck supper served. A program followed with Dr. F. B. Clifford in charge which included Miss Eleanor Smalley of Adrian who spent several years in the Belgian Congo and spoke about her experiences.

READ WHAT THESE PEOPLE say ABOUT O-JIB-WA BITTERS

Customers enthusiastically tell us of the wonderful results they are getting from O-JIB-WA BITTERS, for Rheumatism, Arthritis and Neuritis. In appreciation, many of the users are publicly recommending this great tonic because of what it has done for them. These testimonials are offered as convincing proof that O-JIB-WA BITTERS is well worth your trial.

Mrs. Ella Brown of 324 Laurence, Royal Oak, has this to say about O-Jib-Wa BITTERS. "For 20 years I suffered almost continually with Arthritis in my legs, knees and arms. The pain was so severe I would almost scream, and I couldn't even lift a teapot. My cousin told me about O-JIB-WA BITTERS. This medicine not only did away with my Rheumatism and Arthritis completely, but it also did wonders for my kidneys, indigestion and high blood pressure."

MRS. BROWN

Following is a part of the testimonial of Mrs. Roy Daniels Sr., of 14775 Oak St., Romulus. "I had Rheumatism and Arthritis in my arms and legs for almost 8 years. At times it even hurt me to sit in a chair. I had to force myself to keep going. After taking one bottle of O-JIB-WA BITTERS, all my pains left me and I had a lot more pep and vitality. O-JIB-WA is really wonderful and I wouldn't be without it in my house."

MRS. DANIELS

"My name is George Ruleau, 206 N Cedar St., Manistique, and before I took O-JIB-WA BITTERS, I was in such bad shape I though I was going to be completely crippled with Rheumatism and Arthritis. It settled in my hands, knees and back and it was almost impossible for me to do my work. I couldn't even hold a hammer I'm sure glad I learned about O-JIB-WA BITTERS, for by the time I had taken it one week, the results were encouraging, and although I took it 5 months, I am now free of all pain and stiffness."

MR. RULEAU

Just a couple of weeks ago, Mr. David Antisdel of 201 Canel St., Niles, had this to report about O-JIB-WA BITTERS. "A short time ago I was practically on my back with Arthritis. I had sharp awful pains in my hips and legs which were so severe I couldn't control my muscles or limbs. It was all I could do to pull myself around the house, even with the use of crutches. Just 30 days after discovered O-JIB-WA BITTERS, nearly all my pains and stiffness had left me. It has done a world of good for me and I highly recommend it to all."

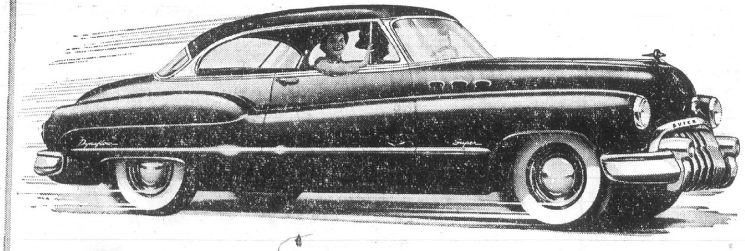
Looking for a Money Saver?



Better Buy Buick!

YOU CAN SEE here how smart it is—don't have to be told that it's the most quickly identified car on the road today.

You probably know that the engine under that broad bonnet is a Fireball straight-eight valve-in-head engine and a lively stepper in any company.

You can check the abundance of its room by the simple expedient of taking the family and trying out its spaciousness at the nearest Buick dealer's—and a very few minutes on the open road will satisfy you that all-coil springing, low-pressure tires and Buick's torque-tube drive really do produce a ride that is matchless for its soft comfort.

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

BUT RIGHT NOW, it may be that the money angle is the thing uppermost in your mind, and on that we'd like to make two points:

All our records go to show that this is the most economical Buick ever built. It is easy on gas, on oil, on tires, on upkeep.

And if you choose it with Dynaflow Drive,* it immediately eliminates all chance of friction-clutch repair and replacement—not to mention greatly reducing rear-axle and transmission maintenance.

Best of all, your initial outlay is a highly favorable one—whatever Buick you buy. For these brawny straight-eights—built rugged and solid for durable service—are priced at a level that makes them a standout buy in any price class.

Yes, better buy a Buick. Your dealer will be glad to demonstrate, glad to work out all the arithmetic of a deal. See him right away and get an order signed.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

WHERE TELEPHONE EXPANSION MONEY COMES FROM

Telephone service, operating under regulated rates, cannot produce large enough earnings to pay for expansion costs. Telephone expansion is financed largely with money from investors who buy either our stocks or bonds. The money you pay for telephone service goes entirely to meet operating costs and to give investors a reasonable return on their money.

By operating on a sound, business-like basis, we are able to attract the investors' dollars which help to give Americans the worlds finest telephone service.

New Officers Named By Legion Auxiliary

The American Legion Auxiliary, Post Unit No. 34, met in the Legion rooms Monday evening with 35 members present. Reports on the Department of State Convention were given by Mrs. Louis Schneider, Mrs. Vern Manwaring and Mrs. Charles Howe. Catharine Ann Hicks, local representative, gave her report on the Girls' State School. The election of officers was held as follows: President, Mrs. Lane Holden; 1st vice president, Mrs. Charles Osburn; 2nd vice president, Mrs. William Partee; secretary, Mrs. Vern Manwaring; corresponding secretary, Mrs. Robert Lowe; treasurer, Mrs. John Snyder; historian, Mrs. George Wittrup; chaplin, Mrs. Purnell Osburn.

Mrs. Vincent Haight announced that the Blood mobile will be at the American Legion home here October 12 and 13. The Auxiliary will furnish refreshments for all blood donors.

Refreshments were served by Mrs. Harold Green and her committee after Monday's meeting.

There will be a special meeting of the Auxiliary, September 28, for installation of the new officers.

Vesper Service Includes Other Noteworthy Events

The Vesper Service of Music at St. Peter's Episcopal church on Sunday evening, September 24, at 5 o'clock, will herald two unusual events of great interest in addition to the appearance of Miss Margit Kormendy, contralto, as guest soloist.

James Spencer, organist of St. Peter's and one of the featured artists will play one of his own compositions, "Instead of Words." Dr. Spencer is the author of many musical contributions to church services, and "Instead of Words" is an outstanding piece of contemporary music.

Rev. Charles Ramsay, rector-emeritus of St. Paul's church, Jackson, will preach a short sermon. Many who know him consider the opportunity to hear the Rev. Mr. Ramsay a privilege. The full program of music by Miss Kormendy and Dr. Spencer will be published next week.

St. Peter's To Dedicate Memorial Communion Set

On Sunday, September 17, at 11:15 a.m., there will be a dedication of a portable communion set at St. Peter's Episcopal church. Given in memory of Etta Rogers, this complete set will be used for the providing of the holy communion to the sick and shut-in. The members of the church will join in a corporate communion which will be the first service to be held with the memorial equipment.

A hand rubbed, natural oak case, measuring fifteen inches wide, nine and one half inches high and five inches deep holds the sterling silver paten and chalice, two silver-topped cruets for water and wine, a silver box for the bread, a silver spoon and two brass candle holders. On the small altar is a handcarved oaken cross in natural finish.

Preceding the celebration of the holy communion from the Rogers Memorial, prayers of dedication will be offered. In addition to regular music for the communion service St. Peter's choir, under the direction of Dr. James Spencer, will sing for the offertory anthem "Lord, For Thy Tender Mercies' Sake" by Farrant.

WED IN DETROIT

D.A.R. Launches Year's Program

INITIAL MEETING OF SEASON IS HELD; BUSY YEAR IS IN THE MAKING

The first meeting of the Abi Evans chapter, Daughters of the American Revolution, was held at the home of Mrs. George Wittrup on North Pearl street, September 8, with a picnic luncheon for 22 members and guests. The tables were centered with flowers from Mrs. Wittrup's garden. The assisting hostesses were Mrs. Neville Hart, Mrs. Vern Russell and Mrs. Kenton Hunt.

The new officers were in charge of the meeting. Mrs. Louis S. Schneider, regent, presided, and during the business meeting plans were made for a rummage and bake sale to be held early in October in the Schneider Bros. show room. The dates will be announced later. Mrs. R. J. Whiting was named chairman of the bake sale and Mrs. Winifred Bates, chairman of the rummage sale. Their assistants will be Mrs. O. W. Laidlaw, Mrs. Hoyt Whelan, Mrs. Blair O. Bashore and Mrs. Charles Williamson.

An invitation was read from the Tammassee School in North Carolina to attend their Founders Day observance, October 14. Mrs. Arthur H. Brown, chairman of program, presented the year books and outlined the programs for the year.

Guest Day will be observed at their regular meeting, October 13. Each member is to bring a prospective member. Mrs. Clarence W. Wacker of Birmingham, will be the guest speaker and will give a review of the history of the D. A. R. Mrs. O. W. Laidlaw has been appointed hostess as Mrs. Schneider will be out of town. The assisting hostesses will be Mrs. Charles Williamon, Mrs. Frank Turner, Miss Isabelle Tripp, Mrs. Frederick Terry, Mrs. George Elliott and Mrs. Horace Loveland.

On September 29, the Abi Evans chapter will be host at a district meeting of the organization which will be held in the Presbyterian church. About 150 members are expected to attend. Sessions will open at 11 a.m. in the church auditorium for a round table discussion. The Golden Rule Division of the church will serve the one o'clock luncheon, in the church recreation rooms. Mrs. James Artman will have charge of the reservations which must be in by September 27. All state officers are planning to attend. Mrs. O. W. Laidlaw is general chairman. Committees in charge of tickets and seating are Mrs. George Wittrup, Mrs. Clayton Greenwald, Mrs. B. O. Bashore, Mrs. Kenneth Hall and Mrs. Frances Stone; Decorations, Mrs. Neil Pearson, Mrs. C. D. Brannin and Mrs. Joe Rice; Reception, Mrs. Burtsel Claus, Mrs. B. B. Turnbull, Mrs. Charles Williamson, Mrs. Floyd Elliott, Mrs. F. C. Dickinson and Miss Edith Ingersoll.

10TH ANNIVERSARY

Mr. and Mrs. Garth Hall were the honored guests at a surprise party at the cottage of Mr. and Mrs. Henry Kempf and Mr. and Mrs. Fred Whelan at Vineyard Point, for their tenth wedding anniversary. A potluck supper was served and the evening was spent socially. The group presented the Halls with a gift.

Fred Hadley To Operate New Business In Florida

Fred C. Hadley, who for six years has operated Hadley's Market on North Pearl street, announced today that he had purchased a bakery franchise in Florida and with his family would make his home, after October 1, in Winter Haven, a suburb of Orlando.

Mr. Hadley has purchased a building in Orlando, where he will operate his business. It is now being remodeled and equipment is being installed. He will employ some 25 people, and will operate about 20 delivery trucks, distributing his product in Georgia and Florida.

Mrs. Hadley and three of their sons left last week for Florida, and Mr. Hadley will join them the first of next month. Their son, Jack, who returned last week from Europe, where he was on tour with the American Youth Abroad, will go to Florida this week, and will enter the University of Gainesville.

Hadley has sold his business here, including his building and house, to William Burley of Royal Oak. Mr. Burley takes possession October 1.

Band Festival

(Continued From Page 1)

Gay Nineties, the machine age, the modern age, World Wars I and II, and other significant episodes in America's growth. The climax will be the formation of the Liberty Bell by all of the bands, which will then present a massed band number.

The following band masters participated in the meeting: G. W. Blanks, Blissfield; R. E. Westgate, Morenci and Hudson; H. L. Rowland, Brooklyn; J. C. Phillips, Metamora and Lyons, Ohio; Helen Beck, Sand Creek; Al Bohms, Adrian; Paul Wallace, Petersburg; Richard Wagner, Clinton; and Clare Camburn, Tecumseh.

Also at the meeting were Earl Place, superintendent of the Tecumseh school, James McDowell, high school principal, and Rev. B. O. Bashore, and Ronald E. Harris, representing the Chamber of Commerce committee.

The group was the guest of Mr. Camburn at a chicken dinner in the high school cafeteria preceding the meeting.

Ladies Trap Shoot Team Suggested In Tecumseh

Are there any ladies in the Tecumseh area who believe they are skillful enough to form a trap shoot team? The Chamber of Commerce has received a call from bands presening a phase in the tario, stating that they are trying to organize a ladies' team and would like nothing better than to arrange a contest the afternoon of September 23, before the corn roast.

Mr. LeBlanc reports that the Canadians are expecting a fine turn-out for the corn roast and are hopeful that many of their Michigan friends will be with them.

They also invite all trap shooters to come in the afternoon, when there will be considerable activity. Those who do not wish to take their guns through the border formalities, will find guns available to them in the sister town.

Girl Scouts

(Continued from Page 1)

ley will have charge of a library committee to assist Miss Harding with the care and ordering of Scouting literature for the public library, and Mrs. Owen Partridge will direct the uniform fund, which is a fund set up to purchase serviceable used uniforms for resale.

The association vote to sell Girl Scout cookies and calendars this year to supplement Community Chest funds instead of the holding the annual bazaar. Scouts will sell calendars during the months of October and November.

Mrs. Duncan Oliphant will open her home on N. Malden Lane to all leaders, old and new, on September 21, at 8:30 p.m. The purpose of the meeting will be to organize a Leader's Club, which will meet at regular intervals to give leaders training opportunities, new ideas and materials. Anyone interested in leading a troop is urged to be present at this meeting, or contact Mrs. Elven E. Duvall, association president.

It was decided to send delegates from the Tecumseh Council to the southeastern Michigan meeting on training in Ann Arbor on September 13, and to Grand Rapids November 8-10, for the Region VII Girl Scout Convention. Mrs. Duvall will go to Ann Arbor, and delegates to the Grand Rapids convention will be named later.

The next meeting of the association will be in November.

Indian Gridders

Whelan, a junior, halfback, playing his third year; Dick Beasley, senior, who will play right half, having been shifted from the quarterback slot he held down last season; Jim Breitenwischer, another junior playing his third year, who has been moved into the quarterback position; Bob Marsh, tackle, Larry Hart, center, Ray Jackson, guard, all juniors and third year men; and Don Bailey, a senior, playing his fourth year at tackle.

Several promising candidates are up from last year's reserve team, among whom are Joe Rockwell, a tackle, Dave Ousterhout, guard, and John Sisson, end, all of whom are making strong bids for starting assignments. Bob Binns and George Ruhl at the guard positions have been looking especially well, as have Lynn Hunt, halfback, and Tom Naser, quarterback. Bill Beardsley, a sophomore up from the freshman team, is coming along fast as an end.

Assistant coach Lester Runk is more than pleased with the turnout of freshmen, some 30 reporting for practice regularly. Although it is early in the season, several boys have shown up well thus far. Among these are Lester Williams, fullback; Bill Benham, halfback, and Albert Hart, halfback.

Practice opened August 28 with 47 hopefuls going through the first day's session. More men have reported since until there are now about 55 reporting for the daily drills in preparation for the opening game next Thursday, September 21, with Pittsford. The game will be played at Hudson under the lights and 8 o'clock has been set for the kickoff.

The full schedule includes eight games, five at home and three away, and is as follows:

Sept. 21—Pittsford	There
Sept. 29—Morenci	Here
Oct. 6—Clinton	There
Oct. 13—Hudson	There
Oct. 20—Addison	Here
Oct. 27—Summerfield	Here
No. 3—Blissfield	Here
Nov. 10—Ida	Here

All games will be played at night starting at 8 o'clock, and, with the exception of Ida, all are league games.

Church Group Sponsors Mental Hygiene Series

The Semper Fidelis Group of the Methodist Church announce that they will sponsor a series of discussions on mental hygiene to be conducted by Dr. Norman MacNaughton. These discussions will begin on Wednesday evening, October 4, at 7:30 o'clock. Some of the subjects to be discussed are personality development, emotional control, the control of anxiety neuroses, elimination of fear, and many others just as interesting and just as important. There will be no charge for these discussions and the class is open to anyone in the community who is interested in the subject.

The meetings will be held in the social room of the Methodist church. Dr. MacNaughton is well known for his teaching ability, having been a professor in the Adrian College for many years where he taught philosophy, psychology, religion and logic. He feels that mental hygiene is very important, particularly in these days when the world is living under great tension. Therefore, he is willing to give of his time to discuss with his listeners ways of overcoming anxiety and fear of all kinds in order that they may live a more pleasant life mentally, physically, and spiritually. He expects the series to be once a week for six months and then as he says, "Maybe we can dig a little deeper."

Club Luncheon Here, October 2

MONDAY CLUB IS PREPARED TO BEGIN 56TH YEAR; PROGRAMS ARRANGED

Mrs. T. Rentschler, president of the Tecumseh Monday Club, is busy with the preliminary details of the club luncheon which will be held in the Methodist church October 2. The luncheon will mark the opening of the fifty-sixth year of the club. Committees are being appointed to make the meeting a delightful social affair for the members and their friends. The past presidents are using their own talent to produce a program in the lighter vein for entertainment. However, Mrs. Rentschler says that many of the programs planned by the departments and standing committees will be of a more serious nature, and will challenge the thinking of the women.

The club's first emphasis is on educational programs although it does some service work such as contributing to the various worthwhile drives for finances. The president is very anxious that all members have fun doing their work throughout the year.

The club also tries to coordinate its programs with the suggestions of the Michigan State Federation of Women's Clubs having been a member of that organization for more than fifty years. The Monday Club is sending Mrs. Claire Beland as its representative to the September Conservation Conference at Higgins Lake from September 18-20 where she will hear discussions, see films, and take field trips in connection with the study of "Geology, Land Use, Forestry, and Game Management." The conference is sponsored by the Michigan State Federation of Women's Clubs and the Michigan Department of Conservation.

The Monday Club also cooperates with other clubs and organizations locally in producing programs for the community. For instance, it will assist the Chamber of Commerce on October 17 by providing hostesses for the Onsted Woman's Club when it pays an all day visit to Tecumseh. The following women will be invited to represent the Monday Club on that day: Miss Edith Ingersoll, Mrs. Herbert Murphy, Mrs. Claire Beland, Mrs. Perry Hayden and Mrs. E. J. Aebersold besides the president.

Gets Amazing Results ...

"Hayden's 34% Dairy Balancer makes us money or we wouldn't be buying it," said Mr. Holcomb, who with his son Harold gets amazing return from his herd of thirty cows.

During April, 1950, before his thirty cows went on pasture, they produced 30,056 lbs. of milk. "One cow on test increased 25%, — and convinced us there was something to Hayden's Dairy Balancer," said Mr. Holcomb.

School of Fashion Revue Enjoyed By Club Women

Wednesday afternoon, September 6, the Tecumseh Country Club was crowded to capacity for the School of Fashion Revue. School bells rang for the one o'clock luncheon at long tables decorated with old-fashioned flowers in bean crocks, china chickens, and real school slates. The big harvest moon was banked by bronzed-oak leaves and fall flowers in profusion, and the rustic fireplace and the soft green walls of the lounge were a perfect setting for the occasion. Mrs. Louis Carlson acted as mistress of ceremonies.

There was a roll call of models and then woman's love of fashion was "spoofed" on their English and spelling lesson. The A's represented the Age of Antiquity, modelled by Mrs. Robert Laidlaw in a gown of white china silk replete with sealskin cape and muff. The B's lesson was the fur style show presented by Jack Brown representing a nearby furrier. Club members were models for the new fashions in furs of white ermine, natural mink, silver blue mink, otter, beaver, broadcloth, lapin, sheared raccoon and mouton. Some of these were in the exciting new colors of lip-stick red, dark green and blue. Fur scarfs were also shown. The furs were modeled by the following members: Mrs. Robert Laidlaw, Mrs. Frank Smith, Mrs. Curtiss B. Brown, Mrs. Charles Mensing, Mrs. Fred Fisher of Britton, and Mrs. John E. Smith of Adrian, who, because of her professional modeling experience, was the tutor for the group.

The C lesson showed the children in cotton and corduroy, from a local dress shop. The youngsters modeling were Nanette Walper, Brenda Porter, Judy Truesdale, Karen Beach, Mary Nixon and Nancy Nixon. Mary Jo Mensing and her mother modelled the attractive mother-daughter combination. Greta Porter, as a girl in jeans, added the closing touch to the school-day theme.

Mrs. Chester Beach, president of the club, paid tribute to all who had contributed to the success of the Fashion Revue. The committees in charge included Mrs. Norris Morehouse and Mrs. Chester Beach, general chairman, Mrs. Dalton Walper, decorating chairman, and Mrs. Wm. Bruce and Mrs. Donald Cobb, hostesses. Mrs. H. H. Hanna was in charge of the models and Mrs. Louis Carlson, publicity.

The club luncheon for September 20 has been cancelled.

SON HONORED

Mrs. James Barton entertained twelve children Thursday afternoon in honor of her son Tommy's birthday. The children enjoyed horseback riding, and games were played. Refreshments of ice cream and cake were served and Tommy received many lovely gifts.

HOST AT DINNER

The Quaker Oats Company was host Monday evening at their annual steak dinner for newspaper editors and representatives and radio personalities of Lenawee county at the Tecumseh Country Club. Representatives of the company from Chicago and Tecumseh were present, in addition to the newspaper and radio people.

ATTENTION
Customers Who Are Planning to Use
GAS FOR HOUSE HEATING

Customers will have 30 days to secure space heating after gas becomes available in Tecumseh.

Gas Heating restrictions granted by the Michigan Public Service Commission authorizes the Company to restrict the sale and delivery of natural gas in all house-heating or other space heating installations that do not have approved in writing an application for space heating service *received within thirty (30) days after gas is first made available.*

The order shall remain in effect until further order of the Commission. We urge you not to wait if you are thinking of gas for house-heating as no commitments can be made for next summer or the following summer.

Service applications for cooking and water heating will still be accepted beyond the 30-day period.

Hello Neighbor-

Did You Know That Prices Are Going To Go Up On Gas Heating EQUIPMENT?

Over the past few weeks there has been a general increase in cost of heating equipment. In fairness to the large number of people that have contacted us for gas equipment before the expiration of their approved gas heating application, we have refrained from passing on these price increases. However, the shortage of installation material, due to the war economy and the resulting higher cost plus increased cost of equipment, makes it impossible for us to continue at present prices. *We refuse to cut the quality of our installations.*

We want to be fair — we hate to see anyone pay more than his neighbor for the same equipment.

These new prices go into effect Wednesday morning, September 20th. If you will call us anytime Monday and make an appointment for our Sales Engineer to call we will reserve for you at present prices any item of gas heating equipment in which you are interested. You *ARE NOT* under obligation to buy this equipment. You *ARE* under obligation to have our Sales Engineer call and survey your home in order that he may make his recommendations for proper heating.

Be sure to call before next Wednesday, September 20. Any calls after that time will have to be sold at the higher prices.

FORECLOSURE NOTICE

Default having been made in the condition of a certain mortgage made the 22nd day of June, 1945, by Horace Mangus, Howard Mangus and Mary L. Mangus to Richard Ellis and Lillie Ellis and recorded on June 22 1949 in the office of the Register of Deeds for Lenawee County, Michigan, in liber 341 of mortgages on page 496; of which mortgage there is claimed to be due and unpaid at the date of this notice Seven Hundred ($700.00) Dollars principal and Seventy Five ($75.00) Dollars interest; no suit or proceeding at law or in equity having been instituted to recover the debt, or any part of the debt, secured by said mortgage, and the power of sale in said mortgage contained having become operative by reason of such default,

Notice is hereby given that on the 24th day of November, 1950, at 10:00 o'clock in the forenoon, at the East front door of the courthouse in the City of Adrian, that being the place for holding the Circuit Court for the County of Lenawee, there will be offered for sale and sold to the highest bidder, at public auction or vendue, for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale, including an attorney fee of Thirty Five ($35.00) Dollars provided by law and in said mortgage, the lands and premises in said mortgage mentioned and described, as follows, to-wit:

The West Fifty (W 50) acres of the Northwest Quarter (NW¼) of Section Nineteen (19) in Town Five (5) South of Range Four (4) East;

Also, the Northeast Quarter (NE¼) of the Northeast Quarter (NE¼) of Section Twenty-four (24) in Town Five (5) South of Range Three (3) East, excepting therefrom a piece of land 16 rods long East and West by 10 rods wide North and South from out of the Northeast corner thereof;

Rotary To Honor Dynamic Kernels 10th Anniversary

SPECIAL PROGRAM, OPEN TO THE PUBLIC, TO BE HELD NEXT TUESDAY EVENING

L. W. Larsen, president of the Tecumseh Rotary Club, announced at the regular meeting of that organization this week that the Rotary Club will honor Perry Hayden next Tuesday evening, September 26. The occasion is the tenth anniversary of the planting of the original cubic inch of "Dynamic Kernels" that grew in six years to cover 2,666 acres, producing 72,150 bushels of wheat, worth $150,000.

It was on September 22, 1940, that Clifton Robinson, then a student at Cleveland Bible College, preached a sermon with the text, "Verily, verily I say unto you, except a kernel of wheat fall into the ground and die it abideth alone, but if it die, it bringeth forth much fruit." Mr. Hayden decided to do something about this particular sermon, and the following Thursday, September 26, with the aid of Edgar Clark, L. C. House, and a group of students from the Edison Institute, planted a cubic inch of wheat, given by C. D. Finkbeiner, of Saline. The plot of ground was furnished by Henry Ford, just east of the Ford Hayden Mill at the east limits of Tecumseh on M50.

With faith in the Lord's promise of a blessing on those who tithe, Hayden set out to prove another Bible verse, Malachi 3:10, and to tithe the wheat. Later is was decided to replant the nine tenths until six harvests had been threshed, in accordance with Leviclitus 25:3. Successively from 1941, through 1945, the harvest was one quart; 96 pounds; 16 bushels; 379 bushels; and 5,555 bushels. The first five crops were harvested on land furnished by Henry Ford, who with unusual enthusiasm gave his personal support to the project, saying "This thing is going around the world." In 1945 Henry Ford became ill and it was decided to sell the Ford farms. Consequently the nine-tenth of the fifth harvest was taken by 270 farmers of 30 faiths and creeds, who planted it on 2,666 acres and on August 1, 1946, by proclamation of then Governor Harry Kelly, "Biblical Wheat Day" was held at the Adrian Fair Grounds with a service attended by some 15,000 persons.

The public is invited to see the color-sound film, "God Is My Landlord," to be shown at the Legion Hall at 7:30, following the Rotary dinner.

Indians Ready For Pittsford

OPENING GRID GAME FOR TECUMSEH AT HUDSON TONIGHT UNDER THE LIGHTS

Tecumseh high school's 1950 football team opens its 1950 season tonight, Thursday, meeting Pittsford under the lights at Hudson. The kickoff is scheduled for 8 o'clock. The Indians will be wearing for the first time their new uniforms which consist of white "skin-tight" pants with orange and black inserts down the sides. Two sets of jerseys have been purchased, one being all white with orange and black inserts at the shoulders, orange and black stripes on the sleeves, and orange and black numerals, and the second set have an all orange body with white numerals.

Coach Duvall's gridders have been working hard on fundamentals and plays since the opening of practice three weeks ago, and scrimmage sessions with some of the nearby schools have uncovered many weaknesses as well as some outstanding talent. According to Coach Duvall, blocking and tackling in the line has been fairly good, but downfield blocking needs improvement, as does the blocking by backfield men.

U. M. DEAN SPEAKS

Ivan Crawford, dean of the engineering school at the University of Michigan, Ann Arbor, was the guest speaker at the regular meeting of the Rotary club, Tuesday evening in the American Legion Memorial Home. Dean Crawford discussed public works programs on a national, state and local level. His talk was very interesting.

Guests at the meeting included Ira Smith and E. A. Cummiskey of Ann Arbor, Lawrence Sherman, Dr. Jack Schwabland and Forrest Bailey of Blissfield, and R. O. Mathias and Chet Richards of Tecumseh.

Dennis Russell Pace, Accident Victim, Dies

Dennis Russell Pace, 21 years of age, who was badly burned last Friday afternoon in an accident east of Lenawee Junction, died in the University of Michigan hospital at Ann Arbor, at 7 p.m., Sunday. He was born June 16, 1929 in Salyersville, Kentucky, and had lived in Tecumseh the past ten years. He was employed at the Tecumseh Products Company.

He is survived by his mother, Mrs. Bessie Cordray; his father, Gordon Pace of Adrian, one brother Proctor Pace of Tecumseh and his grandparents, Mr. and Mrs. Simon Fletcher. Also by several aunts, uncles and cousins.

Funeal servies were held Wednesday afternoon at 2:30 at the Collins Funeral Home with the Rev. B. O. Bashore officiating. Burial was in Brookside cemetery.

Fred V. Milette Accident Victim

INSURANCE MAN KILLED ALMOST INSTANTLY; CHARLES M. MANLEY INJURED

Fred N. Milette, 67, of Clinton, formerly of Tecumseh, was killed almost instantly, Thursday about 5:30 p.m., in a two-car crash at Ford and Pennington Roads, a mile south of Macon, The other car was driven by Charles M. Manley, 20, of Tecumseh. The men were alone in their cars.

According to state police, Mr. Milette was driving west on Pennington Road, and his car entered Ford Road intersection at the same time that the Manley car reached the crossing. Neither driver apparently saw the other until it was too late to avoid the collision. The Milette car overturned and he was killed instantly. Mr. Manley was removed to Herrick Memorial Hospital here. He was released on Friday. He suffered cuts in the face, bruises and possible chest injuries. Manley is employed by Tecumseh Refrigeration Sales & Engineering.

Mr. Milette was well known in Tecumseh and throughout Lenawee county, having lived in this vicinity since 1919. For many years he was a partner in the Christmas, Maupin & Milette insurance agency in Adrian. At one time or another he lived in Adrian, Blissfield, Tecumseh and recently at the Quigley Apartments in Clinton.

Called to the scene of the accident, Coroner Ed Braun of Adrian ruled that the Milette death was accidental, and the body was removed to the Collins Funeral Home here. Later it was taken to the Hamilton Funeral Home in Detroit where services were held on Monday and burial was in Woodmere cemetery. Milete's only survivor is a sister, Mrs. Martha Hatchkinn of Detroit.

Public Invited To Vesper Service, Sunday

Another in a series of Vesper Services at St. Peter's Episcopal Church in Tecumseh will be held on Sunday evening, September 24, at 5 p.m. The public is welcome to attend.

The guest artists at the service will be Miss Margie Kormendy, contralto, of the Fort Street Presbyterian church, Detroit, and Dr. James Spencer of Adrian College, church organist at St. Peter's.

Miss Kormendy's numbers will include "The Prayer," by Guion; "The Ninety-first Psalm," by MacDermid, and "That Sweet Story of Old," by Bradbury; "Fear Not Ye, Oh Israel," by Buck, and "Just As I Am," by Elvey; and a solo group, "Oh Rest in The Lord" from "Elijah," by Mendelsson, and "Abide With Me," by Monk.

Dr. Spencer's numbers include the "Evensong," by Martin; an organ solo, "Instead of Words," by Dr. Spencer, and the Recessional Hymn.

The invocation will be by the Rev. Allan L. Ramsay, rector of the church, and the sermon by the Rev. Charles L. Ramsay of Jackson. There also will be music by St. Peter's choir.

NO SCHOOL, FRIDAY FAIR IS IN ORDER

There'll be no need this year for the kids to play hookey from school in order to attend the Lenawee County Fair.

Earl H. Place, superintendent of schools, announced today that the public schools in all grades would be closed in Tecumseh on Friday, tomorrow, giving the youngsters a "fair" holiday.

LOCAL FARM BOY BRINGS NEW HONORS TO TECUMSEH 4-H CLUB

Fred Feight Places Eighth in National Plowing Contest

Competing against plowmen from nine states—the best in the country—Tecumseh's Fred Feight came away with eighth place honors in the level land open class of the National Plowing Match held at Urbana, Ohio, last Thursday.

Plowing contests and being up among the winners is no novelty to Fred. Entering the county 4-H Club plowing contest for the first time three years ago, he placed third. Last year he won second in the county and then went to the state 4-H contest at East Lansing where he took third place. This summer, on the 5th of July Fred was nosed out of first place in the county contest by the slim margin of a half point, being beaten by another Tecumseh boy, Lawrence Young. But in the state event on Aug. 31 he came away with first place honors in a large field of entrants, with Lawrence placing fourth. The county 4-H plowing contests are sponsored by the Lenawee county implement dealers who also sponsor a tractor school for 4-H Club members during the winter months. Attendance at the school makes the boys eligible to compete in the county plowing contest.

At Urbana, Mr. Feight was up against thoroughly experienced plowmen, all much older than he. Each contestant was allotted sixtenths of an acre of clay loam ground covered with wheat stubble and sweet clover which stood about 18 inches high. A time limit of one hour was allowed to plow the plot. Fred finished his in 58 minutes while the winner, Leo Drake of Missouri, who is over 50 years of age, went slightly over the time limit. Mr. Drake scored 78 points out a possible 100 to Fred's 74. But 10 points separated the winners of the first ten places.

According to Fred, his failure to thoroughly understand the rules of the national contest cost him a substantial number of points. Here in Michigan one of the requirements in level land plowing is to have the plowed surface as level as possible while in the national contest they ask for a crown and V on the furrows of not less than two inches. He failed to plow this V and it cost him several points.

One of the rules of the contest is that the contestant use his own equipment. Young Feight used his father's John Deere A tractor and International 14-inch double bottom plows. Transportation for the tractor and plows was furnished by Fay Whelan, and Herbert Long and son, Fred, and James Feight attended the contest with Fred. Expenses of the trip were paid by the Michigan Farmer magazine. Arrangements for lodging for the group had been made by the National Plowing Match committee.

As his award for eight place Mr. Feight received $15 in cash and a five-gallon can of motor oil. First place award was $100 in cash and a large trophy.

Fred is the son of Mr. and Mrs. Orin L. Feight of Route 1, Tecumseh. Born on a farm near this village he has lived his entire life in the community. His brother James has been for the last four years the leader of the Lansing Laborers 4-H Club of which Fred is a member. This is his fourth year of 4-H work in dairying and beef cattle projects. When not in school he works with his father in the operation of their farm.

After graduation from high school Fred wants to attend Michigan State College where he will take a couple of short courses in general agriculture and then will take up farming as a career.

When we asked him if he planned to try the national contest again next year, he replied: "You bet I do. I learned a lot down there this year and I feel that next year I can put this to good use. I hope to be in there trying, anyway."

Home To Share Job Of Church

PRESBYTERIAN PARENTS TO AID IN TEACHING OF CHRISTIAN EDUCATION

Spurred by a desire to discover what christian education is all about, parents of children in Tecumseh's Presbyterian church feel that the home should have a share in the job. As one mother put it in a survey conducted by the Church Session last August, "We feel we have excellent material and excellent teachers, but we know that a really effective teaching program depends upon 100% parent cooperation."

All department of the church school this year will have as their theme, "The History of the Christian Church." The success of the program depends on christian living and teaching in the home. "Our parents' increasing interest in their opportunity as christian teachers typifies the new spirit of lay participation in the Protestant church," says the Rev. D. C. Wilson, pastor. "Here is where a parent can afford his child as no one else can. Here is where a parent comes into his own."

Ten sets of parents—one for each grade—will open their homes on the night of September 27 to other parents of children in the grade that each represents. They will invite their childrens' teachers to be present to talk with them informally and preview the work of the first quarter. These fathers and mothers also plan to get together at the beginning of each succeeding quarter.

"We not only plan on teaching religion better," says James Elliott, father of two boys in the church school, "we also hope to

Tecumseh Corn Roast Scheduled For Saturday

A number of Tecumseh residents are planning to visit Tecumseh, Ontario, this coming Saturday evening when their Canadian friends plan a big corn roast for entertainment.

The Finer Food Products Company of Canada is providing corn from their specialty sources, one of the finest in the British Empire. A committee in the sister town is taking charge of arrangements. While nothing elaborate is planned, the Canadians hope that some trap shooters from here will come in the afternoon and join them at the Gun Club where the Tecumseh-Tecumseh trap shoot was held this summer.

The corn roast is being held because the Canadians feel that a few friendly visits back and forth during the year should be held to cement the acquaintances formed during the town get-to-gethers each summer.

JUNIOR LEAGUE MEETS

The Baptist Junior League met at the home of Mrs. Luella Honeycutt on South Union street Tuesday evening with ten members present. At the business meeting it was voted to hold a rummage sale, October 6 and 7, at the Ray Weatherman garage. The group also voted a contribution to the Maywood, Illinois, Home, and to sponsor a Girl Scout troop this year. Mrs. Glennis Curran had charge of the devotions and Mrs. Mina Sisson the program, on rural America. Refreshments were served by the hostess, assisted by Mrs. Miriam Bashore.

Zoning Code Change Sought By Physician

A notice will be issued soon by the Village Council on the date of hearing on a petition, filed by Dr. R. E. Dustin, asking for an amendment to the zoning ordinance in the vicinity of Mill and Brown streets. Dr. Dustin has petitioned the council for the right to build a physician's office building on the lot at the northwest corner of Brown and Mill.

The council, in session Monday evening, also decided to rent the village curb forms to the public at the rate of $1 per foot, with an 8-cent per foot rebate if the forms are returned within 30 days and in good condition.

Council decided to discard plans for a sewage disposal plant, drafted several years ago by Toledo engineers, and to proceed with a new set of plans. The old plans, it was said, now are obsolete.

Reports of committees and department heads were read and placed on file and current bills were audited and ordered paid.

Retailers Here Study Problems

SECOND IN SERIES OF MEETINGS TO BE HELD NEXT TUESDAY

Ralph Toaz, secretary of the Retail Division of the Lansing Chamber of Commerce, will conduct the second of the Tecumseh Retail Conferences at the new high school, next Tuesday. Mr. Toaz has appeared in many of the retail conferences held about the state. His specialty, which will be his topic next Tuesday, is "Community Sales Promotion."

For years the city of Lansing has been known throughout the state for its aggressive retail program. Mr. Toaz has been the originator and guiding force for most of these programs. Other cities frequently solicit his services for help in their own programs.

He is a down-to-earth speaker who knows how to talk to retailers and who understand their problems. He is especially skillful in giving smaller communities an insight into what they can do to promote their own community by good retail promotions.

Mr. Toaz will stress two types of sales promotions: First, the type that rings the cash register immediately, and second, those which are designed for long term effect.

The retail conferences got under way on Tuesday evening when Earl McIntyre of Michigan State College, spoke to a group of some 25 local businessmen at the school. Earl Heap, also of the college, acted as moderator. The group chose four more topics to be discussed after next Tuesday's session, and agreed on plans to explore other problems confronting business here.

DAUGHTERS MEET

The Daughters of St. Peter's met at the home of Mrs. Cecil Smith September 19 at 8 p.m. The meeting was opened with a prayer service. Arrangements were made for the anniversary supper with Mrs. R. Hubbard as chairman. At the close of the meeting a luncheon was served by the hostess, assisted by Mrs. Barber.

Local Girl Named As Toledo "Queen"

BEVERLY HAY CHOSEN TO REPRESENT TECUMSEH AT STATION DEDICATION

Beverly Hay, daughter of Mr. and Mrs. George D. Hay of North Division Street, will be among the Court of Queens at the dedication of Toledo's new Union Station, Saturday, September 23.

The Tecumseh girl is a dimutive, sixteen-year-old brunette, who is active and popular among her schoolmates. She has been chosen this year to be among the school's cheer leaders and last year was a member of the high school student council. Although only a junior, she is on the debating team for the second year. Monday evening she was installed as the key Associate Advisor of the Adrian Chapter of the Order of Rainbow Girls.

Beverly will be associated with a number of girls from southern Michigan and northern Ohio in the Celebration Day parade which will climax the week-long celebration in honor of the new rail terminus. Four railroads who will use the new station are each sponsoring a queen, one of whom will be chosen and given the title, Miss Union Station.

A Toledo-grown product, Danny Thomas, now of Hollywood, will head the delegation of motion picture stars riding in the procession. Others from the entertainment world include Marta Toren, William Holden, and George Murphy.

A total of 37 bands will pass the official reviewing stand, including that of the 2nd Army group from Fort Meade, one of the prize units of the nation's armed forces. More than 50 marching organizations, including units of the Ohio National Guard, veterans' groups, floats, fraternal organizations and Boy Scouts, marching with a "Mile of Flags" will be in the procession.

The new station is the result of a successful civic campaign which has gone on continuously since 1909 to get rid of the old Union Station "eyesore."

Lester J. Heesen, 72, To Be Buried, Friday

Lester John Heesen, aged 72 years, former Tecumseh business man, died Tuesday at 11:50 p.m., in the Beckman Convalescent Home on North Mill street. He had been ill for about three weeks.

Born March 27, 1878, the son of Mr. and Mrs. John Heesen, the deceased had been a life-long resident of Tecumseh. At one time he was in the clothing business here, operating under the name of Heesen Brothers. He was a charter member of the Christian Science church.

Surviving is one brother, Don C. Heesen of Tecumseh, a niece and a nephew and several cousins.

Funeral srevices will be held at 2:30 Friday afternoon from the Collins Funeral Home with burial in Brookside cemetery.

DISCUSSION CLASS

The Semper Fidelis group of the Methodist church announces that Dr. Norman MacNaughton will conduct a series of discussions on mental hygiene beginning on Wednesday evening, October 4, at 7:30 p.m. The discussion will be in the social room of the church, and is open to the public.

V.F.W. Needs Addresses of Foreign Service Men

The Hall-Slater post, Veterans of Foreign Wars, and the Auxiliary, would like to have the correct addresses of Tecumseh township young men in foreign service, or who expect to be in foreign service by December 1. This includes Army, Navy, Marines.

The V. F. W. plans to remember each of the boys at Christmas, and addresses should be turned over to the organization not later than October 1. Addresses may be telephoned to Tecumseh phone 231J or 274W, or mailed to Mrs. Waldo Mohr, secretary, 214 W. Logan street.

Presbyterians Plan Rally Day

CHURCH SCHOOL PROMOTIONS AND AWARDS WILL BE ANNOUNCED ON SUNDAY

Rally Day in the Presbyterian Church School will be Sunday, September 24. During the church school hour at 10 o'clock, the children and young people will be promoted to their new grades and presentations will be made of their accomplishments during the past year.

"As we are looking for help from the fathers and mothers of our children, we wantt hem to be at church Sunday to meet the teachers and assure them of their cooperation. This is a splendid opportunity for parents and teachers to get together before the previews the following Wewnesday," said Mrs. Earl H. Place, chairman of the Church School Board.

Following the promotions service the parents will go with their children to their new room for the coming year. There the young people will receive their reading books, graded according to departments but all dealing with the history of the church.

The morning service will be at 11 o'clock and will be a service of commitment for teachers, pupils, parents, and officers. These groups will be represented by the following persons respectively: Mrs. Clarence Damon, John Elliott, Otto Meiers, and Ralph Reis. Mr. Wilson will preach on the subject: "The Church — A Fellowship."

CROP Meeting Here, Monday

CHAIRMEN OF THIS AND NEARBY TOWNSHIPS TO CONVENE AT PRESBYTERIAN CHURCH

Tecumseh's share in the Lenawee county Christian Rural Overseas Program (CROP) goal is $10,000 has been announced as $1,000, according to the committee in charge of the local campaign. The drive starts the first week in October.

George Schumm has been named chairman of the soliciting committee for the village of Tecumseh, E. G. Harris and Wilfred Waldron are township co-chairmen, and Dalton Van Valkenburg is local treasurer. Dr. Hanna, president of Michigan State College, heads the state organization and Robert Thompson of Riga is county chairman.

Mr. Schumm says that while

FOX IS SIGHTED

Mr. Fox paid a visit to Mr. and Mrs. William Jewell last Saturday evening about 6 p.m. In their back yard on E. Chicago Blvd. at Division street. Mr. and Mrs. Bert Filter and the Jewells watched the fox for about five minutes before it was scared away. It seemed to be very thin and was looking for food. It made its departure through the pines at the foot of the Ford hill by the Mill.

PRESIDENT'S DAY

The first annual President's Day of the Tecumseh Country Club will be held Saturday with a luncheon from 12 noon to 2 p.m. Golf events will be held in the afternoon. Dinner will be served at 7:30 p.m. After the dinner prizes will be awarded and there will be entertainment for all.

BROTHER DIES

Mrs. Fred Rector received word Monday evening of the death of her brother, Zack M. Diddison of Baltimore, Maryland, which occurred Sunday night at 11 o'clock. Funeral services were held Wednesday at 2 p.m. in Baltimore.

BAKE SALE

The V. F. W. Auxiliary will hold a bake sale at Hanna's Insurance Office, Saturday, September 23, starting at 10 a.m. adv.-S-21

Bloodmobile Is Coming Here

OCTOBER 12 AND 13 ARE DATES OF VISIT; BLOOD TO REMAIN HERE

Tecumseh's supply of life-saving blood plasma is completely exhausted, hence the visit here of the bloodmobile of the Michigan Department of Health, on October 12 and 13, is of more than usual importance. This vital service is being sponsored by the Lenawee chapter of the Red Cross, with the local cooperation of the Legion Auxiliary, and the Auxiliary of the hospital, under the chairmanship of Mrs. Vincent Haight. The bank will be in the conveniently located Legion hall.

All blood obtained will be returned to Tecumseh hospital in the form of plasma and blood derivatives. The latter, which have received but little publicity, are playing an increasingly vital part in medical practice. Blood fractions as they are called are used in the treatment and prevention of hemorrhages, measles and various kidney and liver diseases. Michigan is one of the very few states in the union that has a laboratory capable of supplying its citizens with these derivatives that under other circumstances cost at least 35 dollars per dose.

The replenishing of the local blood supply cannot be done by passing a resolution, appointing a committee, or by levying a new tax; this life-saving material can be obtained only by the personal and generous sacrifice of Tecumseh's men and women. Giving blood is the essence of neighborliness and the only reward is in the satisfying knowledge that your act will probably help to save a life.

A later announcement will be made of the places where donors may register.

Crowd Of 250 At P.T.A. Meet

LARGE ATTENDANCE OF JOINT MEETING OF PARENT-TEACHERS AND ALUMNI

The Tecumseh Parent-Teacher Association and the Alumni Association were hosts to members of the faculty of the public schools and members of the board of education and their wives, at a reception, Thursday evening in the Central School gymnasium. About 250 members and guests attended.

Mrs. Thomas O'Hara, president, presided at the business meeting and after greeting the teachers and parents announced that Mrs. Sam Sisson and Neville L. Hart have been appointed co-chairmen of the P.T.A. for the coming year, with Mrs. Richard Preston and Mrs. Clarence Beach, membership chairmen, with Mrs. George Elliott in charge of publicity. Sam Sisson of the Alumni association was introduced by the president who, after greeting the guests, presented Wallace Whiting as "the old professor." The teachers were introduced and a quiz program with the board of education and the teachers was conducted..

After the program, music was furnished for the dancing by Mr. and Mrs. Glenn Driscoll and George Green, jr. The grand march was led by Mrs. Homer Colson and James McDowell. Refreshments were served by members of the Alumni association including Mrs. W. S. Britton, Mrs. Walter Morden, Mrs. Gale Hooton and Mrs. Elmer Burleson. New memberships were received during the evening.

The P.T.A. meetings will be held the second Thursday evening of each month.

BURIED IN PRATTVILLE

Funeral services for Mrs. Barbara E. Schmidt of 502 North Union street, were held last week Wedensday afternoon at the Seventh Day Adventist church in Prattville. Rev. Wolf of Hillsdale sang two hymns accompanied by Mrs. Wolf. Elder J. C. Klose of Ann Arbor officiated. The bearers were James Davis and Paul Wolf, Rex Wolf of Hillsdale, Lester Laser of Prattville, Harold Keller of Prattville and Hubert Brower of Seneca. Burial was in Prattville cemetery. Friends and relatives attended from Hillsdale, Manitou Beach, Battle Creek, Climax, Burlington, Wilson, Ann Arbor, Lenard, Prattville, Lansing, Toledo, Grand Rapids, Morenci, Tecumseh, Borntler, Adrian, Seneca, and Kawkawlin.

A Community of Sleepy Voters

Ask any man or woman, suddenly deprived of their liberty, how much they would give to get it back. Ask any prisoner at Jackson or Marquette what he desires most, and he'll tell you that it is his freedom. Every day, men and women are spending thousands of dollars for attorneys' fees, hoping to keep out of prison — hoping, sometimes against hope, that they will not lose their most precious rights — life, liberty and the pursuit of happiness.

While such happenings are taking place here in Lenawee county, the state and the nation, millions of other folk in other lands are fighting for their freedom, too. In Germany behind the Iron Curtain, in China, and in many small countries in Europe, millions and millions of men, women and children long for the day when they, too, can go about their business as a free people. They are hoping for the day when a dictator no longer will rule; that they will live to see again the right of free enterprise, to be able to spend their money when and where they please, to be able to move about without being shadowed by police or their enemies.

To whom do these millions of folk look for help and support? They look to America where, for more than 150 years, the right of the individual is first concern of government. Here in America we won that right through revolution and it cost thousands of our forefathers their lives. It is not a God-given right, as many of us seem to believe, rather it is a right that our ancestors fought for, and which must be protected, even today.

What, then, are we doing to protect that right?

Certainly, Tecumseh and all of Lenawee county, in fact the entire state of Michigan should hang their heads in shame following last Tuesday's primary election. The qualified electors of the state and of Tecumseh township were given their opportunity as FREE PEOPLE to exercise the right to vote. Did they do it? They did not. They failed democracy, they failed their ancestors. And, strangely enough to some, perhaps, they failed themselves.

Let's not consider Tuesday's election even on a state or county level. The figures might be too large, and again it might be too far away from home for some to understand. So, let's discuss Tuesday's election on a Tecumseh level, as a hometown project.

In Tecumseh township there are between 2,200 and 2,300 qualified and registered voters. How many voted in Tuesday's primary? A little over 700, or approximately 30 per cent.

Answer honestly, isn't that disgraceful?

Seven out of every ten qualified voters failed to go to the polls. Three out of every ten qualified voters cast their ballots. Where were the voters who failed to ballot? They were too busy with personal affairs, bridge clubs, shopping trips, making money and having a good time. They couldn't be bothered. Going to the polls is an effort.

In the last national election, when Harry Truman was named as president of the United tSates, less than one-half of the registered voters of the nation cast their ballots. Harry Truman is president of the United States because a minority — not a majority — of the electors voted in the election three years ago. We hear a lot of folk in Tecumseh sob about conditions on a national level. We hear them complain about taxes, about Korea, and about spend-thrift spending. In many instances we know that these folks, like millions of others, were too busy to vote for or against Mr. Truman. To those folk, we say, "You have nothing to complain about. It's this way because you, too, failed democracy."

Let's get back to Tecumseh's sleepy voters. And they are sleepy, too, because election records of the past ten years prove the statement.

Let's wake up, here in Tecumseh. There's an important election coming up in November. Let's lead the way, and we can, in a rebirth of interest in local, state and national elections.

Let's not be a part of the nation that is failing our ancestory, our democracy and our children. Let's exercise the most cherished right that we as Americans, have — the right to vote.

Let's do it in November. If we put it off, it may be too late.

LOCALS AND PERSONALS

Franklin Shea is now in Richmond, Calif. He has written his mother to say that should folk from Tecumseh visit there, he would be glad to see them. His address is 2025 Florida Ave., Apartment A. His phone is Beacon 2-0024.

Mr. and Mrs. Clifford Cameron spent Wednesday in Bloomington, Indiana, where their son John has entered the University of Indiana for his sophomore year.

Mrs. Walter Abbott and grandchildren Roger and Sylvia Bush, spent Sunday in Jackson with her son and wife, Mr. and Mrs. Kenneth Abbott.

MONDAY CLUB LUNCHEON HERE ON OCTOBER 2

Plans for the Tecumseh Monday Club luncheon to be held in the Methodist church social room on October 2, are under way according to the president, Mrs. Truman Rentschler. It has become traditional for the past presidents to plan the program of the day and they are busy rehearsing for the occasion as they are using their own talint. This will be the fifty-sixth year of the Tecumseh Monday Club and the year books will be distributed at this time, by Mrs. E. J. Aebersold.

The Reliable Circle of the Methodist church with Mrs. Bert Warren as president, will serve the luncheon. Reservations are essential, and information will be available as soon as possible to the members as to where they may secure their tickets.

PLACE AND HARRIS AT UNITED FUND MEETING

Dr. Warren B. Cooksey, well known Detroit physician, was elected president of the United Health and Welfare Fund at its annual meeting and campaign kick-off in Lansing Wednesday, September 13. Dr. Cooksey succeeds Stephen S. Nisbet who becomes chairman of the board of the Fund.

The kick-off meeting was attended by 150 campaign leaders and agency representatives from 27 counties, including Earl H. Place, superintendent of schools, and Ronald Harris, secretary of the Chamber of Commerce, from Tecumseh. The campaign will seek a goal of $1,818,083 for 29 important health and community service organizations.

LILLIES IN BLOOM

Mrs. eVra Driscoll of Tecumseh does not intend Detroiters to outdo her home town. She read this week where a Motor City woman had an Easter lilly in bloom. Mrs. Driscoll looked at her lilly. It is blooming now with five flowers, just as beautiful as at Easter time.

MACON

The Macon W.S.C.S. will entertain the Stoney Creek W.S.C.S. on Wednesday, September 27 instead of Thursday. They will serve a planned birthday luncheon promptly at 12 o'clock. Each member is to bring table service for two. A program is being planned and a short business meeting will follow.

There will be a special Rally Day Service, Sunday, September 24, during the Sunday school hour from 10:30 until 11:30. This will be followed by the regular church service. Everyone is invited and it is hoped that all parents will attend. The new Hammond organ which was installed last week was greatly enjoyed. Miss Hallie Jane Mehler and Mrs. Carl Thomas were the organist for the day.

Mr. and Mrs. Eric Halladay and family of Detroit spent Sunday with his parents, Mr. and Mrs. Ralph Halladay.

Mr. and Mrs. Edward Furlong of Ypsilanti, Mr. and Mrs. Clifford Bruder and family of Lansing, Mr. and Mrs. Hamilton Moore and sons of Britton were Sunday afternoon and evenings guests of Mr. and Mrs. Bert Bruder.

Mr. and Mrs. Hamilton F. Moore spent Monday afternoon in Ypsilanti attending the funeral of Mrs. Mae Smith, who had lived for several months in the Moore home.

HONORED AT SHOWER

Mrs. Morgan Ford was the honored guest at a "pink and blue" shower Monday evening at the home of Mrs. Gerald Driscoll in Herrick Park. Mrs. Otto Thiel assisted Mrs. Driscoll. Games were played and prizes won were awarded to the honored guest. Mrs. Ford was presented with a shower of gifts from a table decorated in pink and blue and centered with a stork. Refreshments were served by the hostesses.

Just sharpen your pencil— and there you are!

ACROSS this broad land there are thousands of people who have been doing themselves a disfavor.

Seems they "just naturally assume" a Buick is beyond their reach—and so pass up the car they're really itching to own.

Now why "assume" anything as important to your happiness as a new car?

Why not see for yourself how delivered prices run—how close Buick matches your own budget—how frequently it is priced under some cars you may be considering?

Then—if there is a particular car in mind—sharpen up your pencil a little.

Is it a six—or an eight, like Buick? If an eight, is it a valve-in-head eight? That adds a plus in efficiency, you know, even without the extra edge of Buick's Fireball power.

Will you ride on *four* soft coil springs, as in Buick—or on only two? Will the drive be through a sealed torque-tube that keeps the rear wheel assembly firmly aligned? It is in a Buick.

Do you get soft, low-pressure tires as part of the price—or as extras? Will you have bumper guards built as part of the bumper, or a one-piece cast metal grille that can be costly to repair or replace?

Does the price include air cleaner; oil filter; dual horns, windshield wipers and sun visors; an automatic dome light; self-locking luggage lid; a single key for all locks?

And is there an automatic drive*, or one in which gears still shift in normal driving?

Yes, sharpen your pencil—and there you will be, in a Buick.

Whether it's a SPECIAL, a SUPER or a lordly ROADMASTER, you'll be driving the big buy of its price class, and getting a rich bonus of driving comfort, driving thrill and "fashion-first" styling.

But *you* have to make the first move. *You* are the one who has to find out. How about starting now—with a call on your Buick dealer?

*Dynaflow Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

First Pack Meeting of Cub Scouts on Oct. 2

The Den Mothers of the Tecumseh Cub Scouts, Pack No. 4, met on Thursday afternoon at the home of Mrs. James Elliott.

The first pack meeting will be held on October 2 at the Baptist church. The cubs will be getting their uniforms pressed and themselves spic and span for this meeting as a Scout executive will conduct inspection. This is being done in all Cub and Boy Scout organizations throughout the United States at this time.

The membership thus far of Tecumseh Cub Scouts is close to 85.

Den Mothers will notify their boys as to when the den meetings will begin.

The following mothers have charge of the dens: Den. 1, Mrs. Chester Beach, assisted by Mrs. Harold Hall; Den 2, Mrs. Earl Place, assisted by Mrs. Cecil Fielder; Den 3, Mrs. Robert French; Den 4, Mrs. Harold Hoffman; Den 5, Mrs. Charles Stevenson, assisted by Mrs. David Dick; Den 6, Mrs. Clare Rozelle; Den 7, Mrs. Max Smith, assisted by Mrs. Al Williams; Den 8, Mrs. Fred Randall; Den 9, Mrs. James Elliott, assisted by Mrs. Lester Munger; Den 10, Mrs. Lauren Nichols.

GARDEN CLUB MEETS

The Tecumseh Garden Club met at the home of Mrs. Nell Pearson Friday afternoon with about 20 members present. Roll call was answered by naming Michigan resources and the program was on conservation.

Refreshments were served from a lace covered table with lighted candles. Mrs. Al Helzerman and Mrs. Leon Rosacrans pouring. The rooms were decorated with flowers from Mrs. Pearson's garden. Plans were made to attend the regional state garden club meeting to be held at the Cascades Club House in Jackson, October 10.

NEWLYWEDS HONORED

M. and Mrs. Jack Robinson who were recently married were the honored guests at a reception held in their honor at the Legion Memorial Home, Saturday evening. About 100 friends and relatives registered at the guest book. Doris Robinson, sister of the bridegroom, was at the guest book, Patty Patton cut the bride's cake, Rena Rebotarro poured and Irene Beach was at the punch bowl. The lace covered table was beautifully decorated with the bridal cake, and garden flowers. The couple received many useful gifts. Guests were present from Detroit, Wayne, Toledo, Ohio, Duncee, Hillsdale, Jonesville, Adrian, Tecumseh, Jackson and Lyons, Michigan.

Chest X-ray Booth Is Popular At The Fair

Hundreds of bargain wise Lenawee county citizens are finding out this week that one of the best attractions at the county fair at Adrian is the free X-ray service.

Against a background of calliope music and the calls of barkers, one of the busiest spots on the fairgrounds is where the mobile unit of the Michigan Department of Health is set up to give free chest X-rays to everyone 15 years of age and older.

Sponsored by the Lenawee County Health Department with the Michigan Tuberculosis Association, free X-rays will be available from 1:00 to 9:00 p.m. until the fair closes on September 23.

It's simple to get the chest check-up. You stand in line for a moment, get an X-ray registration card from the nurse at the desk and step up to the unit. The X-ray technician places you before a screen, tells you to put your shoulders forward and your hands akimbo on your hip bones. You're told to take a deep breath and hold it. The X-ray technician "snaps the shutter" and that's all!

"When you step down," said one elderly fair-goer, "you feel wonderful. It's good to know you'll soon have a report on the condition of your chest."

County Health Department director, Dr. E. Freeman Hersey, urges every adult to take advantage of the free X-raying before the fair ends.

PERRY HAYDEN TO HAVE BUSY WEEK-END

Perry Hayden has a busy weekend ahead of him. Saturday he will be in Green Lake, Wisconsin, to speak and show his picture, "God Is My Landlord," to 400 laymen of the Wiscon Council of Churches. Sunday morning at 8:30 and 10 a.m. he will be at the Peace Lutheran church at Oshkosh, Wisconsin, to speak and show the film. At 3 p.m. there will be a city-wide steward rally at the same church, where he will speak and show the film. At 7:30 Sunday evening he will be at the Trinity Lutheran church at Appleton, Wisconsin, to speak and show the film. Monday evening, September 25, he will be the guest at a banquet at the Baptist church in Lakeside, Muskegon, Michigan, where he will speak and again show the film "God Is My Landlord."

PAST MATRONS TO MEET

Miss Greta Jennings Weds Wayne Filter

The Immanuel Lutheran church, north of Blissfield, was the setting of a beautiful wedding Saturday evening at 7:30, when Miss Greta Lou Jennings, daughter of Leland Jennings of Hillman, became the bride of Wayne Curtis Filter, son of Mr. and Mrs. Henry R. Filter of Britton. The Rev. William Weinlander performed the double ring ceremony before the altar, decorated with large hampers of white gladioli and lighted candelabra. The chancel was similarly decorated.

The bride, given in marriage by her brother, Leland Jennings, jr., of Lansing, chose for her wedding a gown of sheer marquisette over taffeta, fashioned with long puff sleeves, pointed collar and full gathered skirt with apron effect of ruffles. A cascade of ruffles also extended down the back and her fingertip veil of imported illusion fell from a headpiece of tulle and seed pearls. She carried a bridal bouquet of white chrysanthemums and carnations.

Miss Eula Meads of Tecumseh, maid of honor, wore a pink organdy gown with a V-neckline and small collar with white lace trim, with matching mitts and head dress. She carried white chrysanthemums. The bridesmaids were the Misses Jo Ann Johnston and Sally Preilipp of Britton. They wore identical organdy gowns of orchid and pale green, respectively. They were fashioned with off-the-shoulder necklines and full skirts with matching mitts and ruffled headdress. Jo Ann carried yellow and Sally carried pink chrysanthemums.

Warren Filter served his brother as best man and the ushers were Gerald Filter, a cousin, and Chet Godzina, brother-in-law of the bridegroom. Connie Godzina, niece of the bridegroom and Linda Jennings, niece of the bride, were flower girls. Connie wore yellow taffeta and carried a basket of yellow chrysanthemums and Linda wore pink taffeta and carried a basket of pink chrysanthemums. Larry Jennings, twin brother of Linda, carried the rings on a lace trimmed satin pillow.

Miss Arlene Weinlander was at the organ and played nuptial music during the ceremony. She also accompanied Marlys and Evelyn Arnold of Tecumseh who sang "Because" preceding the ceremony and "The Lord's Prayer" as the couple knelt before the altar.

A reception was held immediately following the ceremony in the Products Union Hall in Tecumseh for 250 guests. Mrs. Wilma Godzina, sister of the bridegroom, was in charge of the guest book. Mrs. Gerald Filter, Mrs. Margie Decker, sister of the bride, and Miss Alyce Preilipp assisted with the serving. The bride's table was decorated with the traditional three-tiered wedding cake, which was cut by Mrs. Warren Filter. Dancing was enjoyed with music furnished by Mrs. Evert Netcher and daughters, Shirlie and Kathryn, of Onsted and Raymond Mansfield of Dearborn.

The bride graduated from Tecumseh high school in 1950 and is employed at the Ford Motor Company in Manchester. Mr. Fitler graduated from Britton high school in 1947 and is employed at Tecumseh Products Company. After a trip to Niagara Falls they will reside in an apartment at 348½ Chicago St., in Britton.

Friends and relatives were registered from Detroit, Dearborn, Wayne, Lansing, Jackson, Blissfield, Deerfield, Dundee, Inkster, Adrian, Onsted, Britton, Ridgeway and Tecumseh.

BLOUCH STORE SOLD TO TWO LOCAL MEN

It was announced today that Warren Puffer and C. O. Baily, both of Tecumseh, have purchased the Blouch General Store at Holloway, taking possession on Monday. Mr. Puffer has been with the Tecumseh Products Co., for several years, except for five years spent in service, and Mr. Baily is a farmer.

Mr. and Mrs. Baily will live in the Blouch house at Holloway, and Mr. Puffer will continue his residence in Tecumseh. The purchase included the store equipment, building and the house

FELLOWSHIP TO MEET

Senior Westminster Fellowship will meet at the Presbyterian church Sunday evening, September 24, at 6:30 for a pancake supper. The program, to which all members and friends of the group are invited will consist of games, songs, a brief business meeting and closing worship service. Miss Pauline Bagshaw, moderator, urges all members to be present.

Indians Ready

(Continued From Page 1)

Tecumseh will use a combination of the single-wing and T formations on offense, with VanWinkle, Whelan and Breitenwischer doing most of the ball handling and either Hunt or Beasley carrying out the blocking back assignments. VanWinkle will handle kick-offs and do the major portion of the punting while Whelan will take over in the kicking department when necessary. Both are triple threat men and will do a major share of the ball carrying and passing. Breitenwischer will do the signal calling and some passing in addition to his blocking assignments.

Pittsford is reported to be a much improved club this year and will be out to avenge last year's 19-0 drubbing by the Indians.

Below is the probable starting lineup for Tecumseh:

Left End ..... John Sisson
Left Tackle ..... Bob Marsh
Left Guard ..... Ray Jackson
Center ..... Larry Hart
Right Guard ..... David Ousterhout
Right Tackle ..... Don Bailey or Joe Rockwell
Right End ..... Owen Campbell
Quarterback ..... Jim Breitenwischer
Left Half ..... Dick Whelan
Right Half ..... Lynn Hunt or Dick Beasley
Fullback ..... Dave VanWinkle

MUSIC CLUB MEETS

The Tecumseh Music Club met Tuesday evening at the home of Mrs. Lulu Ruthruff and Miss Bess Pulver on North Union street with twelve members and two guests present. Mrs. Ralph Westgate acted as president in the absence of Mrs. Thos. Gallant. A short business meeting was conducted. The balance of the evening was spent practicing on choral music. Refreshments were served by the hostesses.

CROP Meet Here

(Continued from page 1)

mostly cash is to be solicited from local residents, there will be an opportunity for those who wish to give wheat to do so. The money raised will, at the close of the drive, be used to purchase wheat on a basis of approximately $2 per bushel, the wheat to be shipped to the thousands of needy war refugees in European countries. While the government pays the freight on these shipments, they are directly under the control and supervision of the churches of the United States. Last year over 2,500 carloads of grain and basic food items were sent from this country under the CROP program.

Local chairmen and all of the solicitors from this community, including Franklin, Clinton, Ridgeway, Britton, Macon and Raisin townships are to meet next Tuesday evening, September 26, at eight o'clock in the Presbyterian church for an organizational meeting. They will see a showing of the picture "Address Unknown," recently filmed in Europe, which graphically depicts the destitution of countless thousands of refugees. Representatives of the Catholic, Lutheran and Protestant churches will "address the group at this time.

Each church in the Tecumseh area has been asked to furnish solicitors for a house-to-house canvass, the Friends church has named the following: Rev. Edward Escolme, Everett Henson, Bertha Creger, Lena Cox, Mildred Meads, Elizabeth Manley, Mabel Lockwood, Francis Campbell, Betty Hayden, Virginia Gregory, Melvin Muhn, Jenny Phillips and Ardis Drewyor. The names of other solicitors were not available this week and will be printed next week.

VESTRY TO MEET

The vestry of St. Peter's church will meet Thursday at 8 p.m. in the Youth Center. Participation in the October "Go To Church" campaign of Tecumseh churches will be discussed as well as other important matters.

Communism Discussed By Exchange Members

Communism was discussed at an interesting round-table meeting of the Tecumseh Exchange Club, following dinner here, Monday evening. The meeting was in charge of the Rev. D. C. Wilson and Dwight Hodges. Topics considered included: "What is the Communistic Doctrine of World Revolution;" "Can Democracy and Communism Live in the Same World According to Marxism?" "What are Point-by-point Complaints Between Communism and the West?"; "Western World's Responsibility for World Sickness."

The discussion was directed by the Rev. Mr. Wilson, all members of the organization participating. Guests included Hershel King and Frank Clevins of Tecumseh, and Richard Gosse of Canton, O.

Hillsdale Fair Begins Sept. 24

CENTENNIAL EXPOSITION TO OFFER WEEK-LONG PROGRAM OF ATTRACTIONS

The Hillsdale County Centennial Fair will be held September 24-30 inclusive, this being the 100th continuous year of operation. As usual, the opening day, Sunday, September 24, will feature a religious program sponsored by the Hillsdale County Ministerial Association, with an address by R. G. LeTourneau, one of America's outstanding religious laymen.

This year for the first time in the history of the fair a Monday night program will be held in front of the grand stand—no admission charge at the gate. The Beard Growing Contest will be judged immediately followed by "Review of the Century," grand stand performance. This review will be staged each night of the fair.

Tuesday will be Free School Children's Day with a special feature at 7:30 p.m.—an elaborate public wedding depicting the costumes and customs of one hundred years ago.

Wednesday has been designated at "Hillsdale County City Mayors' and Village Presidents' Day," featuring a parade of bands and floats in front of the grand stand following the evening performance.

Thursday is "Governor's Day" and "Everybody's Homecoming Day."

Fair visitors Friday will witness a caravan of antique automobiles with models as early as 1900, all operated under their own power.

Saturday as usual will be free Soldiers' and Sailors' Day, and at 7:00 p.m. the Hillsdale County Fair Centennial Queen will be chosen.

Special attention this year has been given to the 4-H Club exhibits and classes have also been added for the Future Farmers of America. Horses for the races have been entered from more than a half dozen states, and three races a day will be held Tuesday through Saturday. The world's champion horse pulling contests will take place Tuesday and Wednesday. High school bands will be in attendance every day for your enjoyment. The Woman's Congress programs promise to be the best ever held since the inception of this organization 54 years ago. Through the cooperation of Dr. Merle R. French and the County Health Department the grounds and buildings have all been sprayed with DDT.

HUDSON MAN FOUND DEAD

Russell K. Ulrich, 44, proprietor of the Hudson Recreation and operator of a boat livery business at Manitou Beach, was found dead about 1:30 a.m., a week ago Monday from carbon monoxide poisoning. Coroner Elmer Hagaman of Hillsdale was called when the body was discovered in the automobile parked in the garage at the Ulrich residence near Waldron. Mr. Hagaman ruled Mr. Ulrich's death a suicide.

TO ABANDON RAILROAD

The Interstate Commerce Commission has authorized the Ohio and Moreinci Railroad to abandon its line. According to the Commission's ruling, the railroad must offer the line or any portion of the line for sale to any responsible person wishing to buy it for operating railroad service. The order of the I. C. C. will become effective 40 days from September 7, if no one has purchased the railroad. At that time the company may legally start abandonment procedures.

SCHOOL HOUR CHANGED

The Saturday School which started last Saturday at the Lutheran church has been changed from 9:30 a.m. to 1:30 p.m. The Southeastern Michigan Conference was held Monday and Tuesday in Cio, which Rev. Discharged September 18 was Harley Washburn of Tecumseh.

Discharged September 19 were Mrs. Otto Meier of Tecumseh, Mrs. Miles Crockett of Clinton, and Mrs. John Meyers of Tecumseh.

Miss Marie Brodock Weds Forest Wiechner

Miss Marie Brodock of Britton, daughter of Mrs. Bertha Brodock of Somerset Center and Forest Welchner of Britton, were married September 15, at 7 p.m., at the home of her mother in Somerset Center. The double ring ceremony was performed by Rev. Devay of the Methodist church in presence of immediate relatives and friends. They were attended by Mr. and Mrs. Harold Miller of Jerome. The bride wore a gray suit with blue accessories and her corsage was of white chrysanthemums centered with rubrum lillies. Dinner was served at the Oslo Inn, at Bundy Hill, for the wedding party. They returned to their home Sunday evening in Britton.

Homecoming Day To Be Observed By Methodists

Homecoming Day will be observed at the Methodist church, Sunday. In the morning, Rally Day will be observed with a combined service when members of the church school will participate in the program. Promotions will take place at that time. Church school will convene at 10:30 a.m., with regular worship at 11 o'clock.

Sunday evening, the Methodist church will be the scene of an unusual party for the families of the church when the Woman's Society of Christian Service will entertain in behalf of Dr. and Mrs. Norman MacNaughton who will begin their eighth year with the church. This party is for the older people of the community. Anyone admitting that he or she is 70 years of age or older will be a guest, and 50 years of age or older will be special guests.

The swimming season reminds us to remind everybody to be careful in the water.

Customers' Corner

The men and women in your A&P meat department are skilled employees who know their trade.

They are proud . . . and so are we . . . of their reputation for good meat and good service.

That is why they always want to be sure that:

1. You get *exactly* the cut you want.
2. Your meat is trimmed *before* weighing.
3. You get full weight and are charged the correct price.
4. Your purchase is properly wrapped.

You will be doing our employees a favor if you will let them and us know any time our meat or service does not live up to our high quality standards.

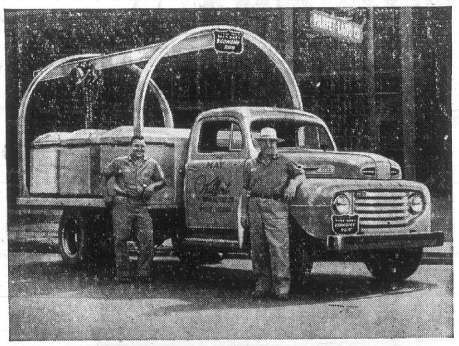
Nationwide Proving Ground Demonstrates FAMED ECONOMY of FORD TRUCKS



Port Huron, Mich. Both driver and owner stand beside the Ford F-5 Platform job of the Wilbert Burial Vaults Company. Ford's Economy Run is covering every truck-using occupation!

Gigantic Ford Economy Run shows what Ford Truck owners have known all along—Ford operation is amazingly thrifty.

Every model of the famous Ford Truck line is entered in Ford's gigantic, 48-state Economy Run. Every type of job and occupation all across the nation is represented.

All four of Ford's great truck engines—the 95-h.p. and the 110-h.p. Sixes, the 100-h.p. and 145-h.p. V-8's—are now demonstrating what most truck owners have found out for fact—a Ford Truck engine uses *less* gas to give you the power you need for your job.

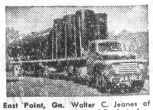
On-the-Job Proof! This amazing Economy Run started July 1 and will run to December 31, 1950. Thousands of Ford Truck owners are keeping authentic day-to-day records of gas and oil consumption, of repairs and maintenance—of miles travelled, of loads hauled. The result—the most comprehensive demonstration of operating economy in truck history.

Get in on that money-saving Ford Truck economy now! Your Ford Dealer will show you how a Ford Truck will save money on *your* job. See him today!

Des Moines, Ia. Carl Nisly, Superior Oil Co., states that these Ford F-8 tank-trailer Big Jobs average six miles per gallon under heavy load. No repair expenses since they were bought!

Houston, Tex. Russell R. Brient of Nursery Service Co. has used Ford Trucks since 1920. This is one of his F-5 Dumps. He says he's found them more economical than any other truck in their price field.

Alexandria, Va. The Metal Distributing Co., Inc., of Alexandria, places this Ford F-7 in Ford's nationwide Economy Run. Records of its daily operation will demonstrate Ford Truck economy in this industry, too.



East Point, Ga. Walter C. Jeanes of Armco Drainage and Metal Products, Inc., in his Ford F-8 Tractor-Trailer. He states he's more than willing to show his Ford's economy!

Hyattsville, Md. Ernest Maier, Inc., pauses midway in a hauling job to show their fine, economy-minded Ford F-5 under load. The records kept will prove the economy of this Ford model.

Cincinnati, O. This Ford F-6 Dump is entered by the Randy Construction Company to dramatically record Ford Truck economy in the construction business, too!

Houston, Tex. A. L. O'Quinn of Magnolia Service has entered his Ford F-7 Pickup in the Economy Run, too. He says it's in a class by itself for day and night dependability and economy.

EVERY FORD TRUCK IN THE GIGANTIC ECONOMY RUN CARRIES THIS SIGN—

Look for this black and orange sign on every Ford Truck in the Economy Run. Ask the driver about the economy of his Ford Truck.

Ford Trucking Costs Less AND FORD TRUCKS LAST LONGER!

Using latest registration data on 6,592,000 trucks, life insurance experts prove Ford Trucks last longer!

LUTHERANS PLAN FOR SATURDAY SCHOOL

The Grace Lutheran Church has completed plans for a Saturday school which began Saturday, September 16, for children of the church who are six years or older within school age. The classes will be held Saturday mornings from 9:30 until 11:30 a.m. The children will receive instructions in christian doctrine, Bible history, singing and other useful subjects. Preconfirmation instruction classes also began last Saturday morning at 9:30.

LUNCHEON POSTPONED

Eighteen women gathered at the Tecumseh Country Club for the 1 o'clock luncheon last week Wednesday. Fall flowers were used for the decorations and canasta and bridge were the diversion with honors awarded to Mrs. C. H. Giltner, Mrs. C. O. Butler and Mrs. R. G. Fuller. Mrs. Ned Baldwin and Mrs. D. D. Walper were the hostesses. The September 20 luncheon has been postponed.

Time And Progress
Are Companions Here ...

The fact that the Hayden Flour Mills has been serving Southern Michigan for many years would mean little if it were not also true that we have been progressing all this time. Our functions and usefulness have also increased.

Where once we simply aimed to save on milling costs, we now render valuable aid to our patrons by increasing their profits. The productivity of many farms has increased because of our improved and varied products. Naturally, those we serve benefit by this progress.

Yuh Say Yur Hoofs Git sore Trampin 'Round At The Fair?

Wa'al, Why Don'tyu Kum In An Rest At Our Hoss-Stabul Tent?

No need, this year, fur folk from Tecumseh area or frum any other spot in the Univers to get hoof-weary and fagged-out at the Kounty Fair at Adrian, his week.

And here's the reasin. We've got a hoss-stabul tent on the Fair Grounds with chairs an kars and plenty of peepul to gab with yuh. Yuh kan kum in an rest as long as yuh like, or yuh kan tell yur friends what time to meet'u at our stabul, and yur always welkum.

Incidently, if yuh ain't too tired yuh kan look at some o'the Fords-fur-50, and learn, first hand, why Henry's new buggys fast-be comin Amerika's most populir kar.

But the big point is — kum in when yur tired, relax and feel at home. Yuh kan be komfortible, and yur welcum. That's our treat fur our friends who kall on us at the Kounty Fair.

NINETY-NINTH YEAR—NUMBER FIFTY-TWO | TECUMSEH, MICHIGAN, SEPTEMBER 28, 1950 | FIVE CENTS A COPY

Plans Progressing For Band Festival

"THE TREATY WITH THE INDIANS" TECUMSEH HIGH THEME

The Tecumseh High School Band, under the direction of Clare Camburn, will play a traditional role in the pageant, "This Is America," on October 13. "The Treaty with the Indians" is the theme that the various band masters thought most appropriate for Tecumseh as they prepare for the fourth annual band festival to be held at Recreation Field.

Mr. Camburn, who is in general charge of the musical developments, has made this year's festival one with a general theme with each of the participating bands taking an episode in the continuity. The title, "This Is America," was adopted as being particularly significant for 1950.

A dozen bands, numbering nearly 600 musicians, are now at work developing their particular episodes. In addition to the Indian theme assigned to Tecumseh, other bands will take such episodes as Francis Scott Keye, The Landing of the Pilgrims, the Thanksgiving Proclamation, the Declaration of Independence, plantation scenes, the Forty-Niners, the Civil War, the Gay Nineties, the machine age, the modern age, and World Wars I and II. The climax will be the formation of a huge Liberty Bell by all the bands as they play a massed band selection.

Other schools and directors are: Addison, John Huffman; Clinton, Richard Wagner; Blissfield, Gilbert Blanks; Brooklyn, H. L. Rowland; Hudson and Morenci, Raymond Westgate; Sand Creek, Helen Beck; Metamora and Lyons, Ohio, Jack Phillips; Petersburg, Paul Wallace; and Adrian, Al Bohms.

Mrs. Jesse Irene Marsh, Former Resident, Dead

Private funeral services were held Tuesday for Mrs. Jesse Irene Marsh, 79 years of age, who passed away at 3:15 a.m., Sunday. She was the wife of the late Rev. H. J. B. Marsh, formerly of Tecumseh. Mrs. Marsh was born July 29, 1871 in Welland, Ontario. She is survived by one daughter, Irene Osgood of Pleasant Ridge, Michigan, and a son, Dr. R. G. B. Marsh of Tecumseh; also four grandchildren. Services were held Tuesday morning at 11:00 o'clock at the Collins Funeral Home with Rev. B. O. Bashore officiating. Burial was in Brookside cemetery.

Rev. Marsh was pastor of the Tecumseh Methodist church for six years, and a member of the Detroit Conference for 41 years, and both were well known here.

Mental Hygiene Series Starts Next Wednesday

Dr. Norman MacNaughton will start his series of discussions on Mental Hygiene which is the study of ways to keep well mentally, on Wednesday evening, October 4th, in the Methodist church at 7:30 o'clock. His topics over a period of weeks will be Personality Development, Emotional Instability, Anxieties Neuroses, Elimination of Fear and many others. The Semper Fidelis group of the Methodist church are sponsoring these discussions and extend a cordial invitation to anyone in the community who is interested in this subject to attend. Dr. MacNaughton feels that there is much help for us through this course of study. There will be no charge for these discussions. The knowledge is good for all ages.

FIRST ANNUAL PRESIDENTS' DAY AT COUNTRY CLUB

The First Annual Presidents' Day program at the Tecumseh Country Club was very largely attended last Saturday with 112 tickets being sold for the luncheon and dinner in the evening. The club is making this event an annual affair. The following is a list of the award winners in golf: Low gross, Jake Fassezke, 69, and George McCombs, 69, Walter Warden, 68; High gross, Kenneth Herrick, 158; high score on No. 7, Ernie Kerue, 12; low score on No. 3, Ralph Comfort, 3; birdie on No. 6, Gale Hooton; oldest golfer, Judge Rathbun, age 66; lowest number of putts, Frank Purcell and Ollie Musch, 28; highest number of putts, George Comfort; president, Robert H. Moore II, a nylon golf bag; winner of set of golf clubs, Frank Rice; door prize winners, Charles Butler. There were several other prizes, but we were unable to get the names at this time.

Indians Win From Pittsford Eleven

BLOCKED PUNT PAVES WAY FOR 7-0 VICTORY — MORENCI HERE FRIDAY

A blocked punt by Dave Van Winkle which was recovered by John Sisson on Pittsfords' 25-yard line midway in the second quarter paved the way for the only score in the Indian's 7-0 win over Pittsford Thursday night in their opening game of the LCAA race. The game was played under the lights at Hudson. Owen Campbell took a 22-yard pass from Dick Whelan on the 3-yard marker and carried two tacklers across the goal line with him for the only touchdown of the game.

Tecumseh threatened three other times during the game, losing the ball twice inside the 20-yard line on downs and the last time the final whistle found the Indians on Pittsford's six-yard marker and going strong. Pittsford failed to come up with a serious scoring threat.

Playing in a sea of mud and water, both teams were handicapped by a wet ball and slippery footing, making anything but straight football almost impossible. Frequent penalties and fumbles on the part of both teams nullified several long gains and helped to hold down the scoring. Eleven fumbles marred the play, Tecumseh making six of them.

Tecumseh high gets a real test Friday night when they meet the highly touted Morenci eleven, last year's county champions, at Recreation Center under the lights. The Bulldogs looked impressive in their 19-6 win over Clinton a week ago and the Indians seem to be due for a full evening. Morenci won from Tecumseh last year, 56-0.

Businessmen Reminded To Preserve Records

Tecumseh business men were reminded today by the Chamber of Commerce that President Truman has signed Executive Order No. 10161 for the preservation of business records in case it is decided later to impose economic controls.

The order requires among other things that every person who sold or delivered goods or services, or offered them for sale or delivery, in the course of trade or business, during the peroid from May 24, 1950, to June 24, 1950 inclusive, shall preserve all his records for such period relating to:

(a) The prices received or asked for such goods or services; and

(b) The labor, material, acquisition, and other costs incurred in connection with such goods or services.

The order does hot apply to wages or salary of individuals; sales of agricultural products by producer; prices or rentals of real property; rates or fees for professional services; prices for material furnished for publication by any press association or books, magazines, motion pictures, periodicals, newspapers, etc.; or any person operating a newspaper, radio broadcasting or television station, motion picture or other theatre enterprise or outdoor advertising; or rates charged for insurance, common carriers or other public utility.

A copy of the Executive Order is on file at the Chamber of Commerce office.

80TH BIRTHDAY CELEBRATED

Mr. and Mrs. Thomas O'Hara entertained at a dinner in their home on West Pottawatamie street Sunday, for her mother, Mrs. William Brooks, who celebrated her 80th birthday anniversary. The guests were Mrs. Effie McFadden of Jackson, Mrs. Lydia Marsh and daughter of Toledo, Mr. and Mrs. Harold Boyce and Mrs. Minnie Boyce of Monroe, Mr. and Mrs. Jack Williams, Mr. and Mrs. Ted Brooks and children, and Mr. Brooks of Tecumseh. Mrs. Brooks received many lovely gifts from the group.

Quaker Oats Co. Tells Of Earnings

SHOW NET INCREASE OF 22.4 PERCENT OVER THE PREVIOUS YEAR

Net earnings of the Quaker Oats Company for the fiscal year ended June 30, 1950 increased 22.4 percent over the comparable period of the previous year while dollar sales declined six percent in the same period, John Stuart chair, man of the board, told stockholders last Friday in the annual report.

Quaker's net income for the fiscal year ended June 30, 1950 was $10,007,518, compared with $8,173,-642 for the twelve months of the previous fiscal year. Dollar sales during the business year ended June 30, 1950 totaled $193,998,153, down $13,039,330 from the total of $207,037,483 in the like period ended June 30, 1949.

In explaining further the sales and profit picture, Mr. Stuart said that the decrease in dollar sales

MISS CAROLINE AUSTIN ADDRESSES ROTARY CLUB

Miss Caroline Austin of the state health department gave a brief talk on the vision testing program now being conducted in Lenawee county's schools, as part of the program following the dinner honoring Perry Hayden and the anniversary of the planting of his Dynamic Kernels. During the dinner Mr. Hayden was presented with a large birthday cake which he cut and which was served.

A number of out of town guests were present, and telegrams from Gov. Williams and W. G. Armstrong, Master of the Michigan State Grange, were read.

FATHER DIES

Mrs. Wade L. Jones received word last Friday evening of the sudden death of her father, John R. Shaw, of Detroit. Funeral services were held Monday morning at 8:30 at the Ted. C. Sullivan Funeral Home, West Nichols Road, and at the Gesu Church at 9 a.m.

Mrs. Harold Craig Of Britton Dies Suddenly

Funeral services for Leah A. Craig, wife of Harold Craig of R.F.D. Britton, who died suddenly at 6:15 a.m. Friday in the Herrick Memorial Hospital, was held Sunday at 2:30 p.m. in the Niblack Funeral Home in Britton, with Rev. Elwyn Stringer, assisted by Rev. E. O. Davis, officiating.

She is survived by her husband, seven daughters, Janice Porterfield of Britton, Geraldine Kemp of Britton, Isabelle Montry of Deerfield, Virginia, Catherine and Phyllis at home, Dorothy Waldren of Deerfield, and a son Oliver, at home; two sisters, Mrs. Muriel Jacobs of Ypsilanti, and Mrs. Thelma Quinn of Long Island, N. Y., and three grandchildren. Mrs. Craig was preceded in death by three sons, Dale, Charles and an infant and a sister, Helen Palmer.

The bearers were John, Jessie, George and Earl Olds, Lawrence Hoagland, and Charles Patterson. Friends and relatives were registered from Detroit, Ypsilanti, Willow Run, Waltz, Carleton, Ann Arbor, Hudson, Wayne, Dundee, Monroe, Wyandotte, Brooklyn, Addison, Cone, Milan, Jackson, Blissfield, Deerfield, Clinton, Tecumseh, Ridgeway, Azalia, Wamplers Lake, Trenton, N. J., and Toledo, Ohio. Burial was in the Ridgeway cemetery.

WILLIAM J. BRUCE ON VISIT TO ENGLAND

William J. Bruce, president of the Bruce Foundry of Tecumseh and Kenton, Ohio, left Willow Run Monday for Harrington, Cumberland, England, for a reunion with his father, John Bruce, his sister, Mrs. Matt Taylor, and his brother, Lowery. The meeting with his younger brother will be the first in 27 years as he was in Egypt when Mr. Bruce visited England in 1933.

Mr. Bruce will transact business in Havana, Cuba, and the Isle of Pines and will spend some time in Lisbon, Portugal, Madrid, Spain, Paris, France and London, returning home from Prestwick Airport at Glasgow, Scotland.

Another Reckless Driver Sentenced To Jail Term

Arthur D. D'Agostina of Brooklyn, N. Y., who was arrested Sept. 23 on US-112 by Michigan State Police, was sentenced in Justice Robert French's court to pay $53.60 fine and costs and to serve five days in the county jail. In the event the fine and costs are not paid, Mr. D'Agostina will serve 20 days in jail.

Others sentenced in Justice French's court the past week are Lyle Dermyer of Adrian, $6.10 fine and costs; Walter Korossy, Detroit, $8.10; Bernard Fick, Petersburg, $8.10; and Karl E. Eklund, Detroit, $8.30, all for speeding. Mr. Fick was also fined $5.10 for a stop sign violation. George Hills of Adrian paid $4.10 fine and costs for not having his operator's license on his person.

Watch Officer On Deck

Lieutenant Richard W. Williamson, USN, son of Mr. and Mrs. Leon P. Williamson, of Tecumseh, stands as watch officer on the deck of a U. S. Navy attack transport operating in the Far Eastern area. This ship took part in the amphibious landing of the U. S. First Cavalry Division at Pohang-dong in Korea.—(Official U. S. Navy photograph)

Among former Tecumseh residents who are serving with the United Nations forces in the Far Eastern war theater is Lieut. Richard W. Williamson, son of Mr. and Mrs. Leon P. Williamson of this village. Richard, who is 37 years old, has spent 13 years in the navy and now is serving aboard the USS Cavalier. Since his tour of duty with the navy in World War II when he was stationed aboard the battleship Colorado, he has been assigned to the naval offices in the Pentagon building in Washington, D. C. In June of this year Lieut. Williamson was ordered to Japan to train amphibious troops. Richard is married and has a son six years of age, who with Mrs. Williamson lives in San Diego, Calif.

Another son of the Williamson's is also serving in the armed forces. Leon, who is 35, is a Major in the Marine Air Corps. He entered the service in 1938, later graduating from the Naval Air Academy at Pensacola, Fla. Major Williamson was stationed in Hawaii when the Japanese attacked Pearl Harbor, and later was awarded the Navy Cross for sinking an aircraft carrier in the Battle of Midway. After the war he retired to the Marine Air Corps Reserve and served as commanding officer at the air base at Oakland, Calif. Last July he was recalled to active duty and is now attending officers' training school at El Toro, Calif. Major Williamson, with his wife and daughter, live at nearby Altadena.

NEW MEMBER ADDED TO TECUMSEH SCHOOL FACULTY

A record enrollment of 87 pupils in the eighth grade has made it necessary for the Tecumseh board of education to add still another member to the school faculty. George Tatar of Detroit, a graduate of the University of Michigan with a B. S. degree, has been retained to fill the position and has been assigned the third section of the class. Mr. Tatar and his family moved to Tecumseh recently from Hartland where he had been teaching in the schools there.

VERDICT REVERSED

Mrs. Margaret Karle of Evans Lake was found not guilty on a drunk driving count in circuit court last Wednesday. A circuit court jury deliberated two hours and 45 minutes before reversing a justice court jury verdict of September 6. Mrs. Karle was convicted of the charge September 6 in justice court here. She appealed the verdict to circuit court before sentence was passed. She was charged with the offense on July 23.

"Dynamic Kernels Day" Proclaimed

10TH ANNIVERSARY OF FIRST PLANTING OBSERVED WITH CEREMONY HERE TUESDAY

September 26 has been officially proclaimed "Dynamic Kernels Day" by Tecumseh's Mayor Elliott in honor of the planting of Perry Hayden's Dynamic Kernels on that date in 1940 to teach the Biblical lesson of tithing. Mr. Elliott's proclamation came as part of the program celebrating the tenth anniversary of the planting.

Under the chairmanship of Rev. Bill Voorhies, of Flint, Michigan, an evangelist who learned of the famous Dynamic Kernels project through the film "God Is My Landlord," the Tecumseh Rotary Club and the Chamber of Commerce Tuesday honored Mr. Hayden.

Another cubic inch of wheat, donated Mrs. C. D. Finkbeiner of Saline, Michigan, whose husband gave the first cubic inch of wheat in 1940, was planted by twelve men on a tiny plot of ground just east of the Ford Hayden Mill on M-50 at the eastern edge of the village of Tecumseh. While the high school band played appropriate numbers, an outdoor bulletin board, donated by Rev. Voorhels, bearing these words: "The World's Smallest Wheatfield—Birthplace of Dynamic Kernels Tithing Demonstration," was unveiled.

At the planting ceremony, Edward Escolme, pastor of the Tecumseh Friends Church, offered prayer. Then 30 kernels of wheat were each planted in a row by the following persons: Merrill C. Meigs, and "Chick" Evans, who flew here from Chicago, Charles Figy, Commissioner of Agriculture; Louis Hall, County Agricultural Agent; Rev. Bill Voorhels, Flint; Raymond Jeffreys, Columbus, Ohio; Dr. Samuel Harrison, president of Adrian College; L. W. Larsen, president of Tecumseh Rotary Club; Dr. Byron Osborne, vice president, Cleveland Bible College; Edgar Clark, manager Ford Farms; L. C. House of St. Louis, Michigan; and Ronald Harris, Secretary of the Tecumseh Chamber of Commerce.

Ralph Comfort, who filmed the planting in 1940, was on hand to take movies.

One of the most significant events in connection with the anniversary of the tithing demonstration was the fact that eight of the twelve boys who assisted in planting the original cubic inch of wheat ten years ago, were present to see the film "God Is My Landlord," shown at the American Legion hall in the evening as part of a program following the Rotary dinner, given under the direction of L. W. Larsen, its president.

Out of town guests who attended the banquet and spoke briefly, were: Dr. Byron Osborne, of Celveland; Bruce Bradley, of Chatham, Ontario; Raymond Jeffreys, Columbus, Ohio; L. C. House, St. Louis, Mich.; Floyd Jacobs, Manchester; Mrs. C. D. Finkbelner, Saline; Charles Figy, Morenci; Dev. Don Jones, and Rev. William Voorhels, Gary Johnson, of Flint; Dr. Samuel Harrison, Adrian; Edgar Clark, Macon; Roy Decker, East Lansing.

100 Years of Continuous Service

With this issue of The Tecumseh Herald, Lenawee county's oldest newspaper completes 100 years of continuous publication. Next week, The Herald's masthead will read, Volume 100, Number 1.

The Herald, according to the Western Historical Association's Memoirs of Lenawee County, is, in all probability, the second if not the first newspaper established in the county. Recorded history on this point is not clear. History says that the first newspaper to be founded in Tecumseh was "The Tecumseh Democrat," established in 1834 or 1835 by Beriah Brown. At that early date it was a strong advocate of Tecumseh in the struggle for the location of the county seat—whether it would be in this village or in Adrian. Adrian, at that time, was a straggling village of about 200 people, but in October of 1834 a newspaper, "The Lenawee County Republican" was established there by R. W. Ingals. Whether the Republican was published prior to the Democrat, no one knows, because history on the subject is not clear, there being no given date for the Democrat's first date of publication.

The Democrat's first press was a Ramage, similar to the one used by Benjamin Franklin, and the ink was laid on the type by old-fashioned "hand balls." The newspaper continued publication, under distressing conditions, until about 1844 when it again changed hands and, according to historians, "was published for three or four years" and finally the equipment was sold and conveyed to parts unknown.

Again, history is not clear on the subject but it appears likely that The Herald took up the job of publishing a newspaper in Tecumseh where the Democrat left off. Printed history (Western Historical Association) established the date of the first publication of The Herald as October 1, 1850, and that is the date that has been carried in the newspaper's masthead for scores of years. However, again there appears to be a conflict in dates. Volume 1, Number 1 of The Herald, on file at the public library here, establishes the date as October 31, 1850. It is presumed that The Herald published two or three issues prior to the time that the number appeared in the masthead, and that subsequent publishers corrected the date to conform with the date in history—or October 1.

The Herald was founded by James H. Perry, an Englishman by birth and a practical printer. It changed hands many times, particularly in its early years, until about 1874 when S. C. Stacy, who was in a law partnership here with his father, C. A. Stacy, purchased the business. He later bought the Addison Courier and in 1887 the Britton Eagle. Mr. Stacy, according to historians, "wielded a ready pen. was an enthusiastic lover of his profession, and was recognized by his brethren of the craft as one of the leading journalists of Southern Michigan."

The Herald remained the property of the Stacy family until the early 1900's. Its ownership then changed two or three times prior to 1929 when it was purchased by the present publisher.

It is not difficult, even today, to understand some of the problems that must have faced publishers of 1850 and even before. To the average laymen, the publication of a newspaper then or now, it seems, is only a matter of routine. It arrives daily or weekly, as the case may be, it is seldom if ever tardy, and always it records the history of the community, the state and the nation. It brings to its readers a wealth of information, news and advertising, that would be next to impossible for an individual to assemble, and for only a few pennies in cost. Even in this modern age of television and radio, the newspaper still remains the miracle medium of communication.

The Herald, as it enters its 101st year of publication, looks back upon a century of service to this community by present and former publishers. To have survived economic storms, wars and other problems of earlier days surely bespeaks capable management, careful editorial and news policies, and the fulfillment of the newspaper's rightful place in the business, economic and social life of the village and its trading area.

As publishers, we are proud to have attained the century mark in business. We are proud to know that The Herald has played its part in making Tecumseh the second largest community in the county, and the fastest growing community in the county in the past decade.

And with the thought of service paramount in our minds, we turn our faces to a new century in the newspaper business.

LEGAL NOTICE

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for said County.

CUB SCOUTS TO MEET

The first Cub Scout Pack meeting will be held Monday evening at 7:30 in the Baptist church. This will be inspection night and E. C. Dickerson, a Scout Commissioner, from Adrian, will conduct the inspection. The Cubs are asked to wear their uniforms all spick and span. The theme of the meeting will be "Victory Roundup."

All new boys are to be inducted and are to wear cowboy accessories, but not any guns. Any parent of a Cub Scout who has a uniform in good condition and wishes to sell it, may call Mrs. Cecil Fielder, 161-R, before the pack meeting.

All the Cubs are starting their den meetings this week.

Customers Who Are Planning
GAS FOR HOUSE HEATING

Customers will have 30 days to make application for space heating after gas becomes available in Tecumseh.

Gas Heating restrictions granted by the Michigan Public Service Commission authorizes the Company to restrict the sale and delivery of natural gas in all house-heating or other space heating installations that do not have approved in writing an application for space heating service *received within thirty (30) days after gas is first made available.*

The order shall remain in effect until further order of the Commission. We urge you not to wait if you are thinking of gas for house-heating as no commitments can be made for next summer or the following summer.

Service applications for cooking and water heating will still be accepted beyond the 30-day period.

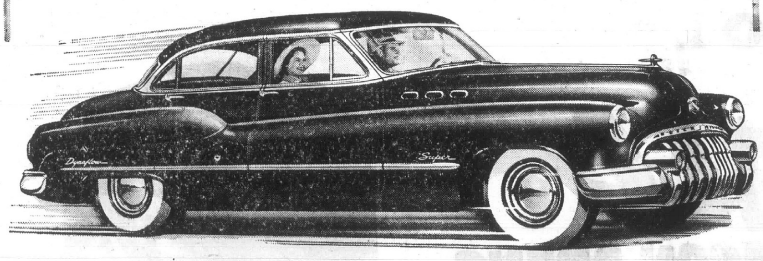
Lenawee Homemakers To Study Inheritance Law

How will your estate be divided in case you die. Are you sure your proterty will pass on to your heirs after your death according to your wishes? We are all prone to put off taking care of our affairs, thinking we have years of time ahead. The homemakers of Lenawee county realize that the future security of their families depends on how the family estate will be administered in case of the death of the bread-winner.

Leaders of the Home Economics Extension groups in Lenawee county will attend a training meeting on the lesson "Descent and Distribution of Proneriy, and Will" which will be held Tuesday, September 26, at the Project Building, Adrian Fairgrounds. Mrs. Lucile Ketchum, extension specialist in home management, Michigan State College, East Lansing, will be in charge of the leader training meeting. The leaders will give the lesson at their local Extension group meetings within the next few weeks.

The aim of this lesson is to help those who are accumulating estates, or who have accumulated an estate, put their affairs in order so that in the event of death their estate will be administered according to their wishes and for the greatest benefit of all concerned.

Looking for honest-to-goodness COMFORT?



Better Buy Buick!

YOU'VE probably heard a lot of talk about comfort in 1950 cars.

But we'd like to offer one suggestion, which is—*let a Buick speak for itself.*

We'd like to have you settle yourself (your family too, if you have one) on a Buick's soft, deep, comfort-angled cushions, and see how restful they are.

More than this, we'd like you to sample that comfort *in motion.* Slip your fingers around that slender steering wheel, touch toe-to treadle and take off in the smooth, unbroken surge of power that Dynaflow Drive* delivers.

We'd like to have you hunt out some of the less-smooth streets or back roads that never seem to get fixed—and put Buick's soft coil springing and solid underpinning to tough and practical test.

All the while, be thinking about what such riding and driving ease can mean on long, all-day trips, and compare it with what you've been used to.

This whole experience is bound to make you want a Buick—and when you ask "how much" you'll get a second pleasant surprise in the low delivered prices your dealer is quoting—prices that start at a level that is actually lower than you'd pay for some sixes.

Your Buick dealer is the man to see and this is the best of all times to see him. Drop in, won't you, to see about getting an order signed?

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

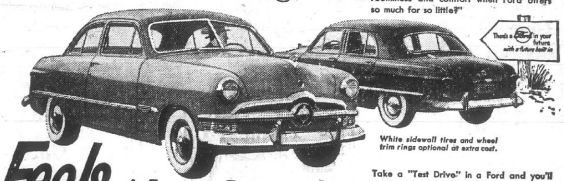
Looks like a big car

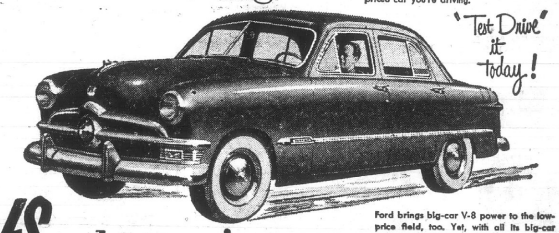
One ride on Ford's Sofa-Wide seats (offering top hip and shoulder room in Ford's field) and you'll ask: "Why pay more for roominess and comfort when Ford offers so much for so little?"



White sidewall tires and wheel trim rings optional at extra cost.

Feels like a big car

Take a "Test Drive" in a Ford and you'll discover the fine car "Feel" of cars that cost hundreds of dollars more. You'll have to keep reminding yourself that this is a low-priced car you're driving.



"Test Drive" it Today!

IS a big car!

[IN EVERYTHING BUT COST]

Ford brings big-car V-8 power to the low-price field, too. Yet, with all its big-car features, Ford is low in first cost, low in upkeep, high in resale value.

for the year was "chiefly because of lower selling prices."

"Our total volume was approximately the same as last year. Losses on feed tonnage were offset by increased volume on chemicals and Ken-L-Products," he added.

Mr. Stuart reported to stockholders that Quaker's net additions to property, plant and equipment after depreciation reserve amounted to $2,276,653 for the year. These included rehabilitation of power facilities and the flour mill at Peterborough, Canada; a new bakery at the Ken-L-Products plant at Rockford, Illinois; further modernization of the company's country grain elevators; and the preparation of the new general offices in the Merchandise Mart in Chicago.

Continued high costs of replacement and construction require an increasing use of funds for maintaining plants and for meeting the needs of the normal growth of the business, the Quaker board chairman reported.

During the fiscal year, Quaker's mechanical research department at Akron made considerable progress on new processes for handling grain. These eventually should result in better products and lower costs, Mr. Stuart said.

Friendship Night Held By Order of Eastern Star

Friendship Night was observed last Thursday evening by Tecumseh chapter, Order of the Eastern Star, with a large number of visitors present from the Lenawee-Monroe Association. An officer from each chapter was chosen to occupy the chair for the initiation of Mr. and Mrs. Russell Collins. Those serving were: worthy matrons, Bubye Maupin of Monroe and Delora Paine of Morenci; worthy patrons, Fred Law of Blissfield, and Leslie Denham of Monroe; associate matron, Ruth Goodsell of Hudson; associate patron, Frank Morse of Fairfield; conductress, not recorded; associate conductress, Hazel Shinkle of Samaria; secretary, Agnes Harris of Tecumseh; treasurer, Macy Beach of Tecumseh; chaplain, Dorothy Acland of Morenci; marshal, Francis Lapham of Onsted; organist, Hazel Dickinson of Tecumseh; Adah, Marian Williams of Fairfield; Ruth, Arthea Maloney, Palmyra; Esther, Evelyn Harrison, Clinton; Martha, Roberta Boydston of Onsted; Electa, Grace Sharp of Dundee; warder, Nellie Teal of Deerfield, and sentinel, Garfield Smith of Clinton.

F. C. Dickinson sang two solos, "An Irish Lullaby" and "The End of a Perfect Day." Each officer presented the guest officer with a gift. Mrs. Edward Leighton and her committee served refreshments.

CHARLES FIGY TO SPEAK AT GRANGE BOOSTER NIGHT

Booster Night will be held tonight at the Tecumseh Grange, with a 7:30 supper. Members are to bring chicken and a dish to pass. The committee in charge of the supper is Mr. and Mrs. Walter Bales, Mrs. Jennie Younglove, Mr. and Mrs. Roscoe Hewlett, Mr. and Mrs. Michael Papps, Mr. and Mrs. Charles Bigelow, Mr. and Mrs. Lee Taylor and Mr. and Mrs. Howard Rhora. This is an open meeting, and Charles Figy, State Agriculture Director, will be the speaker. A hospital technician expects to be present for the blood typing which is one of the projects of the Tecumseh Grange.

TEMPLE CIRCLE MEETS

The Temple Dependable Circle of the Methodist church held their regular meeting last Wednesday afternoon with eight members and two visitors present. The regular business was conducted and they decided to order more face and dish cloths, also to have a rummage sale in November, the date to be named later. Program was a reading by Mrs. Gertrude Pangle, and a quiz given by Mrs. Carl Burch, "Outsmart the Cat." The next meeting will be the 20th of October because of the church bazaar on the regular meeting date.

COMMITTEE CHANGED

Changes in the committee for the Country Club Dance to be held Saturday night have been announced by the chairman. It will be composed of Mr. and Mrs. Charles O'Neill, chairman, and Mr. and Mrs. Ralph Helzerman of Tecumseh, Mr. and Mrs. T. B. Nilsen and Mr. and Mrs. Paul Dunham of Clinton. For reservations call 10-M or 185-R-2.

TO HOLD RUMMAGE SALE

The Baptist Junior League is sponsoring a rummage sale, October 5-6 at Weatherman's garage and would like to have all clothing brought to the Baptist church not later than Tuesday afternoon. Mrs. Alvin Honeycutt is general chairman.

INDIAN ACRES PLAY SCHOOL TO BE OPENED OCT. 3

The Indian Acres play school will open October 3, from 8:45 to 11:45, Tuesday, Wednesday and Thursday, a.m., conducted by Mrs. Garth Hall at her home on North Union Street. Active activities from 9 - 11:30. The extended time allowance is for the parents to take their children to school. Many new items for pre-school children have been added to the equipment of the play room. There are a limited number of openings. For further information, call Mrs. Hall.

Business And Professional Woman's Club Meets

The Business and Professional Woman's Club held their first meeting of the season Monday night with a 6:30 dinner at the Fellowship Center of the Presbyterian church. Thirty-seven members and six guests attended. The hostesses were Miss Geraldine French, Mrs. Clayton Mikesell and Mrs. Charles Branigin.

Mrs. Cecile Smith and Mrs. Nina Heath were in charge of the program. Group singing was led by Naomi Sallows, accompanied by Edna Stoulter. Rev. Allan Ramsay showed the moving pictures of his recent trip through the western states and California. Mrs. Lulu Waldron and her daughter gave a piano duet, "Grand Canyon Suite," following the pictures.

The business meeting was conducted by the president, Helen French. Several new members were taken into the club. A memoriam for Bernice Parker was read. The next meeting will be held October 30, in the Fellowship Center of the Presbyterian church.

Monday Club To Open Its Fifty-Sixth Year

On Monday, Oct. 2, the Tecumseh Monday Club will open its fifty-sixth year with a luncheon in the social room of the Methodist church at one o'clock. The past presidents will be the hostesses and will present a program in the afternoon. Mrs. Guy Pocklington is the president, and Mrs. Perry Hayden is chairman of the program committee. Mrs. Truman Rentschler, president of the club for the coming year, will preside. Other officers are Mrs. E. J. Aebersold, first vice president; Mrs. Earl Wood, second vice president; Mrs. Lynn Hubbard, recording secretary; Mrs. Veva Connor, treasurer; Mrs. Theodore LaBounty, corresponding secretary; Mrs. Don Goddard, Mrs. Perry Hayden, Mrs. Claire Beland, Miss Edith Ingersoll, and Mrs. Joe Rice, directors. Mrs. Herbert Murphy, assisted by Mrs. Roscoe Hewlett, have charge of the table decorations.

Mrs. E. J. Aebersold will have the year books ready for distribution. Programs for the ensuing year have been planned by the departments and standing committees.

GIRL SCOUTS

The Association will have a Leader Training Course October 2, at the Central building at 8 p.m., Monday and Thursday evenings, for 3 weeks. This course is open to anyone interested in Girl Scout work, and there is no charge.

HOSTESSES FOR LUNCHEON

The hostesses for the October 4th Tecumseh Country Club Luncheon at 1 o'clock, are Mrs. C. H. Giltner, phone 40 and Mrs. C. F. Sage, phone 228J. Please make reservations not later than Tuesday noon.

RECEIVES PROMOTION

Dr. and Mrs. MacNaughton Honored By Methodists

Dr. and Mrs. Norman MacNaughton, who have begun their ninth year in the Tecumseh Methodist Church, were honored guests at an informal party given by the Woman's Society of Christian Service last Sunday evening. They shared the honors of the evening with the older people of the church who were recognized with a program planned for their special entertainment. During the program Mr. and Mrs. Edward Beal sang a special song to Dr. and Mrs. MacNaughton who had celebrated their fortieth wedding anniversary during the past week.

Beverly Hay, Tecumseh's queen at the dedication of the new Union Station in Toledo on Saturday, was introduced to the audience. The climax of the party came when Edward Beal took movies of the church members welcoming Dr. and Mrs. MacNaughton back for another year.

Zinnias, marigolds, and petunias in antique vases were used as floral decorations in the room, and punch and cake were served from the refreshment table by Nita Spangler, Virginia Snyder, Beverly Hay, Donna Burleson, and Sally Rentschler.

A door to good taste

From where I sit ... by Joe Marsh

New Use For Old Windmills

I drove past Larson's farm last week and saw him perched on top of his 75-year-old windmill. "Still planning on tearing it down?" I shouted up to him.

"Not on your life," says Curly as he climbs down. "I'm getting myself a television set from Buzz Ellis' and he says this windmill is going to come in mighty handy."

"You see," Curly went on, "I'm going to put my TV antenna right on top of it. Since the windmill is higher than the house, I'll get the best reception around here—but if it wasn't for Buzz and his advice, I'd have scrapped it."

From where I sit, Curly's success as a farmer and his popularity in town is due, in a large part, to his open-mindedness and his willingness to listen to people and their opinions. He'll listen to Buzz Ellis over a malted milk or he and I can talk politics—each with a glass of temperate beer. Yes, Curly's as modern as television itself!

BRITTON

The Congregational Dorcas held their regular meeting at the church recently with 20 members present. Roll call was answered by their experience of earning a dollar during the last month which proved very interesting. Mrs. Jennie Thieke led devotions and presented a very fitting program on September. A potluck supper followed with Mrs. Cora Underwood in charge. The next meeting to be held October 19 with a 1 o'clock luncheon.

"World Community Day" observed by the Dundee Council of Church Women, will be recognized at the Britton Methodist church, November 3.

Miss Delight Steuwe, daughter of Mr. and Mrs. Herman Steuwe, was chosen "Queen of Britton" by the local Kiwanis Club and attended the Saturday ceremony in Toledo bringing to the close a week's celebration of opening of the new Union Station. She lunched with the group of queen representatives and Hollywood stars there. She also took part in the float for queens in a parade with 32 bands.

The Britton Rural Agricultural school has an enrollment of 320 pupils with the third grade topping the list with an enrollment of 40 students.

Recent visitors in the Raynor Benedict home and calling on other friends here were Mrs. Roy Mathews of Orrick, Mo., and Mrs. Mattie Slick of Excelsior, Mo.

Mr. and Mrs. J. V. Ferman have moved into the residence they purchased recently, vacated by Mr. and Mrs. Sherman Blouch.

Mr. and Mrs. Pirl Robinson spent several days vacationing at Otsego Lake.

Mrs. E. H. DuBois spent a week end recently with her daughter and family in Lenard, Mr. and Mrs. Charles Hamilton.

The Methodist W. S. C. S. met at 1:30 on Wednesday, Sept. 27, at the home of Mrs. Guy Seidel. The program was in charge of Mrs. P. B. Clifford. Each member brought Christmas gifts for the Seward Home in Alaska.

Graduates of Britton high school class of 1950 entering college are: Richard Croll at Adrian College; Miss Wilma Purple, at Boody Bible Institute in Chicago; Misses Beverly Brown and Nancy Schott and Charles Barrett at Ypsilanti Normal College, and Miss Oda Marie Cross attending business school in Lansing. Others returning to college are Vaughn Scott entering Michigan State at Lansing, Stanford Smith, third term at Albion, and Stewart Niblack, third term at Hillsdale.

The first P.T.A. of Britton Rural Agricultural school this fall was held last week in the gymnasium. This was a reception for the teachers, after entertainment, refreshments were served by a committee in charge and a social hour was enjoyed.

Britton schools closed last Thursday and Friday for County Fair.

BEER
AMERICA'S BEVERAGE OF MODERATION

In Michigan the game of golf is gaining in popularity every year. It's a healthful, companionable game. And it's "The American Way," after reaching the 19th Hole to relax and enjoy a cool, sparkling glass of Michigan brewed beer.

For beer is the kind of beverage Americans like. It belongs . . . to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs . . . to our own American heritage of personal freedom. *Beer Belongs . . . Enjoy It*

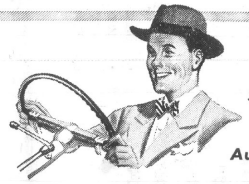
. . . and at the lowest prices, too!

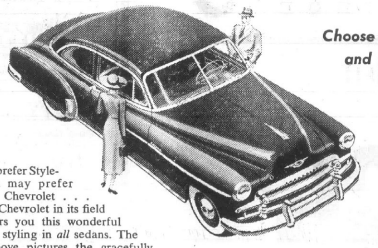


Want finest standard driving at lowest cost? Choose a Chevrolet with Silent Synchro-Mesh Transmission and the improved standard Valve-in-Head engine. You'll get the performance with economy that makes Chevrolet America's favorite!

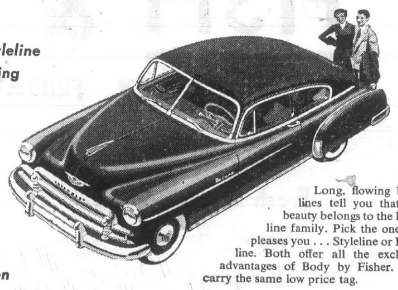
Choose between Standard Drive and POWERGlide *Automatic Transmission**

Do you want the *only* automatic drive in the low-price field? Then come in and choose a Chevrolet with Powerglide automatic transmission* and the great new 105-h.p. Valve-in-Head engine. You'll get low-cost, no-shift driving that is easy, smooth and safe!

Choose between Styleline and Fleetline Styling

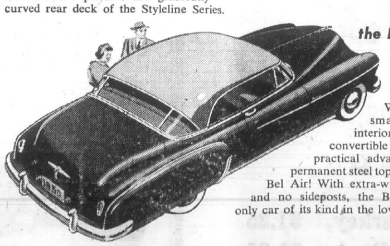


You may prefer Styleline, you may prefer Fleetline. Chevrolet . . . and only Chevrolet in its field . . . offers you this wonderful choice of styling in *all* sedans. The model above pictures the gracefully curved rear deck of the Styleline Series.



Long, flowing backlines tell you that this beauty belongs to the Fleetline family. Pick the one that pleases you . . . Styleline or Fleetline. Both offer all the exclusive advantages of Body by Fisher. Both carry the same low price tag.

Choose between the Bel Air and the Convertible



Want the smartness and interior luxury of a convertible with all the practical advantages of a permanent steel top? Choose the Bel Air! With extra-wide windows and no sideposts, the Bel Air's the only car of its kind in the low-price field.

Want an automatic top that scoots up or down when you touch a button? Then here's the car for you! And you'll find this swank, spirited Chevrolet Convertible as far ahead in performance as it is in styling.

America's Best Seller CHEVROLET *America's Best Buy!*

*Combination of Powerglide automatic transmission and 105-h.p. engine optional on De Luxe models at extra cost.

LEGAL NOTICES

FORECLOSURE NOTICE

Default having been made in the condition of a certain mortgage made the 22nd day of June, 1945, by Horace Mangus, Howard Mangus and Mary L. Mangus to Richard Ellis and Lillie Ellis and recorded on June 22 1949 in the office of the Register of Deeds for Lenawee County, Michigan, in liber 341 of mortgages on page 496; of which mortgage there is claimed to be due and unpaid at the date of this notice Seven Hundred ($700.00) Dollars principal and Seventy Five ($75.00) Dollars interest; no suit or proceeding at law or in equity having been instituted to recover the debt, or any part of the debt, secured by said mortgage, and the power of sale in said mortgage contained having become operative by reason of such default,

Notice is hereby given that on the 24th day of November, 1950, at 10:00 o'clock in the forenoon, at the East front door of the courthouse in the City of Adrian, that being the place for holding the Circuit Court for the County of Lenawee, there will be offered for sale and sold to the highest bidder, at public auction or vendue, for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale, including an attorney fee of Thirty Five ($35.00) Dollars provided by law and in said mortgage, the lands and premises in said mortgage mentioned and described, as follows, to-wit:

The West Fifty (W 50) acres of the Northwest Quarter (NW¼) of Section Nineteen (19) in Town Five (5) South of Range Four (4) East;

Also, the Northeast Quarter (NE¼) of the Northeast Quarter (NE¼) of Section Twenty-four (24) in Town Five (5) South of Range Three (3) East, excepting therefrom a piece of land 16 rods long East and West by 10 rods wide North and South from out of the Northeast corner thereof;

ORDER OF APPEARANCE

At a session of said Court held at the Court House in the City of Adrian on the 6th day of September, A. D. 1950.

Present: Hon. G. ARTHUR RATHBUN, Circuit Judge.

In this cause it appearing from the bill of complaint on file that it is not known whether the above named defendents are living or dead, or that whether they, or any of them have heirs, devisees, legatees or assigns, and that the names of the persons who are included as defendants therein without being named cannot be ascertained, after diligent search and inquiry.

On motion of L. B. Kuney, attorney for the plaintiffs, IT IS ORDERED that the appearance of the said defendants be entered herein within three months from the date of this order, and that plaintiffs cause this order to be published according to law.

Order of Hearing — Appointment-Administrator

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for the County of Lenawee.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 11th day of September in the year one thousand nine hundred and fifty.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of BERNICE M. PARKER, Deceased.

On reading and filing the petition, duly verified, of Floyd J. Parker, brother and heir at law of said deceased, praying that administration of said estate may be granted to June A. Van Camp or some other suitable person,

It is ordered that Monday, the 9th day of October next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered that a copy of this order be published in The Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate.

Homemakers' Hints

by Pat Morley

Today, a surprising number of homemakers are finding the way to have comfortable, really attractive homes at lower cost. The answer? The roomy old farmhouses just outside of town . . . the cottages at nearby lakes that can be bought for very little. A little ingenuity

— a wall knocked out here, new paint there — turns these bargains into beautiful year-round homes.

First consideration, however, should be the right working equipment for the home — a convenient kitchen and bathroom, electricity, of course — and the right heating equipment. Many homemakers are discovering a new fuel oil heater that may be placed right in the living room — matching other furniture designs — and heating the entire home inexpensively and very efficiently.

The heater is called Duo-Therm . . . giving thrifty, clean and work-saving oil heat in homes without basements or central heating plants. It has a Power-Air Blower which circulates heat throughout the rooms and a thermostatic control for heat regulation.

One reason why this efficient heater is so popular is that it's designed just like fine furniture. There are Sheraton and Hepplewhite and Chippendale Models for traditional rooms . . . and smart blond designs for modern rooms, each of them actually resembling a smart looking console.

There are styles for every purpose — for warm heating comfort in a trailer or a six-room house. No wonder so many homemakers — both in the city and in the country — are depending upon this economical, really thrifty way to warm homes in winter!

ONE HUNDREDTH YEAR—NUMBER ONE | TECUMSEH, MICHIGAN, OCTOBER 5, 1950 | FIVE CENTS A COPY

Gaston's Observe 50th Anniversary

BUSINESS HAS BEEN IN FAMILY CONTINUOUSLY SINCE ITS PURCHASE IN 1900

Marking its 50th year of business in Tecumseh, the Wm. Gaston & Son jewelry will celebrate its golden anniversary on Saturday, October 14. Wm. Gaston and son, John, purchased the business on October 16, 1900, and since that time it has been in continuous possession of members of the Gaston family, and still operates at its original location.

To observe the anniversary the public has been invited to visit the store on East Chicago Boulevard on Saturday, the 14th. Five hundred "Princess Aloha" orchids are being flown in from Hawaii for the occasion, and each of the first 500 ladies to visit the store that day will be presented with one of these beautiful flowers.

Wm. Gaston was a native of Ireland, and came to America in his early twenties, locating in Tecumseh. After working at his trade of carpenter for a number of years he finally, in 1900, entered the jewelry business with his son, oJhn, under the name of Wm. Gaston & Son, which name the business still retains.

John died suddenly in 1916, and following his death Edward Heilman, a son-in-law of the elder Mr. Gaston, obtained a leave of absence from his position with the American Steel Co. and with Mrs. Heilman came to help out in the

CROP Goal 600 Bushels Wheat

THREE SPEAKERS ADDRESS GROUP AT ORGANIZATIONAL MEETING MONDAY NIGHT

About 65 persons met at the Tecumseh Presbyterian church Monday night, October 2, to hear talks, see the film, "Address Unknown," and organize for raising 600 bushels of wheat as their share of the CROP drive of three carloads of wheat for Lenawee county.

George Schumm, sr., presided as chairman of the meeting. Rev. Donald Wilson gave the invocation. Rev. Murray Hewgill, pastor of the Clinton Congregational church spoke on "What is CROP?" He was followed by an address by Rev. Theodore Iben, pastor of Emmanual Lutheran church, Britton, on the subject, "The Need for CROP." The third minister to speak was Fr. James Michael Collins of the St. Elizabeth Catholic church in Tecumseh whose topic was "The Christian's Attitude Toward CROP."

All three ministers highly endorsed the movement. It was

TECUMSEH SCHOOLS CLOSE OCT. 12 AND 13 FOR ANNUAL MEETING OF EDUCATORS

More than 3600 educators in Region Three of the Michigan Education Association are expected Thursday, October 12, and Friday, October 13, in East Lansing, for the annual Regional Conference. Teachers, school administrators, and interested laymen will have an active part in the Conference in which several nationally prominent speakers will be heard.

Leland Stowe, news commentator, will deliver the principal address at the first general program, Thursday morning in the Auditorium, Michigan State College.

Other speakers during the two day session will include Clifford H. Smart, president of the Michigan Education Association; Congressman Walter H. Judd of Washington, D. C.; Lee M. Thurston, state superintendent of public instruction; and Joy Elmer Morgan, editor of the National Education Journal.

Registration headquarters will be in the second floor lobby of the M.S.C. auditorium, and commercial exhibits will be in the first floor lobby.

Supt. Earl H. Place of Tecumseh is chairman of the nominating committee, with E. W. Degsham of Clinton and E. C. Henry of Hillsdale as his assistants.

Tecumseh schools will be closed for the two days of the meeting.

Region Three is composed of Lenawee, Hillsdale, Jackson, Clinton and Shiawassee counties.

Yes, America's The Land Of Opportunity

It takes spunk to learn to play the bassoon, one of the most difficult of the woodwind instruments, but Miss Joyce Ann Garey of Clinton, has conquered it sufficiently to win a scholarship to the University of Michigan, where she began her studies on Sept. 18. It also takes money while you are at the University, and Miss Garey has solved that problem, too. This summer, she has painted scores of mail boxes, and she has saved her earnings. She has the promise of jobs in Ann Arbor, after school hours, and to her the world looks bright. Incidentally, she has her eye on a chair in the Detroit Symphony Orchestra after graduation. Joyce is an excellent student and one who, it seems, believes that nothing succeeds like success. Herald photo, above, shows her painting a mail box on Russell Road.

Girl 17, Paints Rural Mail Boxes To Swell Her Income For College

So you want to go to college? That's fine. Every high school graduate should receive a college education.

"But," you say, "I haven't the money . . . and no way to earn it." Well, don't let that worry you. Miss Joyce Ann Garey didn't. She has spent the summer painting and lettering mail boxes so that she might attend the University of Michigan this fall.

And therein lies our story of a girl who wouldn't let the lack of means keep her from obtaining an ambition of long standing.

Take plenty of initiative, add to that lots of ambition and a striking personality and you have pretty Joyce Ann Garey of Clinton.

Miss Garey was born in Jackson, Michigan, some 17 years ago, the daughter of Mr. and Mrs. Harry E. Garey. When about a year old she moved with her parents to Brooklyn where they lived until four years ago when they moved to Clinton.

It was in Clinton that Joyce started her high school education, and it was while in her first year of school there that the decided she wanted to play in the band. But what instrument? At first it was difficult to decide, but initiative was there pushing her on and after looking over the long list of instruments she chose the bassoon —one of the most difficult of the woodwinds. She immediately became fond of the instrument and soon was playing regularly with the high school band and continued with the band for four years until her graduation last June.

While still a freshman, Miss Garey decided that when through high school she wanted to go on to college. Her parents, being of only ordinary means, she knew it would have to be a small college and that she would have to earn part of her own way. So that summer she took a job in a dairy bar.

It was while working in the dairy bar that Joyce conceived the idea of painting mail boxes to earn extra money. She says, "I had noticed that very few mail boxes are painted and that those that are look so nice. It was a strong temptation to start out then, but already having a job, I said to myself, 'I'll save that idea; I may want to use it someday.' And she was right. Shortly after starting work at the Clinton Machine Co. this summer she was laid off. She then fitted up her bicycle with a carrier box, purchased paint and brushes, and started her own business. One dollar got your mail box painted and lettered, and if you wish the post painted too, that was but fifty cents more — and like everything else she does, it's an excellent job. While we didn't question her as to how much she had earned, Miss Garey did disclose that she had made as high as

Interest Grows In Retail Meetings

LIVELY DISCUSSIONS FEATURE COURSE AT NEW HIGH SCHOOL EACH TUESDAY EVENING

Lively discussions are featuring the Retail Merchants meetings being held at the new high school building each Tuesday evening at 7:45. Those attending are taking an active interest in the subjects presented and many interesting and constructive ideas are being presented. Attendance has increased each week and local businessmen say they are deriving much practical good from the discussions.

Floyd E. Johnson, Divisional Merchandise Manager of the L. H. Field Company Department Store in Jackson will be the guest speaker at the fourth retail conference meeting sponsored by the Chamber of Commerce next Tuesday evening in the new high school. Mr. Johnson will talk on "Pricing for Profit."

Retail experience abounds in Mr. Johnson's background. Starting in his mother's store in Sparta around the 1900's, he progressed to a grocery and shoe store, thence to a department store shoe department. In 1920, he joined the staff of the L. H. Field Company, and now has completed his 30th year with them.

He is actively associated with the Junior Executive's Club in his store as a resource man and trainer. His progress with the firm testifies as to his abilities. His statement, "I have been around retail stores ever since I can remember," gives you an idea of his wealth of background. Mr. Johnson has a very wholesome philosophy of life, work, and education.

TECUMSEH COMMUNITY CHEST

A public meeting of the Tecumseh Community Chest will be held on Friday evening, October 6 at 7 p.m. at the United Savings Bank for the purpose of electing persons to serve on the board of trustees of the community fund. All interested citizens are urged to attend. The financial records of the Tecumseh Community Chest will be open for inspection.

Some sentiment in favor of combining the Community Chest drive with the United Health and Welfare Fund has been shown and the present board of trustees has gone on record as being wholeheartedly in sympathy with this action. The idea behind this is to eliminate the duplication of effort in promoting worthy drives.

Funeral Rites Sunday For Will E. Allen

Funeral services for Will E. Allen, 81 years old, were held Sunday at 2 p.m. in the Niblack Funeral Home in Britton with Rev. Lorne Carter officiating, and Ben Beasley assisting. Mr. Allen, a New York Central ticket agent for 49 years, died at 11 p.m. last Thursday at the home of his daughter, Mrs. Harriet Peters, in Detroit. He with his wife, had been visiting his daughter and family for the past two weeks.

Mr. Allen served with the railroad at Ridgeway, Britton, Toledo, Jackson, Tipton and Ida before retiring about ten years ago. He was a member of the Odd Fellows of Britton, the Ridgeway Methodist church, and treasurer of the Men's Forum of Ridgeway.

Besides his wife, Fannie, and daughter, Mrs. Peters, he is survived by two sons, Dr. Floyd P. Allen of Cincinnati, and Charles G. Allen of Traverse City; six grandchildren and a sister, Mrs. Jennie Sweet of Ann Arbor. He was preceded in death by two brothers. Burial services at the Ridgeway cemetery were conducted by the Odd Fellows Lodge of Britton.

JUDGE RATHBUN UPHOLDS JUSTICE COURT VERDICT

Circuit Judge G. Arthur Rathbun on Sept. 26 upheld the sentence of $50 fine, $8.60 costs and 30 days in jail imposed on Carl Breitner of Dundee by Justice John K. Lowe and sentenced him to spend another 30 days in the county jail in addition to the sentence already imposed.

On July 8 Mr. Breitner reported to Tecumesh police his car had been stolen, but after an investigation admitted he had done it as a prank.

Mr. Breitner appealed the justice court verdict to circuit court.

WINS PHOTO CONTEST

The Indian Snappers Camera Club met Monday evening at the Tecumseh Public Library with sixteen members and two guests present. The following new officers were elected: President, Mabel Lockwood; vice president, Lewis Lent; secretary, Mrs. Darwin Smith; treasurer, Edward Beal. Darwin Smith showed movies of his recent trip through the western states. Mabel Lockwood was named winner of the grand prize of the year in the "Print of the Month" contest.

CHURCH BELLS TO RING

As part of the Tecumseh Ministerial Association's Church Attendance campaign during the month of October, the bells of the Presbyterian, Methodist, Baptist, and Episcopal churches will ring for a period of 15 minutes, from 7:00 to 7:15 o'clock, on the Saturday evenings preceding the five Sundays in the month.

My office will be closed Oct. 12-22 and Nov. 1 through Dec. 3, in clusive.

Bulldogs Trim Indians, 7-0

TOUCHDOWN IN FIRST TWO MINUTES OF GAME SPELLS DEFEAT FOR TECUMSEH

Sparked by Campbell's gallops of 30 and 20 yards in the opening minutes of the game, the Morenci Bulldogs took but five plays to score the only touchdown of the game and eke out a 7-0 win over Tecumseh at Recreation Center Friday night. Cisco tallied the extra point on a line plunge.

The Indians apparently were caught off balance by the swiftness and precision of the Bulldog attack, and before they could recover found themselves on the short end of the score. From this point on it was a different story. Tecumseh rallied quickly and kept the visitors from making any serous threat for the remainder of the game. VanWinkle's booming punts were a big factor in keeping the Bulldogs out of scoring territory.

Coach Elven Duvall's charges were not without their own scoring opportunities. On the last play of the first half they recovered a Morenci fumble on the Bulldog five-yard line, only to have time run out just as the ball was declared dead. They failed to capitalize on two more successive scoring chances in the third period. Taking the ball on Morenci's 44, they hammered their way to the 19-yard line, only to lose the pigskin when Solmonson intercepted Patton's pass on the 13. After picking up two yards through the line, Packard fumbled on the next play with Tecumseh recovering. VanWinkle picked up two yards off left tackle and then three successive passes were incomplete, the Bulldogs taking over on their own 10 to end the threat.

The Indian eleven showed a great deal of improvement since the Summerfield game of the week before, and their battle with the Clinton Redskins Friday night promises to be one of the best games of the season.

House Trailer Owners Warned

VILLAGE ORDINANCE REQUIRES APPROVAL OF COUNCIL AND OBTAINING OF LICENSE

At its regular meeting Monday evening, the village council called to the attention of house trailers parked within the village limits of Tecumseh the village ordinance requiring approval of such house trailers by the council and the obtaining of a license from the village clerk.

The ordinance states in part:

"No person, firm or corporation shall establish, maintain or operate any camp and/or house trailer camp within the corporate limits of the Village of Tecumseh without first obtaining a license therefor from the Village Clerk after approval by the Village Council. Such license shall be issued for one year and shall be renewed annually on or before the 1st day of May.

"The term camp and/or house trailer camp shall mean any site, lot, field or tract of land upon which one or more occupied camp

TWO ACCIDENTS REPORTED TO TECUMSEH POLICE

Two accidents were investigated by Tecumseh police the past week. Last Wednesday at 10:15 a.m., cars driven by Ivan L. Bugbee of Bug's service station and Ross G. Drury of 212 East Shawnee Street, collided on North Evans Street. Police estimated damage at about $150.

On Friday, about 11:05 a.m., cars driven by Elizabeth G. Dillon of 503 West Brown Street and Gordon S. Lapham of Brooklyn, collided at the corner of Brown and Union Streets causing damage estimated at $300. Mr. Lapham was given a summons for ignoring a stop sign and having defective brakes.

The Tecumseh Iron and Metal Co. reported the theft, on Sunday of last week, of about two and a half tons of scrap iron from their yards.

Thursday, four small boys were apprehended for damaging a "Welcome to Tecumseh" sign on Mill Street and were released after agreeing to pay for repairs.

Justice court fines meted out the past week include: $6.10 fine and costs against William Eddinger for running a stop sign; George Simons, speeding, $8.10; Norbert O'Hara, speeding, $9.10, and for running a red light, $6.10; Robert Weinberg, speeding, $7.10; Clarence Reisig, running red light and having no operator's license, $10.20; Ned Harrington, speeding, $6.10; and Rodney Miller, speeding, $8.10.

Dr. Arthur H. Brown's office will close at noon Saturday, October 7th. adv.

Tecumseh-Clinton Game To Benefit Harsh Family

A benefit football game between Tecumseh-Clinton, October 6, is being planned by the two schools and the Clinton Chamber of Commerce and Rotary Club. The benefit is being planned for the family of the late Robert Harsh, coach at Clinton last year. Mr. Harsh was killed in a plane crash recently in the Pacific, soon after he reported for active duty with the navy. All proceeds from the game will be turned over to Mrs. Harsh and her two daughters, Frances Anne, three, and Martha Jane, five months. Frances Anne has been a patient in the University Hospital in Ann Arbor with a mild attack of polio.

Special tickets are on sale in the Clinton and Tecumseh stores. The game has been approved by the officials of the Lenawee County Athletic Association.

St. Peter's 117th Anniversary

The Rev. Canon Gordon Matthews, executive secretary of the Episcopal Diocese of Michigan, will visit St. Peter's church, Tecumseh, on Sunday, October 8, at 11:15 a.m. Canon Matthews will preach the sermon in connection with the 117th Anniversary of St. Peter's church.

Canon Matthews comes as representative of the Diocese of Michigan, holding one of the most responsible positions in the Diocesan organization. As executive secretary, he has the responsibility for seeing that the programs of work

Rev. Canon Gordon Matthews

authorized by the annual Convention of the Diocese are carried out with the budgets provided for them. He also has an important part in the administration of the Diocese, acting as secretary of the various departments, and many of the smaller subsidiary groups, and endeavors to see that the work is done with as little overlapping as possible. He is also responsible for carrying out the details of the financial program of the Diocese, his office handling the collection and disbursement of moneys.

Canon Matthews is also a member of a group of clergymen appointed by the Bishop of the Diocese to examine young men who are candidates for the Ministry.

Canon Matthews had many years of experience as a parish priest before taking up his present work, and during that time he served on many of the departments and committees for which he now acts as secretary. His most recent parish, which he relinquished in 1943 to take up his present work, was the Church of the Epiphany, Detroit.

While he now has no settled parish, Canon Matthews travels about the Diocese constantly, visiting the parishes and missions, and preaches in a different church almost every Sunday.

He was made an Honorary Canon of St. Paul's Cathedral, Detroit, in 1948, as a tribute to his outstanding contribution to the life and work of the Diocese of Michigan. This in no way affects his position or work on the Diocesan staff.

Blood Plasma Donors Sought

CLINIC TO BE HELD AT AMERICAN LEGION HOME THURSDAY AND FRIDAY, OCT. 12-13

Local citizens are being urgently requested to take part in the blood plasma program now being conducted throughout the county. Lenawee has overdrawn its bank and plasma has had to be brought in from other counties. In order to be assured of a constant supply in our hospitals, a clinic is being conducted at the American Legion Memorial home next Thursday and Friday, October 12 and 13, from 1:30 to 5:30 p.m. Donors may register at the Hanna Insurance office or at Bancroft Cleaners in the meantime.

The plasma program was established to provide low cost blood plasma and other blood products to Michigan citizens. Products prepared under the program are equally available to all citizens regardless of their ability to pay. All blood products are manufactured with funds appropriated by the legislature and are made available to physicians without charge. While patients are not to be charged for the products, it is expected that they pay the costs of administration.

The program is being conducted by the Michigan Department of Health in cooperation with the American Red Cross and has the approval of the Lenawee County Medical Association.

For the benefit of would-be donors we are printing a list of the requirements as outlined by the Michigan Department of Health. Mrs. L. W. Larsen and Mrs. Vincent Haight are local chairmen, and any additional information may be obtained from them.

Donor Requirements

Selection of donors: Three things are given consideration in the selection of donors; the possible effects of the loss of a pint of blood on prospective donor, the effect use of the prospective blood on the final

Freedom Scrolls Now Available

EVERYONE IN COMMUNITY TO BE GIVEN OPPORTUNITY TO PLACE NAME ON SCROLL

Ronald Harris, chairman of the Crusade for Freedom in Tecumseh, has begun the task of securing hundreds of voluntary signatures on "Freedom Scholls," and it is expected that every person in the area will have had an opportunity to sign within the next ten days.

A bundle of scholls was received Monday, and they are being placed in convenient places for the public. Mayor Elliott, members of the village council, and municipal employees signed the scroll at the council meeting Monday evening. Members of the Tecumseh Monday Club were given an opportunity to sign as they opened their fall season this week. There was a scroll at the regular meeting of the Exchange and Rotary Clubs, Monday and Tuesday, and a supply has been given to the public schools for high school students and faculty members. Veterans' groups are signing, and activities are now under way for labor groups to have scrolls available. The churches also are expected to be given special opportunities.

The signed scrolls will be permanently enshrined in the base of the Freedom Bell in Berlin. Dedication ceremonies will take place on United Nations Day, October 24. This ten-ton bell has this message inscribed in its rim: "That this World, under God, shall have a new birth of Freedom," a paraphrase of Lincoln's words at Gettysburg.

The first clap of the Freedom Bell will be carried by radio to free peoples everywhere. Simultaneously, bells will ring out all over America and throughout Western Europe in a dramatic demonstration of unity for freedom. Behind the Iron Curtain, patriots will scrawl the outline of the bell on walls, just as the "V" symbol was used against Nazi tyranny.

Mr. Harris urges every resident of the Tecumseh area to sign one of these scrolls. If any organized group is holding a meeting within the next ten days and feels that there might be persons there who have not yet signed, they may obtain a scroll for the meeting from the Chamber of Commerce.

CONCERT TICKETS ON SALE

Season tickets are now on sale for the Community Concert held at the Baptist church in Adrian. There will be four concerts and anyone interested may contact Mrs. O. W. Laidlaw at 215 South Democrat Street. No tickets will be sold at the door. Date for the first concert will be announced later.

How Would You Like It?

The Administration's plan to socialize medicine in the nation is still a part of the New Deal program, although right now it may seem to many of us to be a matter of history. The Korean war, state elections, etc., are occupying much of the time of the Truman leadership but, nevertheless, it is certain that in a few weeks or months you will again be hearing more and more about state medicine.

In this connection we would like to refer to an article recently published in Reader's Digest, written by Don Wharton under the title, "It Could Happen Here," which said in part: When a patient enters a certain doctor's office in North Carolina and sits down for a consultation, the physician unobtrusively reaches across his desk to a three-minute hour glass. Without saying a word, he turns it over and starts the sand running. The consultation proceeds as usual — not a word about the hourglass until all of the sand has run into the lower half. Then the doctor points at it and says: 'Three minutes. If we had socialized medicine your time would be up. In England today, three minutes is all the time a doctor can give to the average call. Just three minutes.'"

We should bear in mind that socialized medicine is mass-production medicine. Each doctor is given a panel of patients, and it is so large in number that it is impossible for him to take the time needed for careful diagnosis and treatment. The fact that the service is "free" leads many patients to call on the doctor whether they need attention or not, on the theory that they might as well get what is coming to them. So more time is unnecessarily consumed — and the patient who is really ill is given quick, inferior service.

Moreover, overworked doctors have no time for study or research. Their education becomes static. Practice becomes routine and mechanical. Preventive medicine is given less and less attention. And so, inevitably, the standards of health deteriorate.

Yes, it can happen here — right here in Tecumseh — if we don't keep on the alert and stop it.

We Can Blame The Grabbers

The Christian Science Monitor, one of the nation's most carefully edited newspapers, said, editorially, recently, that "if rationing comes in the United States it will not be because of any undersupply of goods but because of an excess of self-centered grabbers."

The vast majority of the public, of course, are going along normally with purchases only for their current needs. Naturally, they are incensed when they see or hear of "smart" or panicky people buying up stocks of such things as sugar, canned goods, nylons, sheets, pillow cases and automobile tires, far beyond any immediate need.

"If the hysteria continues," the editorial says, "the demand for rationing and price controls will grow . . . The hoarders and grabbers tend to bring rationing not only on themselves but on everybody, and if they succeed in doing that, they should in some way be made to pay its unnecessary cost."

Producers and retailers have pointed out there is plenty of food and all other consumer essentials. In some lines there are huge surpluses. Retailers have been especially active since the Korean war started in attempting to stop hoarding — and, also, in preventing unnecessary price increases that always follow such panicky buying. Hoarding is a crime against the nation and everyone in it — even if it is not so-defined by the law at present.

A bill now in Congress would lay heavy criminal penalties on black market operators and this is all to the good. In addition, the hoarder should be visited with public opprobrium and contempt. If we simply go on buying normally our factories and farms will continue to produce all that we need. Our retail stores will continue to be well stocked with fairly-priced merchandise. And our security as a nation will be strengthened.

Detroit reports a noticeable decrease in reckless driving since judges started to impose jail sentences for traffic law violations. Tecumseh, too, soon should be able to recognize such a decrease, because we understand that local drivers don't like jail terms, either.

The lack of morals among youngsters, if it exists, is a reflection of a greater lack of morals among their elders.

Girl 17, Paints

(Continued from page 1)

$11 in a single day.

The summer between her freshman and sophomore years in high school she attended the National Music Camp at Interlochen where she had the distinction of being the youngest of over 200 girls in the high school division of the camp. Since then she has earned two scholarships from there, and last summer she also spent five days at Interlochen with the Ann Arbor Civic Orchestra of which she is a member. She has also played with the Adrian City Band the last two summers.

About two years ago Joyce began taking bassoon lessons from Hugh Cooper of Pontiac. Mr. Cooper occupies first chair in the bassoon section of the Detroit Symphony Orchestra and is considered one of the top bassoonists in the country. He is also the only bassoon instructor at the University of Michigan. Miss Garey has been his only pupil outside the University.

It was through Mr. Cooper that Miss Garey obtained her scholarship to the University. She had made arrangements to attend one of the smaller colleges, and one day when finished with her lesson, told her instructor of her plans. He was deeply disappointed that she had chosen a school other than the University, and immediately consulted University authorities with the result that Miss Garey was awarded a scholarship in the School of Music.

Has Joyce's ambition waned now that she has attained all these honors? Of course not. In addition to other extra-curricular activities, she will play with the University of Michigan band, and arrangements have been made to work part-time to further implement the costs of her education.

Joyce is very fond of the out-of-doors and among her favorite sports are bicycling and swimming, and she holds a senior lifesaving certificate in the latter sport. Basketball, too, is another of her favorites and while in high school she played on the school teams.

Nor is all the initiative and talent in the family confined to this one person. Besides his trade as tool and die maker at the Clinton Machine Co., Mr. Garey as a hobby, builds, repairs, and reconstructs stained glass windows for churches and cathedrals. Her brother, Barre, who is 22, is a student nurse is Alexian hospital in Chicago.

Joyce's present ambition? . . . To occupy the chair next to Mr. Cooper in the Detroit Symphony Orchestra.

ENTERTAIN FOR BIRTHDAY

Mr. and Mrs. Sam Clough entertained at a birthday dinner, Thursday evening in their home in honor of their daughter, Mrs. Paul Sheldon. The guests were Mr. and Mrs. Albert Marks and daughter of Blissfield, Mr. and Mrs. Thomas Brooks, and daughter, Pamela, and Mr. Sheldon and sons, of Dundee. Mrs. Sheldon received many nice gifts.

HOLLOWAY

German—Hannah

The Holloway Presbyterian church was the scene of a wedding, beautiful in its simplicity, Sunday afternoon at 3 o'clock, when Joyce Irene Hannah, daughter of John Hannah of Tecumseh, and Mrs. Beulah Hannah of Britton, became the bride of Robert Doty German, son of Mr. and Mrs. Walter German of Holloway.

The ceremony was performed before an altar decorated with large hampers of pink and white gladioluses and lighted candelabra by the Rev. Edward Escolme of Tecumseh, assisted by the acting pastor, Warren Enyart of the Holloway Presbyterian church.

Preceding the ceremony, Mrs. Amos Wilson, of Clinton, played a prelude of nuptial music at the Hammond organ and accompanied Warren Enyart as he sang "I Love You Truly," and "Because."

As the wedding march was being played the bride approached the altar on the arm of her father who gave her in marriage.

The bride was lovely in a gray tailored gabardine suit with blue accessories. She wore a corsage of gardenias. The bride's only attendant was her sister, Mrs. Doris Harriett, of Britton, who wore a blue dressmaker suit with gray accessories. Her corsage was of red roses.

William German, brother of the groom, served as best man. The ushers were the bride's brother, Donald Hannah of Britton, and Harold Ruhl of Macon.

Following the ceremony a reception was held in the church parlors with approximately 70 relatives and friends present. The bride's table was centered with a three-tiered wedding cake with lighted tapers on either side. The cake was cut and served by Mrs. Harold Ruhl of Macon. The guest book was in charge of Mrs. Douglas Fairbanks of Tecumseh.

Guests were present from Defiance, Ohio, Birmingham, Walled Lake, Wayne, Monroe, Adrian, Tecumseh, Macon and Holloway.

The bride graduated from Macon high school and is employed at the Herrick Memorial Hospital. The groom graduated from Adrian high school and has been employed at the Blouch store in Holloway. Following the reception the bridal couple left on a tour of the Upper Peninsula.

The P.T.A. Districts 2 and 3 will hold their first fall meeting on Friday evening at the Holloway school. Members are all urged to be present for important business and election of officers for the coming year.

Mrs. Amiel Wellnitz and Mrs. John Gautz were hosts to the South Holloway Extension Club recently in their home. Mrs. Gautz was surprised with a cradle shower from the members and received many lovely gifts for the baby-to-be. The lesson on "Wills and Descents of Property" was given by the leaders. The club accepted the invitation of the Leroy Extension Club to meet with them at the Palmyra fire hall on October 5. Refreshments were served at the close of the meeting.

Mrs. Grace Rainey, Mrs. Winifred Rainey of Birmingham and Mr. and Mrs. Ralston Calvert of Walled Lake were dinner guests of Mr. and Mrs. Walter German. They all attended Bob German's wedding.

Mr. and Mrs. Norman Stokes and Mr. and Mrs. Clifford Graham of Monroe were Sunday evening guests of Mr. and Mrs. Floyd Graham.

Mr. and Mrs. Pearl Gschwind and family of Rising Sun, Ohio, spent Saturday with Mr. and Mrs. Harry Edwards. Sunday guests were Mr. and Mrs. Nick Gschwind of Rising Sun and Mr. and Mrs. Ward Ake of Detroit.

Those from Holloway who attended the Hillsdale Fair were Mr. and Mrs. Hugh Mitchell, Mr. and Mrs. James Mitchell, Mr. and Mrs. M. T. Fairbanks, Mr. and Mrs. Leon Stautz and Mr. and Mrs. Claude Walters.

Mr. and Mrs. Edw. Mitchell and daughter, Molly, visited Charles Reeves of Blissfield who now lives at the Odd Fellow Home in Jackson, on Sunday.

Mr. and Mrs. Allen Blouch and children spent Sunday with Mr. and Mrs. Grover Vogel of Toledo.

Mr. and Mrs. B .R. Lowery of Lima, Ohio, are visiting for a few days with Mr. and Mrs. Virgil Lowery and son.

Mr. and Mrs. B. H. Dibble of Toledo were Sunday dinner guests of Mr. and Mrs. Bernice Dibble. Sunday evening guests were Mr. and Mrs. D. L. Dibble and son, Lyn, of Adrian.

Jimmy Lunn accompanied friends to the Michigan-Michigan State football game in Ann Arbor, Saturday.

Mr. and Mrs. Joe Glenn and children of Wayne were Sunday dinner guests of Mr. and Mrs. Ken Kopke.

Mr. and Mrs. Roger Richards have named their new daughter Judy Ann. Mrs. Richards and daughter are home from Bixby Hospital.

Cecil Brooks, who is attending school in Chicago, spent the weekend withh is parents, Mr. and Mrs. James Brooks.

Pythian District No. 17 Met In Adrian, Oct. 3

Maple City Lodge No. 39, Knights of Pythias of Adrian entertained members from Tipton, Tecumseh and Dundee representing District No. 17 on Tuesday, October 3. This was one of eleven district meetings scheduled in the state this fall.

Sulho W. Jarvie of Sault Ste. Marie, Grand Chancellor, asked each lodge to furnish one or more candidates for the rank of Page.

Distinguished guests included Frank Henderson of Plymouth, Grand Prelate and Area Supervisor; Henry Kempf of Tecumseh, District Deputy; and Rev. H. B. Johnson of Lakeview, Grand Lodge Director of Progress who gave a report of the September Grand Lodge Convention in Grand Rapids including the proposed officed training program, donations to hospitalized veterans, and the Pythian Recreation Center at Burt Lake.

product and the maintenance of community interest in the program. It is essential to the continuation of the program that only persons be accepted as donors who we may reasonably feel will be unaffected by the loss of a pint of blood. If those responsible for registration will bear in mind the following considerations observed in the selection of donors, fewer donors will be rejected at the clinics.

Age: Only persons between the ages of 18 and 59 inclusive are accepted as first time donors.

Minors: A minor between 18 and 21 years of age is acceptable only with the consent of a parent or legal guardian. Written consent must be presented at the clinic before the minor is accepted as a donor.

Weight: A person must weigh at least 110 pounds to be accepted as a donor.

Blood Pressure: Only persons who have systolic pressures within the range of 100 to 200 mm of mercury are accepted as donors.

History: Only well persons are accepted as donors. No person with acute illness or history of recent illness or operation is acceptable as a donor. No person under the care of a physician will be accepted without the knowledge of his physician. Women who are pregnant or have babies under six months of age cannot be accepted as donors. No person will be accepted as a donor who gives history of ever having had diabetes, Hodgkin's disease, clinical pulmonary tuberculosis, undulant fever, epilepsy, syphilis or infectious epidemic jaundice. Persons having allergies are acceptable as donors providing they are free from symptoms and are under treatment. Persons having given blood within the past ten weeks are not acceptable as donors. Persons having received sulfa drugs and antibiotics, such as penicillin, aureomycin, etc., within a period of two weeks are not acceptable as donors. Any person having a history of cardiac (heart) disease will be rejected. Persons having had malaria will be accepted as donors provided they have not had a recurrence within the past 18 months. Persons eating fats such as butter, cream, eggs, fat meats and rich soups, within 4 hours of the time for their donation of blood, are not acceptable as donors. All donors are examined at the clinic and only those who can safely give a pint of blood and there is no discomfort to the donor.

The Plasma Program: The plasma program of the Michigan Department of Health is endorsed by the Michigan State Medical Society, your local Medical Society, the Michigan Hospital Association and the American Red Cross.

Onsted Band Added To Festival Program

Plans for the Band Festival on October 18 are progressing rapidly under the direction of Clare Camburn and the Chamber of Commerce committee in charge of the affair. The latest announcement is that Harold Furgason, formerly with the University of Michigan marching band, will direct the final massed band number which will climax the evening's entertainment.

A further development is the adding of the Onsted band under the direction of Kendall Merlau. This brings the total to twelve bands and about 600 musicians. The adding of the Onsted band will leave the number of episodes on the program the same. Raymond Westgate, who directs both the Hudson and Morenci bands will combine the two to his episode, with the Onsted taking the part which was formerly assigned to the Morenci band.

The following bands will take part in the festival: Addison, Clinton, Blissfield, Brooklyn, Hudson, Tecumseh, Morenci, Onsted, Sand Creek, Petersburg, Adrian, and Metamora and Lyons, Ohio.

Gaston's Observe

store. The leave has been a long one, for Mr. Heilman continued with the firm until his father-in-law's death in 1922, then purchasing the interest of Mrs. Charles Burridge, a daughter of Mr. Gaston, and today Mr. and Mrs. Heilman, with their son-in-law and daughter, Mr. and Mrs. Alfred Pope, operate the business. The latter couple joined the firm in February of this year.

Old abstracts show that the building occupied by the jewelry these past 50 years was built in 1872 on land taken up from the government in May of 1824. John Gaston learned the watchmaker's trade from George and Tom Adamson, John, under the name of Wm. George H. Adamson. It was this association with the jewerly business that prompted young Gaston to induce his father to join him in the purchase of the E. J. Peters jewelry in 1900.

Records of the business, kept by the Gastons since their first day of ownership, reveal that today the firm is serving many of the relatives and descendants of its first customers. The first watch repair was done for Friend McNeal on October 18, and the first sale of a new watch was to Will Coller, brother of Lester Coller, local photographer, on November 15. The timepiece was an Elgin and was priced at $15.

W. S. Dickinson, father of Fred Dickenson, who is assistant postmaster in the Tecumseh post office, was the firm's first watchmaker and was associated with them until 1928. It was from him that Mr. Heilman learned the intricacies of the watchmaking art.

Over the years old counters and showcases have been replaced with bright new modern equipment and today the store presents a very attractive appearance with well lighted show cases and merchandise attractively displayed.

On this, their 50th anniversary, The Herald joins the community in extending heartiest congratulations.

brought out that the Marshall Plan, while aiming to improve the national economy of many countries in need, was unable to feed the millions of displaced persons and refugees in Europe and in Asia today.

E. G. Harris and W. G. Waldron are in charge of soliciting wheat from farmers in the rural section of Tecumseh township. It was decided by those present from the village of Tecumseh to also solicit funds from the Tecumseh churches with which to purchase wheat on the basis of $2.00 per bushel. It was voted to request the following gifts from these churches: Presbyterian, 140 bushels; Catholic, 120 bushels; Methodist, 65 bushels; Episcopal, 60 bushels; Friends, 50 bushels; Baptist, 65 bushels; Assemblies of God, 15 bushels; Lutherans, 40 bushels; Jehovah's Witnesses, 15 bushels; Christian Scientists, 15 bushels,—making a total of 600 bushels in all. Dalton VanValkenburg in the United Savings Bank is the Tecumseh treasurer for CROP.

and/or house trailers are harbored whether or not a charge is made for such harboring, and shall include any building, structure, tent, vehicle or enclosure for use as a part of such camp and/or house trailer camp."

The council approved the purchase of two transformers to be installed at the Water Works at a cost of $2079.71. The transformers will change the method of metering and are expected to save the village upward of $160.00 per month for power.

The wording of the resolution relative to the use of village-owned curbing forms was revised to clarify it.

The low bid of $1.000 for a one-half ton utility pickup truck was accepted and its delivery authorized.

Consulting engineers Drury, McNamee & Porter of Ann Arbor were engaged to make a complete engineering investigation of the sewage disposal problem.

A proposed clean-up week to be held the first week in November was discussed and further plans are to be announced later.

After routine matters were passed upon, various reports accepted and placed on file, and bills totaling $5,408.42 approved and ordered paid, the meeting adjourned.

Tecumseh Cub Pack No. 4 Boasts 83 Members

Eighty-three members of Pack 4, Tecumseh Cub Scouts attended the first meeting Monday evening at the Baptist church. The meeting was called to order by Clair Rozelle with everyone rising and giving the pledge of allegiance to the flag. The den mothers, their assistants and cubs were called to the front and took their seats according to the numerals on the pews.

The Pack committee was read as follows: Chester Beach, Cub Master; Harold Hall, chairman; Aden Mead, activities leader. Den Chiefs from the two scout troops in Tecumseh will be assigned later.

Inspection for the registered Cubs was conducted by Mr. Gilhouse, a neighborhood commissioner and his three assistants, also Clair Rozell, Carlyle Mason, James Elliott, Laine Holden, Lawrence Holdridge, Chester Beach and Aden Mead.

Mrs. Harlan Boyes, president of the V.F.W. Auxiliary, then presented six American flags to the following dens: Den. Nos. 4, 5, 6, 8, 9, and 10.

A very impressive induction ceremony called "Victory Round-up Ceremonial," planned by Mrs. Earl Place with the assistance of Mrs. Robert French, Mrs. Max Smith, Mrs. Clair Rozelle and Mrs. James Elliott, was presented. The boys to be inducted were dressed as cowboys and were lassoed and brought to the front where the Cubs gave a candle ceremony explaining the Cub promise. Laine Holden presented the Bobcat award to 27 members. Raymond Miller, Bear Cub, and Lawrence Holdridge, awards chairman, presented other awards to six more boys. Fifty-one members were also given service stars. Any boy who was a Cub Scout last year, 11 years old, and out of Cubbing may now get his service star from Mr. Holdridge.

Waldron S. Stewart of Adrian took candid shots during the evening.

The next Pack meeting will be November 20.

Any Cub Scout wishing to subscribe to Boy's Life magazine at half price, see or call Mrs. Lawrence Price.

There will be a den mothers meeting on Thursday, October 5, at the Library at 1:30.

EXCHANGE CLUB MEETS

The Tecumseh Exchange club held their regular meeting in the V.F.W. hall Monday evening. Dr. Richard Dustin gave a short talk on blood plasma and the bloodmobile which will be at the Legion Memorial Home next Thursday and Friday. He also passed out cards for blood donors. Mrs. Pauline Kopke was a guest and gave several readings. Mrs. Leon Williamson was a guest of her husband.

National Macaroni Week Now Being Observed

Because one of Marco Polo's handsome young sailors distracted a lovely Chinese maiden from her task of kneading dough some 800 years ago, Americans will celebrate National Macaroni Week October 5 to 14.

At least, popular legend credits the 800-year old romance of the sailor and the Chinese girl with the accidental discovery of macaroni which since has become a favorite food of people in every country in the world.

According to the story, leaves fell into the dough while the sailor was making love to the maiden. In effort to rid the dough of leaves, the sailor forced the dough through a wicker basket and the resulting strands were left in the sun to dry. When the sailor departed the Chinese girl presented him with the strands of dried dough as a token of her regard for him.

Back aboard his ship, the practical sailor tried to salvage the dough by softening it in hot water. He tasted the cooked dough and was so pleased with it he hastened to the great Marco Polo with his discovery. Polo also liked the new dish and introduced it to western civilization when he returned to Italy.

This first National Macaroni Week is being suported by many leading food manufacturers. The public is being told about the celebration through national magazines, newspapers, and special radio and television shows.

Many macaroni products are made right here in Tecumseh, and according to Donald Nixon, local manager for the Quaker Oats Co., these macaroni products are shipped to all parts of the country. They have the distinction of being among a very few brands which enjoy such wide distribution.

Today, people in all parts of the world eat macaroni products. If you serve macaroni, spaghetti or egg noodles during Macaroni Week, recall that the food you are enjoying resulted from the negligence of the preoccupied Chinese maiden.

LEGION AUXILIARY OFFICERS INSTALLED THURSDAY EVE

At a special meeting of the American Legion Auxiliary held on Thursday evening, newly elected officers were installed by the recently organized ritual team, with Mrs. Lee Taylor of Brooklyn as installing officer. Those installed were Mrs. Majel Holden, president; Mrs. Pearl Osburn, first vice president; Mrs. Wm. Partee, second vice president; Mrs. Joyce Manwaring, secretary; Mrs. Robert Lowe, assistant; Mrs. Floris Snyder, treasurer; Mrs. George Wittrup, historian; Mrs. Purnell Osburn, chaplain; Mrs. Keith DesErmia, sergeant-at-arms; Mrs. Pearl Brown, member of executive board. Refreshments were served after the work by Mrs. Jessie Sluyter and committee.

LEGION AUXILIARY HELD OCTOBER MEETING MONDAY

The October meeting of the American Legion Auxiliary was held at the Legion Home, Monday evening, with 25 members in attendance. The new president, Mrs. Laine Holden, presided at the business meeting. Several members volunteered to work in the canteen on October 12 and 13 when the Bloodmobile will be in Tecumseh. The president announced the committee chairmen for the new year.

Mrs. Charles Osburn and Mrs. William Partee were appointed as team captains for a membership drive which will continue during October. The losing team will treat the winners to a potluck supper to be held at the regular November meeting.

In conclusion refreshments were served by Mrs. Laine Holden and committee.

SEMPER FIDELIS

The Semper Fidelis Class of the Methodist church will hold their regular meeting Sunday evening in the parlors of the Methodist church. Mr. and Mrs. Harry Stanifer are in charge of the program and Mr. and Mrs. Aden Meade and Mr. and Mrs. Clifford Deaner the hostesses.

Monday Club Opens New Year

DR. PERRY EPLER GRESHAM TO BE SPEAKER AT NEXT MEETING NOVEMBER 6

The Tecumseh Monday Club opened its fifty-sixth year with a luncheon in the Methodist church last Monday. The officers and past presidents found their places at a long table by means of hand painted place cards. All of the tables were beautifully decorated with candles ranging in color from cream to brown which were placed among mounds of oak leaves, marigolds, bittersweet, and gourds. At each place the members and their guests found nosegays of bittersweet which were tied with bows of ribbon in the fall colors. Throughout the room were several arrangements of flowers which are in season. Mrs. Herbert Murphy, assisted by Mrs. Roscoe Hewlett, planned and made all of the table decorations.

Following the luncheon, Mrs. Truman Rentschler, the president, conducted the business meeting during which she introduced the officers, department chairmen, and standing committee chairmen. She announced that Mrs. Jennie Satterlee, Mrs. Glen VanDenbergh, Miss Edith Ingersoll, Mrs. Jennie Temple and Mrs. George Green had served on the committee for the luncheon reservations. Mrs. Earl Wood and Mrs. Lynn Hubbard, by virtue of their offices, will be the delegates to the Southeastern District Convention in Lansing on October 19 and 20th. During the convention Mrs. G. Mennen Williams will entertain those present at a tea in her home.

Mrs. E. J. Aebersold distributed the year books to the members and drew attention to the evening program on Monday, November 6, when Dr. Perry Epler Gresham, a noted speaker of Detroit, will be present to talk on "Free Minds for a Free World." The meeting will be in the Grange Hall and will be preceded by a dinner which will be open to the public.

Mrs. Guy Pocklington presented the club with a framed certificate showing that the organization was more than fifty years old. The certificate had been presented at the convention of the Michigan State Federation of Women's Clubs. Mrs. Perry Hayden announced that the past presidents would participate in a television program using their own talent. This proved to be very interesting and much to the enjoyment of those present. Those participating were Mrs. Perry Hayden, Mrs. Guy Pocklington, Mrs. Frank Turner, Mrs. Charles Williamson, and Mrs. E. T. Armstrong. It is traditional for the past presidents to provide the program for the opening meeting.

Local F.F.A. Chapter Wins High Honors In Judging

The annual F.F.A. judging contest was held on September 21 at the county fair. Our local chapter won highest honors in the dairy judging contest with a total of 907.3 points.

The high man in the contest from our chapter was Leister Williams who had a total of 303.7 points. Richard Young was second with a total of 303.6 points, and Donald Bailey placed third with an even 300 points. The highest possible score for each individual was 400 points.

The class consisted of one ring of aged Holsteins, junior Holsteins, aged Guernseys and aged Ayreshires.

These three boys won an attractive banner, which is on display in the agriculture room at the high school. Each of the three boys also won cash awards.

In the livestock judging Erwin Pennington took first place, Don Bailey, second, and Arthur Strachn third.

In poultry judging Merlyn Wagner was the high man, Melvin Schafer, second, and Robert Bird, third.—M. Wagner, reporter, F. F. A. Chapter No. 15, Tecumseh, Michigan.

MRS. EMMA MUNGER OF TIPTON PASSES AWAY

BUTTER IS THE KEYSTONE OF MICHIGAN'S AGRICULTURE

AGRICULTURE is Michigan's most VITAL INDUSTRY

BUTTER is that industry's most VITAL PRODUCT

The welfare of every man, woman and child in Michigan depends on the state's dairy industry represented by more than 132,000 dairy farmers with an investment of 2 and ½ billion dollars.

One in every six families in the state is dependent for livelihood on the dairy industry. More than 600,000 derive all or part of their incomes from dairying. Income from dairy herds last year amounted to $681,000,000.

And this vast industry depends on butter for its solid foundation. Butter is the one dairy product which is a storable, staple food—the dairy product which absorbs excess production during the flush spring season and makes it possible to have a sufficient supply of fluid milk and other dairy products during the many months of low milk production.

Without butter, the vital dairy industry would be completely out of balance—during many months of the year fluid milk would be scarce—prices would zoom and the public health would be jeopardized. Butter is of great import to every person in Michigan—it helps to keep milk production on an even keel. Farmers realize the great importance of butter for it means large dairy herds throughout the state. Dairying is the greatest soil conservation measure known to mankind.

To keep Michigan prosperous and her people healthy, dairying must be maintained—milk provides one-fourth of all of our food. There is little wonder that thinking people want to protect the butter market against imitators who would help destroy Michigan's greatest industry for the sake of profit to themselves. And those who seek to wreck this state's dairy business for the most part have no interest in Michigan except to take her money away. Michigan is prosperous and a wonderful state in which to live largely because of her excellent dairy herds and unsurpassed abundant supply of milk.

Michigan's dairy industry has grown up with the state—it can be given a mortal blow over night by letting selfish imitators destroy the KEYSTONE of the industry—THE BUTTER MARKET.

Customers Who Are Planning GAS FOR HOUSE HEATING

Customers will have 30 days to make application for space heating after gas becomes available in Tecumseh.

Gas Heating restrictions granted by the Michigan Public Service Commission authorizes the Company to restrict the sale and delivery of natural gas in all house-heating or other space heating installations that do not have approved in writing an application for space heating service *received within thirty (30) days after gas is first made available.*

The order shall remain in effect until further order of the Commission. We urge you not to wait if you are thinking of gas for house-heating as no commitments can be made for next summer or the following summer.

Service applications for cooking and water heating will still be accepted beyond the 30-day period.

CARD OF THANKS

This card of thanks cannot express the sorrow in the death of our beloved husband and father. After over 60 years of married life together, he has gone home for that long and peaceful rest. We also want to thank all our many friends and neighbors and Rev. Carter and brother Ben Housley for their comforting words, the brothers of the Odd Fellows of Britton, and Rev. B. O. Bashore, of Tecumseh, and for the lovely flowers, cards and other kindnesses.
Mrs. Will E. Allen and family

CARD OF THANKS

I want to thank all the people who sent me gifts, flowers, and cards, while I was in the hospital; also a big thank you for the nurses, and Drs. Helzerman and Hammel and Claxton; all of the blood donors; and to the Rev. Escolme and all the members of the church who prayed so earnestly for my recovery.

Want to head the Hit Parade?

Better Buy Buick!

PERHAPS you've noticed that there seem to be a lot of these brawny beauties running around on America's highways—and it isn't just that boldly gleaming forefront that spreads this impression.

It isn't just the fact that folks who own a Buick get such a bang out of it that they do a lot of driving.

Back of all this is another fact. It's a fact that contains a broad hint to anyone who'd like to know what's what in motorcar buys. *1950 Buicks are breaking all past popularity records, as registered in sales.*

So we suggest that you do some personal investigating.

Find out, for example, how masterful you feel, with Fireball power purring away the miles, at a polite touch of your toe on the gas treadle.

Find out how the jolts and jars seem to disappear, when you have big soft coil springs on all four wheels, and fat low-pressure tires on wide Safety-Ride rims.

Then there's Dynaflow Drive,* which Buick owners vote the biggest automotive hit that has come along in years.

With all this, there's room, and comfort, and road-hugging heft combined with a light and willing response to your hand on the wheel—*and prices that start down with the sixes.*

Seems like almost everyone wants to own one of these Buicks—and most people can. How about you? Isn't it a smart idea to see your Buick dealer now and get your name on his list?

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Only BUICK has Dynaflow—and with it goes HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, fenders through • TRAFFIC-HANDY SIZE, less overall length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube

Interesting Facts About Voters

ONLY TWO-THIRDS OF THEM ARE REGISTERED IN THE TOWNSHIP AND VILLAGE

One of Tecumseh's civic minded citizens has just come up with some very interesting statistics on the number of registered and unregistered voters in Tecumseh and Tcumseh township. Working independently and without renumeration, he reveals figures that tell in part the reason for the light vote at the primary, as well as other recent elections.

Tecumseh village has a total of 2510 potential voters while Tecumseh township has 649 for a grand total of 3159. Of these only 2111 are registered, leaving 1048, or approximately one-third of the potential voters ineligible to exercise their franchise—a surprising figure.

The largest turnout of voters ever to go to the polls in both the village and township was at the 1948 presidential election when 1540 citizens cast their ballots. This leaves 571 registered voters who failed to cast a ballot in addition to the 1048 not registered, or a total of 1619 who did not vote.

Another factor that contributes to the small number of votes cast is spoiled ballots. At the primary election September 12, 41 voters in the village alone apparently failed to read the instructions on the ballot and voted both sides, which rendered their votes void.

Interest in governmental affairs seems to be about equally divided between the members of both sexes, for of the 3159 registered voters 1592 are men and 1567 are women.

"It would seem to us that a good piece of patriotic work could be done by the civic minded citizens of the community in getting the unregistered voters on the registration book and then at election time doing their best to see that they go to the polls," remarked one of our citizens after taking a look at the above figures.

NEXT RETAIL CONFERENCE WILL HEAR MRS. GRINNELL

Mrs. Rachel Grinnell, a specialist in employee training for retailers, will conduct the third Retail Conference at the high school next Tuesday evening. Mrs. Grinnell, a graduate of Olivet College, has had extensive experience in personnel work in retail stores.

With salesmanship proving to be one of the prime problems of retailers today, it is expected that this conference will be one of considerable value to Tecumseh retailers.

At Tuesday's conference, Ralph Toaz, secretary of the retail division of the Lansing Chamber of Commerce, conducted the discussion on "Community Retail Promotion." There was a lively discussion in connection with Mr. Toaz's presentation, and the retailers present commented on the value they were receiving.

EXCHANGE CLUB HEARS NATIONAL EXECUTIVE

The Tecumseh Exchange club met Monday evening in the V. F. W. rooms with 50 members present. A short business meeting was conducted, and Mr. Hubert Daley, the National Regional Executive Director, gave a very interesting talk on the Thirty-second National Convention which was held in Washington, D. C., recently. This is a combined group of the Exchange Clubs in the United States. This is the first organized group to place a wreath on the Unknown Soldier's Grave at Arlington. Fifteen hundred men attended the convention and 500 clubs from the United States were represented. The next national convention will be in 1951 at Miami Beach, Florida.

The local organization has erected their Exchange Club signs on approaches to the Village of Tecumseh.

24 ATTEND LUNCHEON AT COUNTRY CLUB

Twenty-four women attended the 1 o'clock luncheon at the Tecumseh Country Club last Wednesday. Canasta and bridge were the diversions, with honors being awarded to Mrs. Marvin Watkins at canasta and Mrs. D. D. Walper at bridge. The hostesses, Mrs. William Damon and Mrs. Joseph Horvath, brought home-made cakes for the prizes.

The hostesses for October 11th are Mrs. William Britton, phone 62, and Mrs. Maxwell Smith, phone 246J. Reservations are to be made not later than Tuesday noon.

FLORENCE WELD MISSION GUILD WILL MEET OCT. 9

The Florence Weld Mission Guild of the Presbyterian church will meet October 9, at the home of Mrs. Fred Recton, 207 South Union street. Mrs. Richard Molles will be assistant hostess. Miss Edth Ingersoll will lead in the discussion of the topic, Korea, and devotions will be conducted by Mrs. Alta Boyce. The Guild will hold a rummage sale in the Weatherman sales room on October 21 and 22.

ENTERTAIN AT TEA

Mr. and Mrs. L. W. Larsen entertained at a tea in their home September 24, thirty guests in honor of Miss Margit Kormendy, contralto soloist of Fort Street Presbyterian church in Detroit, and Mr. James Spencer, organist of St. Peter's church, following the vesper service.

MEN'S CLUB TO HEAR CANDIDATES FOR CONGRESS

The Presbyterian Men's Club are having their regular meeting Wednesday evening, October 11, in the basement of the church, with John Dawson and George Meader, candidates for Congress, as speakers. The topic for discussion will be "Future Role of a Christian in United States and International Affairs," and the speakers will be limited to one-half hour each. Refreshments will be served in conclusion and an admission charge will be made.

HOSPITAL AUXILIARY TO HOLD REGULAR MEETING

The Tecumseh Hospital Auxiliary will hold their regular meeting, October 10th, in the Presbyterian Fellowship Center. The hostesses are Mrs. R. K. Anderson, Mrs. Edward Boss, Mrs. Percy Bowen, and Mrs. Arthur Brown. Plans will be made for a rummage and bake sale to be held soon and also further plans for the annual Christmas Hospital Ball.

TRI-COUNTY CONVENTION

About twenty-five local women of the Royal Neighbors of Ivy Leaf Camp, attended the tri-county convention of the organization in Ypsilanti, last Wednesday. During the afternoon the local group presented a play, "Stump Hollow Station." Those taking part were Mrs. Orin Beevers, Mrs. Alice Collum, Mrs. Don Morley, Mrs. Carroll Frost, Mrs. George Kopka, Mrs. Earl Collum, Mrs. Earl Beevers, Mrs. Carl Glancy, Mrs. Robert Smith and Mrs. Minnie Tate. A vocal trio composed of Mrs. George Green, Mrs. Glancy and Mrs. Smith, sang "Little Old Lady" with Mrs. Tate appearing as the little old lady.

ANNOUNCE MARRIAGE

Mr. and Mrs. Bertrum Updike announce the marriage of their daughter, Mrs. Janet Ann Blair to Mr. Samuel Austin Whitney on Saturday, September 29, at five-thirty in the church at Iron Creek, by the Rev. Alvin C. Brazee. They were attended by the bride's mother, Mrs. Bertrum Updike, and James Beardsley.

Mr. and Mrs. Whitney are residing in their home at 305 S. Union Street in Tecumseh.

W. C. T. U. TO MEET

The first meeting of the W.C.T.U. will be held at the home of Mrs. Jessie Brown, Tuesday afternoon, October 10, at 2:30.

LOCALS AND PERSONALS

Check Poultry Flock In Fall For Non-Layers

A job poultry raisers should tackle this time of year is to round up all hens and close them in the house, preferably before the first frost, Michigan State College poultry specialists advise.

Two principal reasons make this a good practice. One is to select and cull hens, which have ceased laying and the other reason is to select and cull pullets, which are beginning production. Old hens which have stopped producing should be marketed.

Because it is easy to mistake a non-laying old hen for a young pullet which has not started laying, it is wise to keep birds of different ages in separate flocks.

In the event this is not possible, birds should be marked. A hen which has a complete new set of feathers and deep orange-colored shanks has been out of production for six to eight weeks at least.

Motor scooter accidents in cities killed about 65 persons and injured 5,000 in 1948.

New Idea in Dishwashing

Operating on a "revolutionary" principle of automatic dishwashing, this new Youngstown Kitchens dishwasher will do the family's dishes in less than 10 minutes. The young lady holds the partially filled upper basket to show how cups, glasses and silverware are positioned. A lower basket holds plates, larger dishes and pans. The machine will hold table service for six people. The tube in the middle of the tub is a jet tower which spins and throws powerful streams of water which shear food particles off dishes. Water at 180 degrees is delivered from a booster heater tank in the machine.

July was the peak month for accidents in 1949. There were 8,900 accidental deaths in that single month—1,300 more than the average.

V.F.W. District Commander H. P. English, of Jackson, will conduct the meeting. Up for discussion will be plans for activities of the organization during the coming months, as well as ways of implementing civil defense plans in the area.

Delegates from the V.F.W. Auxiliary in Tecumseh will be the president, Mrs. Harlan Boyes and Mrs. Grace Coffee, Mrs. Dora Warren, Mrs. Ethel Hammack and Mrs. Marjorie Moore.

17TH ANNUAL HARVEST FESTIVAL

The 17th Annual Harvest Home Day observed by the Tecumseh Friends church will be held next Sunday, October 8, with appropriate services at 10:00 a.m. and 7:30 p.m. Dr. G. Arnold Hodgin will preach at the morning service and Rev. B. Francis Glenn will be the preacher at the evening service. At both services there will be special music by students from Cleveland Bible College. As in previous years the church will be decorated with flowers, fruit, vegetables, and canned goods, and all the produce, together with the cash offerings at the worship services will be given to Cleveland Bible College. It is hoped that the bulk of the offerings in produce will be brought to the church on Saturday, but contributions of goods will be gladly received on Sunday morning.

COMMUNICATIONS

To the Tecumseh Herald:

Only seven people from Tecumseh, Michigan, attended the corn roast given in their honor. Our sister community, Tecumseh, Ontario, was the host. Mr. and Mrs. Howard Diedrich and Mr. and Mrs. Ronald Harris were among the seven who attended from here.

Hugh quantities of corn, butter and salt were on hand. The trap shooters, mens' and ladies' teams, were ready but no one was interested in these events. Our genial hosts waited until 10 p.m. for more guests but they gave up. They did not say so but could see that they were hurt.

Their party was a flop, a bust. Why? Because we could not find time to go. Perhaps the clubhouse was not lavish enough. One could not boast or brag about oneself. The so-called village officials and big-wigs were not present, so why should the small fry try to spread some good will. The small fry were too busy in Tecumseh, Michigan, trying to imitate the big-wig.

We are so busy chasing rainbows and the almighty dollar that we never stop to say "hello" to our neighbor.

It is about time that we all pause and think where are we going; also we are taking a lot out of this world. What are we putting back?

Remember, hereafter, that when you are invited to go some place, please have the humility to tell your host that you CAN'T be there; don't leave them out on a limb.

Howard Diedrich

RICICA—VALLIE

The Congregational Christian church in Britton was the scene of a wedding lovely in its simplicity, Saturday evening when Mary Louise Ricica, daughter of Mr. and Mrs. Charles Ricica of Britton, became the bride of James Vallie, son of Mrs. Leonard Ramage, also of Britton. The double ring ceremony was performed by the Rev. F. B. Clifford. Palms and large baskets of chrysanthemums and lighted candelabra decorated the church.

Mrs. Philip Gentile, jr., played several selections of nuptial music, and Lohengrin's Bridal March. She also accompanied Mrs. Gordon Miller who sang, "I Love You Truly," and "Because." Mrs. Gordon Miller sang "The Lord's Prayer," as the couple knelt before the altar.

The bride entered the church on the arm of her father. Gowned in white sating and imported French lace, the lace yoke continued over her shoulders, ending in a point at the waist. A lace insertion covered the front of the skirt while the back of the gown fell into a court train. Self-covered butttons extended from the lace Peter Pan collar to the waist line. Her fingertip veil of illusion fell from a Juliet cap of criss-crossed satin adorned with pearls. Her only jewelry was a single strand of pearls, a gift of the groom. She carried white roses and ivy.

The maid of honor, Rosemary Gilmore, college roommate of the bride, and the bridesmaid, Ann Marie Ricica, sister of the bride, wore identically styled gowns of candy green and dusty rose, respectively. Their matching headdresses wore of braided satin with intertwining pearls, and each carried rose and cream chrysanthemums. The flower girl, Rebecca Ramage, youngest sister of the groom, was dressed in a floor length gown of embroidered white sating and carried pink and blue chrysanthemums, and her headdress matched the other attendants.

Martin Keasel, jr., assisted Mr. Vallie as best man. Frank Vallie, Jerry Korican and Richard Vallie seated the guests.

Mrs. Ricica chose for her daughter's wedding a green dress with brown accessories and wore a corsage of cream chrysanthemums. Mrs. Ramage, the bridegroom's mother, chose a maroon dress with black accessories and her corsage was of pink button chrysanthemums.

A reception following the ceremony was held at the V.F.W. hall in Dundee, for 400 guests. A four-tiered wedding cake centered the bride's table.

After a short wedding trip, Mr. and Mrs. Vallie will reside in an apartment at 607 W. Chicago Blvd., in Tecumseh. The bride will continue her teaching duties in the Tecumseh schools and the groom will continue his police administration course at Michigan State College.

BIRTHDAY PARTY

Mrs. Harold Hicks entertained a group of children Friday afternoon at her home on South Union street for the pleasure of her daughter, Helen, who was celebrating her seventh birthday. Games were enjoyed and refreshments were served. Helen received many nice gifts.

Can Eliminate Fire Dangers

FIRE CHIEF HERE POINTS OUT HAZARDS; URGES ON-THE-JOB EXTINGUISHERS

The Village of Tecumseh is cooperating this week with the county and the nation in observing National Fire Prevention Week.

"Such a week is a good thing," Cecil Alderdyce, local fire chief, said today, "but there is one thing about it that is wrong. Every week should be fire prevention week, and daily we should stop to consider our mistakes and correct them to prevent fires.

"As fire chief," Mr. Alderdyce continued, "I have noticed a number of mistakes made by the people residing in the area we serve, and there are a few things that all of us can do to get rid of existing hazards."

The hazards enumerated by the chief follow:

At this season, heating plants are being started. All of them are a potential fire danger. They should be carefully inspected and cleaned. Soot should be removed from pipes and chimney, and broken or worn and rusted pipes replaced. Automatic heating equipment should be thoroughly checked to be certain that all mechanical devises are operating. Such inspections should be made frequently. Leaks should be immediately corrected.

Attics should be cleaned out as well as store rooms and basements. Such cleaning pays big dividends in fire prevention.

"Fire is no respector of persons," the chief warned. "Homes may be destroyed, business blocks lost, and in many instances disastrous fires could have been prevented."

The chief praised the work of the local department, pointing out that it is well trained and equipped. However, he warned that there sometimes are delays in turning in alarms, due to lack of phones or weather conditions, and he urged the installation of proper "on-the-job" emergency fire fighting equipment. He lauded the township board for its co-operation with residents in bringing low-cost on-the job emergency equipment to the public. Kenneth Ross, fire chief at Tecumseh Products Co., also joined Alderdyce in praising such a program.

The emergency on-the-job equipment now is being made available to residents at a financial saving, it was said, and many on-the-job installations are being made in homes and places of business throughout the village and township.

Tecumseh Bows To Clinton, 13-12

CLINTON'S 75-YARD MARCH LATE IN FOURTH PERIOD RESULTS IN INDIAN DEFEAT

Some 1500 howling fans saw the Tecumseh high school Indians go down to a one-point defeat at the hands of the Clinton Redskins last Friday evening on the Clinton gridiron in a ding-dong battle that kept the crowd cheering right down to the final whistle. The final score was 13-12. Hard, clean play featured the game throughout.

Most of the first quarter play was in Tecumseh territory, the ball changing hands several times on fumbles by both teams. A beautiful 50-yard punt by VanWinkle put the Redskins back on their own 24-yard line just as the quarter ended.

Clinton drew first blood midway in the second period when Knight intercepted Whelan's pass on his own 40-yard marker and zig-zagged his way back to Tecumseh's 14, Hart bringing him down on a fine tackle. Four tries at the line netted Clinton a first down on the four-yard line by a matter of inches. It took the Redskins four more plays to put the ball over, Richardson smashing through

KIDS, LEAVE MAILBOXES ALONE ON HALLOWEEN

Kids, leave those mailboxes alone on Halloween!

Postmaster F. E. N. Thatcher has been asked by the Postal Inspection Service to warn youngsters against tearing down or damaging mailboxes. The offense carries heavy penalties of up to three years in a penal institution or a fine of $1,000.

Complaints of tampering with mail boxes should be reported to the local police and to the Postmaster.

Hit And Run Driver Gets 4-Day Jail Term

Donald Withrow, 18, Tipton, drew a four-day jail term, a fine of $15 and costs of $8.60 when he plealed guilty to leaving the scene of an accident when he was arraigned in Justice Robert French's court here.

Police apprehended Withrow after his car had struck a bicycle in the hands of William Covell, 13, of 106 Hiawatha street, Tecumseh, at 12:30 p.m., October 5. The accident happened at Ottawa and Chicago Boulevard as young Covell was standing beside his bike, awaiting an opportunity to cross the street. The bicycle was damaged and the boy suffered minor injuries.

Police said that Withrow did not stop and was later apprehended. He was ordered to pay the costs of repairing the Covell bicycle.

This Is Fire Prevention Week

THE SUGGESTIONS GIVEN BELOW WILL HELP YOU MAKE YOUR OWN HOME SAFER

Ocvtober 8 to 14 has been proclaimed National Fire Prevention Week, and this year carries a special significance when America is racing to arm itself. Most fires can be prevented by simple precautions, and below we list but a few of the many things that can be done to keep fires from starting.

Locate and dispose of all oily rags. Check your home thoroughly to be sure!

Have electrical wiring checked for safety—and do it now!

Have fire extinguishers in strategic places throughout your buildings. That first couple of minutes when a fire starts can easily spell the difference between a minor blaze or disaster.

Inspect your heating system for poor pipes; clean registers, smoke pipes, etc. Be sure the fuel supply for your heating system is in proper containers and properly installed. Use only metal containers for ashes and ash trays.

One way to commit suicide is to make a habit of smoking in bed.

Keep matches out of the reach of youngsters.

Use only the proper fuses in fuse boxes. Under no circumstances use a penny to replace a burned out fuse. If fuses persist in burning out, have the electrical system checked by an electrician.

Whenever you leave your house unattended, be sure the heating system, flat iron, stoves, etc., are shut off.

Be careful of your smoking habits. Thousands of fires are caused each year by smokers' carelessness.

Don't burn leaves and trash without taking extra precaution to have water or an extinguisher handy. And under no circumstances start a fire out of doors when the wind is blowing.

And remember that almost every fire could have been PREVENTED!

Millers Guests At Meeting Here

HAYDEN FLOUR MILLS HOSTS AT DISTRICT ASSEMBLY IN TECUMSEH

District No. 6, Association of Operative Millers, including members in Michigan, Ohio, and Indiana were guests Saturday, October 7 of Hayden Flour Mills for the fall meeting.

Registration of members and inspection of Hayden Flour Mills plants took place in the morning, and at 1:15 the business session convened at the American Legion Hall. Among those participating in the program were Albert Marsh, formerly of Tecumseh, who is now in Milwaukee as one of America's top flight milling engineers; Austin Drake of Tecumseh, representing the Safety Car Heating and Lighting Co. of New Haven, Conn.; L. E. Collier, international president of A.O.M. from the National Biscuit Company's Toledo Flour Mill; Donald Eber, executive secretary of A.O.M., from Kansas City, Mo.; E. J. Moore, vice presi-

Business Specialist To Talk To Merchants, Oct. 17

George R. Petrie, business specialist from the Detroit office of the United States Department of Commerce, will be the speaker at the next Retail Conference to be held Octobr 17 at the new high school.

Mr. Petrie will talk about the "Economics of Retailing." The present emergency makes this topic of great concern to business men. Mr. Petrie is reported as able to handle this highly fluid topic capably, bringing in the daily changes that war conditions and executive orders are bringing about.

He will also explain to retailers the services that are available to them from the Department of Commerce, with the field office in Detroit as capable of presenting these services as if the retailer took his problem to Washington.

Mr. Petrie's position is one of which keeps him constantly aware of current business conditions, and he is expected to be in a position to help local merchants considerably.

CROP Film To Be Shown Here

PICTURE DEPICTING ACTUAL CONDITIONS IN EUROPE TO BE PRESENTED HERE SUNDAY

The recently filmed motion picture "Address Not Known," depicting actual conditions existing in Europe today will be shown at the Tecumseh Friends church Sunday evening, October 15, at the 7:30 service.

The Men's Bible Class, whose president is Mac Powell, will have charge of the service. Perry Hayden will preside. Mac Powell will read the Scripture; Oscar Mead will lead in prayer; Ralph Comfort will sing; Merrit Chase and Perry Hayden will both speak briefly; the Girls' Quartette, consisting of Thelma Owen, Josephine Powell, Ralph Comfort, and Mac Powell, will furnish a number.

George Schumm, Tecumseh chairman of CROP, in a long distance phone call from Columbus last Monday, reported that Raymond W. Miller, consultant to the Food and Agricultural Organizations of the United Nations told him that he felt "CROP was the smartest practical type of Christianity."

The goal for Tecumseh is 600 bushels of wheat. An offering taken at the Tecumseh Friends church will go towards the Tecumseh goal.

FUNERAL SERVICES HELD FOR MISS MARLENA CRAIG

Funeral services for Marlena Craig, fourteen years old, of Clinton, were held Thursday at 2 p.m. in the Macon Methodist church with Rev. Vaughn Whited officiating. Marlena, daughter of Mr. and Mrs. Walter Craig, died shortly before 1:45 p.m. last Monday on the way to University Hospital in Ann Arbor, and had been ill only a few days.

The honorary bearers were Shirley Summerset, Patty Hasted, Karen Swanston, Jo Ann Leszczewski, Lenora Jordan and Marian DeLand. The active bearers were Ernest Kollar, Robert Kollar, Dale Monagin, Max Morden, Leroy Betzel and Ermine Finkbeiner. Burial was in Macon cemetery. Friends and relatives attended from Adrian, Saline, Manchester, Jackson and Clinton.

First Year Of 4-H Nets Big Reward

SWINE ENTRY OF MISS MARY LOUISE KOTTS WINS 4-H GRAND CHAMPIONSHIP

Seven ribbons and a gold cup, plus the profits from the sale of her grand champion barrow was the reward for 12-year-old Mary Louise Kotts in her first year of 4-H club work.

Mary Louise took up 4-H work less than a year ago, and for her first project chose swine raising. Selecting three from a litter of eight pigs as a pen of market hogs, she entered them in the Junior Livestock Show at the Lenawee County Fair. And was she surprised at the results!

The first ribbon came when the pen placed third in Class A. Then they placed third in type for a pen of three for the second ribbon. Ribbons number three and four were next when upon entering an individual barrow in the Junior Show it placed first in type and walked off with the 4-H grand championship. After all these awards she was induced to enter her animal in the open class and that is where ribbons five and six came from. The barrow won the reserve grand championship and placed first in type in this class. Ribbon number seven was an award for fifth place in showman-

Three Drivers Get Jail Terms

FIVE-DAY SENTENCES PLUS FINES AND COSTS METED OUT FOR RECKLESSNESS

Three reckless drivers, two of whom raced police at excessive speeds, drew five-day jail terms when they were arraigned before Justice Robert French here within the past week.

Lynn Clement, 24, Adrian, drew a fine of $75, costs of $8.60 and a five-day jail terms when he pleaded guilty of reckless driving on October 6, starting at 12:20 a.m. According to police, Officers Groff and Schulze attempted to apprehend Clement on West Chicago boulevard. He increased his speed on the boulevard in excess of 70 miles an hour and the police car gave chase. Between Tecumseh and Tipton and Tipton and Adrian they clocked the Clement car at speeds in excess of 100 miles an hour. Clement was apprehended in Adrian.

Officers Heberlein and Schulzt arrested Kenneth Lee Weasel, 18, of Rt. 1, Deerfield, after a chase that started at 8:30 p.m., October 6. He drove west on the boulevard to Union street and north on Union to Brown, then left on Brown to Ternes road where his car skidded for 51 feet into a field. Police said he was driving in excess of 80 miles an hour. Miss Alice Teide, 18, of Holloway, was

MRS. ANNA O. HARRIS DIES IN CHICAGO

Word has been received by Mrs. Ella Aten of the death of Mrs. Anne O. Harris, widow of the late Dr. Frederick G. Harris at her home in Chicago, September 26, after a long illness.

Mrs. Harris was a charter member of the League of Women Voters of Illinois and worked in civic affairs with Jane Adams in the Chicago Women's Club for many years. She was a daughter of the late Mr. and Mrs. Jas. Osborn of Macon township and is survived by her sister, Harriett Perkins and her niece, Helen Perkins, of 415 Prescott St., Toledo, Ohio, and other nieces, nephews and several cousins. Private burial services were held in Chicago.

Gas Turned On To Heat Homes

TWO-THIRDS OF CUSTOMERS IN TECUMSEH NOW CONNECTED WITH THE MAINS

Two thirds, approximately, of the customers of Consumers Power Company who will heat their homes this winter with natural gas now are connected with the mains and their burners are in operation, S. Henry Smith, local manager, said today. Mr. Smith estimated that many more service connections would be made over the week-end, and he expressed the hope that nearly all of the between 400 and 500 users would be able to have their burners lighted by the end of next week.

"Nearly all of the gas mains have been laid," Smith said, "except in the downtown district, where we still are at work. We have had special crews here every day making service connections, and we are rushing the job as rapidly as we can. Of course, we are meeting some difficulties. That is to be expected. However, we are making every effort to furnish heat to customers as quickly as we can."

In some instances, Smith said, the company is ready to connect residences with the mains, but customers are not ready for the service. In other cases, he said, customers are ready and waiting for th installation of meters and the lighting of burners. However, the "peak load" for connections will be over, he felt, by this week-end.

Many stores in the downtown area will be heated with gas this winter, it was said, and connections to mains will be made within a week or 10 days.

Smith said that many people still are applying for gas heating service. He warned that November 4 is the last day that the company can accept such applications for service this winter.

Chest Drive To Start October 18

TWO NEW TRUSTEES ARE ELECTED AT MEETING HELD FRIDAY EVENING

The board of trustees of the Tecumseh Community Fund and other interested parties met at the United Savings Bank Friday evening for their annual meeting and election of members of the board. Two new members, Mrs. Frank K. Smith and Mrs. Richard Preston, were elected to replace Perry Satterthwaite and R. H. Moore who had asked to be relieved of their duties.

Ronald Harris, secretary of the Chamber of Commerce, has been asked to serve as chairman of the drive which begins October 18. All groups who participate in the Community Fund have been requested to have their budgets in the hands of either George Adamson, chairman of the board, or Rev. Edward Escobar, secretary-treasurer, on or before October 16 in order that the board of trustees may go over them at the meeting to be held at the bank that evening.

Considerable sentiment has been expressed locally in favor of combining the drive with the United Health and Welfare Fund campaign this year, and the Community Chest board, which is understood to be in sympathy with the idea, is expected to take action on the matter at its Monday night meeting.

Mrs. Marietta Jeffries, Former Resident, Dies

Mrs. Marietta Jeffries, 56, wife of S. A. Jeffries of South Bend, Ind., died suddenly Saturday morning at their farm home one mile north of Macon. Mr. and Mrs. Jeffries had been spending the past week at the farm, coming for the wedding of their nephew, Edward Robison of Clinton, Saturday.

Mrs. Jeffries, who was the former Marietta Robison, was born on the farm where her death occurred and was a daughter of the late Fred and Hattie Robison. She graduated from Tecumseh high school in 1918 and later was employed in Ypsilanti and Lansing, moving to South Bend after her marriage to Mr. Jeffries in 1935.

Survived by her husband, she leaves one sister, Mrs. Stephen Hasted, who lives on the farm; two brothers, Ernest Robison of Tecumseh and Samuel Robison of Clinton; a step-daughter in South Bend, five nephews and four nieces.

Funeral services were held Tuesday afternoon at 1:30 at the Lockwood Funeral Home in Saline with burial in Lansing.

My office will be closed Oct. 12-22 and Nov. 1 through Dec. 3, inclusive. adv.

Annual Hallowe'en Party Here, October 31

Local service clubs and the Chamber of Commerce are preparing for the annual Hallowe'en party on Tuesday, October 31. Plans will soon be announced for the costume parade, the theatre party, and the window decorating contest —all features which the committees contend will be better than ever.

Tecumseh's annual Hallowe'en party has proved not only an entertaining feature for youngsters and oldsters alike, but is given credit for the reduction of vandalism to a minimum in recent years.

Crowd Expected At Band Festival

13 MUSICAL GROUPS TO PARTICIPATE IN MEET AT RECREATION CENTER

"This Is America," the patriotic band festival, is ready for its presentation at the Recreation Center next Wednesday evening, October 18, at 7:30, it was announced today by Clair Camburn, director of the local high school band, and the Rev. B. O. Bashore, chairman of the Chamber of Commerce committee.

Bands and directors in thirteen communities in Lenawee county and northern Ohio have been busy for weeks developing their parts in the program. The general patriotic nature of the theme was arranged by Mr. Camburn, but each band has developed the handling of its own particular episode in the pageant. Hence, each band will be striving to make its own episode outstanding in musical production and unique ideas of formation and presentation.

From the opening of the program until its close, there will be a constant appearance of bands in their colorful uniforms and playing their stirring music. In keeping with the patriotic theme of the festival, the program will open with the National Anthem and will close with the formation of a huge Liberty Bell, 70 by 80 feet in dimensions, with all of the bands participating in mass formation to play "America."

The complete program with the different bands and their directors in the order of their appearance is

Mrs. Sarah Rutherford Buried In Brookside

Sarah Arnetta Rutherford, aged 63 years, died at 11:20 p.m. last Thursday in St. Joseph's hospital, Ann Arbor. She had been in failing health the past several years and was a patient in the hospital for three weeks.

Mrs. Rutherford was the daughter of Mr. and Mrs. William Fielder and had lived all of her life in Tecumseh. She was a member of the Royal Neighbors.

Surviving are her husband, Howard, five sons, John Martin of Britton, Thomas Robert, Kenneth and Wallace Rutherford of Tecumseh; three daughters, Mrs. William Butler and Mrs. Marvin Jackson of Tecumseh, and Mrs. Arthur Betz of Blissfield; 23 grandchildren and one great-grandchild; a brother, Bertram Fielder, and two sisters, Mrs. Chester Louch of Napoleon and Mrs. Clark Sheldon of Manitou Beach.

Funeral services were held Monday afternoon at 2 o'clock, at the Green Funeral Home with Rev. Alvin Brazee officiating. Burial was in the Brookside cemetery. The bearers were Ned, Keith and Dick Lewis, Marvin Jackson, William Butler and Arthur Betz of Blissfield. The Royal Neighbors attended in a body and had charge of a part of the services at the cemetery. Friends and relatives attended from Jackson, Lapeer, Blissfield, Norville, Manchester, Manitou Beach, Flint, Adrian, Britton, Ridgeway and Tecumseh.

STRIKES TRACTOR

A car driven by LeRoy Ford of Adrian collided with the rear end of a tractor being driven north on M-52 by Harley Irwin of Route 1, Tecumseh, last Wednesday afternoon about a mile north of Birdsall. Mr. Ford told sheriff's officers he failed to see the tractor until it was too late to avoid the collision. Damage to both vehicles was minor.

DRAW FINES AND COSTS

Three men pleaded guilty in Justice Robert French's court during the past week to charges of drunkenness. LeRoy La Barron 32, Tecumseh, drew a fine of $25 and costs of $8.60. James A. Barron, 40, Tecumseh, drew a $25 fine and costs of $8.60, and Gale H. Goodes, 41, Tecumseh, was fined $15 and costs of $8.60.

Is Tecumseh Going To Fail?

BLOOD DONATIONS URGENTLY NEEDED TO BUILD UP SUPPLY OF PLASMA

Tecumseh has long enjoyed a reputation for putting across any worthwhile community project, but today it appears there is imminent danger of our falling down on one of the most urgent and worthwhile causes to be undertaken in this community in a long time.

We refer to the blood plasma clinic being conducted today and tomorrow at the American Legion Memorial Home. To date but few Tecumseh citizens have registered to donate a pint of blood to the blood bank. It is thought that perhaps some fear that giving of blood is a painful operation or that there will be ill effects from it. This is definitely not true. We know of one case where a student at the University of Michigan gave a pint of blood at regular intervals in order to meet part of the costs of his education.

There is still time for you to make this important contribution to the welfare of our community. Go to the Legion Home today or tomorrow between the hours of 1:30 and 5:30 p.m. and give that pint of blood. It takes but a few minutes and you will have had the satisfaction of knowing that you have done your part to help save the life of someone in this community—perhaps your own—for the plasma is processed and stored for future use.

Herrick Memorial Hospital has complete equipment for administering plasma as well as facilities for keeping a supply on hand. Let's see to it that they always have this supply. Give that pint of blood today.

Catholics Meet CROP Quota

DRIVE IS UNDER WAY IN LOCAL CHURCHES FOR 600 BUSHELS OF WHEAT

George Schumm, village chairman of the drive for 600 bushels of wheat for CROP reports progress being made. The first church to make a definite announcement was St. Elizabeth's Catholic, where a special offering was taken last Sunday, and this church has assured him that their quota of 120 bushels would be paid by this week.

The Tecumseh Friends church will be showing the film, "Address Not Known," at the 7:30 evening service, October 15, and a special offering will be taken to go towards their quota of 50 bushels.

"Hunger knows no denominational lines," said Mr. Schumm. "One of the encouraging aspects of the drive not only nationally and

Former Tecumseh Resident Dies In Bristol, Conn.

Mrs. Anna May Bailey Barnes, 80, wife of Arthur S. Barnes of 157 High Street, Bristol, Conn., died Monday afternoon, October 2, following a long illness. Mrs. Barnes was born in Springwater, N. Y., February 1, 1870, the daughter of Daniel and Henrietta Clarkson Bailey. Her parents later moved to southern Michigan. When she was two years old she went to live with an uncle and aunt, Mr. and Mrs. James Clarkson of Macon, Michigan.

She was a graduate of the Tecumseh high school in 1889, and from the University of Michigan in 1893. She then taught English in the high school at St. John's, Michigan and one year in New Haven.

Besides her husband, Arthur S. Barnes of the Bristol Press, there survive, two sons, Clarkson S. and E. Bartlett Barnes, both connected with the Press, and a daughter, Elizabeth Ertel, now Mrs. Martin E. Alvord of Manchester; also two sisters, Miss Emily D. Bailey of Clinton, Michigan, and Miss Eleanor L. Mead of Warminster, Penn., and nine grandchildren.

Mrs. Barnes was a member of the First Congregational church, Katherine Gaylord Chapter, D.A.R., the Tuesday Club, the Women's College Club and the Bristol Woman's Club.

Funeral services were held last Wednesday at 3 p.m., in the Funk Funeral Home, 35 Bellevue Ave., with Rev. Roswell Finkelman officiating. Burial was in the West Cemetery.

Tecumseh Methodist Church Annual Bazaar opens 2 p.m., October 18. Turkey dinner begins 5:30. $1.50 and 75 cents.

Honest Criticism Is Needed

David Lawrence, well-known columnist, in a recently syndicated article, says; "Whatever the immediate significance of the Korean war, a profound effect has been produced upon the long-range military policy of the United States. Never again can America depend on that narrow concept of a one-weapon strategy."

Mr. Lawrence then raises some very important points about which all our people have been thinking. Who is responsible for having deprived the Navy of its status as a "fleet in being?" Who took away from the United States Army its own airplane units capable of operating always with ground troops? Whose idea was it that land armies of the United States could fight without "armored divisions and tanks?" Who deprived us of overseas bases — floating or fixed?

Mr. Lawrence is bitter in his condemnation of civilian and military officials for what he says is one of the "worst blunders in all American history. It is a blunder inexcusable because it defied the plain lessons of history taught in every naval or military war college in every nation of the world for centuries past . . . .

"The price of peace is never inexpensive and the price of survival always is economic discomfort and sacrifice."

Tragically and inexcusably the exigencies of domestic policies cut the ground from under national defense at the moment when decisive strength was needed. As a result, thousands of Americans will lose their lives.

The kind of criticism backed with facts that is now being leveled at those in control of the military establishment is too serious to gloss over, or attempt to muzzle with admonitory advice that is still ill timed. The confidence of the people in the wisdom of top military policy has been shaken. Only honest correction of mistakes can restore that confidence.

—o—

What About Politicians' Belts?

It is ironical how quickly top public officials can take to the stump to tell private citizens to start tightening their belts in preparation for an impending military emergency. The private citizen is immediately put on the defensive when, as a matter of fact, the shoe should be on the other foot since government is the biggest business in the land and if there is any belt tightening to be done government should at least share it with the private citizens.

As Henry Hazlitt writes in Newsweek: "Even if all of the President's additional appropriation request is necessary, is it also necessary that the federal government should add that net amount to the expenditures it had already planned? Most of the bureaucrats and the congressmen who are so sternly calling on the consumers and taxpayers for more sacrifices are singularly silent about any cut in their own pet programs for handing out taxpayers' money to pressure groups."

For example, the various alphabetical agencies, with thousands of employees whose principal objective in life has been to discredit taxpaying investor-owned industries while relentlessly spending billions of other people's money, show no signs of curtailment.

Every public servant or administrator with the unmitigated nerve to threaten and warn the private citizens of hardships to come while at the same time condoning a single unnecessary expenditure of the taxpayers' money should not be allowed to remain in office.

—o—

What Is Socialism?

There are a number of federal and state office holders who are actively spending their time and the taxpayers' money to promote government ownership of some of the nation's basic businesses. They use public funds, taken from private enterprise in the form of taxes, to propagandize and lobby for government-owned business which pays no taxes.

It would be well for proponents of government monopolies and compulsory federal medicine to look up the definition of socialism in the dictionary before they object too strenuously to having their projects called "socialistic."

Annual Church Fair Next Thursday Evening

The Woman's Society of Christian Service of the Tecumseh Methodist church has completed plans for its annual bazaar and turkey dinner to be held next Wednesday, October 18, in the church. The bazaar will open at two o'clock in the afternoon with many interesting booths arranged by the following committees: fancy goods, Mrs. Lillian Gray, Mrs. Mertie Waring, and Mrs. H. H. Loveland; quilts, Mrs. James Foster; hand woven scatter rugs, Mrs. Charles Schoenholtz; aprons, Mrs. Edward Leighton, Mrs. Ernest Robison, and Mrs. George E. Green, sr.; country store, Mrs. Carl Burch, Mrs. Ed Pangle, and Mrs. Wm. Yeagle; bakery, Mrs. John Cameron, Mrs. David Dick, and Mrs. Grenval Spangler; candy, Youth Group; second-hand store, Mrs. Lenore West assisted by the Juniors; refreshments, Mrs. Betty Wilcox assisten by the choir members; posters, Methodist Youth Fellowship; cashier and dinner tickets, Mrs. George Wittrup; dining room hostesses, Mrs. Wilfred Waldron and Mrs. Luther Wood; table decorations, Mrs. Mertie Waring; dinner, Miss Vera Gilbert.

The dinner will be served from 5:30 o'clock until all are served. According to the president, the proceeds will be used for improvements on the church building and about the society's christian work around the world. This is their way of learning to live with people everywhere in a friendly manner and hoping that it may lead toward world peace. The bazaar and dinner will not interfere with Dr. Norman MacNaughton's discussions on Mental Hygiene at 7:30 o'clock on Wednesdays.

Monday Club To Hear About City Government

The Tecumseh Monday Club will meet in the country home of Mrs. Guy Pocklington next Monday afternoon at two o'clock. Mrs. Mills Swick as chairman, Mrs. Louis Schneider, Mrs. Fay Whelan, Mrs. Hoyt Whelan, Mrs. Wm. Swick, Mrs. Henry Ehlinger, Mrs. Elmer Linn, and Mrs. H. H. Hammel will be the assisting hostesses.

The department of applied education has arranged the program using as its theme "Tecumseh Day" with Mrs. Joe Rice as the leader. As a part of the program Mrs. E. J. Aebersold will give some facts about our main street, Miss Ruth Harding will discuss the work of the library and its services to the community and Mrs. Ronald Harris will give the pros and cons of village and city governments. For transportation the members may call anyone on that committee or Mrs. T. Rentschler, not later than Monday morning.

Miss Edith Ingersoll will represent the Tecumseh Monday Club on the program planned by the Chamber of Commerce for the Onsted Woman's Club when it visits Tecumseh on October 17.

MOTHERS MEET

The first meeting of the Kindergarten Mother's Club was held at the West Branch School, Monday afternoon. Thirty-one mothers were present. The future meetings will be on the second Monday of the month at 3:45 p.m. Tentative plans were made regarding subjects to be discussed. Mothers of pre-school children will be welcomed.

The lumber industry has recently perfected a new soil improver, tentatively called FERSOLIN, which is essentially sawdust, treated by simple chemical means. Preliminary tests of the soil improver on vegetable plants indicate higher rates of seed germination, earlier ripening and increased weights.

PARISH COUNCIL ANNOUNCES FALL DINNER PLANS

The parish council of St. Peter's church made final plans for the annual prime rib beef dinner to be held on Thursday, October 26, from 5:30 to 7:30 p.m. The menu of sliced prime rib beef and all that goes with it is in charge of the Daughters of St. Peter with Mrs. John McCaughen as president. The Lyster Junior Service League, Mrs. Helena Broiller, president, will decorate tables and serve the dinner. Ticket sale and publicity will be handled by the Altar Guild, Mrs. L. W. Larsen, president.

Tickets are now available to assure everyone time for reservation. The public is invited to attend.

COMPLETES COURSE AT LACKLAND AIR BASE

Pvt. Millard O. Snyder, 19, son of Mr. and Mrs. Oscar Snyder of 212 West Logan Street, has completed his AF basic airmen indoctrination course at Lackland Air Force Base, Texas. His basic training has prepared him for entrance into Air Force technical training and for assignment in specialized work.

state-wide, but right here in our own community is the fact that Catholics, Lutherans, and the many other Protestant groups recognize the need and are doing something more than just voicing sentimental platitudes. I am confident that Tecumseh's goal of 600 bushels will be reached."

Those not connected with local churches are urged to leave their gift at the United Savings Bank, with Dalton VanValkenburg, local CROP treasurer.

Because of the ease of handling money rather than grain, most of the gifts are being made in cash, on the basis of $2 a bushel. However, those wishing to bring in grain can take it to the Hayden Flour Mills, who will issue a receipt to the farmer, and then consolidate the payment in one check for all gifts in kind, to Dalton Van Valkenburg, local CROP treasurer.

A dedication service for a carload of beans will be held at Lowell, Michigan, at the Runcimann Elevator October, 13. On October 24 an entire cargo, consisting of 60 carloads of grain and food will go directly to Bremen, Germany, from Chicago. The cargo will be divided one-third to Catholic Rural Life; one-third to Church World Service, and one-third to Lutheran World Relief.

ship. Add to this the gold cup awarded Mary Louise and you have an accomplishment that not many 12-year-old girls attain in their first year of 4-H work.

According to her parents, Mr. and Mrs. Ned Kotts of Route 1, Tecumseh, Mary Louise spent hours caring for the animals, washing and scrubbing them almost daily just prior to taking them to the fair. "In fact," says her mother, "we had to caution her repeatedly against feeding them too much and cause them to be overweight by fair time."

The grand champion weighed 240 pounds and at the Junior Livestock sale sold to the Hayden Flour Mills through its superintendent, Chet Baker, for 75c per pound. The other two hogs in the pen averaged 237½ pounds, making a total weight of 715 pounds for the three six-month-old porkers.

Mary Louise is a member of the North Franklin Hustlers 4-H Club of which Charlene Joseph is leader. She attends the eighth grade at the Lampkin school in Franklin township.

BUSINESS AND INDUSTRY TO HANG OUT WELCOME SIGN

Tecumseh To Be Host To Onsted Club Women, Tues.

Tecumseh business people are reminded by the Chamber of Commerce that the Onsted Woman's Club will be their guests next Tuesday, October 17, for a day's study of our village.

The visitation is the result of inquires made by the Onsted group last summer as they were selecting a place for their annual fall trip. The publicity which Tecumseh has been receiving in recent years made them feel that a day spent here would be interesting and informative. A tentative schedule for such a day was prepared by the Chamber of Commerce which met with the approval of officers of the club on a visit here and which later was approved by the membership of the Onsted club.

It is expected that the group will arrive in Tecumseh about ten in the morning of the 17th. They will go first to historic St. Peter's church where Miss Edith Ingersoll will give them a short history of the town they are visiting. Following this Superintendent Earl Place will conduct them through the new high school while classes are in session, giving them an opportunity to see this modern educational plant in actual operation.

The visitors will then be taken on a tour of the town where they will see such housing developments as Herrick Park, the Indian Acres additions, and the Tecumseh Acres project. They will also see such activities as the building going on at the new Catholic church and the addition to Herrick Memorial Hospital. They will also circle the huge Tecumseh Products factory, so that they may comprehend the size of Lenawee county's largest industry..

guard for the last foot and the score. A pass, Knight to Campbell, was good for the extra point and the score stood 7-0.

Four plays later Clinton's Hoelzer intercepted one of VanWinkle's passes on his own 40 and raced down the sideline to score again, only to have the play nullified when a Clinton man was detected clipping.

It wasn't until the fourth quarter that Tecumseh began to roll. The third quarter ended with the Indians in possession of the ball on Clinton's 21-yard line. On the first play of the final period Van Winkle knifed through the right tackle for a first down on the seven. Four plays later Whelan cracked right tackle for the score. The try-for-point wailed and Clinton led 7-6.

After an exchange of punts, Tecumseh took the ball on their own 45 and marched all the way to hit pay dirt again, the score coming when Owen Campbell took Van Winkle's pass from the 13 to put the Indians in the lead 13-7. The try for point again failed.

With but three minutes to play it looked like Tecumseh had the game on ice. But Clinton was not to be denied. Taking the kickoff on their own 25, it took them just seven plays to march the 75 yards for their final tally and the ball game, Knight going over for the score from the four-yard marker. The try for the extra point was no good.

Tecumseh took to the air in the few remaining seconds in a desperate attempt to score but time ran out as they reached their own 39-yard line.

The proceeds of the game are to go to the family of the late Bob Harsh, former Clinton coach, who was killed recently in a plane accident in the Pacific, and while figures are not available as yet, it is thought that the goal of $1,000 was surpassed.

Friday night the Indians will journey to Hudson in quest of their second league win. Game time is 8 o'clock.

a passenger in Weasel's car. No one was hurt. In Justice French's court Weasel drew a fine of $75, costs of $8.60 and was sentenced to spend five days in the county jail. Miss Teide was not held by police.

On Saturday, October 7, police arrested Jesse Baughey, 27, Tecumseh, also charged with reckless driving. He failed to observe stop streets on West Pottawatamie street, and was driving at an excessive speed, officers said. In justice court he drew a $75 fine costs of $8.60 and a five day jail term.

"In the future," Chief M. E. Clark of the local police, said today, "drivers who attempt to evade arrest by attempting to speed their cars may expect no mercy at the hands of the officers or the courts. Such recklessness is extremely dangerous and will be punishable accordingly."

FREE PAMPHLETS AVAILABLE ON MAILING PARCELS ABROAD

For the benefit of those wishing to send parcels to relatives or friends overseas, the U. S. Department of Commerce has prepared pamphlets covering the regulations instituted by foreign governments covering such shipments.

A banquet was served at the American Legion Hall at 6:30, following which Perry Hayden showed the film, "God Is My Landlord."

The new chairman chosen for the coming year was Al Borchardt of Battle Creek. The vice chairman chosen was Clyde Davis of Ionia, Michigan. One hundred guests and wives were in attendance.

Church Bazaar, Dinner By Methodists, Oct. 18

The Tecumseh Baptist church is announcing the date of their annual church fair for next Thursday evening, October 19. The Fair features baked goods, fancy work, farm produce, and a candy booth as well as one of those famous cafeteria suppers with baked ham or chicken pie, home made pies and cakes and all the trimmings.

Committees for the event are as follows: vegetables, Norm McConnell and Ernest Harris; fancy work, Dorothy Grigg; fish pond, Evelyn and Mariya Arnold; publicity, George E. Green, jr.; supper, Doris Black and Mildred Green; candy, Doris and Norma Bilby; baked goods, Arlie Becker.

The public is cordially invited to come and bring their friends. Serving will start promptly at five o'clock.

as follows: The Star Spangled Banner, Addison, John Huffman directing; The Landing of the Pilgrims, Clinton, Richard Wagner, directing; Thanksgiving Proclamation, Brooklyn, H. L. Rowland, directing; Plantation Scenes, Hudson and Morenci, Raymond Westgate directing; Treaty with the Indians, Tecumseh, Clare Camburn, directing; The Forty-Niners, Onsted, Kendall Merlau, directing; The Civil War, Sand Creek, Helen Beck, directing; The Gay Nineties, Metamora, Ohio, Jack Phillips, directing; The Machine Age, Petersburg, Paul Wallace directing; The Modern Age, Lyons, Ohio, Jack Phillips directing; and World War I and II, Adrian, Al Bohms directing.

The formation of the Liberty Bell will be under the direction of Mr. Camburn and the playing of the massed band music will be under the direction of Harold Furgason, formerly with the University of Michigan.

This annual band festival is the foremost attraction of its kind in this part of the state. It is now attaining such prominence that the band of one of the Flint high schools is trying to make plans to bring a bus to Tecumseh next Wednesday to witness the production and see if it could be adapted for an annual event in the central part of the state.

Tickets are now on sale by school students and will also be available at the gate. In the event of rain, the production will be staged the following evening.

Homecoming Queen At Adrian College Chosen

Candidates for the highly coveted honor of being chosen Adrian College Homecoming Queen have been selected by members of the football squad.

They are Mary Jo Curry, Hubbard, Ohio; Wilma Ireland, Holt, Michigan; Madelon Leech, Morenci; Jean Saxton, Blissfield; and Mary Alice White, Adrian.

An all-college election will decide which of the five will be chosen queen, to be presented with her court at the beginning of the Homecoming game, October 7.

The Queen will reign at the Homecoming dance, and will also reign over the MIAA track meet in the spring where she will give trophies to Adrian winners.

Escorting them will be members chosen from the college football team.

NEW LIQUID SOLVENT NOW ON SALE HERE

The Baldwin Hardware Co. has been appointed a retail outlet in Tecumseh for "Wilsolve," newly developed organic liquid solvent that eliminates the problem of sanding floors by quickly removing varnish, shellac, plastic or wax from them. The new product also effectively removes wax, plastic or shallac from inlaid linoleum without affecting the linoleum, and can be effectively used on household furniture.

CHURCH DINNER

The Presbyterian League and the Florence Weld Guild will be guests of the Golden Rule Division and the Westminster Junior League at a 6 o'clock dinner Wednesday, October 18, at the Fellowship Center of the Presbyterian church, the result of a contest of the Woman's Association of the church. The regular business meeting will follow the dinner.

Mrs. Rentschler was a guest of the Adrian Woman's Club last week when it officially opende its year with a luncheon and talk on "Hobbies for Happiness" by Mrs. Carl Sexter of Oak Park Illinois. She was a guest also of the Adrian Progressive Woman's Club at its opening luncheon and visit to "Anne Mason's Home Decorating Forum" presented by the Walper Furniture Store on Tuesday of this week.

Visual Testing Program Gets Under Way Here

The visual testing program in Tecumseh schools got under way last week Tuesday with 73 grade pupils being checked the first day by Mrs. Helen Hendershott who has charge of the program here.

Starting first with the grades, the examinations are being conducted in the library at the Central building and then will move to the nurses' room in the new high school building. All school children with the exception of kindergarten are being tested. These are to be checked in the spring. About 1060 Tecumseh students will receive examinations besides the 102 in the kindergarten, and it is expected it will take a month to complete the program.

From Tecumseh the testing will move to Clinton and Britton during November, and all students there will receive a visual check. There are around 2,000 students in these two schools.

MACON

The Macon W.S.C.S. will meet Thursday, October 19, with Mrs. Richard Robinson. A potluck lunch at 12:30 will be served. The toys and gifts that are to be sent to Seward, Alaska, are to be brought to the church Sunday or to this meeting.

The Macon Community Club will meet Tuesday with Mr. and Mrs. Ray Gilmore, for a potluck supper.

Mrs. Mary Harper of Dunkirk, Indiana, visited from Thursday until Tuesday with Mr. and Mrs. Bert Bruder.

Mrs. Edith Jensin and Delmar Bruder, of Ypsilanti, spent Friday with the Bruders.

W. C. T. U. MEETS

The W. C. T. U. held its first meeting of the year with Mrs. Jessie Brown, Tuesday afternoon, with twelve members present. The topic for the day was "Doors In Our Own Community—The Church." Mrs. Brown led the devotional period, then introduced the guest, Mrs. Verna Frank, of Peck, Michigan. Mrs. Frank gave a very interesting report of the National W. C. T. U. convention, held in Denver, Colorado, last September. The November meeting will be held at the home of Mrs. Perry Hayden. Our quote for the month is, "The liquor traffic would destroy the church if it could; The church would destroy the liquor traffic if it would."

Interest Is Keen In Freedom Scrolls Here

Hundreds of Tecumseh residents are showing an interest in the Freedom Scrolls which were being distributed in the area last week, it was reported today by Ronald Harris, who is in charge of circulating the scrolls locally.

"One of the most gratifynig responses came from the Tecumseh Products Company," Mr. Harris stated. "Monday morning enough scrolls were taken to the factory for a thousand signatures. At twothirty that same afternoon, we had to take them enough scrolls for five hundred more signatures."

It is difficult to estimate the number of signatures and scrolls now circulating in Tecumseh. Many organizations, such as churches, schools, and patriotic organizations received their materials directly from state headquarters or from the headquarters of their own organization.

Nevertheless, Harris pointed out, Tecumseh's contribution to the cause will be a welcome one to the state and national committees. There are still a few days left in which signatures may be obtained. If your organization is meeting soon, you may obtain a scroll from the Chamber of Commerce. If, as an individual, you have had no opportunity to sign, there will be one available at the Chamber of Commerce for signing.

During the noon hour they will inspect the Tecumseh Country Club where they will have lunch and be given an official welcome by C. O. Butler, president of the Chamber of Commerce, the host organization.

In the afternoon the ladies will be conducted through the local Quaker Oats plant. Donald Nixon, manager of the factory, states that on a recent visit to Tecumseh, Chicago officials of the Quaker Oats Company expressed their interest in the forthcoming visit and volunteered to have souvenirs for the visitors.

Following the conducted tour of the Quaker Oats plant, the ladies will have free time for visiting and shopping before their return to Onsted. The Chamber of Commerce is providing "Welcome" cards for local shop windows, and identifying ribbons will be given the visitors so that Tecumseh business people and residents will know who their guests are.

Be Careful In Shipping Livestock

BRUISED MEAT CAUSES BIG LOSSES TO GROWERS OF MEAT ANIMALS

Meat worth twenty-five million dollars is estimated to have been lost in 1949 because of bruises to animals before slaughter, reports M. M. Eppelheimer, assistant county agricultural agent.

Regulations provide that all bruised meat must be removed before a carcass may be offered for sale. This cut-out causes losses of two kinds—the first being the loss to the value of the meat actually cut out and the second the loss due to reduction in grade of the remaining portion of the cuts affected.

Though it may be assumed that these losses or costs are carried by the entire industry, they actually are reflected back to the producer's selling price.

Much bruising is caused by crowding and overloading of trucks. As about 90 percent of all livestock is transported by truck sometime during its lifetime, the following rule of thumb figures have been computed from tables recently published by the National Livestock Loss Prevention board and should be helpful in determining the number of animals that can be hauled safely in any given truck.

Cattle: Beginning with nine square feet for average 700 pound animals, increase one square foot floor space for each 100 pound weight increase up to 1300 pounds.

Hogs: Beginning with two and one-half square feet for average 100 pound animals, increase 3/4 square feet floor space for each 50 pound weight increase up to 300 pounds.

Sheep: Beginning with two square feet for average 50 pound animals, increase one-half square feet floor space for each 25 pound weight increase up to 150 pounds.

BRITTON

The annual Methodist Church Fair will be held Friday, October 13, with Mrs. Percy Cadmus as supper chairman.

Mrs. Harold Osterhout and Mrs. Harry Jewel of New Boston accompanied Mr. and Mrs. A. George of Tecumseh to Otterbein, Indiana, last week where they attended the funeral of an aunt, Mrs. James Rowlebush.

At the recent regular meeting of the American Legion Auxiliary the following officers were installed: President, Mrs. Lillian Miller; vice president, Mrs. Alys Miller; secretary and treasurer, Mrs. Helen Osterhout; chaplain, Mrs. Marie Filter; sergeant at arms, Mrs. Yvonne Freer. The next meeting is scheduled for Nov. 7 at the hall.

The Britton Kiwanis Club is sponsoring a comedy "Big Baby Review" to be held Friday, Oct. 13 at 8 o'clock in the school gymnasium. Local talent will be used in the cast. Proceeds go to purchase cheerleader uniforms.

Mr. and Mrs. Harry Tucker are announcing the marriage of their daughter, Miss Imo Tucker of Adrian to Weldon Russell, son of Mrs. Gertrude Russell of Morenci. The ceremony took place Sept. 26 at 4:30 in the Chapel in the Garden, Angola, Ind., performed by Mrs. Glenn Utterback. The couple will reside in Morenci.

Saturday evening a family dinner was enjoyed at the home of Mr and Mrs. Clarence Hereford. The occasion marked double birthdays and a farewell party for Mr. and Mrs. Paul Martin of Tecumseh before they leave for Florida. Besides the honored couple, other guests included Rev. and Mrs. Daniel Baughey and son of Ypsilanti, Mr. and Mrs. Paul Anders and daughters of Montpelier, O., and L. W. Martin and Donna Fenstermaker of Fort Wayne, Ind.

Sunday guests at the home of Mr. and Mrs. W. S Niblack and family were Mr. and Mrs J. H. Miner and Mr. and Mrs. Herschel Miner and daughter of Hillsdale.

Mr. and Mrs. Ray Covell of Plymouth were dinner guests Sunday of his parents, Mr. and Mrs. Byron Covell. Other afternoon guests were Mr. and Mrs. Lawrence Miller of Howell.

Five high point Boy Scouts of Britton accompanied Ned Brow to Ann Arbor, Saturday, where they attended the football game. Mr. and Mrs. William Dettman of Britton also attended the game.

George Wald and a group of students attended the Michigan State football game in East Lansing, Saturday.

Mrs. Charles MacNamria and sons of Detroit spent the week-end here with Mrs. Flora Exelby. On Tuesday morning Mrs. Exelby accompanied Mrs. MacNamria and sons on a trip to Florida where Mrs. MacNamria will join her husband who is in the Armed Forces. Mrs. Exelby plans to remain there about two weeks.

Fifteen members of the Britton Methodist W. S. C. S. were guests last Thursday afternoon at the Wellsville church. The occasion marked the 10th anniversary of the society. An interesting program was presented with special singing and lovely refreshments were served, featuring the anniversary cake.

Mrs. Maxine McComb of Caro spent the week-end with her mother, Mrs. Viola Daisher.

Mr. and Mrs. Lloyd Bruce have returned home from Tennessee where they were called last Friday by the serious illness of his father.

Mr. and Mrs. Robert McCarbery have returned home from Athens, O., after spending the week-end with Mr. nad Mrs. George Beauchamp.

P.E.O. DINNER

Chapter A. J. P. E. O., entertained at a 7 o'clock dinner at the Tecumseh Country Club, Tuesday evening, honoring three new members and the husbands of members of the organization. The new members are Mrs. Elizabeth Place, Mrs. Margaret Hall and Mrs. Marjorie Smith. Mrs. Frances Pennington welcomed the guests, and Mrs. Marjorie Bailey welcomed P. E. O. members. Ellsworth Collins gave the welcome to the B. I. L. members. Mrs. Florence Adamson and Miss Mary McWilliams were in charge of the decorations. Darwin Smith showed colored slides of his recent trip through the Smokey Mountains during the program period.

Petersburg Church Is Scene of Pretty Wedding

St. Peter's Lutheran church at Petersburg was the scene of a lovely fall wedding last Saturday at 7 p.m., when Jo Ann Kampmueller, daughter of Mr. and Mrs. Fred Kampmueller of Petersburg, became the bride of William Dean Hamilton, son of Mrs. Raymond Guy and William Hamilton of Tecumseh. The Rev. R. C. Staudacher performed the double ring ceremony before an altar decorated with white gladioli, oak leaves and lighted candelabra.

The bride entered the church on the arm of her father who gave her in marriage. Her gown was of white slipper satin and with fitted bodice and long sleeves, the yoke of lace was stitched with seed pearls and irridescent paletts. The full circular skirt swept into a long court train, and the finger-tip veil was of net illusion with Juliet cap and lace to match the gown. She carried white mums and gardenias.

Arlene Kampmueller, sister-in-law of the bride, was maid of honor. She wore an antique green slipper satin gown with a full skirt, and carried a colonial bouquet of white and gold baby mums. The bridesmaids were Carolyn Gaertner of Petersburg, Anita and Juanita Miller of Monroe, cousins of the bride. They wore gold shimmering slipper satin gowns identical to that of the maid of honor, and hats to match, each carrying colonial bouquets of white and gold mums with matching ribbons. Kathy Shorer of Lansing, cousin of the bride, as flower girl, was similarly dressed. Jimmy Gaertner, of Petersburg, cousin of the bride, was ring bearer.

Mrs. Eula Mae McWilliams sang, "Because" and before the ceremony, "The Lord's Prayer," while the couple knelt before the altar.

Stanley Weyrick, of Youngstown, Ohio, was best man. He served in the Navy at the same time as the groom. The ushers were Tom Kampmueller of Petersburg, Carl Kampmueller of Detroit, and Mahlon Sebring of Tecumseh.

Mrs. Kampmueller, mother of the bride, wore fawn crepe with brown accessories and a corsage of yellow roses. Mrs. Guy, mother of the groom, chose steel blue satin with wine accessories and a corsage of red roses.

For traveling the bride chose a brown suit with brown accessories and a corsage of gold baby mums. She is a graduate of Summerfield high school and attended Tri-State Business College at Toledo, and is now employed at Tecumseh Products Company. Mr. Hamilton graduated from Tecumseh high school, had two years service in the Navy and is employed at Tecumseh Products. After a short trip through the south, the couple will be at their new home on the Tecumseh-Macon Rd., northeast of Tecumseh.

A reception for 250 guests was held at the Dundee Veterans Memorial Hall immediately following the ceremony. A four-tiered wedding cake with miniature bride and groom, centered the bridal table. Mr. and Mrs. Harold Pickins, Mrs. Grace Trombley, Barbara Hiser and Donna Tompson assisted with the serving. Mary Jane Van De Mark of Clinton, cousin of the groom, had charge of the guest book. Guests were registered from Youngstown, Cleveland, Toledo and Elyria, Ohio, Macon, Clinton, Lansing, Detroit, Monroe, Britton, Dundee, Dearborn, Manchester, Adrian, Petersburg and Tecumseh.

Casualties In Traffic Reach Peak In State

Traffic casualties—killed and injured—in Michigan during the month of August exceeded any previous month on record. This was revealed in the State Police monthly statistical report, which showed 150 fatalities and 4,549 persons injured.

It was the fifth consecutive month in which deaths increased over the same months last year. The August gain was nine percent, or 12 more than in August of 1949. Injuries increased 891, or 24 percent.

If the death trend continues at the same rate for the remainder of the year the total will exceed by 200 the 1949 fatality toll of 1,441.

The report disclosed that the total number of accidents was the highest on record for any August. There were 13,308 accidents reported as compared to 11,910 in the same month last year, an increase of 1,389 or 12 percent.

Throughout the month there was a daily average of five persons killed, 148 injured and 429 accidents.

Mount Elbert is the highest peak in the Rocky Mountains.

BEER AMERICA'S BEVERAGE OF MODERATION

In Michigan the game of golf is gaining in popularity every year. It's a healthful, companionable game. And it's "The American Way," after reaching the 19th Hole to relax and enjoy a cool, sparkling glass of Michigan brewed beer.

For beer is the kind of beverage Americans like. It belongs . . . to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs . . . to our own American heritage of personal freedom. *Beer Belongs . . . Enjoy It*

O-JIB-WA IS THE BEST MEDICINE SOLD SAYS MICHIGAN MAN

Thousands of people RIGHT HERE IN MICHIGAN, have written letters of praise for O-JIB-WA BITTERS, telling of their wonderful results in overcoming crippling and painful rheumatism and arthritis.

Every sufferer of rheumatism, arthritis and stomach trouble, would get a bottle of O-JIB-WA BITTERS at once if they could personally talk to Mr. John Brintman, 886 Lincoln Ave., Holland, Michigan, or anyone of the thousands of other grateful users of O-JIB-WA BITTERS. Every year for over 35 years, this time tested remarkable medicine has increased in popularity and still today, in our honest opinion, is the most successful and best medicine for you to try. Read part of Mr. Brintman's testimonial which follows.

A Corrective Medicine Made Entirely of Herbs

O-JIB-WA BITTERS is not just a food supplement, but an all herb medicine entirely free of alcohol and pain deadening drugs. This great medicine acts to correct the causes of rheumatism, arthritis and common stomach disorders. O-JIB-WA is like taking 5 medicines in 1, as it acts to clear the blood of poisons and waste that foster rheumatism and arthritis. O-JIB-WA promotes better digestion, stopping gas, indigestion and heartburn. O-JIB-WA stimulates weak sluggish kidneys to relieve backaches, nite rising and restless sleep. Regardless of how long you have suffered or what you have tried without results, you owe it to yourself to give O-JIB-WA BITTERS a chance to help you. ACT IMMEDIATELY. YOU WILL NOT BE DISAPPOINTED. Available in all leading drug stores in Michigan.

Results in 20 Days

"I am a plasterer by trade, so when rheumatism and arthritis settled in my shoulders and hands, the pain was so great I could hardly work. I suffered for six months continually and my fingers got so stiff I could hardly bend them. I tried about everything that I heard of, just trying to get a little relief, but nothing seemed to help until I started taking O-JIB-WA BITTERS.

"I took it about three weeks before I saw much change, but then I am happy to say, relief was quick in coming, and by the time I had taken O-JIB-WA just two months, the pains and stiffness had entirely left me. Today, I feel more alive and better than I have in years, and O-JIB-WA has not only relieved my rheumatism and arthritis, but also did away with gas and indigestion that used to bother me continually, and in my opinion, is the best medicine being sold in Michigan today."

Looking for POWER?

Better Buy Buick!

THAT bold bonnet that stretches out before your eyes on a 1950 Buick isn't there just for show.

Lift it up, and you'll find that the space beneath is abundantly occupied, by one of the biggest hoodfuls of power you'll find in any motorcar.

What you're looking at is Buick's modern version of the high-compression valve-in-head engine, which gains extra wallop from the fact that it uses the exclusive Fireball combustion principle.

We could list a lot of mechanical reasons why fuel gives up extra power in a Fireball engine—how it's wrapped in a swirling, ball-shaped charge—how it burns with a smooth, clean thrust that delivers maximum action.

But the best way to find out what all this means is to touch off the eager horsepower out on the highway by a gentle nudge of your toe—and feel your shoulders press deep in the cushions behind them.

NOw all this sounds thrilling, you say, but how about the feed-bills for all these horses? How about miles-per-gallon?

The practical answer to that one is found in this year's experience with the SUPER and SPECIAL—and even the ROADMASTER.

In all three, the horsepower was stepped up at the start of the year—and in all three, *happy owners report the best mileage in modern Buick experience.*

This is due to a little-known but authentic engineering fact—which is that *an engine burns less gas when it doesn't have to labor.* At any normal driving speed, therefore, extra power is extra thrifty.

So we say again—if you're looking for power—mighty power—buoyant power—silken power—thrifty power—better buy Buick.

Your Buick dealer is eager for the chance to demonstrate how sound this hint really is.

Only BUICK has Dynaflow Drive* **and with it goes HIGHER-COMPRESSION** (New F-263 Fireball valve-in-head power in three engines. Fireball engine in SUPER models.) * **NEW-PATTERN STYLING,** with **MULTI-GUARD** forefront, taper-through fenders * **TRAFFIC-HANDY SIZE,** less over-all length for easier parking and garaging, short turning radius * **EXTRA-WIDE SEATS** cradled between the axles * **SOFT BUICK RIDE,** from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube drive * **YOUR KEY TO GREATER VALUE** * Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

ATTENTION

Customers Who Are Planning GAS FOR HOUSE HEATING

Customers will have 30 days to make application for space heating after October 5, 1950 in Tecumseh.

Gas Heating restrictions granted by the Michigan Public Service Commission authorizes the Company to restrict the sale and delivery of natural gas in all house-heating or other space heating installations that do not have approved in writing an application for space heating service *received within thirty (30) days after gas is first made available.*

The order shall remain in effect until further order of the Commission. We urge you not to wait if you are thinking of gas for house-heating as no commitments can be made for next summer or the following summer.

Service applications for cooking and water heating will still be accepted beyond the 30-day period.

CARD OF THANKS

The family of the late Nettie Rutherford wishes to thank everyone who helped in any way during her illness, while she was a patient at St. Joseph's Mercy Hospital in Ann Arbor, and at the time of her death. Especially do we wish to thank the Royal Neighbors for the dinner served, and the many other acts of kindness shown by friends, neighbors and relatives. A special thank you to Mr. Herrick, the United Products Union, the Chieftain Club, the fellow workers in the Teardown Department, also Departments 3100, 4100 and 5100, and the Rumpf Truck Line, for the beautiful floral offerings and donations. Also the bearers, the Green Funeral Home, and Rev. Alvin Brazee for his comforting words. Your many acts of kindness shall forever be remembered.

Mr. Mrs. E. N. Baldwin Observe Anniversary

Mr. and Mrs. Ned Baldwin entertained at a 1:30 family dinner at Bauer Manor, Evans Lake, Sunday in honor of Mr. Baldwin's parents, Mr. and Mrs. E. N. Baldwin, of Howell, honoring their fiftieth wedding anniversary. The table was centered with a gold wedding ring, with yellow pompoms and lighted tapers at either end. The hand-painted place cards were made by a close friend of the honored guests, Mrs. Hessy of Howell, who was unable to attend. A reception was held in the evening at the Baldwin home on West Chicago Boulevard for the honored couple. A large wedding cake encircled with yellow and white pompoms centered the table and Mrs. Duane Baldwin poured.

The out of town guests were Mr. and Mrs. Duane Baldwin and three children of Howell, Mr. and Mrs. Roscoe Baldwin and three children of Marquette, Mr. and Mrs. Mark Baldwin of Albion, and their guest, Miss Mary Thompson of Los Angeles, Calif., Mr. and Mrs. Roscoe Blanchard of North Hollywood, Calif., Mr. and Mrs. Lindsley Barton, of Detroit, Mrs. Albert Foster and son of Toledo, Robert Fields and daughter, Mary, of Wyandotte, Mich., Dr. and Mrs. Raynolds, Mr. and Mrs. Newton Ward, Mr. and Mrs. Lou Houtshinson, and Mrs. Wm. Knoss, all of Fayette, Ohio, and John Rorick of Adrian. Mr. and Mrs. Baldwin received many gifts and cards. The rooms of the Baldwin home were decorated with fall flowers.

Pfc. Richard L. Purkey Receives Commendation

Mr. and Mrs. Lee Purkey have received a letter from their son, Pfc. Richard L. Purkey, who is stationed with the U.S. Marine Corps Supply Depot in Oceanside, Calif., that he was one of five boys to receive the "Letter of Commendation," which is considered a great honor. This group has charge of the motor transport division; reconditioning the trucks and all motorized equipment. The following is the Commendation letter from the Commanding officer:

"It has come to the attention of the Commanding Officer that, during the period of 3 July, 1950 to 1 September, 1950, while this organization was engaged in mounting out units of the 1st Marine Division you performed outstanding service in the line of duty while attached to the Motor Transport Division, Marine Corps Supply Depot. You displayed exceptional professional ability of the highest caliber and carried out many assignments in an expeditious and orderly manner. Regardless of personal fatigue resulting from long hours of work, both day and night, you constantly persisted in your duties as a mechanic in the Carburetion and Ignition Repair Section, where you worked on equipment belonging to units of the FMF. Your devotion set a worthy example to those who worked with you. Your loyalty and devotion to duty are in keeping with the highest standards of Marine Corps tradition."

The Marine Corps left for overseas duty, but the five boys that received the Letter of Commendation, remained to continue with their reconditioning work.

Who Runs America?

the Congress? ★★★ the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA *is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!*

IN MUCH OF THE WORLD *today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.*

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

General Federation of Women's Clubs
American Farm Bureau Federation
National Grange
Veterans of Foreign Wars
National Conference of Catholic Charities
American Protestant Hospital Association
American Legion
National Association of Small Business Men
United States Chamber of Commerce
National Association of Retail Grocers
National Retail Dry Goods Association
American Bar Association

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the prideful security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

ORDER OF APPEARANCE

At a session of said Court held at the Court House in the City of Adrian on the 6th day of September, A. D. 1950.

Present: Hon. G. ARTHUR RATHBUN, Circuit Judge.

In this cause it appearing from the bill of complaint on file that it is not known whether the above named defendents are living or dead, or that whether they, or any of them have heirs, devisees, legatees or assigns, and that the names of the persons who are included as defendants therein without being named cannot be ascertained, after diligent search and inquiry.

On motion of L. B. Kuney, attorney for the plaintiffs, IT IS ORDERED that the appearance of the said defendants be entered herein within three months from the date of this order, and that plaintiffs cause this order to be published according to law.

Miss Janice L. Harper Bride Of Dean Schneirla

The Elmer Harper home in Holloway was the scene of a fall wedding Saturday evening at 6 o'clock, when their daughter, Janice Lucille, became the bride of Dean Schneirla, son of Mrs. Anna Schneirla of Clinton. The double ring ceremony was performed by the Rev. B. O. Bashore of Tecumseh, before an arch formed by lighted candelbra and large baskets of gladioli, chrysanthemums and ferns.

Mrs. John Calhoun played several nuptial selections and a wedding march as the bride entered the living room. The bride chose white satin fashioned with a sweetheart neckline, outlined with chantilly lace. The fitted bodice was held by tiny self-covered buttons down the back. The long, tight sleeves ended in points over the hands. Her finger-tip illusion veil was edged with lace, and was caught to a crown of beaded glass. She carried a white Bible and a lavender orchid. Greta Kaiser, sister of the bridegroom, was the bride's only attendant. She wore a gown of light blue taffeta, with sweetheart neckline and full skirt. She wore a corsage of gardenias. Connie Jean Harrison, niece of the bride, carried the rings on a white satin pillow, and wore a white satin gown similar to that of the bride's.

Dean Schneirla chose Wayne Kaiser, his brother-in-law, as best man.

Mrs. Harper, mother of the bride, wore a copper colored dress with black accessories and a corsage of yellow baby mums. Mrs. Schneirla, the groom's mother, wore a green dress with brown accessories and a gardenia corsage. Mrs. Charles Schultz, the bride's grandmother, wore a royal blue dress with black accessories and a gardenia corsage.

A reception was held at the Union Hall in Tecumseh immediately following the ceremony for 160 guests. A three-tiered wedding cake with a miniature bride and groom centered the linen-covered table. Those who assisted in the serving were Mrs. Floyd Graham, Jr., the Misses Marilyn Marine and Lorraine Treadway. Mrs. Silas Kring cut the cake and Mrs. Harold Richardson was at the guest book.

For traveling, the bride chose a brown gabardine suit with brown and yellow accessories and wore a lavender orchid. After the wedding trip to New York the couple will reside in their newly furnished apartment on Church street in Clinton.

The bride attended Tecumseh high school and is employed at the Baily-Puffer grocery in Holloway. Mr. Schneirla is a graduate of Clinton high school and Cleary College in Ypsilanti and is employed in the office of the Tecumseh Products Company.

Guests were registered from Detroit, Ypsilanti, Dundee, Azalia, Pontiac, Lansing, South Bend, Ind., Manchester, Adrian, Britton, Chelsea, Jackson, Caro, Hudson, Milan, Clinton and Tecumseh.

BIRTHDAY PARTY

Mrs. James Barton entertained in her home last Wednesday, a surprise birthday dinner at 6 p.m. for Carol LeBarron, honoring her twelfth birthday anniversary. Eleven girl friends of Carol's were seated at the table decorated in pink and green and centered with a large birthday cake, baked by Mrs. Ralph Helzerman. The guests were Marcia Bashore, Maurene Boltz, Mary Lou Partridge, Mary Pat McCann, Judy Fairbanks, Shirley Larned, Nancy Wolf, Sylvia Helzerman, Meredith Hoffmeister, Betty Barton and Carol. A social evening was enjoyed and Carol received many useful gifts. Mrs. Barton was assisted by Mrs. Fred Dickinson.

MYERS—POLLOCK

Audrey Myers of Manitou Beach and Richard Pollock of Deerfield were married Friday, October 6, at 5 p.m. by Rev. B. O. Bashore of Tecumseh at the home of the bride. They were attended by Twyla Peavey of Adrian and Max McCarty of Deerfield. Immediately following the wedding a turkey dinner was served at the home of Mr. and Mrs. Dick Nash, friends of the bride, at North Rome. A reception for the newly married couple was held at 8 p.m. at the American Legion Home in Blissfield.

HISTORICAL SOCIETY TO MEET, THURSDAY

The Lenawee County Historical Society will hold its fall meeting, Thursday, October 19 at the home of Mr. and Mrs. Maynard Mulvaney on West Chicago Blvd. There will be a display of old china and each one is asked to bring a piece of china for exhibit. A potluck dinner will be served at noon. Members should bring table service and sandwiches and a dish to pass. Anyone interested in local history is invited to attend. Mrs. Burtsel Claus is president of the society.

FIRE PREVENTION WEEK

WE ARE CO-OPERATING

We have noticed each year the number of newspapers and radio programs devoted to Fire Prevention Week, but very little is ever done about it.

We wish to commend our Township Board and Fire Committee for the positive action they are taking to cut down on fire loss in our community.

Last winter we despaired of our old fashioned equipment and installed the Karbaloy extinguishers throughout our store because they are modern and more effective. Although we did this at the regular retail price, we feel it was a good investment. These men have done a wonderful community service by making this fine equipment available to everyone at such a low price. The next time you are in Tecumseh stop in at our store and see this new Karbaloy extinguisher. We will be glad to take your order and give it to the Township Board, as we want to co-operate with you and our board.

At the same time we will be pleased to show you anything you might be interested in seeing in our line of

From where I sit ... *by* Joe Marsh

Ought To "Polish Up" Her Traffic Manners!

Spent most of yesterday over at the Court House. "Tiny" Fields, the biggest and fastest-talking of our three policemen, was holding forth about his traffic troubles.

"Women drive just as good as men do," Tiny said, "and just as bad. For instance—a girl in a convertible today. She started a three-block tie-up all by herself.

"She's creeping down Main Street—left hand stuck out and sort of waving around. Never turns right or left, never stops. But, of course, everyone behind her thinks she's signaling about *something*. Nobody dares to pass. When I stop her and ask what's up, she smiles sweetly and explains that she's *drying her nail polish!*"

From where I sit, that girl's typical of certain folks who are so wrapped up in themselves, they never notice they're not being fair to others. Our neighbor has a *right* to drive in safety—just as he has a right to enjoy a glass of beer. Let's all respect the other fellow's rights.

Knights Of Pythias Hold District Meeting

The meeting of District No. 17, Knights of Pythias, was held in Adrian, last Tuesday evening, October 3. This district consists of Adrian, Tipton and Tecumseh.

Rank of Page was conferred on three candidates, Harold Hornby and Walter Griffin of Adrian and Roscoe Ferris of Tecumseh. The First Rank team of Dundee conferred the rank. Those attending from Tecumseh were Henry F. Kempf, District Deputy Grand Chancellor; Lynn Hubbard, Carl Thompson, Arthur Harding, Luther Wood, Silas Kring, Harry Crosby, Arthur Bowser, Harold Coates and Roscoe Ferris. Others present from out of town were Frank Henderson, Grand Prelate, of Plymouth; Charles Andress, Grand Secretary, of Ypsilanti; Director of Progress, H. B. Johnson, of Lakeview; Glenn Davis, District Deputy Grand Chancellor of District No. 16. H. B. Johnson was the guest speaker and talked on the work and progress for the order.

The place and date for the December meeting will be announced at a later date.

HUSBANDS TO BE GUESTS OF WESTMINSTER LEAGUE

Mrs. Wellington Wotring and Mrs. Raymond Kempf entertained in Mrs. Wotring's home on North Union Street last Tuesday evening the members of the Westminster Junior League of the Presbyterian church. Mrs. Albert Williams conducted the devotions. Mrs. Allen Seager told of the trip she and Mr. Seager made to Rio de Janerio. She also had recorded musical numbers of that country that she used with her talk. A social time was enjoyed after the business meeting and refreshments were served by the hostesses. The November 7 meeting will be held with Mrs. James Barton when the husbands will be guests at a pot-luck supper. Mrs. Harold Clark will be the assisting hostess.

GOLDEN RULE MEETS

The Golden Rule Division of the Presbyterian church met last Tuesday evening with Mrs. Leon Rosacrans with 27 members present. Mrs. E. C. Boss conducted the devotions on the Book of Job, and Mrs. Hilda W. Will gave a report of the Christian Education on the parent survey. They are going to co-operate in the dinner for the Woman's Association October 18 with the Westminster League as co-hostess. Mrs. Will and Mrs. Wellington Wotring will have charge of the entertainment; Mrs. Ronald Harris and Mrs. Raymond Kempf, the food. A social time was enjoyed and refreshments were served by Mrs. Rosacrans, Mrs. Ethel Koch, Miss Vesta Wilson and Mrs. C. W. Howe. The next meeting will be held with Mrs. Gordon Garlick on North Democrat street.

Girls May Win Scholarships

HOSPITAL AUXILIARY TO MAKE AWARDS IN EFFORT TO REDUCE NURSE SHORTAGE

A scholarship, valued at up to $200 and to be awarded annually to some girl member of the senior class of Tecumseh high school, has been established by the Herrick Memorial Hospital Auxiliary. The purpose of the scholarship, it was explained, is to aid in relief of the shortage of nurses in the hospital here. One of the qualification of the scholarship will be that the student, after completing her nurse's training, must be willing to return to Herrick hospital for one year's service as a member of the staff.

A committee consisting of Mrs. W. T. Claxton, Mrs. Edward Boss, Mrs. M. R. Blanden, Mrs. Hilda Will and Miss Gertrude Spaulding made the report on the scholarship plan to the Auxiliary at its current meeting. It has been approved by the committee and the Auxiliary president, Mrs. Dale Bowen.

The scholarship committee, which group will choose the candidates for the scholarship, has been named as follows: Mrs. Edward Boss, chairman, Mrs. Robert Laidlaw, Mrs. R. H. Moore, for two year terms; Mrs. George A. Rathbun and Mrs. Sam Sisson for one year terms, and Miss Gertrude Spaulding, hospital superintendent, as a permanent member of the committee.

It was explained that the amount of money involved in the scholarship may vary from time to time, depending upon the school that is chosen by the candidate selected for the award.

Trash Pick-Up Is Announced

VILLAGE-WIDE CLEAN-UP WILL GET ASSISTANCE OF PUBLIC WORKS TRUCKS

A village-wide pick-up of trash and rubbish, with public works trucks cooperating in the program, was announced today for the week starting October 30 by George W. McCombs, a member of the village council.

"The council, like the residents of the village, wants to see Tecumseh kept clean from rubbish and debris and, as has been the custom in the past, public works trucks will participate in the campaign," Mr. McCombs said. "During the week of October 30 village trucks will be on the streets daily, and will haul, without charge, rubbish and trash that has been placed on the boulevard by residents."

Mr. McCombs pointed out that this is the season of the year when homeowners are cleaning up their yards and, as a result, considerable rubbish is accumulated that is difficult for the average resident to dispose of. It is at that point that the village steps in with its trucking service.

"Remember," McCombs said, "that every day in the week of October 30 will be clean-up day. Trucks will circulate on all of the streets, and will haul the rubbish that is at the curbs. Our men cannot take rubbish that is not on the boulevard, the time is too limited."

Mrs. Frances B. Kennedy Dies In Orlando, Fla.

Mrs. Frances Bryan Kennedy, aged 89 years, widow of the late James B. Kennedy of Tecumseh, died Monday in a hospital at Orlando, Florida, after five days illness of pneumonia. Mrs. Kennedy had been a patient in the hospital for three and one-half years, after a fall in which she suffered a broken hip.

Mrs. Kennedy, originally from Raisin township, was a daughter of the late Edwin J. and Mary Bryan. She was married to James B. Kennedy in 1884. They resided in Raisin township until 1914 when they moved into the former Tiffany property at 213 East Chicago Blvd., where Mr. Kennedy's death occured in 1932. Thirteen years ago she moved to Winter Park, Florida, to live with her sisters. She was a devoted member of the Tecumseh Presbyterian church.

Survivors are the two sisters, Mrs. Bertha B. Hayden and Miss Edna Judson Bryan of Winter Park, Florida; a foster-daughter, Mrs. Florence Allen of Grand Rapids and several nieces and nephews.

The body will be brought to Tecumseh for burial at a later date.

Hayden Is Prohibition Candidate For Governor

Perry Hayden has been named as Prohibition candidate for governor in the coming general election November 7. A. Forrest Smith of Adrian is on the ticket as candidate for the Michigan State Senate, and Walter S. Haynes, of Milan is the candidate for Congress from the Second Congressional District. Richard E. DeMille, of Battle Creek, formerly pastor of the Free Methodist Church in Adrian is candidate for lieutenant governor.

Mr. Hayden will speak at the Metropolitan Methodist Church in Detroit next Sunday at 12:20 and at the Metropolitan Tabernacle at 15617 Harper Avenue in Detroit Sunday night at 7:30, when he will show his film "God Is My Landlord."

Wednesday night this week he spoke at the First Presbyterian Church in Monroe.

Indians Whip Hudson, 19-0

WHELAN SPARKS TECUMSEH ATTACK FOR SECOND L.C.A.A. WIN—ADISON HERE FRIDAY

Scoring once in the first period and twice in the second, Tecumseh's Indians coasted the last two periods to chalk up their second L.C.A.A. win of the season by tripping Hudson 19-0 on the Tigers' home field Friday evening. Dick Whelan paced the Indian attack by scoring one touchdown himself and turning in two brilliant 53-yard runs besides gaining ground consistently all evening.

The initial score came late in the first quarter on a sustained 80-yard march, with VanWinkle, Beasley and Whelan lugging the leather alternately, Whelan going over from the 1-yard line for the tally. VanWinkle hit right guard for the extra point, and Tecumseh led 7-0.

The second tally was not long in coming. After Marsh had kicked off to Culver on the 30, the Tigers were unable to gain and kicked to Whelan on the Indians' 45. He handed the ball to Beasley who scampered to Hudson's 28 before being brought down. A pass was incomplete and Whelan hit right guard for five as the period end-

Spooks' Party Is Announced

CIVIC HALLOWE'EN CELEBRATION FOR YOUNG AND OLD ON OCTOBER 31

If you believe in magic, black cats and witches, it is the advice of the committee in charge of Tecumseh's Hallowe'en civic celebration, Tuesday evening, October 31, that you remain at home—and draw the shades. Surely, there will be no place for you on the streets because the ghosts and goblins will be afoot, and with permission, too.

While the evening-long entertainment being prepared for both young and old here on Hallowe'en has not taken complete shape, it is far enough advanced to assure everyone of a grand time. There will be a parade, headed by the high school band, costumes will be judged, and there will be a theatre party at the Strand.

"We're not quite ready to make a full-scale announcement," Ronald Harris, Chamber of Commerce secretary said, but we will do so next week in The Herald. So, everyone locally should keep the evening of October 31 free to participate in this event."

The civic spooks' party has for years been sponsored here by the Rotary Club with the Exchange Club, Chamber of Commerce, Community Chest and Village Council and other organizations participating. This year's party, it seems, will be even better than last year's.

The purpose of the party is to reduce vandalism to a minimum in Tecumseh. And, in the past, it has worked. Last year, police said, there was no vandalism reported, village-wide.

CONLIN SPEAKS

Rollo G. Conlin, state representative, of Tipton, was the guest speaker at the regular dinner meeting of the Tecumseh Exchange Club, Monday evening in the V.F.W. hall. He was the guest of Clyde Bailey.

Mr. Conlin discussed state legislation and financing, telling his audience something about the budgeting that is necessary by the state legislature. His talk was both interesting and informative.

My office will be closed Oct. 12-22 and Nov. 1 through Dec. 3, inclusive.

Six Are Hurt In 3-Car Crash

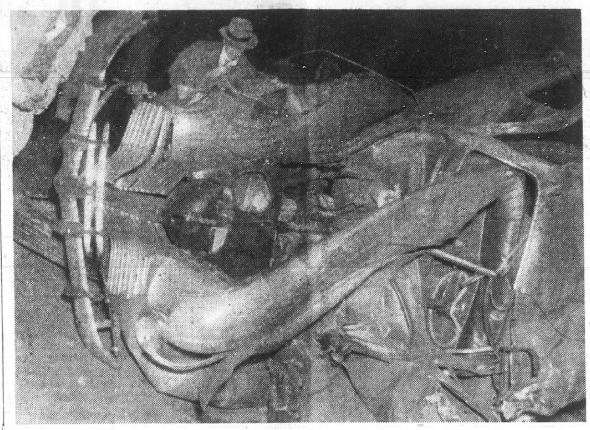

Photo above shows the Lue Wilson automobile following a three-car crash, Saturday at 8:50 p.m., on M-52 at the Macon Road, north of Tecumseh. Six persons were taken to the hospital as a result of the mishap, and Wilson received a ticket from Clinton state police for improperly passing another car. Wilson is from Clinton.

95.5 Pints Blood Collected Here

LEO BISHOP AND FERRIS CLEVELAND FIRST OF 126 DONORS TO VOLUNTEER

One hundred and twenty-six persons answered the appeal for blood donors in Tecumseh last Thursday and Friday with the Red Cross bloodmobile netting 95½ pints of blood for processing into plasma. Thirty persons were rejected for various causes, mostly because of colds.

Leo Bishop, golf pro at the Tecumseh Country Club, and Ferris Cleveland tied for the honor of being the first to give.

Mrs. L. W. Larsen and Mrs. Vincent Haight co-chairmen of the drive here, have expressed their satisfaction and appreciation at the generous turnout, and in view of the fact that there are six organizations in Tecumseh maintaining their own blood banks, it is felt the number of donors was indeed gratifying.

Facilities of the American Legion Home were made available for the two days of the campaign and the Legion Auxiliary furnished the canteen workers and supplied the food for the canteen, all without cost, and a number of local women donated their services as assistants to those in charge.

The committee wishes to express their appreciation to everyone who in any way helped with the project.

TABLE MANNERS NEEDED BEHIND STEERING WHEEL

Good manners behind the steering wheel are far more important than they are at the dinner table, told members of the Rotary Club, Igan State Police post at Clinton, told members of the Rotary Club, Tuesday evening, when he spoke to that group, following dinner at Legion Memorial Home. The Corporal's subject was "Safety."

The officer pointed out that courtesy plus common sense in driving probably could have saved 1,400 of the 1,436 lives that were lost last year in Michigan traffic. There are few accidents any more, he said, most traffic mishaps being caused from carelessness. The speaker was accompanied by Sgt. Carl Miller of the Clinton post.

Mrs. Jane DuVall of the Girl Scout Association, also spoke to the club briefly regarding that organization, urging Rotary's cooperation in its successful operation.

Guests included the Rev. Jack Warner of Clinton, Earl Heap of Lansing, Del Crisp and James McDowell of Tecumseh.

PLAN MEMORIAL SERVICE FOR C. D. FINKBEINER

The film "God Is My Landlord" will be shown at the St. James Evangelical and Reformed Church on US-112 between Saline and Clinton, Thursday evening at 7:45. The occasion will be a memorial service for a member of that church, C. D. Finkbeiner, who gave Perry Hayden the original cubic inch of wheat ten years ago to start the Dynamic Kernels Wheat project. Perry Hayden will speak, and the offering will be taken for a suitable memorial for the late Mr. Finkbeiner.

Another Toll Circuit Is Added To Adrian

Another toll circuit to Adrian, making five in all, was placed in operation last Saturday, it was announced by Ernest Green, manager of the Michigan Associated Telephone Co., here. The circuit, Mr. Green said, will be used exclusively by Tecumseh, and cannot be used by Adrian as a toll circuit for calls originating in that city.

Until Saturday, Green said, Tecumseh had four toll circuits to Adrian and the number was insufficient to handle the heavy long-distance load. The addition of the fifth circuit, he said, will relieve somewhat the delay on calls to the County Seat City.

The five toll circuits today is double the number that were in operation here between Adrian and Tecumseh five years ago.

Toll service to Detroit also has been speeded up at the local exchange, there now being 10 toll circuits to the Motor City.

Band Festival Attracts Crowd

THIRTEEN MUSICAL ORGANIZATIONS PARTICIPATE IN RECREATION PROGRAM

Thirteen high school bands from Addison, Clinton, Blissfield, Brooklyn, Hudson, Morenci, Onsted, Sand Creek, Metamora and Lyons, Ohio, Petersburg, Adrian and Tecumseh took part in the presentation of "This Is America," Tecumseh's fourth annual band festival, held at Recreation Center last evening.

The development of democracy in America was the theme of the program which opened with "The Star Spangled Banner" by the Addison band, with John Huffman directing. Furtherance of the theme was carried out as follows: "Landing of the Pilgrims," Clinton, Richard Wagner directing; "Thanksgiving Proclamation," Blissfield, Gilbert Blanks directing; "The Spirit of '76," Brooklyn, H. L. Rowland directing; "Plantation Scenes," Hudson and Morenci, Raymond Westgate directing; "Treaty With the Indians," Tecumseh, Clare Camburn directing; "The Forty-Niners," Onsted, Kendall Merlau directing; "The Civil War," Sand Creek, Helen Beck directing; "The Gay Nineties," Memamora, Jack Phillips directing; "The Machine Age," Petersburg, Paul Wallace directing; "The Modern Age," Lyons, Mr. Phillips directing; "World War I and II," Adrian, Al Bohms directing.

For the final number closing the program the massed bands formed a huge Liberty Bell, and under the direction of Harold Furgason, formerly of the University of Michigan, played "America."

A large crowd thrilled to the colorful presentation, including a bus load of high school band members from Flint, drawn here by the outstanding success of the Tecumseh festival and with the idea in mind of promoting a similar program in the Thumb District of the state.

Six Are Hurt In 3-Car Crash

TRAFFIC PILE-UP AT MACON ROAD AND M-52 SENDS HALF DOZEN TO HOSPITAL

Six persons were hurt and three automobiles were damaged, one of them almost beyond repair, in a traffic accident at the intersection of the Macon Road with M-52 north of Tecumseh, Saturday at 8:50 p.m.

According to state police of Clinton, the crash occurred when Lue Wilson, 28, Clinton, attempted to pass a car driven by Norman Porterfield, 22, Brooklyn, striking it in the rear. The Wilson car then went out of control, rolled over and struck a car driven by Mrs. Joanne Ery of Manchester. The Wilson car was almost completely demolished.

Injured in the accident were Warren Brunnell, 26, Clinton, a passenger in Wilson's car; Mr. Wilson, Mrs. Ery; Dorothy Strahle, 24, Howard Strahle, 30, and Mrs. Hollis Ayers, 37, Manchester. Mrs. Ayers and Mr. and Mrs. Strahle suffered cuts and bruises, and Mr. Wilson and Mrs. Ery from shock. Mr. Brunnell was badly bruised and suffered a possible skull fracture.

State police gave Wilson a ticket for improperly passing an automobile.

All of the injured were removed to Herrick Memorial Hospital by ambulance.

Rival Candidates Speak Here

MEADER AND DAWSON TALK HALF HOUR EACH BEFORE PRESBYTERIAN MEN'S CLUB

Speaking on the subject, "The Role of a Christian United States in Future International Affairs," George Meader and Professor John P. Dawson of Ann Arbor, Republican and Democratic candidates, respectively, for Representative from the Second Congressional District, addressed a small but interested crowd in the Fellowship Center of the Presbyterian church here last week Wednesday evening. The meeting was sponsored by the Men's Club of the church, and was conducted by its president, James Beardsley.

Mr. Meader was the first to speak and said in part: "The role of a Christian United States is to accept the challenge of leadership and to lead the free nations of the world in a fight against the ideology opposed to the Christian religion.

"The Communist form of government is not desirable. However, we must prove our system is workable. We have had much inefficiency and the state has encroached on the rights of our people. The maximum of freedom is in accord with the Christian religion. We must make our system a democratic system and not a bureaucratic system."

In discussing the problem of atomic energy, Mr. Meader said: "We must be guided by the principles of Christian religion. The people must insist that our public

Mrs. Edith McCloud Dies At Her Home In Toledo

Mrs. Edith McCloud, 67, wife of Robert McCloud, and a former Tecumseh resident, died Saturday night at her home in Toledo. She had been in failing health for some time. Born January 2, 1883, in Ridgeway township, she was a daughter of the late John and Nellie Cheever Lucas. After leaving school she was married to George Rockwood of Cone and they lived in Tecumseh until after his death in 1923. A few years later she was married to Mr. McCloud and most of their married life had been spent in Toledo except for a short time in Arkansas.

Survivors besides her husband, are two sons, Laurence and Donald Rockwood of Toledo; three daughters, Mrs. Lila White of Toledo, Mrs. Doris Johnson of Waynesburg, Ky., and Mrs. Josephine Mixer of Ypsilanti; a sister, Mrs. Edna Staulter of Tecumseh; 22 grandchildren and three great grandchildren. A son, Harold Rockwood, preceded her in death.

Funeral services were held Tuesday afternoon at the Garner Funeral Home in Toledo and burial was in Ridgeway cemetery.

CROP Gifts Are Increased

TWO CHURCHES, FRIENDS AND CATHOLIC, ALREADY HAVE MET QUOTAS

Two Tecumseh churches, the Friends and St. Elizabeth's Catholic, are over the top in their CROP quotas, it was announced today.

Mrs. Naomi Sallows, treasurer of the Tecumseh Friends Church, said today that members of the local meeting had already subscribed in wheat or cash a total of $114.67 toward the church's quota of $100 or 50 bushels of wheat. The film, "Address Unknown," was shown last Sunday evening at the church and about half of the amount was given at that time. The film will be shown at the Baptist church here for a Family Night program, October 26, when a potluck supper and program will be arranged.

CROP officials said today that St. Elizabeth's Catholic church also had exceeded its quota of 120 bushels of wheat or $240. This announcement was made a week ago.

Quotas in other churches are: Methodist, 65 bushels of wheat; St. Peter's Episcopal, 60; Baptist, 65; Presbyterian, 140; Lutheran, 40; Christian Science, 15; Assembly of God, 15; Lower Light Mission, 15; Jehova Witnesses, 15.

A shipment by CROP to Europe will be made from Chicago on October 24 and will include a carload of beans from Lowell, Mich. Shipments include beans, lard, syrup, rice, honey, flour and powdered eggs and milk.

Lenawee's quota to CROP is three car loads of wheat, or about 4,500 bushels, or its equivalent in cash.

TRAFFIC SURVEY BEING MADE HERE

A traffic survey on Chicago boulevard, requested by the Village Council and the Police Department, is being made this week by the State Highway Department and the Michigan State Police.

Traffic counts are being taken at Chicago and Pearl street, Ottawa street and Maumee street, three of the busiest intersections on the boulevard. When the survey is completed, the state will decide whether or not the hazard at the corners is sufficient to warrant the installation of traffic lights.

The installation of the lights has been requested by the village but the count first must be taken before state approval can be had.

CAR IS DESTROYED

A 1939 automobile was destroyed by fire on Tuesday afternoon on the Gordon Satterlee farm on Rogers Highway, southeast of Tecumseh. The local department responded to the alarm. Firemen said that the car owned by Mr. Satterlee, was parked in a field and that a short circuit in the wiring started the blaze.

CLUB PARTY

The Tecumseh Country Club members will enjoy a card party next Thursday, October 26, at 8 p.m. Cards will be the diversion and there will be a lunch and door prizes. Mr. and Mrs. W. G. Porter are the chairmen and others on the committee will be announced later.

Community Chest Joins United Fund

BOARD OF DIRECTORS VOTES TO UNITE WITH COUNTY IN DRIVE FOR FUNDS

The Tecumseh Community Chest will, this year for the first time, join the Lenawee county unit of the United Health and Welfare Fund, it was announced today by Ronald Harris, chairman of the Community Chest campaign, and Earl Place, chairman of the Lenawee County United Fund campaign.

The Community Chest board met Monday evening and after question of joining the United Fund program. Mr. Harris and Mr. Place presented the plan to the board which then moved to join with the United Fund in the Community Chest drive. New officers elected were R. G. Fuller, president; Mrs. Howard Diedrich, vice president, and Rev. Edward Escolme, secretary-treasurer.

Local organizations submitted budgets totaling $7,025.00, and included the Girl Scouts, the Wolverine Council of Boy Scouts, Cub Scouts, children's Hallowe'en and Christmas parties, Community Recreation Program, Salvation Army, Hospital Auxiliary, American Cancer Society, and the Immediate Welfare and Emergency Relief Fund. Under the United Fund plan, these and 29 state and national agencies will benefit from funds raised in the campaign. The 29 United Fund agencies include: Heart, Polio, Arthritis, Cerebral Palsy, Multiple Sclerosis, Blindness, Epilepsy, Mental Illness, V.D., Cancer, Hearing, Nursing, Servicemen, Health and Welfare Co-ordination, Family Problems, Juvenile Delinquency, Children, Race Relations, Travel Problems, Recreation, Legal Aid, and eight other organizations associated with those named above.

Mr. Place explains that the United campaign grew out of the mounting demands of givers and campaign workers that campaigns be combined to save time and money. "United Fund agencies," he said, "are carefully budgeted and communities are asked to give only their fair share." Of the United Fund agencies 72 per cent is raised for health agencies, 18 per cent for services to the armed forces and 10 per cent for national community service agencies. The campaign goal for all of Lenawee county will be about $20,000.

Mr. Harris states that the appointment and organization of local committees and workers is now in progress and as soon as the details of the drive can be worked out the campaign will get under way, probably the latter part of the month.

The United Fund slogan, "Give Once For All," can be taken literally for it does away with the numerous solicitations for funds by various organizations and combines them in one. So when you give, "give once for all"—and give liberally.

46 Onsted Women Enjoy Local Tour

Forty-six Onsted women, members of the Onsted Woman's Club, were Tecumseh's guests on Tuesday for a day-long program that included a tour of the village and one of its factories, a luncheon at the Country Club and an afternoon of shopping. The affair was sponsored by the Chamber of Commerce at the request of the Onsted club.

The women arrived in Tecumseh about 10 a.m., and were taken immediately to historic St. Peter's Episcopal church where they were welcomed by Charles O. Butler, president of the Chamber. Miss Edith Ingersoll then gave them a brief history of Tecumseh, pointing out some of its interesting and historic spots.

The group then moved to the new $500,000 high school where a tour was conducted by Earl H. Place, superintendent, and James McDowell, principal. They began the motor tour of the village, including its new subdivisions, and its factories including Tecumseh Products, world's largest independent manufacturer of refrigeration.

After luncheon at the Country Club the group went to the Quaker Oats Company's plant for a complete inspection tour directed by Donald Nixon, superintendent. Each lady received a souvenir on this trip. After the Quaker tour the ladies came to the downtown district for an inspection of the stores and a shopping expedition.

Local folk participating in the program included Ronald Harris, secretary of the Chamber, Miss Ingersoll, Mrs. Helen French, Mrs. Jesse Sluyter, Mrs. Hoyt Whelan, Mrs. Mel Partridge, Mrs. Archie Porter, Mrs. Harris and Dr. Wesley Mast and E. C. Hellman.

Ambassadors in Blue Uniforms

Policemen, it seems, are a necessary evil. They are needed to enforce the laws of the nation, the state and the municipality that they serve, and their very appearance on the streets gives to some folk a sense of security, to others a feeling of fear and regulation. There was a time when folk who lived in communities under 5,000 population seldom saw a policeman because they were needed only in the "larger towns." But today, all is different. Any self-respecting cross-road community must have an officer, he must be dressed in a blue uniform and, if the taxpayers can possibly afford it, he is equipped with either a motorcycle or an automobile as a means of transportation. It is his job, he believes, to regulate and control both society and traffic, and often he goes about his task with arrogance and energy.

We quite agree that policemen are necessary in this complex society in which we live. We would not want to dispense with them, in fact we are of the opinion that there are too few of them, especially on a state level. A good policeman is the best friend that society has and, in all probability, in the future we will see far more of them. But in this connection, society has a job to do, too.

Policemen, in our opinion, should be ambassadors of good will in blue uniforms. How they conduct themselves, how they handle the social and traffic problems of the communities they serve depends the popularity of those communities. Arrogant officers, policemen who lack courtesy, cause residents and transients alike to lose respect for a community or a state far more rapidly than Chambers of Commerce and business men's groups can build it up. If visitors to a community are treated badly, if they are barked at by its policemen, they all too soon judge the entire town by its officers. Soon they refuse to visit the place if they can avoid it, they tell their friends of the "bad time" they received at the hands of the policemen, and such news spreads rapidly. It is then that the men in blue become ambassadors of ill will.

The job, then, that society owes to its policemen is to train them in good manners. Policemen, after all, are public servants, and they get their paychecks from the public treasury. They have many, many distasteful jobs to do, but they must do them. However, these jobs can be done in such a manner as to command respect and, when they are finished, the public soon recognizes that a good job has been done well.

Perhaps the finest ambassadors of good will that a community can have are its traffic officers. They come in contact not only with local residents but with transients, the hundreds and thousands of folk who daily and annually pass through the town or the state. How these officers conduct themselves, the way that they handle their jobs, the answers that they give to the scores and scores of persons who dally come to them with questions is vitally important to the communities they serve. They can earn for their communities or their states far more in good will than the salaries they receive, because courtesy always pays dividends.

The motorist — a stranger in town — who makes the wrong turn and becomes confused is a booster for the town if the courteous traffic officer sees to it that he is soon on the right road. The fellow who, by accident, turns into a one-way street appreciates it a lot if the cop on the bike smiles when he tells him of his error rather than snarls at him. And the visitor who finds an over-time parking warning ticket on his windshield rather than a court summons when he returns to discover that the meter time has expired, usually sees to it that the accident doesn't happen again.

Little courtesies pay big dividends. We believe that a vast majority of the people, including motorists, mean to do the right thing. Surely there are offenders and willful offenders, and for them the treatment must be firm. But firmness can always be tempered with courtesy, too.

We like policemen, but we like to have them treat us courteously. We don't believe that we are any different than most other folk.

Take a 10-day or two-week motor trip in most any direction and it will surprise you how many towns are "bending over backward" to be nice to the tourists.

BLUE SHIELD SURGICAL PLAN pays liberal amounts for stated surgical procedures—Medical-Surgical Plan includes payments for your doctor's visits to the hospital, in non-surgical cases. *It's worth many times the low cost of these plans, just to know substantial payments will be made toward your doctor's bills!*

Ask your employer to find out about the Group Enrollment Plan.

Employed people may join BLUE CROSS-BLUE SHIELD through group enrollment where they work. That way there's no physical exam . . . no health statement . . . no age limit.

Speak to your employer about making these plans available where you work. Or write direct to BLUE CROSS - BLUE SHIELD for complete information.

NOW . . . 1 out of every 3 Michigan residents enjoy Blue Cross-Blue Shield protection!

ATTENTION

Customers Who Are Planning GAS FOR HOUSE HEATING

Customers will have 30 days to make application for space heating after October 5, 1950 in Tecumseh.

Gas Heating restrictions granted by the Michigan Public Service Commission authorizes the Company to restrict the sale and delivery of natural gas in all house-heating or other space heating installations that do not have approved in writing an application for space heating service *received within thirty (30) days after gas is first made available.*

The order shall remain in effect until further order of the Commission. We urge you not to wait if you are thinking of gas for house-heating as no commitments can be made for next summer or the following summer.

Service applications for cooking and water heating will still be accepted beyond the 30-day period.

Final Date For Making Space Heating Applications, Nov. 4, 1950

CONSUMERS POWER COMPANY

Want a long run for your money?

Better Buy Buick!

YOU want a new car to be tops in things like style and room and comfort and power—

—and a thrill-packed fifteen minutes with the nimble number pictured here will show you it has all these things in abundant measure.

So you ask us—how about money? What does it cost to buy a Buick—and to own one?

All right—let us ask *you* some questions.

Take first cost. Do you know that Buick prices start down at a level below what you'd pay for some sixes—and that every Buick, on a cents-per-pound basis, is a standout buy?

Take operating cost. Do you know that the bang you'll get from Buick's Fireball power comes from a valve-in-head engine—recognized by engineers as a thrifty saver of fuel?

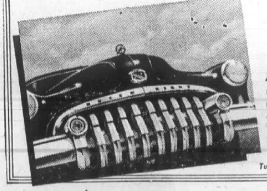
Do you know that owners of 1950 Buicks are writing us rave letters, saying that this year's version is the most economical Buick ever built?

Do you know that such comfort features as coil springs on all four wheels protect the car as well as the passengers—and throw in an extra saving because they need no servicing, and are practically breakproof to boot?

Do you know that Dynaflow*—in addition to keeping you fresh as a daisy on a day-long drive—caps its convenience with savings on tires, cuts down the strain on transmissions and engines—and eliminates all friction clutch repairs, because it hasn't any?

Take final cost. Do you know that when the owner of a Buick gets a yen for a later model, *the prices that Buicks command on a used-car lot are the ultimate proof of their long-run value?*

So if you want a real run for your money, better buy Buick. And the first step is very simple: Go see your Buick dealer—soon—and get an order signed.



***FOUR-WAY FOREFRONT**—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.*

* *Dynaflow Drive is standard on* ROADMASTER, *optional at extra cost on* SUPER *and* SPECIAL *models.*

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Miss Jeanette Morden Weds Ted Greenfield

The Macon Methodist church was the scene of a lovely wedding Saturday at 8 p.m., when Jeanette Morden, daughter of Mr. and Mrs. Walter Morden, sr., of Macon, became the bride of Ted M. Greenfield, son of Mr. and Mrs. Clyde Greenfield, sr., of Clinton. The Rev. O. E. Priest performed the double ring ceremony before the altar decorated with white chrysanthemums, palms and lighted candelbra. The pews were marked with white satin bows.

Mrs. Mahlon Sebring, organist, played nuptial music, including the wedding processional and recessional and accompanied Mrs. Herbert Morden who sang, "I Love You Truly," "O Promise Me," and "O Perfect Love," during the ceremony.

The bride, given in marriage by her father, wore a white satin gown, colonial style with fingertip veil and carried a cascade of white roses and mums. Her rhinestone necklace was a gift of the groom. Mrs. Fred Gillen, sister of the bride, was maid of honor and wore green taffeta with high yoke neckline and carried a cascade of bronze mums. The bridesmaids were Marjorie Greenfield, sister of the groom, Mrs. Ora Walcutt (formerly Ruth Howell) and Mary Beth Hendershot. They wore identical gowns of gold taffeta and carried cascades of bronze mums. All the attendants wore rhinestone necklaces, gifts of the bride. Patty Gene Morden, niece of the bride, was flower girl. She wore a gown identical to that of the maid of honor and bridesmaids and she also carried a colonial bouquet of yellow mums. Michael Gillen, nephew of the bride, was ring bearer. He carreid the rings on a heart-shaped satin pillow.

Tracy Zick served the groom as best man and the ushers were Wilbur and Charles Greenfield and Herbert Morden.

Mrs. Morden, the bride's mother, wore a two-piece faille suit and corsage of red roses, and Mrs. Greenfield, the groom's mother, wore a blue crepe dress and a corsage of red roses.

Immediately following the ceremony a reception was held for 250 guests in the basement of the church. The room was decorated for the occasion and the bridal table was centered with a 5-tiered wedding cake topped with a miniature bride and groom. Mrs. Joe Sheward cut the cake; Mrs. Francis Taylor was at the punch bowl; Mrs. Walter Morden, jr., and Mrs. Lloyd Hall poured and Kay Morden, Mrs. James Osborn, Mrs. Carl Thomas and Mrs. John Bellou assisted in the serving. Guests were registered from South Lyons, Niles, Benton Harbor, Adrian, Ann Arbor, Saline, Milan, Britton, Ypsilanti, Dexter, Tecumseh and Clinton.

The bride chose for traveling a biege gabardine suit with navy accessories and wore an orchid. She is a graduate of Ford Macon high school and the Alexander School of Cosmetics. She is employed at Ford's in Manchester. The groom is a graduate of Clinton high school, spent 26 months in the Navy and is employed at the Hayden Flour Mills. After a trip to Niagara Falls, New York, and other eastern states they will reside at their new home in Macon.

ENJOY HAY RIDE

Thirty-four members of the Senior High Westminster Fellowship of the Presbyterian church enjoyed a hay ride and campfire program in the woods at the Wilbur Boyce farm, last Sunday evening. A committee was appointed for the square dance on October 28. Nancy Treby lead the worship service and all went to the Boyce home for refreshments.

LUTHERANS SPONSOR HAY RIDE, OCTOBER 26

The Ladies Aid of the Grace Lutheran Church is sponsoring a Hay Ride at the James Tonneberger farm for the children and grown-ups, October 26. Everyone is asked to meet at the church at 7 p.m. and bring doughnuts, buns and frankfurters for their family and the Ladies Aid will furnish coffee and sweet cider.

Canned goods for the Lutheran Seminary at Saginaw may be brought to the church not later than Sunday. On Monday, the Rev. Mr. Jeschke will have arrangements made for these goods to be taken to Saginaw.

servants consider this problem in line with the principles that are best for our nation.

"To sum it all up, the role of a Christian United States in future international affairs is to do right by others in the family of nations. We must take the leadership in combatting the ideology of totalitarian countries."

Mr. Dawson, in opening his half of the discussion said he regretted conditions did not permit of debate. He said a short look should be taken at the past in order to cover the subject.

"The issues before us are ethical issues. Since 1945 the assumptions on which post-war plans were formed have failed.

"It is clear that the United Nations was constructed on the principal that there would be agreement among nations. By the spring of 1947 it became clear that the ambitions of Russia were unlimited. They planned to push Communism throughout the world.

"It is perfectly clear that the Marshall Plan was not solely to contain Russia. It was our deep concern to aid these countries. The Marshall Plan is basically sound, the expression of Christian ideals. Tre recovery of Europe is little short of remarkable. There is a new sense of security, a new hope for the future.

"There will remain a serious problem in Europe after the termination of the Marshall Plan in July, 1952. The problem is a long-term problem. There must be a continuing interest in aiding those countries. The Marshall Plan, successful as it has been, only opens up the way for us.

"At the military level we will need the utmost in co-operation. Korea is indefensible and useless to us but we had the moral need to go there. We have succeeded in demonstrating that the United Nations is effective.

"We are now engaged in a long term contest with Russia. It need not end in war. Negotiation with Russia is impossible. The contest may last many decades. We need friends and their support. We must strengthen common action against a common foe. The ethical principles behind our actions will justify those actions."

23 AT LUNCHEON

Twenty-three women gathered at the Tecumseh Country Club last Wednesday for the 1 o'clock luncheon. Bridge and canasta were the diversion with honors at bridge to Mrs. George Rathbun and at canasta to Mrs. Marvin Watkins. The hostesses were Mrs. Max Smith and Mrs. William Britton. Reservations for the October 25 luncheon may be made with Mrs. Robert Manchester, phone 72J, and Mrs. Howard Truesdale, phone 197M, not later than Tuesday noon.

Pythian Sisters Would Aid Town In Emergency

The Josephine H. Hall Temple, Pythian Sisters of Tecumseh, informed the village council by letter, Monday evening, of its desire to be of assistance in any way that it can, particularly in the event of air raids and other emergencies. The council accepted the offer and instructed the clerk to express its appreciation to the organization.

The council also voted a $50 appropriation for the civic Hallowe'en celebration, to be staged October 31.

The application for the transfer of ownership of the SDM license for Tecumseh Tavern from Charles L. Warner to Floyd H. and Myrtle Brighton was approved. A trailer license was granted to Edna Gillen on her petition and payment of fee.

Current bills were audited and reports of the several committees and department heads were read and placed on file before the meeting adjourned.

Indians Whip

(Continued from Page 1)

ed. To open the second stanza VanWinkle hit center to the 10-yard stripe and on the same play crashed the middle of the line again to the one-foot line. On the next attempt the same VanWinkle hit the Tiger line for a touchdown. The try-for-point failed, and the score stood 13-0.

The final score of the contest came a few minutes later. Marsh again kicked off and after making one first down the Tigers were unable to penetrate Tecumseh's defense further and lost the pigskin on downs on the Indians' 40. On the first play Whelan turned in the first of his long sprints when he circled right end, reversed his field, and galloped to the Bulldog seven-yard stripe before being hauled down. Dick then hit right guard for two yards, and on the next play VanWinkle tossed to Campbell for a touchdown. Again the try for extra point was no good and the scoring for the evening was concluded.

Tecumseh drove deep into Hudson territory again late in the third quarter after Whelan turned in his second long jaunt on the identical play as his first one, only this time he started from his own 39 and was brought down on Hudson's eight. A penalty took the ball back to the 15 and although the Indians' pushed to the 10 they lost the ball there on downs.

The Tigers' only scoring threat came in the waning moments of the game. The longest pass of the evening, Garland to Meredith, good for 35 yards, and a series of penalties against Tecumseh carried the ball to the two-yard stripe where the game ended.

Friday night the Indians tangle with the Addison Panthers at Recreation Center. Addison has shown considerable improvement as the season progresses but Tecumseh should not have to extend themselves too far to chalk up another win.

SKATING PARTY

About 81 Girl Scouts, Brownies and their leaders and mothers enjoyed an afternoon of skating at the Sand Lake Roller Skating Rink last Saturday afternoon. Fancy skating, circle skating and a grand march was enjoyed by the scouts and some of the leaders. The skating party was sponsored by the Girl Scout Association of Tecumseh.

Presbyterians Plan World Order Sunday

Tuesday, October 24, marks the fifth anniversary of the ratifying of the United Nations Charter. In commemoration of that event the First Presbyterian church will observe Sunday, October 22, as World Order Sunday. This date has been so designated by the Federal Council of Churches and is part of United Nations Week being observed throughout the world October 16 to 24.

This service at the Presbyterian church, beginning at 11 o'clock, will stress the Christian World's stake in world order. The Old Testament lesson will be read in French by Mrs. Edward Boss; the New Testament lesson will be read in Ukrainian by Petar Michajlenko, the father of the displaced person family recently brought to this country by the Presbyterian church; and the general prayer will be in German by Dr. Wesley H. Mast.

The sermon—in English—will be preached by the Rev. D. C. Wilson on the subject, "The World in Christ."

GARDEN CLUB TO MEET

The Tecumseh Garden Club will meet Friday at 2 p.m. with Mrs. Joseph O'Pravil. For transportation to Mrs. O'Pravil's, call Mrs. Thomas O'Hara, phone 433, or M. C. Miller, phone 188R. The co-hostesses will be Mrs. O'Hara, Mrs. Clarence Beach and Mrs. L. W. Larsen. Roll call will be answered with suggestions for next year's program, and what happened to your New Year's resolution. A report from the nominating committee will be heard at this time.

Guest Day Observed By D. A. R. On Friday

The Abi Evans Chapter, D.A.R., met at the home of Mrs. Charles Williamson on West Chicago Blvd., Friday afternoon with 39 members and guests present. Mrs. A. H. Brown, vice regent, presided at the business meeting. Mrs. Hoyt Whelan and Mrs. Floyd Elliott gave brief reports of the district meeting held here in September. Mrs. William Wehr of California, an early member of the chapter, asked for her release and it was granted.

Mrs. Frederick C. Dickinson was in charge of the program and introduced Mrs. Clarence W. Wacker of Birmingham who spoke on "Workings of the D.A.R." The D.A.R. was founded in 1891. Mrs. Wacker is state chairman of the building fund.

Tea was served later from a lace covered table decorated with fall flowers. Mrs. Williamson was assisted by Mrs. Frank Turner, Miss Isabelle Tripp, Mrs. Frederick Terry, Mrs. George Elliott and Mrs. Horace Loveland.

The October meeting will be held with Mrs. Roy Whiting on West Pottawatamie street. Mrs. Athol Brainard will have charge of the program and Mrs. Neil Pearson and Mrs. Joe Rice the D.A.R. projects. The assisting hostesses will be Mrs. Edward Beal, Mrs. Clare Beland, Mrs. Edwin T. Armstrong, Mrs. James Artman and Mrs. Clarence Fisher.

TECUMSEH MEMBERS AT EL MECCA MEETING

Members of El Mecca Temple No. 63, D.O.K.K., held their regular monthly meeting in Castle Hall of Queen City Lodge No. 167 at Ypsilanti Friday evening with a good attendance from Tecumseh, Dundee and Ypsilanti. John Woolsey, Royal Visier, presided. Milton Probert of Pontiac, Supreme Imperial Prince, made an official visit and spoke to the assembly.

Organization of a caravan to call on all Pythian lodges in the southeastern area was discussed and Al Augustus of Ypsilanti was appointed chairman of the caravan committee. A committee was appointed to raise funds to defray the expenses of taking the Ypsilanti high school Girls' Drum and Bugle Corp to Toledo for the national convention of the Dokies in August.

Lunch was served and announcement made that the next meeting will be at Dundee in November. The next ceremonial will be in Tecumseh December 7.

PRODUCTION CREDIT MEET AT BROOKLYN

The annual meeting of the Southeastern Michigan Production Credit Association will be held at the Brooklyn high school on November 3, beginning at 10 a.m. George Susens of St. Paul Minnesota, President of the Production Credit Corporation's seventh district, will be the principal speaker at the meeting. He will speak on the importance of complete farmer-ownership of this association, and how this can best be accomplished.

The Brooklyn high school band will furnish part of the entertainment. The annual election will be held and a luncheon will be served to the members at noon. There are about 950 members from Jackson, Washtenaw, Wayne, Monroe, Lenawee and Hillsdale counties.

SCHOOL POTLUCK

The Ridgeway School will sponsor a potluck weiner roast at the school, tonight (Thursday). There will be a ball game at 5 p.m., eats at 6 p.m., and a free movie at 7. Sweet cider and coffee will be furnished by the school. Everyone in the district is urged to attend.

Another Drunk Driver Gets Six-Day Jail Term

Tecumseh police report but two arrests in the past week, both on traffic charges and it appears that the alertness of the department and the stiff penalties passed out by Justice Robert French are beginning to have their effect on would-be violators.

On Saturday night Juan Vaga, 21, of RFD 1, Tecumseh, was arrested by local officers and charged with drunk driving. He pleaded guilty in Justice French's court on Monday and was sentenced to pay a $50 fine, $8.60 costs and spend six days in the county jail.

Charles E. Anspach, 47, of Britton was arrested by local police Sunday and charged with driving while under the influence of alcohol. He pleaded not guilty before Justice French and furnished bond for his appearance at a later date.

In other complaints to the police George Saliba of Detroit reported last Wednesday that he had been bitten by a dog at 611 South Pearl

Herald classifieds pay big dividends.

PLAN HOSPITAL BALL

Herrick Memorial Hospital Auxiliary met last week in the Fellowship Center of the Presbyterian church with twenty-five members present. Mrs. Dale J. Bowen presided at the business meeting and various matters were discussed, among them the annual hospital ball which will be early in December. October 28 was the tentative date set for the book and bake sale. A report was given on the nursing scholarship project which has been adopted by the auxiliary. Mrs. Paul Keyser gave a report on the lay nurses meeting held in Lansing, Tuesday, and Mrs. Vincent Haight and Mrs. L. W. Larsen reported on the bloodmobile which was in operation last week.

Refreshments were served at the close of the meeting by Mrs. R. K. Anderson, Mrs. Ray Shuyter, Mrs. A. J. Brown, and Mrs. Percy Bowen.

Street. The owner of the animal was ordered to keep it tied up ten days for observation.

Last Thursday Lawrence Hufftcutler reported that tools valued at $35 had been stolen from his home at 152 East Chicago Blvd. Officers are investigating.

EVANGELISTIC SERVICES

A series of evangelistic meetings have been announced by the Church of the Nazarene of Ridgeway with the Rev. H. N. Dickerson of Ashland, Ky., as the evangelist. The Rev. Mr. Dickerson has spent 25 years in the evangelistic field.

The evangelistic services will begin Wednesday, October 25, at 7:45 p.m., and continue nightly through November 5. Special singers during the services are Laura and Orma Tompkins of Plymouth, Mich.

MUSIC CLUB MEETS

The Tecumseh Music Club met Tuesday evening with Mrs. Charles Williamson on West Chicago Blvd., with fifteen members present. Two new members were taken into the club, Mrs. R. J. McCoy and Mrs. Harold Green. Mrs. Thomas Gallant, president, presented her resignation and it was accepted. Mrs. Murray Day was elected to succeed Mrs. Gallant. Choral practice was continued, under the direction of Mrs. John McColl, who will conduct the practice until she goes to Florida.

Refreshments were served by hostess, assisted by Miss Edith Ingersoll.

It's fair to share

Just as sharing a soda helps young love—sharing a party line helps improve telephone service.

If party-line neighbors use their telephone sharingly—space calls fairly—don't interrupt calls except in extreme emergency—and always hang up the receiver carefully—better service for everyone is bound to result.

Why not prove it on *your* party line?

yet priced with the lowest

These days you can't tell from the price tag how much quality a car holds. Ford, for example, is still priced with the lowest . . . yet in other respects it's in the fine car class. Take its styling, for example, for two years in a row Ford has been the recognized fashion leader.

Like America's finest cars Ford offers you a V-8 engine. No other low-priced car does. Nor does any other car at any price offer you a choice of V-8 or Six engines. And remember, Ford's V-8 costs hundreds less than most sixes—Ford's Six costs even less.

80 ARE ENROLLED IN POLICE SCHOOL

The eighth post war session of the Michigan State Police training school is under way with an enrollment of 80 candidates for enlistment as troopers.

The course, which is being conducted at East Lansing headquarters, will require eight to nine weeks. The training is intensive and covers a wide field of subjects. Upon graduating, the troopers are sworn in and placed on probation for six months. At the end of that period their appointments are confirmed if their work has been satisfactory.

The present school was authorized recently by the legislature as part of the state's defense preparedness, a special appropriation of $156,000 being authorized to add 60 troopers.

In order to provide a wider field from which to obtain recruitments, enlistment was opened up for the first time to married as well as single men.

SQUARE DANCE PARTY ENJOYED AT CLUB

About 100 members and friends enjoyed the Square Dance Costume Party at the Tecumseh Country Club last Saturday evening. Music for the dancing was furnished by Driscoll's Orchestra. The club was decorated with bales of hay, kegs of sweet cider, bushels of apples, cans of popped corn, jugs of coffee, dishes of doughnuts and colored leaves and pumpkins. The ladies were in cotton dresses and the men in blue jeans. Mr. and Mrs. Lee Randall were chairmen and were assisted by Mr. and Mrs. C. M. Brown, Mr. and Mrs. Jens Touborg and Mr. and Mrs. Earl Pennington.

New County Jail Issue To Voters

$400,000 BOND ISSUE TO BE SUBMITTED TO THE ELECTORS NOVEMBER 7

A $400,000 bond issue will be submitted to the people of Lenawee county at the November 7th election to build a new jail. William H. Nestle, state inspector of jails, threatened to close the county jail in 1949, "unless a concrete attempt is made to better existing conditions."

The Building and Grounds Committee of the Lenawee Board of Supervisors during the past year have consulted architects, studied their plans, visited new jails in the state, and obtained comparative cost estimates to arrive at the most economical solution to the problem. The members of the Board of Supervisors indicated that they believe it is good business and good county management to replace the 75-year-old building, and voted unanimously to place the bond issue before the people.

In the report of the Building and Grounds Committee it was revealed that the present building has been condemned as a fire trap and is unsuitable and unsanitary as a place of confinement; that many things have been found wrong—bad and unsafe cell arrangement, poor floor plan for efficient operation, inadequate plumbing to meet sanitary requirements, poor lighting, and perhaps of most importance the fact that the jail is far from escape-proof; that only a few years ago prisoners removed a concrete slab with small tools and escaped.

Mr. Nestle, the state inspector of jails, has indicated that the state can close the jail completely at any time because of the above unfavorable conditions. The only

Two Are Killed In Auto Wrecks

BROOKLYN MAN FATALLY HURT NEAR TIPTON; TECUMSEH MAN DIES IN OHIO

Two men, one from Tecumseh, the other from Brooklyn, lost their lives in traffic mishaps last Friday night.

Harry E. Mattis, 60, of Rt. 2, Brooklyn, was fatally injured Friday evening at 8:20 when the car he was driving went out of control, hit a cement abutment and overturned on the Tipton Road, just north of Tipton.

Orville Brisbin, 74, Rt. 1, Tipton, a passenger in his nephew's car, suffered a fractured cheek bone. He was removed to Herrick Memorial Hospital by ambulance.

State police, investigating the mishap, said that they could find no reason for the crash. Coroner Paul Mott held that Mattis' death was accidental and no inquest was necessary.

Mr. Mattis was born in Tecumseh, September 17, 1890, a son of the late Edward Mattis and Algie

JUSTICE FRENCH HANDS OUT 7-DAY SENTENCES TO TECUMSEH AND BRITTON MEN

Two men, one from Tecumseh and the other from Britton, drew jail sentences when they pleaded guilty to operating motor cars while under the influence of liquor, in Justice Robert French's court here, Monday.

The men were Charles E. Anspach, 47, of Britton, who was taken into custody on October 15 and who had pleaded not guilty to the charge on October 16, and Jack C. Patrick, 36, of Tecumseh, who was arrested October 22.

Both men were sentenced to spend seven days in the county jail at Adrian, to pay fines of $50 and court costs of $8.60.

The arrests were made by Tecumseh police.

Traffic violation cases in Justice French's court during the past week were as follows:

Ronald J. Fellow, failing to observe stop light, $5.10; Richard Harsh, speeding, $7.10; Gordon Lapham, failing to observe stop sign, $6.10; Gordon Lapham, defective brakes, $6.10; John McGorman, failing to yield right of way, $5.10; Harlan Shue, speeding, $8.10; Ilse Revesz, speeding, $5.10; Glen Engelhardt, speeding, $6.10; H. Heinvokel, speeding, $8.10; Henry McCoy, speeding, $7.10; F. Worthington, speeding, $8.10; Arba Hawley, failing to observe stop sign, $5.10; Francisca Arangel, failing to observe stop sign, $6.10.

A Group Of 6th Grade Boys Doing A Fine Safety Job

The Rotary and Exchange Clubs, Veterans of Foreign Wars and the Chamber of Commerce recently pooled their funds and purchased new plastic flags for the Safety Patrol boys who daily, regardless of weather, assist school children across the busy streets in Tecumseh. In the picture above are, left to right: Dean Andrews, Darwin Smith, elementary school principal, Charles Hand, James Dewey, a patrol lieutenant, Richard Johnston, Kenneth D. Hall, president of the Exchange, Charles Foreman, Allen Dickinson, Kenny Miller, Gary Cameron, Harold Warren, of the V. F. W., Ray Larned, captain of the patrol group, Barry Packard, Gordon LaLonde, Chief of Police Clark, Kenneth Poley, Terry Holdridge, Nicky Touborg, C. O. Butler, president of the Chamber of Commerce, Lee Vescilius, Kent Davison, a patrol lieutenant, M. G. Partridge, vice president of the Rotary Club, Neil O'Hara and James Jackson. The officers of the assisting organizations and Chief Clark were on the job at the school when the flags were presented to the patrol boys. (Herald Photo)

13-YEAR-OLD GIRL INJURED IN FALL

Mary Anna Wilcox, 13 - year - daughter of Mr. and Mrs. Bert Wilcox, who reside east of Tecumseh, fell from a tree Monday afternoon and suffered a compound fracture of the right arm between the wrist and elbow. She was brought to Herrick Memorial Hospital and later removed to University Hospital in Ann Arbor, where it was found impossible to reduce the fracture until after an operation.

Indians Tame Addison Panthers

WHELAN, BEASLEY, VAN WINKLE AND BREITENWISCHER SCORE TD'S IN 26-0 VICTORY

Coach Elven Duvall's Tecumseh high school gridders chalked up their third win in L.C.A.A. competition at Recreation Center Friday evening when they romped to an easy 26-0 victory over the Addison Panthers.

Racking up three touchdowns and one extra point in the first half the Indians coasted through the third period and then added a fourth tally in the final quarter to put the game on ice.

Recovery of an Addison fumble by Bob Marshall on the Panther's 16-yard line set up the first score. Dick Whelan then raced around right end for the tally and Dick Beasley added the extra point. A 60-yard drive climaxed by Beasley's ten-yard slash off tackle early in the second period accounted for the second touchdown, but the try for point failed. Hard driving Dave VanWinkle scored the third marker when he crashed through center for eight yards shortly before

TO VISIT RADIO STATION

The week of October 30, Cub Scouts of Pack 4, will visit Radio Station WABJ, and will be conducted on a tour by Larry Payne, program conductor. Mr. Payne will take two dens each day from 4-6 p.m., and explain fully the radio station and it's work to the boys.

The pack meeting of November 20, will be a radio and television broadcast program, and this tour will be of great value to the cub scouts.

Last week all the dens took advantage of the fall weather and took long hikes and enjoyed their supper out of doors.

Village Faces Stream Hearing

POLLUTION CHARGE BEFORE COMMISSION; DECISION EXPECTED QUICKLY

A quick decision, perhaps today or tomorrow, in Tecumseh's case involving the pollution of the River Raisin, is expected to be handed down by the Michigan Stream Control Commission. Members of the local government were at Milford yesterday afternoon at a Commission hearing, the village having been cited by the state on the pollution charge.

E. C. Heilman, chairman of the water and sewer committees of Tecumseh, said that he believed the Commission would make a decision in Tecumseh's case almost immediately. The village has been warned for years that a sewage disposal plant must be built here, but thus far local action has been delayed.

Mr Heilman said that the Commission was advised yesterday that the village is making progress on the state's order to build the plant, and that a firm of Ann Arbor engineers now are at work on a survey. The plant probably will cost around $300,000, and a method of financing the construction must be worked out.

In all probability the state will either give Tecumseh a definite time in which to complete the disposal plant's construction, or will cite the village in a suit in the circuit court, regarding the town to show cause why an order should not be issued forcing construction within a limited time.

Those making the trip to Milford yesterday included besides Mr. Heilman, Mayor Floyd Elliott, A. G. Leitch, village engineer, and Archie Porter, a member of the council.

CONFERENCES END

Earl McIntyre, of the Department of Journalism, Michigan State College, addressed the final Retail Conference of local merchants at the high school, Tuesday evening. Mr. McIntyre discussed advertising.

The Retail Conferences, sponsored by the Chamber of Commerce, covered a six-week period with meetings each Tuesday evening.

My office will be closed Oct. 12-22 and Nov. 1 through Dec. 3, inclusive.

Dusty Miller To Speak To Rotarians, October 31

Dusty Miller, the famous humorist of Wilmington, Ohio will be the speaker at the Tecumseh Rotary Club on Tuesday night, Oct. 31st. at the weekly dinner meeting of the Club. Dusty has the enviable record of not having missed a Rotary meeting in 1000 consecutive weeks, over the past twenty years.

R.S. Moore Co. Receives Honor

FIRM'S CONTRIBUTION IN AIDING HOME BUILDING WINS RECOGNITION

As a recognition of service to the lumber and building supply industry, R. S. Moore & Son Co., of Tecumseh, has been singled out from hundreds of dealers, and presented with a wall display as an award by the editors of Wood Construction & Building Materialist magazine. The display reads, "In recognition of service to the lumber and building material industry."

The lumber firm, which has been a local institution for 60 years, was the subject of a recent feature story in this trade magazine circulating among midwestern lumber and building materials dealers.

Richard D. Downing, managing editor of Wood Construction & Building Materialist, told Robert H. Moore, president and general manager, that he was one of the most enterprising and progressive lumber dealers in this part of the country, in a letter of presentation accompanying the achievement award.

The letter further said that Mr. Moore and his firm were chosen for this commendation not only for successful business methods, but also because of his effort in aiding home-builders in the community.

Safety Patrol Doing Fine Job

40 SIXTH GRADE BOYS VOLUNTEER TO MAKE INTERSECTIONS SAFE FOR YOUNGSTERS

Come rain, snow, cold or fair weather, Tecumseh's public school safety patrol boys—40 of them and all from the sixth grade—are on the job morning, noon and night guiding youngsters across the busy intersections at Brownville and Central schools. They serve without remuneration, but they take a great deal of pride in their work and, at the end of the year, they receive a service certificate from the school, expressing appreciation.

Recently, Tecumseh civic groups and the Chamber of Commerce have become interested in the Safety Patrol and the Chamber has purchased rain coats for the youths and, last week, Rotary, Exchange, the Veterans of Foreign Wars and the Chamber, purchased and presented plastic safety flags, to be used by the boys in their work. The photo above was taken at the Intersection of Ottawa and Logan streets, near Central school, as the boys prepared to "police" the intersection.

On hand, as the flags were presented, were Chief of Police Clark, K. D. Hall, president of Exchange, M. G. Partridge, vice president of Rotary, C. O. Butler, president of the Chamber, and Harold Warren of the Veterans of Foreign Wars.

"The youngsters are doing a grand job, and are entitled to a lot of praise for their untiring efforts," Darwin Smith, elementary school principal, said today in discussing the patrol. He also expressed appreciation for the interest that is being shown by the Chamber, the Veterans and the civic groups.

"The boys are all members of the sixth grade, and some days, when it is cold or it rains, they have a rather difficult task to perform. However, it is the job of each boy to report promptly, and the captain and the lieutenants have little difficulty in carrying out the program. The boys accept responsibility, and I am of the opinion that the public appreciates their work, as does the school and the children."

This year, Mr. Smith said, the patrol members—and they are all volunteers—receive free passes to the football games locally, and they will receive similar passes for basketball games. In all probability there will be a free movie or two for them at the Strand, arranged by the school, and there may be other parties.

"It might be that a trip to a Detroit ball game could be arranged, if we could find an outside sponsor," Smith said. "I know that the lads would appreciate it a lot."

Some of the other patrol boys, who did not get into the picture and are not mentioned above are: Marshall Bilke, Paul Buchheimer, Richard Covell, Jim Dewey, a lieutenant, Duance Dunmore, Russell Freshcorn, Ronald Gurtzweiler, Lloyd King, Lee Marsh, Ronnie Mikesell, Raymond Nichols, Roger Palmer, Jerry Robinett, Howard Schmidt, Jim Teegarden, Jim Warren, Gerald Watson and Ken Crisler.

Clinton Girl Injured In Fall At School

Priscilla Herman, eight-year-old daughter of Mr. and Mrs. Robert Herman of Clinton, and granddaughter of Mr. and Mrs. Pete Dormyer of Tecumseh, fell from the balcony to the floor of the gymnasium at the Clinton Community school last week suffering a fracture of the right leg and a possible vertebra injury. Priscilla had gone to get her drum from the room in the balcony where the musical instruments are kept. As she was alone and there was no one in the gymnasium at the time, it is not known just how the accident happened. She was taken to Herrick Memorial Hospital where her leg was placed in a cast.

Big Hallowe'en Party Announced

PARADE, PRIZES, THEATRE PARTY, WINDOW DECORATIONS ARE INCLUDED

"The goblins will get you even if you do watch out," when Tecumseh's annual civic Hallowe'en observance is staged next Tuesday evening. The committees have their plans in readiness, and one of the town's most awaited for events is promised to be bigger and better than ever.

The annual costume parade will start from the corner of North Ottawa and Chicago boulevard promptly at seven-thirty and will follow the high school band through the business section. A number of prizes will be given to youngsters with the most original and unique costumes.

A two hour free show at the Strand Theatre will be furnished for all the young spooks following the parade. Each little goblin will also be given a prize package as he follows the line into the theatre. The local Brownie Scouts spent a busy afternoon last Monday putting the treats into packages.

The annual window decorating contest which has been growing in popularity will also be better than ever. There will be nearly fifty entrants displaying their talents for the prizes that will be offered and for the pleasure of

Tecumseh Joins In Observance

BELLS RING OUT HERE, TUESDAY; OVER 2,000 SIGN FREEDOM SCROLLS

Citizens of Tecumseh paused briefly last Tuesday to join in the observance of United Nations Day. By proclamation, J. Floyd Elliott, village president, requested that the bells of the town be rung for five minutes at noon, coinciding with the ringing of the Freedom Bell in Berlin.

The observance of United Nations Day came as the climax of the Crusade for Freedom drive by which the National committee aroused the people of America to new thoughts concerning their own freedom and to direct efforts to send the message behind the Iron Curtain.

Flags were displayed in the community on Tuesday. In many of the churches the mayor's proclamation was read last Sunday, and many sermons were built around world themes.

Over two thousand signatures were secured locally on Freedom Scrolls, Ronald Harris, chairman reported. The securing of signatures equal to fifty percent of the population gave Tecumseh an extremely high percentage in the state and nation. The Tecumseh signatures will be enshrined with millions of others with the Freedom Bell in Berlin.

CONDITION IMPROVED

The condition of Harlan Boyes, who was seriously injured in an accident on US-223 east of Adrian, recently, continues to improve. He was transferred from Bixby hospital to University hospital in Ann Arbor. Mr. Boyes suffered a dislocated left hip, a broken jaw and was badly cut and bruised. He underwent an operation Friday on his jaw.

250 AT BAZAAR

About 250 people were served at the Annual Baptist Church Bazaar last Thursday evening. The tables were beautifully decorated with chrysanthemums arranged by Mrs. Neil Pearson. The flowers were sold later.

Chest Goal Set At $7,025 Here

IMPORTANCE OF GIVING "ONCE FOR ALL" STRESSED IN CIVIC DRIVE

The residents of the Tecumseh area will be called upon next week by volunteer workers in the annual Community Chest drive, this year for the first time combined with the United Health and Welfare Fund. The task of dividing the town into areas for purposes of solicitation and the securing of several dozen volunteer workers is now under way, and it is hoped that by a highly concentrated campaign the goal can be reached within a two week period.

The "Kick-Off Breakfast," at which time workers in the drive will receive final instructions and kits of supplies will be held next Monday morning at 9 a.m., at the Legion Memorial Home. The cost of the breakfast is being underwritten privately, it was said, and is without expense to the Chest.

Ronald Harris, chairman of the local campaign, points out that the Tecumseh quota is larger than in previous years. "We should readily understand this," he stated. "Rising costs make it imperative that more money be raised to produce the services we expect. Moreover, Tecumseh has formerly had

Trash Pick-Up Here Next Week

VILLAGE TRUCKS TO HAUL FREE ALL RUBBISH AND DEBRIS PLACED AT CURB

Next week, October 30 through November 4, is Clean-up Week in Tecumseh.

The village-wide program to rid the town of trash and other debris accumulated throughout the summer months was announced last week by Geo. McCombs, a member of the council. Village trucks, McCombs said, will co-operate in the program, and trash placed at the curb will be carried to the dump by the trucks without charge.

"The council is anxious to assist residents in the clean-up, and for this reason village-owned trucks will participate in the program," McCombs said. "All that the village is asking is that residents place the rubbish at the curb in front of their homes, so that it will be easy for the trucks to pick it up and haul it away."

McCombs pointed out that it will be impossible, because of the time element, for village employees to go into private yards to pick up the trash. "The rubbish must be at the curb line," he said, "if it is to be carried away without charge."

DR. DETAR OF MILAN, SAYS NATION IS GOING DOWN ROAD TO SOCIALISM

The nation is going down the road to socialism and the only hope for the survival of democracy is the ballot box, Dr. Jack DeTar of Milan, told members of the Rotary club when he spoke to that organization, following dinner at the Legion Home, Tuesday evening.

Launching a fierce attack on government waste, bureaucracy and the overloading of government agencies and commissions, the Doctor warned that if the administration is successful in its drive

FLIES TO FUNERAL

August M. Lopez, father of Abelardo P. Lopez of Tecumseh, died at his home in San Antonio, Texas, last week Wednesday at 3:30 a.m. After returning only the Saturday before from visiting his father, Abelardo found it financially impossible to return so quickly for the funeral. Through the co-operation of his fellow employees at the Clinton Foundry and of John R. Thompson of Tecumseh, he was able to fly to San Antonio, Texas, Wednesday for the funeral, and to fly back to home here.

SHORT IN SWITCH

The fire department was called to the Carl Dinse home, 310 So. Adrian street, at 1:30 a.m. Wednesday, when the family was awakened by the odor from a short in a switch in an electric stove. There was no damage, except to the stove switch.

IT'S A SMALL WORLD, EVEN ON THE KOREAN BATTLE FRONT

Two Tecumseh Lieutenants Meet On Ship At Inchon

It's a small world, today, even on the Korean war front, as two Tecumseh boys will testify.

A week ago last Sunday evening, Lieut. Richard E. Williamson, son of L. P. Williamson of W. Chicago boulevard, was in the ward room of the U.S.S. Cavalier in the waters off Inchon, Korea, when, he writes, "an unshaven face came up to me and inquired, 'what's your name.' The unshaven face turned out to be Lieut Robert Wilson, U. S. Marine Corps, son of Mr. and Mrs. M. W. Wilson of Herrick Park.

"I thought it was quite a coincidence, as there are hundreds of ships here in Inchon, and we two Tecumseh lads would meet on the other side of the earth. A small world," Lieut Williamson writes in a letter to The Herald, postmarked in Inchon on October 16.

Lieut. Wilson remained for the night aboard the Cavalier and then was transferred to another transport on Monday morning.

Both the Tecumseh lieutenants, one in the Navy, the other in the Marine corps, have been taking an active part in the Korean war.

"My stay in the far east was lengthened by the Korean war," Williamson writes to The Herald. "Originally, the Cavalier had been sent to Japan to train the Eighth Army in amphibious warfare. The training developed into the real thing. Amphibious warfare has certainly paid off in Korea. The Marines deserve a great share of the credit for victory out here."

Lieut Williamson expects that his ship soon will be returning to the states for a well-earned navy yard availability, and a little leave and recreation for the crew.

When Will The Voters Wake Up?

In about two weeks, voters here and throughout the nation will go to the polls to choose important state and national officers. In Michigan we will choose a governor and his official family, and in this District a representative who will sit in Congress as the voice of the folk in Lenawee and neighboring counties.

The time was, perhaps, when the selection of these officials was not as important as it is today for, in our opinion, the United States is at the cross roads. Either we will swing back to a democratic form of government in which the people are greater than the state or we will continue, as we are doing, and drift listlessly into a totalitarian form of government and economic slavery.

The choice must be made at the ballot box.

We are not saying that every candidate on every ticket is or is not the proper man to elect. We are not asking anybody to vote a straight party ticket because everyone else on the other fellow's ticket is bad. We freely admit that, in all probability, there are objectionable candidates on all tickets. What we should do is use our heads in voting, find out to the best of our ability who is good and who is bad and cast our ballots accordingly, regardless of party affiliation. That's the way to clean up parties, and that's the way to clean up politics.

We have, however, had a pretty good chance to observe the policies, the politics and the intentions of the party that has been in power nationally since the early 30's. In our judgment, people voted this party into power by voting against the other party. It was any port in a storm. A depression was raging. But it took World War II to bring us out of the economic tail spin and the medicine that was used then is still powerful.

We sewed our money to the wind, and now we are reaping the whirlwind.

Today we speak of appropriating a billion or two for this or for that with more ease than we spoke in millions twenty years ago. Today, many of us are paying in taxes to the federal government alone more money than we actually earned twenty years ago. And, today, we are attempting to make a 56-cent dollar do the work that a 100-cent dollar did twenty years ago, and we're finding it to be a difficult task.

The value of the dollar, because of inflation, is shrinking every day, and there is no reason to believe, except for a change in national policy, that it will not continue to shrink. And, if the national policy is not changed, there is no reason to believe that taxes will not go still higher, and that we will be forced to again tighten our belts in an effort to permit the bureaucrats to continue their spending to the winds. In addition, there is no reason to doubt, in fact we'd predict that after November election taxes will be further increased, rigid restrictions controlling prices, wages and the flow of free goods will be tightened and, once again, the nation will be living under a still greater manipulated economy.

Obtaining money from the people and spending it as they may well please is one of the easiest jobs that the bureaucrats have today. How do you think the government got the $174,000 that it took to fly President Truman to Wake Island to meet General MacArthur? And from all that you can read and learn from official reports, the jaunt was about as necessary as the fifth wheel on a motor car.

And don't think for a minute that the bureaucrats aren't laughing up their sleeves as they watch the rank and file of the American people swallow up the story of the Wake Island meeting. Yes, the old medicine, dished out in the 30's, still is potent.

We're flatly against public waste, regardless of the form. We're flatly against an administration that would play politics within human lives and human misery. We're flatly against secrets in government, be they at Yalta or Lake Success, and we're disgusted with the way that many Americans fall for these window-dressed schemes.

It's time that we wakened up — maybe its too late. Anyway, think seriously when you enter the polling booth in the November election. The mark that you make on your ballot may be your choice between freedom and slavery. Investigate your choice of candidates and know the company they keep.

Above all, don't fail to vote!

State Watches Fever Carriers

256 SUCH PERSONS IN MICHIGAN ARE UNDER CAREFUL OBSERVATION

Michigan has 256 known typhoid fever carriers, but all of them are under close supervision of the health departments of the state to assure that they do not give their illness to other Michigan residents, the State Health Department reported today.

The health department's diligent search for typhoid fever spreaders during the past 18 years has revealed a total of 548 carriers in the state and has cut both the number of new cases and the number of deaths from typhoid fever in Michigan. A total of 424 new cases of typhoid fever and 75 deaths from typhoid fever were reported in 1931. In 1949, 48 new cases of typhoid fever and one death from typhoid fever were reported in the state. Michigan has had no case of typhoid fever due to a public water supply in the past 16 years.

When it became known in 1932 that the main source of typhoid fever infection in Michigan was carriers, the health department of the state undertook a systematic search to find the carriers and began a typhoid fever control program which emphasized carrier control, safety of public water supplies, complete pasteurization of milk supplies, proper sewage disposal and a close check of food handlers.

Under this program, known typhoid fever carriers are supervised throughout their lives to see that they do not handle food, water or dairy products intended for public consumption. They are visited by state or local health officers four times each year and are required to notify the health officer of any change in address. The identity of typhoid carriers is held confidential as long as the carrier cooperates with the health departments.

While chloromycetin, one of the newer antibiotics, has proved successful in treating acute typhoid fever cases, no antibiotic has been found which is successful in treating the carrier stage of the disease. Practically all typhoid fever carriers harbor the typhoid organisms in their gall bladders. The germs are expelled with the bile into the intestinal tract. Complete removal of the gall bladder is successful in eliminating the organism from the body in about 90 per cent of cases.

Between two and three percent of typhoid fever patients remain carriers of the disease. No patient is released from health department supervision until three laboratory tests of his stools a week apart show no typhoid fever germs in his stools. These laboratory tests reveal the carriers of the disease.

BOY, 12, SAVES PAL

Toledo, Ohio. — Using rope-throwing techniques he learned from wild west movies and resuscitation methods learned in the Boy Scouts, Jack Gause, 12, saved the life of a playmate, Wayne Goodlive, 8. Wayne fell into a 10-foot excavation while the boys were playing and was going down the second time when a rope thrown by Jack, snared one of his hands. The older boy held the rope fast and waded into the hole and pulled the unconscious boy out. Then, stretching him out on the grass, he started resuscitation. Wayne revived in a few minutes and was taken home. When reporters heard about the story and went to interview the young hero he was out in his backyard busy playing cowboys and Indians.

Speed Is Big Factor In All Traffic Deaths

Nearly one thousand persons are being killed or injured on Michigan highways each week, and speed is one of the principal causes, Sgt. Carl Miller, of the Clinton post of the Michigan State Police asserted today in urging motorists to cooperate in the present campaign to reduce the frequency of this most serious traffic offense.

"The slogan of the campaign, 'Speeders Lose,' has been well selected, for the records prove that speeders do lose," Sgt. Miller said. "Even when speed is not the direct cause of an accident it often contributes to its seriousness and means the difference between life and death.

"Not only was speed a factor in 500 Michigan traffic deaths last year, but it also was responsible for the serious injury of many of the 41,000 persons who were hurt in the 143,000 accidents that occurred in the state.

"Motorists should take heed of the fact that accidents are on the increase in Michigan. So are injuries and deaths. Many pleasure drives and vacation trips are ending in tragedy. The answer is that every driver, for his own sake as well as for the welfare of others, should drive carefully and alertly, and remember particularly that speeders lose."

Sgt. Miller also explained that where there is no specified speed limit, which is the case on most of the highway system, the state law provides that it is a violation to drive faster than conditions such as traffic, weather and time of day permit.

New County Jail

(Continued from page 1)

reason it is now in use is because the Board has shown good faith in its prompt effort to comply with the State Inspector's orders. Supervisor Matt Benner, chairman of the Building and Grounds Committee, said that, if the people turn down this proposal, there is a distinct possibility that the condemned jail will be closed. The county would then be required to board and keep their prisoners at Monroe, Jackson, Ann Arbor, or Hillsdale, wherever accommodations could be rented. "This," Mr. Benner continued, "would require more sheriff deputies and cars to handle because of the extra work of going back and forth." The total of these expenses wouldn't take long to equal a large part of the money needed for the new building.

The proposed new jail is an L-shaped two-story structure of brick and limestone to be erected on the present jail property. It will accommodate a total of 65 persons in the cells—52 men and 13 women. The footings and wall construction will be adequately reinforced to permit addition of a third story with a minimum amount of cost if needed in years to come. All prisoners' cells will be on the second floor, which will also include a guard's corridor along the outside wall, a kitchen, cook's quarters, and a trusty's room. The sheriff's quarters on the first floor will include a living room and dining area, three bedrooms, a kitchen, and a witness room. Also provided for are an office for drivers' tests, booking office, a public and private office for the sheriff, three temporary cells, a clean-up room, and a combined photography and fingerprinting room. A garage is included for the sheriffs cars which may be entered with prisoners, allowing them to be taken to the booking room directly from inside. The plans have been approved by the State Jail Inspector and the authorities having jurisdiction in Lansing.

the services of many state and national health and welfare services available, which until this year we have not supported as a community."

The local organizations which will be supported from the Community Fund this year are the following: Girl Scouts, Wolverine Council of Boy Scouts, Cub Scouts, Children's Civic Hallowe'en and Christmas parties, the Community Recreation program, the Salvation Army, Hospital Auxiliary, American Cancer Society, and the Immediate local welfare and emergency relief fund.

Among the state and national services which will share in the drive are the following: the Michigan Heart Association, Sister Kenny Foundation for Polio, Michigan Chapters of the Arthritis and Rheumatism Foundation, United Cerebral Palsy Association, Multiple Schetosis Society, Blindness, Epilepsy, Mental illness, Social Hygiene, Roscoe B. Jackson Memorial Laboratory for Cancer Research, Hearing, Nursing, Associated Services for the Armed Forces, Health and Welfare Coordination, Family Problems, Juvenile Delinquency, Children's Welfare, Racial Relations, Travelers' Aid, Recreation, and the Legal Aid Association.

"We wish to point out," Mr. Harris stated, "that all of these agencies and services work to the benefit of the people in Tecumseh and their relatives and friends. We are not supporting someone else, or sending our money to places or agencies that provide us with no services. We benefit from every local, state, and national service in the Community Chest and United Health and Welfare Fund.

"Our goal this year is $7,025. If the families of Tecumseh will average $5.00 in their contributions, we can reach our goal. All that is asked is that we all do our fair share."

Mrs. R. S. Moore Honored By B. & P. W., Monday

The Business and Professional Women's Club met at the Fellowship Center Monday evening with 53 members and three guests present. Myra Parrett led the devotionals, and the dinner was served by the Westminster Junior League of the Presbyterian church. Mrs. Helen French presided at the business meeting. There will be no regular November meeting, but the club will take part in a joint meeting of local clubs at the Grange Hall, November 6.

Mrs. R. S. Moore, a guest of Mrs. Susan Porter, was especially honored for her many years in music and Christmas pageants; also for her civic mindness and club work. She was greatly surprised, and she received a handkerchief and card from the club as a remembrance.

Six new members were admitted to the club. Irene Boltz and Ayesha Laidlaw were in charge of the program. Mrs. Lulu Waldron and her daughter, Mrs. John Hamilton, played two piano duets, "The Two Guitars" and "Golden Wedding." Duane Furbush, a local teacher, was introduced and talked on, "What Is Worth Reading." He listed seven books and authors which are "Constitution, and What It Means," by Edward S. Corwin; "Captain Sam Grant," by Lloyd Lewis; "Reprisal," by Arthur Gordon; "A Generation on Trial," about Alger Hiss, by Alastair Cooke; "Plymouth Adventure," by Ernest Gebler; "Berlecx," and the "Romantic Century," by J. Barzun; and "The Bird and the Beast," to have been written by a ten-year-old boy, Ted Weeks.

The hostesses were Irene Hay, Bess Spayde and Mary Caruso. The tables were decorated with autumn flowers and lighted yellow candles with leaves scattered down the center of each table.

Big Hallowe'en

(Continued from page one)

emblazoning Tecumseh's business places with colorful and original pictures. The committee in charge has arranged for a special window paint to be used in this year's contest to assure more brightly colored pictures than have ever appeared in the local contest.

It is expected that the contestants will start putting their pictures on the windows Friday. This will give the people of the country side an opportunity to look the pictures over during their weekend shopping and give the judges plenty of time to make their decisions. The prizes will be awarded during the theatre party, Tuesday evening.

This annual goblin party is staged by the Rotary Club, the Exchange Club, the Chamber of Commerce, the Community Chest, and the Village Council. As a result of these annual affairs, vandalism in Tecumseh has been reduced to a minimum on Hallow'en and the entire trading area enjoys a highly entertaining evening.

Walter Nichols, manager of the Strand, pointed out today that the entire seating capacity of his theatre has been purchased for next Tuesday night's spooks party by the cooperating clubs and organizations. For that reason, the theatre will not sell general admission tickets to the public on that Tuesday evening.

Trash Pick-Up

(Continued From Page 1)

The trucks will be on all of the streets each day next week, the council member said. He urged that residents take advantage of the free pick-up plan, in an effort to make the residential section of the village free of debris.

"This is the natural time of the year when home owners rake their leaves and slick up their yards for winter. The council realizes that it is difficult for many to find a source to haul the debris to the dump. That is why the village is co-operating, and we hope that residents will participate in the plan 100 percent," McCombs declared.

Two Are Killed

(Continued from page 1)

Brisbin Mattis Baker. Until 1938 he was employed by the New York Central Railroad Company as a carpenter and painter.

Surviving is one daughter, Mrs. Ernest O'Bryant of Adrian, formerly Ruth Mattis, and a niece, Mrs. Lillian Dibble of Toledo, also several aunts, uncles and cousins. His wife, Lillian, preceded him in death May 31, 1950.

Funeral services were held Monday at 2:30 p.m., from the Collins Funeral Home, the Rev. Edward E. Gohl officiating. Burial was in the Tipton cemetery. Bearers were Harold, Melvin, jr., Roy, Merland and Melvin Brisbin, sr., and Earl Perry. Friends and relatives attended from Detroit, Toledo, Adrian, Brooklyn, Hudson, Manchester, Tipton, Clinton and Tecumseh.

Daniel Shaffer Killed

Daniel Shaffer, aged 59 years, of Tecumseh, was killed instantly Friday night at 8:50 at the intersection of Route 109 and US 12 west of Delta. He was an employee of the Tecumseh Products Company.

According to the Fulton county sheriff, Mr. Shaffer was driving south and apparently failed to observe the stop intersection. He was hit from the right side by a car driven by L. E. Sharples of Swanton. Mrs. Effie Bernath of Adrian, a passenger in the Shaffer car, suffered a broken jaw and pelvis and other serious cuts and injuries. She is a patient in the Detwiler Memorial hospital, in Wauseon.

Mr. Shaffer's body was taken to the Penrod Funeral Home, in Delta, where services were held on Monday.

Indians Tame

(Continued from page 1)

the half ended.

The third quarter was scoreless but Jim Breitenwischer took his turn at scoring in the fourth period when he tallied on a quarterback sneak following a 45-yard march. The try-for-point was good and the Indians were out in front 26-0.

Addison drove to Tecumseh's five-yard line in the last quarter with Hickory hitting off tackle into the end zone where he fumbled when tackled and Tecumseh recovered the ball. Instead of a touchdown it was a touchback and the Indians took over on the 20-yard line.

The Indians played one of their best games of the season with Van Winkle going through the Panther line consistently for long gains. Guards Dave Ousterhout and George Ruhl were outstanding in the line, repeatedly nailing the Addison backs before the play could get started.

Friday night Summerfield comes to the Tecumseh gridiron for another L.C.A.A. contest. While the boys from Petersburg have won but one league game, they boast some good backs and the Indians will have no easy time in trying to register their fourth league win.

Tecumseh Nears Goal In $1,200 CROP Drive

Dalton VanValkenburg, treasurer of the Tecumseh CROP drive, reports $861 in cash actually paid in to date.

The Presbyterian church, with the largest quota, of $280 went over the top last week.

Tecumseh's newest church, The Assemblies of God, reports that their quota of $30.00 has been paid.

Along with the Catholic church, which early in the drive went over the top with $240 and the Friends, with their quota of $100, Tecumseh is now nearing its quota of $1,200 for 600 bushels of wheat.

The Lutheran church will meet Sunday to take action on its quota of $80 for 40 bushels.

The Methodist church, with a heavy relief program of its own, is nearing its quota, but final figures are not yet in.

Wilfred Waldron and E. G. Harris, co-chairmen, soliciting donations in the rural sections of Tecumseh township report gratifying results, but final figures are not available.

Those wishing to take wheat to the Hayden Mill or leave cash at the United Savings Bank, may do so at any time, and proper credits will be given.

METHODIST SUPPER

The members of the Tecumseh Methodist Church and their families will have a potluck supper on Tuesday evening, October 31, at 6:45. Dr. Frank L. Fitch will be present to conduct a quarterly conference. A special feature of the evening will be the showing of the film which was taken in September at the reception honoring Dr. and Mrs. Norman MacNaughton and the older people of the church. Miss Vera Gilbert Mrs. F. E. N. Thatcher, and Mrs. T. Rentschler will act as the supper committee.

Europe is the second smallest continent in the world.

Democracy Is

(Continued from page 1)

for socialized medicine it will have nearly approached complete control of the lives of American citizens.

Pointing out that the estimated cost of state medicine has been fixed by its supporters at three percent of the nation's payroll, Dr. DeTar warned that economists disagree and have estimated that the cost would be at least 10 per cent or more. He declared that the nation could not afford such a price for its medical care.

The only hope for democracy, DeTar warned, is the free use of the ballot box by thinking Americans. He urged a 100 per cent vote in the November election, declaring that the voters themselves hold the key to the nation's future.

Three new members were accepted by the club at Tuesday's meeting. They are James McDowell, principal of the high school, Delmar Crisp, high school commercial teacher, and A. C. Hamaker, advertising agency owner.

John J. Buchanan, Adrian College business director, spoke briefly in the interest of the $500,000 campaign to expand and improve that educational center.

County Federation In Fall Meet At Adrian

Mrs. Truman Rentschler was in Adrian yesterday conducting the autumn meeting of the Lenawee County Federation of Women's Clubs which was held in the Tower Room of the Adrian Library. During the morning session reports from the committees on adult education, agriculture, citizenship, and legislation were heard. Mrs. Aileen Lindbert presented the plans for an effective radio program for the federation during the rest of the year. Russell McAfee explained the Adrian College campaign and Jack Bramble of Lansing, was present to explain Proposal No. 2 authorizing a bond issue of $65,000,000 for mental and tuberculosis hospitals in the November 7 election. The American Home Committee presented the plans for th "Art for Fun" exhibit to be held in Tecumseh Methodist Church on November 2 and 3, showing the work done by people of Lenawee county regardless of age.

The assembly recessed for an hour during which time the Britton Woman's Club and the Macon Woman's Club were co-hostesses at a potluck luncheon.

The afternoon session opened with a half hour of music which included solovox numbers, an eight hand piano number by the women of Onsted., and soprano solos. The music was planned by the music committee with Mrs. Arthur Wonder as chairman. There was a fur presentation, valued at $25,000 and using professional models. The show was given from the consumer - educational standpoint. Mrs. Herbert Murphy arranged a very effective setting for the fur show by using bittersweet on a picket fence and large hampers of oak leaves and mums.

Miss Edith Ingersoll, Mrs. Ted LaBounty, Mrs. Wilfred Waldron, Mrs. Jeanie Satterlee, and Mrs. E. J. Aebersold attended the meeting representing the Tecumseh Monday Club which is a charter member of the federation.

Onsted Club Women Send Big "Thank You"

Tecumseh evidently has once more demonstrated its ability to serve as a good host when it recently entertained the Onsted Woman's Club for a day. The following letter has been received by the Chamber of Commerce from Mrs. Philip Sayre, president of the Onsted group:

"The English language lacks words to adequately express the satisfaction of forty women! The entire group was pleased with the arrangements, the perfect weather, and the thoughtfulness and co-operation of the Chamber members and officers, who put across one more service to an aggressive community.

"Onsted has no way to reciprocate except morally, but I'm sure we would all like to annex Tecumseh as our suburb. This one day has given us something else to think about besides our personal comforts and discomforts.

"Many, many thanks for a delightful and inspiring day, and for the many courtesies shown us.

Sincerely,
Elizabeth Sayre, President
Onsted Woman's Club"

HONORS DAUGHTER

Mrs. Leon Johnson entetrained eight school girls last Saturday afternoon in observance of her daughter, Linda's 11th birthday. The girls brought their dolls and games were enjoyed. Linda received many gifts. Refreshments were served and a birthday cake centered the table. Pictures were taken of the group which included Astrida Friemanis, Carolyn Mueller, Ruth Meads, Marilyn Manley, Sharon Muhn, Judy and Joan Kempf and Judy Francoeur.

Dynamic Kernels Story Is Retold By Herald

"Perry Hayden and his Dynamic Kernels" is the title of a feature story in the Christian Herald's November issue, just off the press. Written by Dale Hamilton, a feature writer for this national publication, the story covers the progress of the entire Dynamic Kernels project from the Sunday morning in 1940 in the Tecumseh Friends Church, up to the present time.

One of the facts brought out in the story is that the sixth and final crop of Dynamic Kernels, with a title taken out the five previous harvests, yielded 72,150 bushels. This is something like fourteen times what the average yield for the state would have yielded. Figures estimated by the Farm Crops Department of Michigan State College were that a cubic inch of wheat planted for six years, without taking out a tithe, would have yielded 5,297 bushels.

Perry Hayden's speaking schedule the next few weeks, telling the story of his Dynamic Kernels is as follows: October 24, First Free Methodist Church, Battle Creek; Sunday, October 29, Immanuel Baptist Church, Paducah, Kentucky; Friday, October 27, Masonic Temple, Ann Arbor, Mich.; Thursday, November 2, United Church, Addison, Mich.; Sunday, November 5, St. Marks Methodist Church, 10325 East Jefferson, at 9:45 a.m., and Church of God, corner of John R and State Fair, that evening at 7:30; First Presbyterian Church, Middletown, New York on Wednesday, November 8; First Presbyterian Church, Oshkosh, Wisconsin, on Sunday, November 12; First Methodist Church Brotherhood, Plymouth, Thursday, November 16; and St. Clair Michigan High School Auditorium, Sunday, November 19.

GUN CLUB DINNER

The Tecumseh Gun Club will have a turkey or fish dinner at the American Legion Home on Friday at 7 p.m. Tickets may be purchased at the Legion Home or from Elmer Buehrer, Vic Humble or Jerry DuFour. Movies will be shown by Clarence Gilman, Mr. Buehrer and Mr. DuFour. There will be an election of officers during the business meeting. An effort is to be made to revive the interest in the club and to secure a new location for the trap and rifle range. The dinner is open to the public.

If its news call The Herald.

F. F. A. ACTIVITIES

The local F.F.A. Chapter No. 15 of Tecumseh is busy making plans for their annual parent and son banquet.

Each year the students have their banquet during, or just after pheasant season so that they may serve pheasant at the banquet.

This year plans have been made to have Dr. H. Babbitt, vice president of Adrian College as guest speaker.

The F.F.A. will have a special meeting Thursday, October 27, to complete plans for the banquet. The Mother's Club, led by Mrs. Oren Feight, has been working hard to complete the plans for the banquet. Mrs. Feight, president of the club, would like to have all mothers of the F.F.A. members present at the meeting. Final arrangements for the banquet will be made.

CHURCH DINNER

The St. Peter's Episcopal church is having a sliced prime beef dinner tonight, (Thursday) from 5:30 to 7:30. The Altar Guild, Daughters of St. Peter's and the Lister League are sponsoring the dinner.

Benjamin Franklin was the 15th in a family of 17 children.

Doctor Held In Jap Camp To Speak Here This Week

Dr. Charles E. DeVol will be the speaker at special week-end meetings to be held Friday, Saturday, and Sunday at 7:30 p.m., at the Tecumseh Friends church. Interned in a Japanese concentration camp during World War II, Dr. DeVol returned to the United States after the area in which he was working came under communist control. Dr. DeVol speaks Chinese and English with equal fluency, having been born in China, his father and mother both being medical missionaries to China. He is the brother of Dr. W. E. DeVol, whose wife and twin daughters spent a year in Tecumseh while awaiting the repatriation of Dr. W. E. DeVol who was serving as a medical missionary in Japanese held Nanking.

Dr. Charles DeVol in addition to being recognized as one of the outstanding Christian leaders of eastern China is also one of China's leading botanists, and he counts among his friends botanists in America, England, Denmark, Burma, Japan, India, and China. He has sent fern collections to all the countries named, to their leading institutions, such as Harvard University and the Smithsonian Institute. He possesses a fine sense of humor and his messages are a delight and an inspiration to all who hear him. In addition to the evening services, he will also be speaking at the Tecumseh Friends church on Sunday morning at 10 o'clock.

Scout Week Will Open With Vesper Service

The Tecumseh Girl Scouts will join a million and a half other Scouts throughout the country to celebrate Girl Scout Week, October 29 through November 4. The week also marks the birthday anniversary of Juliette Low, founder of the Girl Scouts.

The week will begin with vesper services at the Methodist Chuch, Sunday, October 29, at 4 p.m. with Dr. Norman MacNaughton, presiding. About 200 Girl Scouts and their parents are expected to attend.

During the week, displays made by the Girl Scout troops, may be seen at the Rosacrans Store. Some troops are inactive due to the lack of leaders. Troops 10 and 12, intermediate Girl Scouts, each have twelve girls, 10 years old, beginning badge work. Troops 1 and 13 are nine years old and are completing their last year as Brownie Scouts. Troop 1 has ten girls, and troop 13 has eight girls. There is still a need for troops and leaders for girls between the ages of seven and eight. Any woman interested and willing to work with the girls, should contact Mrs. Elven Duvall, association president. Wednesday evening, November 1, the second meeting of the Girl Scout Association will be at the scout cabin. All leaders and committee women are asked to be present.

MONDAY CLUB WILL HEAR MUSIC PROGRAM

Mrs. W. G. Waldron, assisted by several members, will entertain the Tecumseh Monday Club in her country home next Monday afternoon at two o'clock. The theme of the program will be, "Friends through Music," and the Tecumseh Music Club will present the program with Mrs. Wilfred Waldron as leader. Members wishing transportation may call on that committee or Mrs. E. J. Aebersold or Mrs. T. Rentschler not later than Monday morning. Mrs. Gail Fisher, Mrs. Oscar Snyder, Mrs. Seaton Dove, Mrs. Lee Phibbs, Mrs. Elizabeth Mills, Mrs. Clarence Beach, Mrs. Thomas Hamilton, and Mrs. Edna Codling are new members of the Tecumseh Monday Club and Mrs. J. M. Artman has been reinstated.

BRITTON

FUN NITE, FUN FOR ALL will be observed Tuesday, October 31 at 8 p.m., at the Britton high school gymnasium, sponsored by the Parent-Teachers Association. There will be dancing, fun booths, costume parades, hay rides and other attractions. Admission to the gym is free.

Mr. and Mrs. Clarence Hereford and daughter were recent visitors at the home of Mr. and Mrs. Duane Jones in Wyandotte.

Mrs. Florence Osterhout and Mr. and Mrs. Harold Osterhout and daughter were recent guests of Mr. and Mrs. George LaBell in Detroit.

Those from the Britton Rebekah and Oddfellow lodges attending the Rebekah assembly held in Grand Rapids last week were Mrs. Debora Zarnow of Tipton, Mrs. Velma Custer of Tecmuseh, Mrs. Ida Miller, Mr. and Mrs. William Beach and Ben Beasley.

The Parent-Teacher Association is sponsoring a Fun Night, October 31, for Hallowe'en for the children of the community with a parade, hay ride, dancing, and refreshments. Those making the plans are Mrs. Bernard Clement, Mrs. Norris Dartt, Mr. and Mrs. Charles Patterson and Virgil Bortel.

A group of 18 parents and children of the Methodist church were at the new Methodist Youth Camp on Wamplers Lake for the dedication services, Sunday afternoon, known as the Judson Collins Memorial Methodist Youth Camp. Bishop Marshall Reed was the speaker. The group also visited the buildings.

Dr. Frank Fitch of Ann Arbor District Superintendent will be present at the Methodist church Friday evening to conduct the business of the First Quarterly Conference.

Tommy Judkins and Merle Baker entered Michigan State College, Monday, for study in an agriculture course.

Sunday evening supper guests of Mr. and Mrs. Clyde Brown were Mr. and Mrs. Robert Goetz of Ann Arbor.

Saturday callers at the home of Mrs. Margaret Curry were Mr. and Mrs. Lynn Clark and son of Rockford.

Mr. and Mrs. Ray Smith were honored on their 43rd wedding anniversary Sunday at a family gathering at the home of Mr. and Mrs. Will Kingsbury in Deerfield.

Mr. and Mrs. Richard Wiggins and daughter of Willow Village spent the week-end with Mr. and Mrs. Fay Wiggins. Other Sunday dinner guests were Mr. and Mrs. Robert Mayfield and children of Ann Arbor.

Mr. and Mrs. H. N. Hayward of Montpelier, O., were callers at the G. L. Gripton home Sunday.

Mrs. Fenton Barrett will be hostess to the North East Britton Extension Club Friday evening.

Mr. and Mrs. Gerald Richards and children spent Sunday in Azalia at the W. S. Richards home.

The Dundee Council of Church Women will meet at the Britton Methodist church Friday afternoon, November 3, at 2 o'clock in observance of "World Community Day." Mrs. Harry Thornberry will have charge of the program.

The annual Methodist church fair with chicken supper will be held Thursday, October 26.

TROOP ELECTS

The Girl Scouts of Troop 5, met Tuesday afternoon in the school library with their leader, Mrs. Robert Fuller. The troop elected the following officers: President, Margaret Champanois; secretary, Mary Pat McCann, and treasurer, Marcia Bashore. The group is having a Hallowe'en party at the home of Mrs. Robert Fuller, Monday, October 30.

COMPLETES AF COURSE

Pvt. William D. Martin, 18, son of William D. Martin of Britton, has completed his AF basic airman indoctrination course at Lackland Air Force Base. Lackland, situated near San Antonio, is the world's largest air force base, center of Air Force basic training for airmen and women. indoctrination station for prior service reenlistees, and home of AF's Officer Candidate School.

His basic training has prepared him for entrance into Air Force techincal training and for assignment in specialized work.

No Repeat Performance

There is a little girl named Marjorie down in Alabama whose faith in the efficacy of prayer is limitless. Recently her mother said to her: "Dear, don't you think you should include your Uncle Walter in your prayer tonight — ask the Lord to help him get a job?"

Marjorie agreed enthusiastically, and put in a fervent prayer for her beloved uncle. The following night her mother again reminded her of Uncle Walter's need and asked her to pray for him again.

"But, Mother," the child protested, "What's the matter with the job I got him last night?"

LOCALS AND PERSONALS

Mrs. William Ross entertained on Monday and Tuesday, Mr. and Mrs. Henry Tugwell of Fredonia, N. Y. A Sunday guest in the home was Mrs. Flora Young of Detroit.

ENJOYS MIDWEST TOUR

Percy Cadmus, of Tecumseh, returned home Monday from an educational tour of the midwest, sponsored by the Pioneer Corn Co., of Tipton, Indiana.

Traveling in a body and by chartered bus he was among 33 Pioneer salesmen and supervisors from Michigan, Kentucky and Ohio, to take the tour during which they were given a "first hand" picture of the widespread breeding and experimental facilities of the Pioneer Company. While on the tour, Mr. Cadmus saw how seed corn was processed and visited breeding plotz at Princeton, Illinois, and at Durant, Maringo and Reinbeck, Iowa.

In Coon Rapids, Iowa, they also visited the Garst and Thomas Pioneer plant, which is the largest corn drying and sizing plant in the world. The plant there is also engaged in one of the nation's first cob feeding projects.

Near DesMoines, they toured the Hy-Line Poultry Farms, where the first hybrid chickens were developed.

New Officers Elected By The Garden Club

The Tecumseh Garden Club met at the home of Mrs. Thomas O'Hara on West Pottawatamie street last Friday afternoon, with the election of officers. CALMNESS, LOGIC ON SLAVERY ISSUE URGED BY LINCOLN

(EDITOR'S NOTE: Today's newspaper readers accept on-the spot accounts of events as common place. This hasn't always been true. In the story below an event in August of 1856 when Abraham Lincoln made his only visit to Michigan is recorded in modern newspaper style. This is the second in a series of such stories based on eye-witness accounts in books and other material in the Michigan Historical Collections at the University of Michigan).

KALAMAZOO, August 27, 1856—A plea to Democrats to come for ward and support the new Republican party in rescuing the "great principle of equality" was made here today by Abraham Lincoln, former Illinois congressman and a leader of the new party in that state.

Urging support for John C. Fremont in his campaign against James Buchanan for the presidency of the United States, Lincoln told a mass convention of the Republican Young Men of Michigan that the question of extending slavery into the new territories should be the greatest question, if not almost the only one, to be considered by the voter.

Republican sources estimated that 20,000 people had crowded into Kalamazoo to hear Lincoln and the other speakers in a day-long program of oratory, parades and pageantry. Democratic estimates were much lower, ranging from 7,000 to 15,000.

Throughout his address, much shorter than the other orations given during the day, Lincoln resorted to calmness and logic in outlining his ideas on the explosive slavery issue. In this, he contrasted sharply with Zachariah Chandler, Detroit merchant and one of the founders of the Republican Party in 1854.

Chandler had preceded Lincoln on the speaker's platform and his rambling address was full of explosive talk since he favors action to abolish slavery. In fact, political observers feel that Lincoln's talk here today has cost him any chance of ever winning Chandler's support if the former Illinois congressman decides to re-enter the national political field.

This is the question: Shall the Government of the United States prohibit slavery in the (territories of the) United States?" Lincoln told the audience.

"We have been in the habit of deploring the fact that slavery exists among us," he continued. "We have ever deplored it. Our forefathers did, and they declared, as we have done in later years, the blame rested upon the mother government of Great Britain. We constantly condemn Great Britain for not preventing slavery from coming amongst us. She would not interfere to prevent it, and so individuals were able to introduce the institution without opposition."

Lincoln contended that this British policy was exactly the policy being followed by Buchanan and his friends. He took issue with what he said was Buchanan's contention that slavery was not a question for the government to decide.

In the first place, he said the "white man of the North should be the equal of the white man in the South." This alluded to the counting of slaves in the South in determining the number of representatives to be elected by each state.

Also he contended that the principle of equality was responsible for the nation's great growth in its 80 years of existence and that interest must be maintained in keeping that principle alive.

Perhaps unaware of Chandler's desire for violent action, Lincoln denied charges that the Republican party was dominated by Abolitionists and that it was moving toward dissolution of the Union. All possible action within the Constitution to preserve the principle of equality was what Lincoln was pleading for in his address today.

In concluding his talk, Lincoln asked the Democrats if recent events had not found them making up arguments to defend their party's stand.

"If you answer this in the affirmative, see how a whole party has been turned away from their love of liberty?" Lincoln asked. "Throw off these things and come to the rescue of this great principle of equality. Don't interfere with anything in the Constitution. That must be maintained, for it is the only safeguard of our liberties. And not to Democrats alone do I make this appeal but to all who love these great and true principles."

Lincoln's concluding remarks were, "Come, and keep coming! Strike and strike again! So sure as God lives, the victory shall be yours."

There was great cheering when Lincoln concluded although the temper of the audience was far from Lincoln's desire for conservative action and preservation of the Union.

His remarks had no effect on Chandler who continued his talk of violent action throughout an evening address. Referring to Kansas, where a civil war is raging over the issue of slavery, Chandled declared, "Let Kansas come in as a slave state and the North will make it a desert."

George C. Bates, former United States district attorney, also struck back at Lincoln's stand. "Sooner than see another foot of slave territory added to the Union," he said, he "would dash it to atoms." He favored letting the "ship or state" go down with all on board rather than to have it "carry a crew of slave-holders."

From where I sit ... by Joe Marsh

You Can't Build A Better Mousetrap!

"They're not the best-looking boarders a man ever had," Hack Turner said one day, "and they've got awful tempers. But I've found it pays to have 'em around."

Hack was talking about a family of barn owls, nesting in his silo this year. Some folks believe those little white-faced screechers kill chickens—and ought to be shot on sight. But Hack disagrees.

"Up at State University they've studied barn owls for years—and never known one to eat a chicken. On the other hand, a daddy owl will clean up around 300 mice a month. Farmers that kill barn owls are throwing away the best mousetraps known to man!"

From where I sit, when someone shows a prejudice against any group of animals or humans—it's usually just based on misunderstanding. For instance, some folks are plumb intolerant about those of us who enjoy an occasional quiet glass of beer. Get to really know us and you're liable to find we're pretty good birds at that!

More Federal Controls Not Needed Now, Book Says

ANN ARBOR—The extra cost of the "warm" war is not great enough to warrant adopting "full and direct controls" over the national economy, according to Minnesota professor Arthur R. Upgren in an article for the "Michigan Business Review." The Review is published by the Bureau of Business Research of Business Administration of the University of Michigan.

Two million men in the Armed Services and a war expenditure increase of less than $10 billion in the present fiscal year do not add up to a national emergency, according to Professor Upgren. He cites as reasons:

(1) The normal increase in the labor force alone accounts for an annual gain of $5 to $10 billion dollars in productivity.

(2) Housing demands were increased 30 per cent in 1950 by government adjusting of financing costs—if the process is reversed it will mean $4 billion dollars could be diverted elsewhere.

(3) There are ample stocks of food. If the stocks can be released to hold prices down,—just as they were bought to hold prices up, it will prevent a rise in food costs and a consequent rise in wages that might mean inflation.

(4) Today there is a great deal of equipment in being and in mothball that wasn't even on blueprints before the last war.

"If too much power is requested and if it is far in excess of immediate need, the public may become so disillusioned on another occasion when great power is needed that it will deny the grant of necessary power," writes Upgren. "The adoption of excessive controls on the first occasion may make democracy lack confidence in itself."

40 DIGGERS SAVE BABY

Rainier, Ore. — Forty men dug frantically in relays to save little Ronald Mysinger, 15-months-old toddler, who fell from the porch of his suburban home, rolled under the house, built on low posts, and tumbled feet-first into an unsuspected well. The men dug a parallel shaft to the depth of the well and finished their task by scooping out the earth by hand as they cut it under the child. They found him asleep, lodged on a bucket in the dry shaft whose existence had been unknown to his parents, Mr. and Mrs. V. M. Mysinger. He was unhurt.

HIRE DISABLED VETS

Defense industries are urged by the Administration to hire disabled war veterans. "Survey after survey," the VA declared, "disclosed that these men, when properly placed, proved to be at least as good workers as their able-bodied fellow employees."

School Can't Replace Church

U. M. DEAN SAYS RELIGIOUS PROGRAM SUITABLE TO CHURCHES IS IMPOSSIBLE

ANN ARBOR—It is not possible to develop a school program of religious instruction that would be acceptable to all church groups, in the opinion of Dean J. B. Edmonson of the School of Education at the University of Michigan.

"If it were possible to construct a common core of religious teachings it should be possible to reduce the number of different church groups from approximately 300 to a very small number," said Dean Edmonson. "It appears, however, that the number of sectarian groups is growing in the United States rather than decreasing."

According to the dean, the absence of formal religious instruction in public schools must not be interpreted as meaning that the schools do not emphasize normal training.

He pointed out that the public schools have always emphasized character education and civic training because it is impossible to have a good school unless emphasis is placed on honesty, helpfulness, kindness and respect for the rights of others.

"In pioneer days the Bible was used as a textbook in many schools, in part because other textbooks were not readily available. When the number of religious groups increased and sectarian conflicts developed, most of the pioneer communities found it inadvisable to provide religious instruction in the public schools," he explained.

"While it is a heavy responsibility, I am convinced that our churches could serve more children and young people than are now reached," Edmonson commented in an interview regarding the position of churches in the problem of religious education. He cited figures to show that children and young people have sufficient time outside of school hours for such instruction: "very few" elementary school pupils spend more than 1,260 hours on school duties during the year, including going to and from school (seven hours a day for 180 days).

"If 11 hours a day are allowed for sleeping and eating, a total of 4,015 hours a year, there remains some 5,495 hours for other activities and duties," he stated.

"In a year some churches claim less than 100 of these 5,495 remaining hours for their programs of religious instruction."

"The major task of churches should be the religious education of children and youth, and it would not be, in my opinion, to the advantage of American churches to have their responsibility for formal religious instruction transferred to some other agency such as a public school."

Dean Edmonson is the author of a recently published article, "Religious Education in Smith City" in which a number of proposals were made for cooperative programs involving the churches of a make-believe community.

MACON W. S. C. S.

The Macon W. S. C. S. of the Methodist church held their October meeting at the home of Mrs. Richard Robinson. There were twelve members present for a pot-luck luncheon. During the business meeting, further plans were completed for the annual chicken supper and fair to be held November 3, at the church. Supper will be served from 5:30 until all are served. Gifts were brought for the Christmas party of the Methodist Children's Home in Alaska. Everyone is asked to bring donations for the Methodist Home at Chelsea, to the church Sunday morning, October 29. Mrs. Blanche Travis was in charge of the program. The November meeting will be held at the home of Mrs. Wade Scudder, November 30.

Michigan Is Free Of Quakes

MAJOR SHAKE IN '83 NOW DOUBTED; TWO MINOR DISTURBANCES FELT

ANN ARBOR—The mystery of Michigan's worst earthquake is being cleared up by James T. Wilson, associate professor of geology at the University of Michigan.

On seismologic maps of the United States, on which are plotted major and minor earthquakes, a large black dot at Kalamazoo marks the biggest quake in the Lower Peninsula of Michigan. Smaller dots at Houghton and in Branch County show lesser tremors.

Professor Wilson, who is in charge of the University's seismograph station, has information on the latted two quakes, but there is no data on a major one.

The big quake at Kalamazoo was February 4, 1883, according to the maps. In checking a Kalamazoo paper at that date, Professor Wilson found a report of a large earthquake in the area around Niles and Buchanan.

At this time there were few seismograph stations in the country and it was part of the work of the U. S. Weather Bureau to record any earthquakes. Weather observers relied heavily on newspapers for this information. Apparently the Chicago observer recorded the statement from the Kalamazoo paper.

However, Professor Wilson points out, the observer must have forgotten to read the paper on the following day when it repotred that the big quake turned out to be either a "train wreck or an oil tank explosion" at LaPorte, Indiana.

Professor Wilson is still checking and would be glad to receive any information on the incident, but he is convinced that there was no big earthquake at Kalamazoo.

"Michigan residents certainly don't have to worry about earthquakes for there have been just two minor ones here in the last 50 years," Professor Wilson states. Reasons for this is that Michigan is in the stable interior part of the continent where there is little movement of the earth's crust.

Houghton was damaged and some land slumping occurred there when an earthquake shook the city on May 26, 1906.

Chimneys were knocked down and houses jarred when a tremor was felt in Branch County on August 9, 1947.

"Tiny earthquakes" have been reported around Detroit, but Professor Wilson attributes them to slippage and settling caused when rock roofs collapse over salt beds that have washed away.

A little earthquake was felt in the Keweenaw Peninsula on January 22, 1909. Quakes in Canada and Ohio are occasionally felt in various parts of the state.

The seismograph station at the University of Michigan, in operation for 41 years, is the only station of its kind in the state.

Films For Club Meetings Available From State

Would you like to see interesting movies at your next club meeting?

It's easily arranged and inexpensive. The Michigan Department of Health film loan library has motion pictures, filmstrips and slides on more than 60 subjects which are loaned without charge except for return postage and insurance.

The film loan library contains 242 motion picture films and filmstrips and seven sets of slides on such topics as immunization, polio, baby sitters, colds, first aid, safety in the school or home, care of the skin, human reproduction, cancer, heart disease, diabetes, rat control, care of the baby, mental health, water supply, dental health, exercise, posture and a wide variety of other health subjects.

All motion pictures in the library are 16 mm. The majority are sound and many of these are in color. Both sound and silent filmstrips are available. The filmstrips require a 35 mm. projector, and for sound, a 33-⅓ r.p.m. record player. Colored two-inch slides on dental health, food handling, milk sanitation and swimmers' itch, and a set of 3¼ by 4 inch slides on some dangerous communicable diseases are also available for loan.

All requests should include the date for showing, at least one alternate date, and if possible, an alternate subject and should reach the Visual Education Service of the Michigan Department of Health, Lansing 4, three weeks in advance of the scheduled showing. Selections can be made from the film catalog in the local health department or a catalog can be obtained by writing to the Michigan Department of Health.

Last year, 469,407 school children and adults in 78 Michigan counties attended 10,471 showings of films, filmstrips and slides from the Department's library. The only cost to groups sponsoring these showings was return postage and insurance, usually less than fifty cents.

Marriages On Gain In State

SHARP UPTURN IN LICENSES NOTED SINCE KOREAN WAR

Marriages in the state are showing an increase since the beginning of the Korean war.

While the nine-month totals in the Michigan Department of Health's vital records section will not be completed until early in November, department officials believe that the tremendous increase in demands for marriage licenses point to a sharp upswing in August and September. Requests for more than 20,000 marriage licenses have been filled since the first of August.

Marriages in the state have jumped from an average of 2,000 a month to 6,000 a month since January. While this situation reflects no unusual increase—June being traditionally the high marriage month in Michigan—health department statisticians say that the trend is definitely upward and that September marriages will in all probability pass the 7,088 peak of June.

The increase in demands for marriage licenses by county clerks in August and September is the first indication of a rise since the post-war peak of 78,808 in 1946.

Demands for vital records in the present war preparedness period are starting an upward trend similar to that of the preparedness period for World War II. During 1940-42, total searches for vital records jumped from a normal peacetime average of 18,000 to 20,000 per year to a high of 100,000 to 121,000 per year. Delayed records of birth established thru probate court increased from 2,000 in 1938 to 75,000 in 1942. The number of requests to make corrections in vital records rose from 7,000 in 1938 to a peak of 78,000 in 1941.

ALTAR SOCIETY MEETS

Mrs. Paul Clauda entertained the St. Elizabeth Altar Society in the recreation room of her home on Wednesday evening at a Hallowe'en party. Hallowe'en decorations were used and games were enjoyed. A group picture was taken with all in costume. Mrs. Harry Hoffman received a prize for the most humorous costume and Mrs. Harry Weakley and Mrs. Carl Gruber received prizes for the most unique costumes. Refreshments were served by the hostess.

An Ordinance

CURFEW ORDINANCE

An Ordinance prohibiting parents from permitting their children under seventeen years of age to loiter or remain upon the streets or other public places of the Village of Tecumseh after certain hours of the night, and to provide a penalty for violation of the provisions hereof.

Section 1. It shall hereafter be unlawful for any parent, guardian or other person having the legal care, and custody of any minor under the age of seventeen years, to allow, or permit any such child, ward, or other person, under such age, while in his legal custody, to loiter or remain, unaccompanied, upon any of the streets, alleys, or other public places in said city, within the time prohibited in section two of this ordinance, unless there exists a reasonable necessity therefor.

Section 2. That is shall be unlawful for any person under the age of seventeen years to loiter or remain in or upon any streets, alleys, or public places in the Village of Tecumseh between the hours of 10:00 o'clock P.M. on Sunday, Monday, Tuesday, Wednesday, and Thursday of each week and 5:00 o'clock A.M. of the following day and between the hours of 11:00 o'clock P.M. on Friday and Saturday of each week and 5:00 o'clock A.M. of the following day, unless such person is accompanied by his parent, guardian, or other person having legal custody and control of such minor, or unless such minor is in the pursuance of an errand directed by his parent, guardian or other person having his care or custody; or while the performance of some lawful employment of such minor makes it necessary that said minor be upon said streets, alleys, or public places during the night time, within such specified hours.

Section 3. Each member of the police force, while on duty, is hereby authorized to arrest without warrant any person within his presence violating any of the provisions of section two of this ordinance, and detain such person for a reasonable time until complaint can be made and warrant issued and served. It is further ordained that no child or minor person arrested under the provisions of this ordinance, shall be placed in confinement until the parent or guardian of such child shall have been notified and the parent's wishes or the wishes of such guardian or legal custodian ascertained, and the said parents, guardians, or legal custodian shall refuse to be held responsible for the observance of said ordinance by said minor person.

Section 4. It shall be the duty of the Justice of the Peace, upon the arrest of any child or minor person, where the parents, guardian or legal custodian of such minor person refuse to become responsible for such minor for the violation of the provisions of section two of this ordinance, to inquire into the facts of said arrest, the conditions and circumstances of such child or minor person, and if it shall appear that such child or minor person, for want of proper parental care, guardianship or control, is growing up in mendicancy or vagrancy, or is incorrigible, to cause the proper proceeding to be had and taken as authorized by the laws of the state for such cases.

Section 5. Any person or persons, either minors under the age of seventeen years, or the parents, guardian or legal custodian of any such minor, violating any of the provisions of the ordinance shall, upon conviction thereof, be punished by a fine not exceeding fifty dollars, or by imprisonment for a term not to exceed thirty days or by both such fine and imprisonment at the discretion of the court.

New Officers Installed By O. E. S. of Tecumseh

At an impressive ceremony at the Masonic Temple, Thursday evening, Mr. and Mrs. Warren Benham of Ridgeway were installed as Worthy Matron and Patron of the O.E.S. The chapter room was beautifully decorated with a rainbow in the east with baskets of fall flowers throughout the room. The installing officers were Mrs. Jennings Frayer as installation officer, Mrs. Dewey Sturtevant as organist, Mrs. Lavern Russell, chaplain, Mrs. Chester Beach installation marshall, Fred Dickinson as soloist with Mrs. Dickinson his accompanist.

As Mrs. Benham received her obligation at the altar, a star was formed by girls carrying colored umbrellas and the solist sang "Somewhere Over The Rainbow." She was escorted to the East by her son, William, and presented with a bouquet of roses. Mr. Benham was escorted to the East by his son, Bob, through an aisle formed by the men of the chapter, and a solo was sung in his honor.

The other officers installed were Mrs. Charles Driffill, associate matron, Charles Driffill, associate patron; Mrs. Lynn Harris, secretary; Mrs. Louis Schneider, treasurer; Mrs. Ray Schlegel, cond.; Mrs. Owen Partridge, assic. Cond.; Jennings Frayer, chaplain; Thomas Hamilton, marshall; Mrs. Glenn Driscoll, organist; Mrs. Gordon Garlick, Adah; Mrs. Hoyt Raymond, Ruth; Mrs. Clair Rozell, Esther; Mrs. Robert Gibson, Martha; Mrs. Lawrence Hoagland, Electa; Mrs. Jack Morehouse, warden, and Jack Morehouse, sentinal.

The Star points were conducted to their stations by girls carrying umbrellas in the Star colors and another solo dedicated to the star points was sung.

After the officers were installed, the retiring matron, Mrs. Kenton Hunt, and retiring patron, George McCombs, were escorted to the East and presented with gifts from the chapter. Mrs. Hunt was then escorted to the altar and presented with flowers from the Past Matrons and welcomed into their club.

Guests were present from Fowlerville, Adrian, Deerfield, Addison, Nashville, and Azalia. Among them was Mrs. Etha Jeffreip, P. G. M. of the Grand Chapter of O.E.S. and Mrs. Benham's mother and father, sister and brother.

Lunch was served in conclusion by Mrs. Edward Leighton and her committee.

"THIS GREAT FORD TRUCK ECONOMY RUN HAS CONVINCED ME!"

"This great Ford Truck Economy run has convinced me! Our Ford F-6 is demonstrating that it saves us time and money. Payloads range from small house trim to lumber loads up to 20,000 lbs., yet we are getting 12 miles per gallon! Its performance lets us make more pickups and deliveries than any other truck we've tried.

"This Ford F-6 has been serving us since July 20, 1948. To date, we haven't had to spend money for any type of repairs.

"We now use Ford Trucks exclusively."

Says R. F. NIEMEIER
Owner of the Variety Millwork Company of Louisville, Kentucky

Thousands of users of everything from 95-h.p. Ford Pickups to 145-h.p. Ford Big Jobs are having similar experiences in this great nationwide truck economy run!

From Oregon to Maine . . . from the Great Lakes to the Gulf—thousands of Ford Truck users are keeping complete day-to-day records of Ford Truck operating economy under actual on-the-job conditions.

DRAMATIC DEMONSTRATION THAT FORD IS AMERICA'S NO. 1 TRUCK VALUE

The Ford Economy Run will demonstrate what Ford owners have known right along. Ford Trucks do more per dollar . . . in *your* or *any* business.

Economy is one *big* reason why Ford is America's No. 1 Truck Value.

Presbyterian Women Are Guests At Dinner

The Presbyterian Woman's Association met Wednesday evening in the Fellowship Center where the Florence Weld Guild and Presbyterian League were guests of the Westminster Junior League and the Golden Rule Division at a chop suey dinner. About 80 women attended with Mrs. Dale Bowen and Mrs. James Barton conducting the devotions. Mrs. Ray Sluyter was the leader and Mrs. Barton led the assembly singing with Mrs. Harold Clark at the piano.

Mrs. H. W. Truesdale presided at the business meeting when the CROP quota for the church was completed. Hostesses for the dinner were Mrs. Raymond Kempf and Mrs. Ronald Harris, chairmen, and they were assisted by Mrs. Gerald Baker, Mrs. Barton, Mrs. Albert Williams, Mrs. L. E. Brown, Mrs. Sluyter, Mrs. Clark, Mrs. A. W. Porter, Mrs. Clare Rozelle and Mrs. M. G. Partridge.

LOST ANGLER SAFE

Portersville, Calif. — Jacob Perry, 74, became separated from his fishing party in the Quaking Aspen area of the Sequoia National Forest. Searching parties finally gave up hope after five days. On the sixth day, Perry stumbled into the camp of two other fishermen, about 10 miles from his own camp. He was examined by doctors who pronounced him in good condition despite exposure and lack of food.

ATTENTION

Customers Who Are Planning GAS FOR HOUSE HEATING

Customers will have 30 days to make application for space heating after October 5, 1950 in Tecumseh.

Gas Heating restrictions granted by the Michigan Public Service Commission authorizes the Company to restrict the sale and delivery of natural gas in all house-heating or other space heating installations that do not have approved in writing an application for space heating service *received within thirty (30) days after gas is first made available.*

The order shall remain in effect until further order of the Commission. We urge you not to wait if you are thinking of gas for house-heating as no commitments can be made for next summer or the following summer.

Service applications for cooking and water heating will still be accepted beyond the 30-day period.

Time to get those summer kinks out of your Buick!

THERE'S a change of the year for your Buick, too, stalwart as it is! Hot summer driving has taken its toll—in played-out lubricants, spark timing that may have slipped off a notch or two over the many miles, a carburetor that would probably give you better mileage and *snap* if it were properly adjusted now for fall driving.

Point is—your Buick will feel a lot friskier in the trying days to come if you let your Buick dealer get those summer kinks out of its system now! Just drive in—say you want (1) *a fall tune-up* and (2) a *regular Lubricare*—and see how much rewarded you are, for a small fee!

Do it *this week*, will you? Before the rush, you can be served more promptly.

THE TECUMSEH HERALD

ONE HUNDREDTH YEAR—NUMBER FIVE — TECUMSEH, MICHIGAN, NOVEMBER 2, 1950 — FIVE CENTS A COPY

Heavy Vote Is Likely, Tuesday

INTEREST KEEN IN RACE FOR CONGRESSIONAL SEAT; 2,500 ARE REGISTERED

An exceptionally heavy vote is expected to be cast in Tecumseh township next Tuesday when electors go to the polls to choose a new congressman from this district, as well as a state governor and his official family, and to name a complete slate of county officers. Approximately 2,500 voters are registered and are eligible to vote here. Polling booths will be set up in the council building on South Evans street, and voting will start at 7 a.m., and continue until 8 p.m.

Serious interest in the election locally seems to center around the congressional race and the contest for governor. George Meader of Ann Arbor, is the Republican candidate for Congress, and he is opposed by John P. Dawson, Democrat, also of Ann Arbor. Both candidates have waged a steady campaign since the primary election.

In the race between Gov. G. Mennen Williams, Democrat, incumbent, and Harry F. Kelly, Republican, a former governor, both candidates are expected to poll heavy votes, both in the county and state-wide.

In the race for seats in the state legislature, Elmer Porter, Blissfield, Republican senator, is being opposed by Henry I. Bourns, Adrian lawyer and a Democrat. Rollo Conlin, Tipton, Republican member of the house of representatives, is being opposed by James H. Baker, also an Adrian lawyer

Ray Waters, 33, Dies At Home In Antwerp, O.

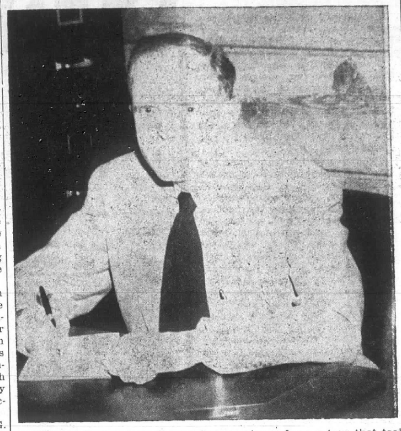
Ray Waters, aged 33 years, died at 1 p.m. Friday in his home at Antwerp, Ohio. He had been sick for six years and critically ill for the last three months. Mr. Waters was a victim of uremic poisoning, and several months ago lost his eyesight.

Mr. Waters loved music and continued singing and playing as long as his health permitted. He and his wife played for dances. They lived several years in Tecumseh where he was employed at Bugs and Harry's and at Butler Motor Sales.

He is survived by his wife, the former Roma Driscoll of Tecumseh; his mother, Mrs. Anna Waters of Antwerp, and a sister, Mrs. George Parsons of Lansing. His father preceded him in death as did a brother, Dorsey, who was killed in World War II.

Funeral services were held Monday, at 2 p.m., in the Schibs Funeral Home in Antwerp. Burial was in the Antwerp cemetery. Mr. and Mrs. Glenn Driscoll spent the week-end with their daughter, Roma, and with Mr. and Mrs. Gerald Driscoll and Mr. and Mrs. Harry Crosby attended the funeral.

Says England Failing Economically



William J. Bruce, local manufacturer, home from a tour that took him to England for 12 days, says that that nation is failing miserably under its Labor Government. Good wage in England for men, Bruce says, is $14 weekly, and prices are higher than in the U. S. Bruce visited his father, his brother and sister during his stay in England.

Local Visitor To England Finds $14 Weekly 'Good Pay' For Labor

W. J. BRUCE, HOME FROM BRITISH ISLES, SAYS LABOR GOVERNMENT FAILING

Back from an airplane trip that carried him twice over the Atlantic ocean and to England, Scotland, France, Spain, Portugal, Cuba and the Azores, William Bruce, president of the Bruce Foundry and Manufacturing Company of Tecumseh, today summed up economic conditions in most of the countries that he visited as deplorable.

"The fancy promises of British Socialism leave the workman there with no better standards of living than he had in 1912," Mr. Bruce said. "There is no incentive or opportunity for him to better his lot. He reads constantly of security until he latches onto it for what little it is worth. Old age pensions amount to $3 a week and an ounce of tobacco. In view of inflated prices, of what value is this so-called security to the old?

"As I see it, this security talk stifles the natural ambitions of the young so that they, too, are inclined to accept the subsistance standards of living," Bruce continued. "To accept it is all that there is to be had. England will never prosper until they throw off the yoke of socialism, go to work and produce and handle their own wages, and do it with a new and free spirit."

Mr. Bruce is not a stranger in England. He lived there until 35 years ago and since that time he has made three trips back to visit his father and other relatives. However, the changes that he noted on this trip as compared to his observations on his last previous trip, 17 years ago, startled him.

"In a few, fast airplane hours, one can fly from that dead and alive existance, (in England), to free, hard-working, prosperous America, where every man is captain of his own destiny. And what a difference! For those who doubt that America is the land of opportunity; that it is, truly, the most prosperous spot on earth, they should have been with me and observed what I observed—right in my own home town. We, here in America, must guard our way of life as we have never guarded it before. Especially, we must guard it from those who would bore from within, lest we sell our opportunity for the same kind of security that my family now has in England," Bruce declared.

The local manufacturer observed that in his native country, on trains, planes and in restaurants, special rations have been allowed for foods. However, there is more to England's security than meets the eye of the traveler.

"When one moves out and lives with the people, the iron hand of government, socialistic government—clamps down. Everything is regulated and rationed and regimented right down to the smallest detail," Bruce said.

"Prices compared with ours, but wages are low—they are down to a subsistance level. This leveling

School To Hold An Open House

TWO SESSIONS, NOVEMBER 7 AND 9, ARE ANNOUNCED IN TECUMSEH

Next week is American Education Week in the schools of the United States. This annual observance, sponsored jointly with the American Legion, the U. S. Office of Education, the National Education Association, and the National Congress of Parent-Teacher Associations, brings into classrooms and auditoriums of the nation's schools over 10,000,000 adults.

This year in Tecumseh the plans, drawn up jointly by the P.T.A. and the schools, call for open house on both Tuesday and Thursday evenings, November 7 and 9. On Tuesday evening open house will be held at the new high school with teachers in their rooms from 7 to 8 o'clock. At 8 o'clock all parents and teachers will go to the cafeteria for a discussion period. A question box is being placed in the superintendent's office this week and parents are urged to write out any questions they may have and place them in the box either this week or next Tuesday evening. The box will be opened during the discussion period and the questions discussed.

Other topics for discussion will be, "What is the Co-operation Training Program?" and "What Foreign Languages Should Be

Disposal Plant Plans In Making

VILLAGE GIVEN 60 DAYS IN WHICH TO SUBMIT ENGINEER'S REPORT TO STATE

The village of Tecumseh, at a hearing before the Michigan Streams Control Commission at Milford, last week, was given 60 days in which to file a detailed engineer's report on progress being made locally for the installation of a sewage disposal plant. E. C. Heilman, council member and chairman of the town's sewer committee, said that engineers now are at work, and that Tecumseh will be able to make the report by the first of the year.

Mr. Heilman said that a recent survey of Tecumseh by engineers estimated the cost of the plant at $259,000. A program for financing the project now is being worked out, he said.

Tecumseh, several years ago, was ordered by the state to install the plant but the program has been delayed. Recently, the state threatened court action unless immediate steps toward the completion of the program were taken.

HIP FRACTURED

Robert Sage was thrown from a horse at the Robert Spence farm, about 3 miles northeast of Tecumseh, Sunday, and suffered a broken hip. He is a patient at the Herrick Memorial hospital.

Bishop Coming To St. Peter's

CLASS OF 14 TO BE CONFIRMED AT SERVICE HERE SUNDAY, NOVEMBER 5

On Sunday, November 5, at 5 p.m., new members of St. Peter's church will be confirmed at a special service. Presented by the rector, the Rev. Allan L. Ramsay, twelve adults and two young people will be admitted into the full fellowship of the Episcopal church by the Bishop of the Diocese of Michigan.

The Rt. Rev. Richard S. Emrich, Ph. D., S.T.D., LL.D., D.D., seventh Bishop of the Episcopal Diocese of Michigan, is the son of Congregational missionaries. He was born in 1910 in Mardin, Turkey. He studied in Phillips Academy, Andover, Massachusetts, and graduated from Brown University in 1932. He then stundied for a year at the Episcopal Theological School, and two years at Union Seminary in New York City, where he graduated in 1935 with the degree of bachelor of divinity. Receiving a fellowship for study in Europe, he obtained his Ph. D. at the University of Marburg.

Bishop Emrich

Upon returning to the United States, Bishop Emrich became curate of St. John's Church, Waterbury, Connecticut. From there he returned to the Episcopal Theological School at Cambridge, Massachusetts, where he served as instructor, assistant professor, and professor, respectively, for eight years.

In 1946 he was elected Suffragan Bishop of the Diocese of Michigan,

CIVIC HALLOWE'EN CELEBRATION ENJOYED BY MORE THAN 1,000 YOUNGSTERS

At least 1,000 youngsters — and oldsters far in excess of that number—enjoyed Tecumseh's annual Hallowe'en civic celebration, Tuesday evening. The ghosts and the goblins were out in force, but, according to police, there were few reports of vandalism.

The celebration got under way at 7:30 with a huge parade through the business district, headed by the high school band. All fun-makers were in costume and hundreds participated in this event. Streets were lined with pedestrians, watching the merry throng pass the judges stand and prizes were awarded to 18 youngsters for the funniest, the most original and unique costumes.

After the parade, candy and crackerjack were given to each of the children as they entered the Strand theatre for a full-length movie. Every seat in the theatre was taken.

In keeping with a custom that was established here a year ago, windows in downtown stores were decorated prior to Hallowe'en by the school children. In this event, cash prizes also were awarded. Many of the youngsters displayed their artistic talents in the drawings on the windows, and this work was supervised by teachers.

In the window event the judges, Mrs. Richard Walper and Mrs. Willis Porter chose these winners: High school division, first prize, Dick Beasley on Easton's windows; second, Mary Southard, Wolf Refrigeration windows. Honorable mention went to Bud Hoffman at Henkel's, Gail Claxton at Palman's, Earl Kruger at the Roe & Garno shop, Victor Shandley at Hite's, and Phyllis Butler at the D. & C. Store. In the elementary division, first prize went to Mary Folk at Palman's, second to Robert Cubberly at the A. & P. Store, and honorable mention to Johnny Naser at Consumers, N. Touborg at Butler's, Janet Martin at Gamble's, Sylvia Helzerman at Sluyter's, and Lloyd King at Baldwin's.

In the costume parade event,

Honored By Women Of Tecumseh

Mrs. Robert S. Moore, who for many years has been active in social and civic life in Tecumseh, and especially well known for her work as the director of the Holy Pageant at the Baptist church, at Christmas time, and the Easter Chorus at the Presbyterian church, was honored by the Business and Professional Women's Club at a dinner meeting, last week. Mrs. Moore was presented with a gift and a letter, acknowledging the club's gratitude to her for her efforts in the field of music in Tecumseh. The presentation was made by Mrs. Archie Porter. In the photo above, Mrs. Moore, left, is receiving the congratulations of Mrs. George French, president of the club.

Friday Is School Homecoming Day

FOOTBALL GAME, CROWNING OF QUEEN, BANDS, FLOATS, AND DANCE TO BE FEATURES

Friday is Homecoming day for Tecumseh high school students and alumni. The main attraction of the day's festivities will be, of course, the annual renewal of the intense rivalry between the Tecumseh and Blissfield football teams. Blissfield has not fared too well in county league competition this year, but it is sure to be a successful season for them if they can score a victory over the Indians, and according to reports the Sugar Boys are going all out to win this one. The game will be played at Recreation Center with the kickoff scheduled for 8 o'clock.

Between halves of the game the Blissfield and Tecumseh high school bands will head a parade of floats entered by each of the

"Art For Fun" Exhibit Here

MONDAY CLUB SPONSORING SPECIAL TWO-DAY PROGRAM AT LOCAL CHURCH

In observance of National Art Week, November 1-7, the Lenawee County Federation of Women's Clubs is sponsoring the first county-wide "Art For Fun" exhibit at the Tecumseh Methodist church on Thursday and Friday of that week, from 2:30 to 9 p.m.

There will be no entrance fees, no judging and no prizes. People of the county are invited to show their works in the fields of oils, water colors, charcoal, crayons, cartoons, etchings, photograph tinting, ceramics, sculpturing, china painting and wood carving. The purpose of the exhibit is to promote an interest in art, one of the universal languages, and, while not a professional exhibit, professionals may display their work.

George Furman of the Toledo Museum of Art will be present Thursday evening to speak on art appreciation.

A free will offering will be taken and a percentage will go toward a scholarship in art being offered by the Michigan State Federation of Women's Clubs.

Mrs. Jerome Travis of Macon is a member of the committee in charge of arrangements. Mrs. Glenn VandenBergh has charge of local talent and Mrs. Wilfred Waldron is helping to arrange appropriate music for the occasion. Mrs. Herbert Murphy is planning the floral decorations. The Tecumseh Monday Club members will act as hostesses.

REPORTS RING THEFT

The theft of a diamond ring, valued at $350, was reported to police on October 27 by Mrs. Clair Link, a resident of Paul's Trailer Camp. Because Mrs. Link resides outside Tecumseh village, police turned the complaint over to the sheriff's department.

Charles W. Baker Dies; Buried At Pittsford

Charles W. Baker, aged 75 years, died suddenly Thursday morning, October 26, while raking leaves, at 112 E. Logan street. Coroner Paul Mott of Adrian was called and ruled that death was the result of natural causse.

Mr. Baker was born September 27, 1875, in Hillsdale county, the son of Isaac and Caroline Pursel Baker. He had spent most of his life in the vicinity of Pittsford. He moved last April to Tecumseh.

A brother, Isaac J., of Hudson, survives as does several nieces and nephews.

Funeral services were held Sunday at 2 p.m., from the Brown and Eagle Funeral Home in Hudson with burial at the Leanardson cemetery in Pittsford.

Tecumseh Whips Summerfield 31-6

SCORE IN ALL FOUR PERIODS —BLISSFIELD HERE FRIDAY FOR HOMECOMING

Scoring once in the first quarter, twice in the second, and once in each of the last two periods, the Tecumseh high school Indians ran rough shod over a scrappy but outclassed Summerfield eleven at Recreation Center Friday evening to chalk up their fourth L.C.A.A. win, 31-6.

A 53-yard march accounted for Tecumseh's first score. Taking the ball on their own 47, they mixed passes and running plays to drive straight down the field with Beasley going over from the two-yard stripe for the score. Whelan added the extra point on a smash through tackle.

The next tally came on the opening play of the second period when Campbell intercepted Petee's pass on his own 44 and behind good blocking raced 56 yards to make the score 13-0. The kick for the extra point was blocked.

"DUSTY" MILLER IS ROTARY CLUB SPEAKER

"Dusty" Miller, Wilmington, O., newspaper publisher, philosopher and humorist, was the guest speaker at the regular dinner-meeting of the Rotary Club, Tuesday evening at the American Legion Home. Mr. Miller is a Rotarian and has a perfect 20-year attendance record.

In typical Miller style — the Ohioan in many ways makes one think of the late Will Rogers — he made a plea for the selling of America to Americans. The necessity for voting, for participating in government and civic affairs, and assuming leadership were some of the points he stressed.

Mr. Miller was the guest of Perry Hayden. Later, Tuesday evening, he addressed a meeting in Adrian.

DR. HARDY IMPROVING

85 Solicitors In Chest Drive

KICK-OFF BREAKFAST LARGELY ATTENDED; $7,025 IS GOAL IN TECUMSEH

The Tecumseh Community Chest drive opened Monday morning with a "Kick-off Breakfast" at the American Legion Memorial Home with more than 85 workers and committee members in attendance. The cost of the breakfast was underwritten by private individuals and was without expense to the Chest fund.

This year, for the first time, the Community Chest campaign is combined with the United Health and Welfare Fund of which Superintendent of Schools Earl Place is county chairman. The United Fund will receive $600 of the $7,025 goal set for the Tecumseh Chest drive. This $600 goes to some 29 state and national agencies, all of which either directly or indirectly benefit residents of this area. The remainder of the $7,025 goal is to be distributed to local organizations as follows: Hospital fund, $350; Cancer fund, $350; Halloween and Christmas parties, $250; Girl Scouts, $500; Boy Scouts, $500; Cub Scouts, $75; Recreation Center, $1,500; Salvation Army, $300; Tecumseh Welfare and Relief fund, $2,500.

Explain Costs At Recreation

$1,543.74 WAS SPENT DURING PAST YEAR ON UPKEEP AND SUMMER PROGRAM

Tecumseh's Recreation Center and its summer play program cost $1,543.74 during the past year, according to a report issued today by the council in charge of the field. This fall, the Recreation Center has submitted a $1,500 budget to the Community Chest, which amount has been approved.

Field maintenance at Recreation amounted to $367.08 of the total expense, the report said. It was pointed out that this expenditure included only normal upkeep, including mowing the grass, grass seed, fertilizer, lime for marking the field, painting, lumber, bleacher repair and moving, grading and backstop repairs.

Lighting at the field cost $135 for softball leagues, wrestling matches, refreshment stand and movies. The major part of the lighting cost, is was said, was for the softball leagues. The City League had five teams of 18 teen-agers each or a total of 90 participants. The Products League had six teams of 15 adults with 80 participants, or 170 total. It was estimated that the teams attracted approximately 200 to each game.

The playground director's salary amounted to $500. This salary is paid to the person who organizes, administers and supervises the entire program, including softball, playground, swimming, etc. A maximum of 70 hours weekly is spent by the director in this capacity, at a weekly cost of $50.

Swimming instructors' salaries amounted to $400. Last summer two qualified Red Cross swimming instructors were paid $25 each per week and an average of 850 children were given swimming instructions each week.

Playground equipment cost $63.-04. This expenditure was held to a bare minimum with only absolute necessities purchased. Playground attendance averaged 30 children a day.

Playground movies cost $78.62. In this part of the program it was pointed out that a share of the expense was borne by local merchants. The average attendance at each movie shown was 300.

TWO AUTO ACCIDENTS

Cars driven by Mertha M. LeGloar, Toledo, and Robert Hamilton, Tecumseh, were slightly damaged, Saturday, in an auto mishap on East Chicago boulevard. Hamilton was given a police summons for failing to yield the right of way. On October 24, cars driven by John W. Hall, Tecumseh, and Paul H. Patton, Toledo, were involved in an accident on East Chicago. Patton's car was damaged in an amount of $150. Hall was given a police summons for pulling into a lane of traffic.

Give Once, But Give Generously

Within the next few days one of your neighbors and friends will be calling at your home, your office or your place of business, asking that you make a contribution to Tecumseh's Community Chest. When such a request is made, give generously.

This year, Tecumseh's Chest quota is $7,025. This amounts to about $2 per person or $5 for every family in the village. This is a small amount when one considers that in Detroit, where the population is dense, its Chest budget calls for $10 per person or about $40 per family. Tecumseh's quota, then, is about one-fifth of Detroit's, on a per person basis. Certainly, the amount is small.

However, in giving to the Chest in Tecumseh one should consider the many purposes for which the money will be used. The Girl Scouts, the Boy Scouts, the Cub Scouts, the Salvation Army, the Hospital Auxiliary, the American Cancer Society and the Community Recreation all share in the program. In addition, money goes for the children's Hallowe'en and Christmas parties and, in addition again, a certain amount is set aside for Welfare and Emergency Relief.

Ten local agencies, then, share in the one gift that you make.

This year, the Tecumseh Chest joined forces with the United Health and Welfare Fund. This state-wide organization represents a score of other worthy programs and charities some of which Tecumseh has supported before, and others from which we have benefitted but never supported. For instance, there is the Heart and Polio Funds, the blind, the epileptic, juvenile delinquency and more than a dozen others that will share in $600 of the money that we raise in the local drive. No one of these organizations will receive a large amount, rather each one of them will receive a little, but they will be grateful. They will be happy to know that, as a community, we are helping to share a state-wide burden and, sometimes, Tecumseh is a part of that burden.

Think, then, when you make your contribution to Tecumseh's Community Chest. Consider that all but $600 remains RIGHT HERE IN TECUMSEH. And, consider, again, that of the $600 that goes outside Tecumseh every penny goes to worthy causes.

Tecumseh's Community Chest is and has been ably administered. Its officers work without pay. Likewise, the folk who solicit your money and work long hours doing it, receive nothing for their efforts except the consolation of knowing that they are helping in a worthy cause.

Let's put Tecumseh well over the top in this 1950 Chest Drive. Let's give generously — once and for all of these participating organizations.

A Yes Vote Seems Necessary

Next Tuesday, November 7, when every thinking American should cast his ballot, voters locally and in Lenawee county will receive a special ballot asking for a decision on the proposal to build a new $400,000 jail in Adrian. Only property owners are qualified to vote on this issue.

The present jail, it belongs to Lenawee county and is located in Adrian, was built 75 years ago and is obsolete. Conditions there are so bad that the structure has been condemned by the state and the county has been told that in the future it may be forced to house its prisoners in jails more suitable in adjoining counties.

The 75-year-old jail was built to accommodate 28 prisoners. Today, the average "enrollment" at the jail is 40. There are no accommodations for handling dangerous criminals, insane patients, or young boys and girls who should not be confined with run-of-mine prisoners. As we think of a county jail today, Lenawee's jail is not even an excuse.

To build the new jail, which Heaven knows is needed, voters are asked to approve the $400,000 bond issue which will be retired by a special one mill tax on real and personal property over a six-year period.

We believe that Lenawee county needs and can well afford a new jail.

We sincerely hope that property owners in Tecumseh and in the county will vote yes on this proposal at the polls next Tuesday, November 7.

SCOUT TROOP FOUR GETS INSPECTION

Roll call and uniform inspection for Boy Scout Troop No. 4 was held in the Scout Cabin, Monday evening, Commissioner Earl Gillhouse of Adrian was the representative from Scout headquarters, and also inspected the Scouts, each judged by points for neatness, uniform and personal appearance. Those present from Troop No. 4 were Bruce Packard, Rodger Butler, James Bowser, Charles Phillips, James Maynihan, Kenneth Miller, Roger Palmer, Jim Dewey, Jackie George, Rudy Lopez, Junior Lopez and Charles Knepper. The Scoutmaster staff was made up of George Tatar, Arthur Bowser and Dean Briggs. Ernest Campbell, chairman of the Scout committee for the Rotary Club, Troop 4 sponsor, was also present.

HALLOWE'EN PARTY

Fifty members of the Nomads and DOKKS from Adrian, Hillsdale, Hastings, Bellleville, Ypsilanti, Clinton and Tecumseh gathered at the Knights of Pythias hall last Friday evening for their Hallowe'en party. The rooms and tables were decorated in the keeping with Hallowe'en. All were in costume and prizes were awarded to Mrs. Esther Beckman, Arthur Bowser and Luther Wood for the cleverest costumes, and door prizes to Mrs. Ralph Ruesink of Tipton, and Glenn Richards of Ypsilanti. Games, stunts and dancing were the diversions. Mrs. Edwin Swift had charge of the pot-luck supper at midnight.

SNAPPERS TO MEET

The Indian Snappers Camera Club will meet on Monday, November 6, at 7:30 p.m., in the basement rooms of the library. The new officers will be in charge. The chairman is planning a surprise program. Anyone interested in photogapy is welcome to attend.

LILLY IN BLOOM

Mrs. W. C. Brooks, E. Chicago boulevard, has an Easter lilly in bloom. There are two blossoms and one bud on the plant.

TECUMSEH SCOUTS HAVE OPPORTUNITY TO VOTE

Tecumseh Boy Scouts and Cub Scouts, along with the Boy Scouts and Cub Scouts of Lenawee county, are to be given an opportunity this week to "vote" the same as their parents will do on November 7. At their meetings this week they will be furnished with sample ballots and will cast their votes for county and state officers.

Scout Commissioner E. C. Dickerson of Adrian will tabulate the ballots and return the results to local Scoutmasters for publication.

ST. PETER'S PLANS ALL-PARISH PARTY

An all-parish party, with dancing and cards will be held at St. Peter's Youth Center on the evening of Thursday, November 9 from 8 to 11 p.m. This will be the first of a series of parish parties planned by the Parish Council.

The gathering will take form of a cabaret, with dancing, cards and refreshments. All members of St. Peter's, their families and guests, young and old, are invited. There will be no charge.

PAST CHIEFS' NIGHT

Josephine H. Hall Temple No. 49, celebrated Past Chiefs' Night at its regular meeting last week Wednesday evening when the Past Chiefs were seated with the regular officers, and presented with gifts. During the business meeting, plans were further discussed for the Mid-Century Fair, December 6, and plans were also made for a series of afternoon parties to be held on alternate Thursdays, the first at the home of Mrs. Fred Whelan, November 2 at 2 p.m. Lunch was served after the meeting from small tables with Hallowe'en decorations by Mrs. Paul Gieske, Mrs. Glenn Wilson of Clinton, Mrs. S. N. Kring and Mrs. Carl Thompson.

BRITTON

The first fall meeting of the Britton Woman's Club was held in the Methodist church last Tuesday afternoon with a good attendance. Mrs. Lillian Miller, program leader, presented her Bluebird group in the form of a regular meeting, and Mrs. Miller also related her experiences at the recent district training course for Campfire Leaders held near Cleveland. Mrs. Yvonne Freer was introduced as the assistant leader as were the new Camp Fire leaders, Miss Marion Rieve as leader, and Mrs. Helen Bryan as assistant. The business session of the club was conducted by the president, Mrs. Mabel Moore. Plans for the year were discussed. Mrs. Melva Kanous and her committee served refreshments.

The regular monthly meeting of the Methodist W.S.C.S. was held last Wednesday at the home of Mrs. Leah Keasal near Manchester. A potluck dinner was served to 28 members and guests. The afternoon program opened with observance of "Week of Prayer and Self Denial," arranged by Mrs. Jessie Crutchfield. The reader was Mrs. Kathryn Gibson, and soloists throughout the service were Mrs. Kathryn Thornberry and Mrs. Crutchfield. The business session was conducted by the president, Mrs. Melva Kanous. Plans were made for Tenth Anniversary when the local society entertains Tecumseh Methodist women November 15 at a 1 o'clock luncheon. A bake sale was scheduled for November 18 with Mrs. Gertie Gittus as chairman. Facts and quiz on "Where Does Christian Citizenship Start," were given by Mrs. Nellie Barrett. Plans for canned fruit and produce for the Methodist Chelsea Home were discussed.

Today, November 2, the Womens Fellowship of the Jackson Association of Congregational Christian churches is meeting in the Britton Congregational church. The all-day meeting with luncheon served by women of the church is attended by Mrs. Harlan Walley, National President, and Mrs. Keith Elliott, Conference President.

The Dundee Council of Church Women will observe "World Community Day," Friday, November 3, at the Britton Methodist church, at 2 o'clock.

Mrs. Phyliss Brombley of Baldwin was a guest at the regular meeting of the Rebekah lodge Wednesday eve. She is a district officer.

Mrs. E. H. DuBois is spending two weeks in Lenard with Mr. and Mrs. Charles Hamilton and family.

out process has not raised the standard of living but has reduced everyone to a bare existance. People in England live from meal to meal, and most of the wartime 'emergencies' have never been removed. Houses may not be built for sale or rent by private capital. Instead, utility type houses are built for the workers by the government. Such houses have no central heating plants, but they do have a bath and a coke-fired water heater. The construction is poor, and the houses are not large.

"One of the first things that I observed was the sheep-like acceptance of this miserable existance, but if the traveler gets down under the surface he will find much disillusionment. Consider, for a moment, the security of a bus driver with a wife and four children, whom I met. His take-home pay is $14 a week. He is allowed one egg a week which costs 10 cents. In addition, he and his family get one-fourth pound of cooking fat during the week. Butter is utility grade and costs 80 cents a pound. He and his family are allowed a quarter pound of tea a week. Expensive meat cuts are available but no one can afford to buy them. His rent is $5 a week, but will soon be raised an additional 75 cents, because the government claims that the houses it is building are not self-sustaining at present rentals.

"Cigarettes are scarce and when they are available they cost 80 cents for a package of 20. A top-coat costs $60, a pair of shoes $16 and a suit of men's clothes costs $60. In order to exist, it can readily be seen that this workman must forego not only luxuries but many necessities for himself and his family. When he is forced to work overtime, due to an emergency, he lays off to protect his take-home pay from taxes, because taxes are so high that his overtime work, instead of yielding him some extra income, actually costs him money.

"The British residents, too, is beginning to find out that socialized medicine merely increased his taxes, and that it is not as free as it appears on the surface. Doctors are supposed to make house calls only for the bed-ridden. They carry a pocket-sized edition of the British Pharmacoepia and from this they are asked by the government to prescribe commercial preparations whenever possible. Penicillin is not commonly used as it is "too expensive.' At first, socialized medicine provided 'expensive' medicines for everybody, but the plan soon was changed by government regulation, and now the poor people are being sold on the 'simple remedies.'

"Our American women would have a rough time in England because nylons are scarce. They are not available in the stores, but they are grabbed occasionally by the women in London from the 'Spivs' (black market operators) on the streets. The women in England still line up in the rain for scarce groceries. I saw my sister take her place at the end of a line, standing in a driving rain, trying to buy meat. I took her out of the line because I knew that the meat she was waiting for wasn't worth carrying home.

"Almost everyone belongs to a union, and almost everyone is now working for the government. There is no incentive for a man to strike out for himself, to better his lot, to strive for better and more things for his family. Instead, the emphasis is on economy, make-do arrangements, swapping one necessity for another, trying to beat the rationing regulations."

Bruce declared that on his trip he was far more interested in people and their present way of life than he was with monuments and historic spots of interest. In Cuba, he said, he found wages to be lower than ours, and prices about the same as in America. Thousands of Cubans shop in Florida. It is only an hour and a half by air from Havana to Miami.

In the Azores and Portugal, Bruce said that food is plentiful and cheap. The country is prosperous and everything is neat and immaculate. Wages are not high, and male labor predominates, even in jobs usually held by women in the United States.

In Spain, Bruce found workers fairly content with the Franco regime. Much building is going on. The people of Spain can remove by vote all government officers except President Franco. Wages are very low, food is plentiful and cheap, including fish and meats.

The present rate of exchange is 38.70 pesetas to the American dollar. The traveler must declare money in his possession on crossing the frontier and account for money changed on leaving the country. Americans are accosted by "ladrones," men who live by their wits, who wish to buy American dollars. The rate offered is 50 pesetas to the dollar. Hotels and banks are authorized to change money but must enter such transactions on the declaration form carried by the traveler.

Like the ladrones of Spain, and the Spivs of London, the traveler is constantly accosted in the streets of Paris by men wishing to buy American dollars. In France, inflation has made almost valueless bills of small denomination. They are still used for making change, but will buy almost nothing of a nature for which we are accustomed to paying a few cents. Prices on some items, like wearing apparel, are fantastic, even measured by our American standards. A dinner costing $1.25 in the United States costs $3.50 in France, and the portions are about one-half those served here. On entering France, the traveler is required to fill out a personal history form for the police, and this must be handed over at customs, and a similar one filed with the hotel, and still another form is required upon leaving the country. A money declaration form also is mandatory.

Bruce made the entire trip by airplane, leaving Willow Run for Havana, a flight of 10 hours. He then took a side trip to the Isle of Pines. From Havana to Bermuda, the Azores, Lisbon and to Madrid took 23 hours. Madrid to Paris is four hours, Paris to London two hours, London to Glasgow, Scotland, two hours, and from Glasgow to New York City 16 hours.

"I didn't stay long in Scotland," Bruce said, "but I was interested in what a bell hop told me at the hotel. I inquired a little about his job and if he was happy. He told me that his salary amounted to about $4.20 a week in American money."

The average worker in England, Bruce said, earns $14 weekly, and the top workers, specialists and those technically trained, earn $19.

"You can imagine how far a fellow could get, economically, on such wages," Bruce said. "If he has a family, I priced some hats, they were $10, and a pair of shoes was $16. Children's clothing prices are higher than they are in the U. S."

Bruce spent 12 days with his relatives in Harrington, England, a village located about 100 miles south of Glasgow. Bruce's father, John Bruce, is now 78 years of age. Also living in Harrington are Bruce's brother and sister, Mrs. Matt Taylor and Lowery Bruce.

Bruce's previous trips to England were made by ocean liner and consumed several days, going and coming. "This air travel is great,' he said. "We flew the Atlantic, coming home, at an altitude of 18,000 feet, and it was just as smooth as a carpet."

meeting and 'introduced Robert Fuller, president of the Community Fund, who explained the budget to the workers. Mr. Fuller stated further that there would be no solicitation of funds in any of Tecumseh's factories or in the schools in order that duplication of requests for funds may be avoided. All solicitation is to be done in the homes and business places.

Attention was called to the fact that while a goal of $5 per family has been set, this is an average of $5 per family. Some families will feel that they cannot give quite this amount, but many will want to give much more. As far as is known this is to be the only campaign for funds of this type in Tecumseh with the exception of the Red Cross and March of Dimes, which organizations conduct their own drives, and will do away with repeated solicitations.

Rev. Edward Escolme spoke briefly and noted that a number of cases where Tecumseh residents had benefitted directly from the organizations included in the United Fund had already come to the attention of the Community Chest board.

A discussion period followed and the breakfast closed with benediction by the Rev. Mr. Escolme.

BRITTON

Mr. and Mrs. Harold Prielipp are announcing the engagement of their daughter, Alyce Ann, to Haldon J. Grinage, of Blissfield. November 18 has been set as their wedding date.

A group of sixteen relatives and friends surprised Mr. and Mrs. Earl Smith, Sunday, in observance of their silver wedding anniversary. The event was arranged by Mr. and Mrs. Herbert Maynard of Tecumseh, and Mrs. Tina Smith and daughter Pearl. A chicken dinner was served from a linen-covered table, centered with a three-tiered wedding cake topped with a silver trimmed miniature bridal couple. The honored couple received many gifts.

Rev. and Mrs. E. H. DuBois have received word that their son, George, who was recalled to the armed services recently, left Chicago last week for Guam.

Mr. and Mrs. Roy Covell of Maywood, Calif., arrived at Willow Run by plane Saturday to visit Mr. and Mrs. Byron Covell and other relatives. Other Sunday dinner guests in the Byron Covell home were Mr. and Mrs. Ray Covell and daughter of Plymouth, and Mr. and Mrs. Harold Covell and sons of Clinton.

Mr. and Mrs. Stephen Ball of Britton announce the coming marriage of their daughter, Donna, to Byron Pilbeam, son of Ross Pilbeam and the late Mrs. Pilbeam of Dundee, on November 11 in the Britton Congregational church.

School To Hold

(Continued From Page 1)

Taught In Our School System?" Following these informal discussions there will be a full review of the various scholarships offered to Tecumseh students and the requirements for each. Mrs. Walter Plaus is chairman for the evening and in co-operation with Principal James McDowell and his teachers will present the program.

Refreshments will be served after the meeting by Mrs. Frank Purcell and her committee.

On Thursday evening open house will be held at the Central building for parents of grade school children and others interested. From 7 to 8 o'clock parents will be given an opportunity to visit teachers in their rooms. Miss Burgess will have a display of grade art work in the Art Room.

Following the open house will be the regular meeting of the P. T. A. honoring American Education Week. This meeting will be in the form of an informal discussion in charge of Mrs. Hugh Browne and her committee in co-operation with D. C. Smith, principal of the elementary schools, and his teachers. The committee hopes to present the facts of natonal, state and local interest concerning the progress and needs for educational advancement in our own community with the idea in mind of creating home, school and community teamwork to give opportunity for all.

Mrs. Paul Hadsell and her committee will serve refreshments.

Superintendent of Schools Earl H. Place joins with the committees and teachers in urging parents to visit their schools on these two evenings and participate in the discussions which are so pertinent to present day school problems.

Tecumseh Whips

(Continued from page one)

Summerfield came back to threaten in this period when they picked up Beasley's fumble on their own 38 and ran it back to the Indian's 22. After the visitors had picked up two yards Beasley redeemed himself by intrecepting Petee's pass on the five and returning it 34 yards to Tecumseh's 39.

The next series of downs brought the prettiest run of the game and Tecumseh's third touchdown. On fourth down VanWinkle punted from his own 48 out of bounds on Summerfield's 11 but the play was called back and Tecumseh penalized five yards for offside. The next play started out as another kick, but instead VanWinkle tossed a pass to Whelan on the visitors' 40 and after shaking himself loose from three separate tacklers, all of whom seemed to have him stopped, Dick finally broke away to score standing up. The kick for the extra point was no good and Tecumseh was out in front 19-0. The half ended with Summerfield in possession of the ball on their own six yard line.

A 60-yard march with Beasley, Whelan and VanWinkle and Breitenwischer alternating in carrying the pigskin brought the fourth marker, VanWinkle crashing thru guard from the three to bring the count to 25-0.

At this point "next year's team" entered the game and after a slow start gave a very creditable account of themselves. While they were getting themselves together Summerfield proceeded to march from Tecumseh's 45-yard line down the field for their only score. The reserved came right back and on the second play after receiving the kickoff Hunt eluded several would-be tacklers and scampered 67 yards for the final tally of the evening.

Friday is Homecoming Day at Tecumseh high school and the Sugar Boys from Blissfield will furnish the opposition for the Indians. Blissfield has had a rather poor season but a victory over their arch rivals, the Indians, would do much to alleviate any disappointments they have suffered up to now. Local football fans can look forward to a hot scrap when the lads from the other side of the county arrive here Friday evening.

Heavy Vote

(Continued from page 1)

and a Democrat.

Locally, there seems to be but little interest in county officers, although a complete slate has been nominated by both tickets.

Perry M. Hayden of Tecumseh, who is seeking election as governor on the Prohibition ticket, is expected to receive a complimentary vote, locally.

Voters who are property holders also will vote on the proposal to bond Lenawee county for $400,000 for the building of a new jail in Adrian. The present jail is obsolete and has been condemned by the state.

There are four proposals on the referendum ballot. The first one would amend Section 1 of article three of the constitution relative to the elective franchise; the second would authorize the borrowing of money to build and equip mental and tubercular hospitals; the third, would add a new section to the constitution defining subversion; and, the fourth is the so-called oleomargarine act, which would permit or deny the right to color oleo.

Voters also will receive a non-partisan ballot upon which they may write their choice for circuit court commissioners.

Friends Quarterly Meet At Raisin, This Week

The Adian Quarterly Meeting of the Friends church convenes this week-end at the Raisin Center Friends church. Rev. Amos N. Henry will be the preacher at the services held Friday, Saturday and Sunday evenings at 7:30 o'clock, and at the worship service held at 11 a.m. on Sunday. He is a former pastor of the Raisin Valley Friends church, and is now the pastor of the Friends church in Cleveland. Saturday morning at 11 o'clock, Rev. Claude A. Roane will be the speaker, and Rev. B. Francis Glenn will be speaking at the service Sunday afternoon at 2:30.

Rev. Claude A. Roane will be the preacher at the Tecumseh Fiends church on Sunday evening at 7:30 o'clock.

DATE IS CHANGED

The Dependable Circle of the Methodist church has changed the date of its rummage sale to November 17 and 18, to be held at the Methodist church parlors. Mrs. Lily Gray is chairman and Mrs. Carl Burch assistant.

Seattle, Washington is farther north than Nova Scotia.

Music Club Provides Monday Club Program

The Tecumseh Monday Club met in the home of Mrs. Wilfred Waldron, Monday afternoon, with 50 members and guests present, some from the Onsted Woman's Club. The co-hostesses were Mrs. Floyd Bryan, Mrs. Joe Rice, Mrs. Fay VanValkenburg, Mrs. Glen Vandenbergh, Mrs. Margaret Kidman, and Mrs. Burtsel Claus.

The Tecumseh Music Club provided the following program: "The Beatitudes," Mrs. Murray Day; a piano duet, "The Grand Canyon Suite," Mrs. John Hamilton and Mrs. Wilfred Waldron; vocal solo "Goodbye to Summer," Mrs. Wilbur Boyce; "Come to the Fair," and "Bendemeer's Stream," chorus under the direction of Mrs. John McColl with Mrs. Kennard Wise, Mrs. Nina Heath, Mrs. R. J. McCoy, Mrs. John Wilson, Mrs. Perry Hayden, Mrs. Murray Day, and Mrs. Wilfred Waldron singing; piano solo by Mrs. Herbert Dillon; "The Poem" by Stolsol, Mrs. John McColl; vocal solo "Autumn," Mrs. Murray Day; and a two piano number with eight hands playing, "Homage to Verdi," Mrs. Kennard Wise, Mrs. Wilfred Waldron, Mrs. John Hamilton, and Mrs. John McColl.

During the business session a report of the Lenawee County Federation of Women's Clubs' meeting was given by Mrs. Ted Labounty and reports of the Southeastern District Convention were given by Mrs. Lynn Hubbard and Mrs. E. J. Aebersold. Mrs. Ted Labounty, Mrs. M. G. Partridge, and Mrs. George Green, sr., were appointed a committee to determine a method of selecting a club woman of the year to represent the Monday Club on the radio program being arranged by the Lenawee County Federation of Women's Clubs. Mrs. Jennie Temple of the Past Presidents' Club and Mrs. E. J. Aebersold and Mrs. B. B. TurnBull were appointed to study and arrange for the Scholarship Fund of the club.

Doggie — I'm doing research work. I'm a government investigator.

Boon—That's great! What are you investigating?

Doggie—Oh, nothing in particular. I just go around and ask about anything that strikes my fancy.

grades seven through twelve and the various school organizations. A $25 prize has been offered for the best float.

The highlight of the between-halves festivities will be the crowning of the Homecoming Queen. Each of the classes in the new high school building has elected a candidate for the honor of being queen and on Friday the entire school will choose the winner by popular vote.

After the game the Homecoming dance will be held in the gymnasium of the Central building, with dancing from 10 to 1 to the music of Drexel Lamb and his orchestra. The gym has been gally decorated for the occasion and students, alumni, and the general public are cordially invited to attend.

Willard A. Hunt, 67, Is Buried At Tipton

Willard A. Hunt, aged 67 years, died suddenly at 11 p.m., last Thursday at his home two miles northeast of Tipton. He was the son of Abram and Mary Hunt, and had spent his entire life in this area. Besides his wife, Eva, he is survived by four sons, Kenton of Tecumseh, William of Boyne Falls, Woodrow of Tipton and Abraham at home; a daughter, Ruth Jane, at home; seven grandchildren and a brother, Ernest Hunt of Madison.

Funeral services were held at 3 p.m. at the Green Funeral Home with the Rev. R. O. Bashore officiating. Fred Dickinson sang "No Night There." The bearers were Homer Knight of Detroit, Leon Fox of Chelsea, Don and Ivan Hunt of Tipton, Charles Hunt of Jackson, and Leonard Hunt of Royal Oak. Burial was at Tipton cemetery.

Friends and relatives attended from Chelsea, Detroit, Royal Oak, Lansing, Boyne Falls, Adrian, Tecumseh, Jackson and Tipton.

Low Finance

Tramp—Would you come to the rescue of a fellow business man whose credit is frozen? . . .

Citizen—Do you mean that you want me to give you some money?

Tramp—Oh, no — nothing so crude as that. All I want is for you to finance me until the present emergency is over.

Meeting And Dinner Planned By Legion

The Underwood-Orr Unit No. 34, will be host to the annual Department of the President and Secretary Quarterly Meeting, to be held at the Legion Home, Tuesday, November 7 at 8 p.m. All units from the second district are invited to attend.

A roast pig supper will be held Thursday evening at 6:30 at the Legion. Meat, potatoes, rolls and coffee will be furnished. The Legion and Auxiliary will meet together. Members should bring one dish to pass and table service. There will be a joint meeting following the dinner.

The Hallowe'en party is an annual affair, originally sponsored by the Rotary Club but now participated in by Rotary, Exchange, the Chamber of Commerce and the Community Chest. The purpose of the event is to reduce vandalism in the village to a minimum.

"We were very well pleased with the way the young folk conducted themselves here on Hallowe'en," Chief of Police Clark said today. "Of course, we had a few reports of vandalism, and one window was broken, but, so far as we know, there was no personal injury."

Downtown streets were crowded with pedestrians and cars, and Chief Clark complimented drivers for their excellent co-operation in the parking and driving of vehicles during the celebration.

J. G. SLAYTON DIES; BURIED IN HILLSDALE

Friends here have been notified of the death of James G. Slayton, 68 years old, a prominent Y.M.C.A. worker and teacher, and husband of Erva Finch Slayton of Hillsdale. His death occured last Saturday, October 21, in that city. Mrs. Slayton was formerly a resident of Tecumseh.

Surviving besides his wife are a daughter, Ruth Erva Lyman, and a son, Wayland Finch Slayton. Funeral services were held last Tuesday, October 24, at 3 p.m., at Miner-Kessler Funeral Home in Hillsdale, with Rev. Philip R. Whitaker, officiating. Burial was in the Oak Grove cemetery.

What the world needs today is millions of honest, average citizens.

BRITTON

Mr. and Mrs. Wayne Kaiser and son and Mrs. Anna Schneirla, all of Clinton, and Mr. and Mrs. George Issen, were Sunday dinner guests of Mr. and Mrs. Ronald Cheever. Mr. and Mrs. Joseph Boxwell and children of Toledo were evening callers in the same home.

Mrs. Flora Exelby has returned home from a two week stay with relatives in Florida.

Week-end guests of Mr. and Mrs. Clarence Herford were Mr. and Mrs. Duane Jones and family. Mr. Jones and son remained in the Herford home for hte week.

Mrs. Harry Thornberry was called to New Castle, Pa., by the death of her uncle. Services were held Sunday and she returned home Monday.

F. F. A. BANQUET

The 10th annual banquet of the Future Farmers of America, Tecumseh Chapter, will be held on Monday evening, November 6, in the gymnasium of the high school. The Rev. Edmond H. Babbitt, vice-president of Adrian College, will be the guest speaker. The banquet will be attended by parents and sons.

HOARDING CLUB

An "inventory control" order, designed to curb hoarding of scarce war materials by business firms, was the first restraint clamped on industry by the new National Production Authority. The order contained: (1) A "scarcity list" of materials which are, or threaten to be, of bottlenecks in the expanding production drive; and, (2) a broadly-worded prohibition against massing more than a normal operating supply of the scarce items. Penalties of a year in prison or a $10,000 fine, or both, are provided.

One of these days money will develop patriotism but it will depend upon those who have it.

Detroit Pastor To Speak At Joint Club Dinner

An attempt will be made next Monday evening, November 6, to combine some of the local club programs into bigger and better ones when the Tecumseh Monday Club, the Wit and Wisdom Club, the Tecumseh Huisness and Professional Women's Club and the Child Study Club join in bringing to Tecumseh, Dr. Perry Epler Gresham of Detroit as the guest speaker following a dinner in the Grange hall.

Dr. Gresham is minister of Central Woodward Christian Church, Detroit, and is nationally known as a philosopher and educator. He is in demand as speaker and lecturer at colleges and universities. In the summer of 1948, Dr. Gresham spent nine weeks in Europe, visiting 23 countries and provinces. In recent weeks he has returned from a long journey in the Near East.

His subject for Monday night will be, "Free Minds For A Free World."

Dr. Gresham is a close friend of the Gale Fishers and because of them has consented to speak here. He will be their overnight guest.

Dinner will be served at the Grange hall at 6:30 o'clock and reservations should be made with Mrs. E. J. Aebersold. Interested people of the community are welcome.

Cranbrook Tenor Will Sing At Vesper Service

The choir of St. Peter's Episcopal church announces the second of its series of Vesper Service of Music on Sunday, November 19, at 5 p.m. Carl Christensen, tenor, soloist at Christ Church, Cranbrook, will be the featured soloist. James Spencer, organist of St. Peter's church will also be a featured artist.

Mr. Christensen sang for the first Vesper Service at St. Peter's last February, and his musicianship and glorious voice left a lasting impression on all present. He is returning because of the hundreds of requests to have him sing here again.

The full program will be announced at a later date.

Michigan Voter:
PROTECT YOURSELF AND FAMILY!

1 PROTECT YOURSELF
Against Imitation Butter

Your right to know—for *sure*—that there's BUTTER on the table—is threatened by a move to tamper with Michigan's long-standing imitation-BUTTER law. The present law is a GOOD law. It protects *you*—your *family*—and the *family table*. Especially, it also protects you *when you "eat out."*

Now, with a referendum vote on this subject on the ballot November 7, *it's up to you.* It's *your* job to protect yourself against *imitation*-BUTTER—to make *sure* you get the *real thing*. Vote "NO" on Proposal 4, November 7th.

2 PROTECT YOURSELF
Against High Milk Prices

In case Michigan's present law—prohibiting substitutes *colored yellow* in *imitation* of BUTTER—is rendered ineffective in the November general election . . . thousands of Dairy Farms will be *driven out of business*. Milk will become scarcer . . . higher in price . . . as it has in other states which now allow imitation-BUTTER to be sold *colored yellow*. It is no accident that milk prices in cities in those states are 1½ *cents a quart higher* than milk prices in states (including Michigan) which maintain a protective law against selling imitation-BUTTER colored *yellow*. Keep Michigan milk plentiful—reasonable in price. Vote "NO" on Proposal 4, November 7th.

3 PROTECT YOUR OWN
and Michigan's Prosperity

WARNING: The first year Canada allowed substitutes to be colored *yellow* in imitation of BUTTER cost Dairy Farmers there 50 MILLION DOLLARS. *That can happen in Michigan* . . . where 600,000 people depend on Dairying for their livelihood . . . with an investment TWICE THAT OF THE ENTIRE WORLD OPERATIONS OF THE FORD MOTOR COMPANY! Reduce Michigan's income by many millions of dollars and you *depress the market for all kinds of Michigan goods* . . . besides irreparably damaging Michigan's *soil and agriculture.*

Notice To The Voters

Of Tecumseh Township

Any registered voter who, because of illness or absence from the Township, will be unable to go to the polls on Tuesday, November 7, 1950, may apply for an Absentee Voter's Ballot at the office of the Township Supervisor, Strand Theatre Building, Tecumseh, not later than

Saturday, November 4, at 4 p.m.

A large vote is anticipated in Tecumseh Township on Tuesday, November 7.

To avoid standing in line at the polls on election day, it is urged that electors cast their ballots as early in the day as possible.

The polling booths in the Council Building on South Evans Street, will open at 7 a.m., on Tuesday, November 7, and will remain open until 8 p.m., Eastern Standard Time.

Tecumseh Township Board

21,800 Special Deer Permits To Be Issued

LANSING, SEPT. — Over 11,000 hopeful hunters already have applied to the conservation department for permits to hunt in the special December western Michigan deer season.

Applications trickled in at first but now are starting to average 1,000 daily.

With a total of 21,800 permits to be issued for the purpose of reducing deer orchard and farm crop damage, the department points out it is getting a generous number of permit requests for all areas except "A." This area includes parts of Charlevoix, Antrim and Grand Traverse counties. A maximum of 4,500 permits can be issued for this area, however only 1,300 applications have been received so far.

If applications exceed the total number of permits to be issued in any area, as happened last year, a drawing will be held. Deadline for mailing in cards is October 10 in order to permit any necessary drawing by October 20.

Outline of the four legal hunting areas and other special season information is contained in a pamphlet which can be secured from any hunting license agent.

A total of 19,500 hunters will be able to shoot any age deer of either sex from Dec. 1-5 in Leelanau and parts of Benzie, Grand Traverse, Manistee, Charlevoix and Antrim counties. Repeating the 10-day season as held in parts of Allegan and Newaygo counties last year, 2,300 permit holders will be able to take one antlerless deer of either sex from Dec. 1-10.

Heart Disease Still Is Greatest Killer

Heart disease is still the greatest killer of Michigan people, Dr. Albert E. Heustis, State Health Commissioner, said today in reporting Michigan's ten leading causes of death for 1949.

Heart disease killed one out of every three Michigan people who died in 1949. Diseases of the heart caused 19,137 of Michigan's 57,107 deaths last year.

Cancer was in second place but caused less than half as many deaths as heart disease. One out of every seven died of cancer.

Apoplexy, accidents and nephritis (kidney disease) which caused less deaths in 1949 than in 1948 were still in third, fourth and fifth places. Pneumonia, which caused more deaths in 1949 than in 1948 remained in sixth place. Diabetes, which has been increasing in prominence as a cause of death for the past three years, moved up to seventh place. Premature birth, against which the practicing physicians and health departments of the state have been conducting a diligent campaign, has caused less deaths each of the last three years and fell to eighth place in 1949. Tuberculosis remained in ninth place but was giving way to newer methods of diagnosis and treatment. Arteriosclerosis was increasing but remained in tenth place.

She Can!

Askit — Do you believe that any one could do more than one thing at the same time?

Tellit — Certainly! In our office is a stenographer who can run the typewriter, chew gum, hum the latest songs, and plan for a date with her boy friend—all at the same time.

Behind With His Reading.

The railway was flooded on account of heavy rainstorm. A traveler on the train put up at a village. As he looked out at the rain in the hotel dining room, he said to the waiter: "It is like the deluge."

"The what?"

"The deluge. Haven't you heard about the deluge — Noah and the Ark and Mount Ararat?"

"No, sir," said the waiter. "We haven't had any paper here for a week."

$ BILLS TO STREET

Cleveland, O. — Charles W. McCorn, 40, a Roanoke (Va.) salesman, had an unusual experience recently. Walking out of a local hotel, he saw some green bills drifting out of the night sky. He picked up seven, while a woman grabbed three and another man pocketed a fourth. McCorn turned his bills—each a new $100 bill—over to police, who think they must have blown out of a building window. If no one shows up to claim the money, it will be McCorn's.

CAT IS WASHER

San Francisco — Dumping an armful of clothes into her electric washer, Mrs. Lillian Neyman clamped on the lid and pressed the button. From inside the washer in a few instants came a feline screech, a popping and sputtering, illuminated by a shower of blue sparks. Then the lights went out. Firemen, called to the scene, switched off the washer, lifted the hood from the motor housing and extracted Mickey, Mrs. Neyman's Maltese cat.

We have it! You'll love it! A beautiful new floral design to have and to hold . . . for keeps! Protected against wear by solid silver overlay. Services start at $49.75 with handsome Anti-Tarnish Chest included, no extra charge.

CAMP PENDLETON, Calif (Special)—A letter of commendation has been awarded to Pfc. Richard L. Purkey, of Tecumseh, Mich., by his commanding officer. The letter commended him for his "outstanding service in the line of duty" while assisting units of the First Marine Division in their mounting out activities to Korea.

The presentation was made by Col. R. B. DeWitt, commanding officer of the Marine Corps Supply Depot at Camp Pendleton. Quoted in part, the letter read: "The Commanding Officer takes pleasure in acknowledging the splendid work on your part which contributed substantially to the success of the Depot in completing a difficult mission."

A graduate of Tecumseh High School, Purkey enlisted in the Marine Corps on August 3, 1948. He is presently serving as "automotive serviceman" for the Motor Transport Section.

His parents, Mr. and Mrs. Lee Purkey, live at 112 West Shawnee St., Tecumseh.

Presbyterians To Get Magazine Of Church

Beginning this week, and continuing every two weeks from now on, every Presbyterian family in Tecumseh will receive a subscription to the church's official magazine, PRESBYTERIAN LIFE.

Made possible through an underwriting plan set up by the Session of the local church 217 copies of the magazine will come to each of the homes at a special rate of $1 per year. Under the every-home plan, the local church places a single subscription order and pays a single bill. It is hoped that each family will contribute at least the cost of its own subscription to Deyo Tallman, the church's Benevolence treasurer.

The every-home plan is being undertaken in the belief that Christians must be informed. They must know what thir own denomination is doing throughout the world. And the magazine which devotes much space to world Christian news will also inform its readers of the work of the entire Christian church in all its branches.

Good reading, informative reporting, and inspirational guidance will come into Presbyterian homes through this magazine that has received the highest commendations for religious journalism, it was pointed out.

COMMUNICATION

Brixon, Michigan
R. R. 1
October 26, 1950

Tecumseh Herald
Tecumseh, Michigan.

Dear Editor:

November 7, is the day that all people interested in the prosperity of Michigan and the dairy industry should go and vote "NO" on the "yellow" oleo proposal.

The dairy industry does not oppose the use of white oleo or the coloring of it at home, but doesn't want commercially colored "yellow" oleo.

Damage to dairying in Michigan would affect the economic life of every person in the state.

If farm purchasing power is cut a lot of industries will be hit and many people thrown out of work.

43 per cent of farm income of Michigan is from dairy products—27 per cent of dairy products in the state is butter.

The dairy industry cannot exist without butter. Imitation butter threatens the prosperity of Michigan. So let's all vote "NO" on the "yellow" oleo proposal, November 7.

Sincerely,
Mrs. Marold E. Rohrback

Lights for poultry houses are recommended by Michigan State College poultrymen as good investments. Lights themselves do not take the place of good poultry management, they say, but good methods, plus lighting, mean more profits for the farmer. Give the hens a 14-hour day. Each light should have a reflector and every 200 square feet of floor should have one 50 watt light and reflector.

Gordon Pearson Weds Highland Park Girl

A wedding of local interest was solemnized last Saturday afternoon at four o'clock at the Highland Park Congregational church, in Highland Park, when Glenna Lee Mack, only daughter of Mr. and Mrs. Bert B. Mack, of Highland Park, became the bride of Gordon B. Pearson, son of Mr. and Mrs. Pearson, of Tecumseh. The Rev. George W. Shepherd, pastor of the church, performed the ceremony.

The altar was decorated with white gladioli, and lighted tapers. A program of nuptial music was played with Miss Ella Culver at the organ.

The bridal party entered the church to the strains of Lohengrin's wedding march. The bride, given in marriage by her father, wore an afternoon dress of silver taffeta and her corsage was a white orchid. She also carried an antique handkerchief, an heirloom of the groom's family. Miss Shirley Robertson, maid of honor, wore an afternoon dress of teal blue, and her corsage was of rust and yellow mums.

Richard Pearson, who leaves for the Army Novmeber 1, was his brother's best man.

Mrs. Mack, the bride's mother, wore a navy dress with a red carnation corsage. Mrs. Hackett, the bride's grandmother, wore grey with a white baby mum corsage and Mrs. Pearson, mother of the groom, wore a teal blue dress with a rose corsage.

Only the immediate families attended the service. A wedding dinner was served at the home of the bride's parents immediately following the ceremony for the two families. Besides the groom's parents and brother, Mr. and Mrs. Max Brandt and son Jimmie, also attended the wedding.

Mrs. Pearson is employed in the office of the Ford Highland Park plant and Mr. Pearson at the Hobbycraft Model Supply in Detroit. After November 1 they will reside at 2418 Stein, Detroit.

LOCALS AND PERSONALS

Harlan Boyes has returned to his home from the University hospital at Ann Arbor, and is recovering satisfactorily from injuries received in an accident recently.

Mr. and Mrs. Myles Runk are moving into their new home at Tecumseh Acres Subdivision, which they have recently purchased.

Richard Pearson spent Sunday in Detroit with Mr. and Mrs. Roger Roemish.

Mr. and Mrs. Ray Henkel and son, Richard, and Louis, and Miss Joyce Ann Gary of Ann Arbor spent Sunday in Sarnia, Ontario. Mr. and Mrs. Henkel were sponsors at the baptism of the infant daughter, Lorna Jane, of Mr. and Mrs. Edward Henkel.

Mr. and Mrs. Thomas Brooks were in Monroe last Thursday evening to see Mr. Brook's brother, Ralph, at the Mercy Hospital. He is in a serious condition, the result of an automobile accident, Thursday, near Monroe.

Mr. and Mrs. Sam Clough visited Mr. and Mrs. Sluss Riker in Hillsdale, Sunday.

Mr. and Mrs. Dale Aebersold and son, of Adrian, were Sunday afternoon callers of Mr. and Mrs. Donald Creger.

Mrs. Erva Finch Slayton of Hillsdale visited Miss Clara Waldron and other Tecumseh friends last Wednesday. She also called on Mr. and Mrs. F. H. Bryan, Mr. and Mrs. Wallace Bryan, and Mr. and Mrs. Fred Sheldon.

Mrs. Robert Thompson of Chicago spent the past week with Mr. and Mrs. John Smith and other relatives. Her home is in Antrim County, Ireland, but she has been staying with her daughter in Chicago.

"I AM FOR LOWER TAXES"
If I am elected to Congress, I will examine huge expenditures and ferret out waste, inefficiency and corruption in defense expenditures on behalf of you people in my district in precisely the same way I did that job for the Senate War Investigating Committee. OPPORTUNITY IS THE BEST SECURITY
"If elected you will find me consistently on the side of free enterprise and equality of opportunity and consistently opposed to unnecessary control and direction by long-haired bureaucrats. Tourist's Cash Eyed By States

MICHIGAN IS FINDING COMPETITION IN ITS VACATION "INDUSTRY"

Competition among the states for tourists dollars reached a new high during the 1950 summer season, according to Robert J. Furlong, executive secretary of the Michigan Tourist Council.

"Five years ago two-thirds of the states were spending public funds for tourist advertising. This year all but two had legislative appropriations for this purpose," Furlong said.

He pointed out that Michigan was one of the first to recognize the potentialities of the tourist industry as a source of revenue and for some three decades has promoted its vacation attractions. This long history of advertising and promoting established for the state a clientele among the nation's tourists which meant "repeat business" year after year.

Furlong warned, however, that serious inroads are being made on that clientele as a result of the new competition from other states. "Not only are more states than ever before promoting themselves, but the advertising budgets of our old competitors are larger than they have ever been," he said. "Those of Canada and Mexico have also reached new highs."

Referring to a nation-wide survey by the Crowell-Collier Publishing Co., Furlong commented that Michigan ranked third in the number of tourists entertained in 1949. While the state maintained this enviable position among the leaders, it dropped to 13th place in the amount of state appropriations for tourist promotion.

The unprecedented competition among the states is due to a realization that the tourist industry has become and will remain a vital factor in the general economy of each state and of the nation, according to the Council official.

"It is true," he said, "that bad weather had a crippling effect on the industry in Michigan and throughout the Midwest during the past summer season. But this by no means implies that a permanent downward trend is underway. America has acquired the vacation habit and there is every reason to believe that the habit is a permanent one."

To support his statement, Furlong referred to a report of the Automobile Manufacturers Association which shows that about nine in every ten job holders in the nation are now covered by some type of vacation payment plan. Public health authorities, he said, have gone on record with the statement that vacations constitute one of the biggest factors in checking the increase in mental and physical ills.

He also pointed out that Dr. Harold G. Moulton, of the Brookings Institution sees a rosy future for the nation's tourist industry during the next century. Dr. Moulton states that expenditures for recreation and travel will increase 33 times what they are now. This, Dr. Moulton says, is by far the greatest increase in any of the five primary components of living standards. The others are food and nutrition; shelter and home maintenance; attire and personal care; education and health.

Furlong concluded that if Michigan is to hold the gains it has made and in addition keep pace with its competitors in the tourist industry, there can be no relaxing in its efforts to promote and develop its vacation advantages.

ANN ARBOR MARKS ARRIVAL OF FIRST PASSENGER TRAIN FROM DETROIT

(EDITOR'S NOTE: Today's newspaper readers accept on-the-spot accounts of events as common place. This hasn't always been true. In the story below and even in October of 1839 is recorded in modern newspaper style. This is the fifth in a series of such stories based on eye-witness accounts in books and other material in the Michigan Historical Collections at the University of Michigan).

ANN ARBOR, October 17, 1839—A big parade and celebration were staged here today to mark the arrival from Detroit of the first passenger train over the state-owned Central Railroad.

Construction work on the extension of the railroad here from Ypsilanti was completed only two days ago. The first passenger train brought state, federal, city and military dignataries to take part in the celebration.

Completion of the line to Ann Arbor makes the Central 37 1/2 miles long, longest stretch of railroad now operating in Michigan. Up until now, the 33-mile Erie and Kalamazoo Railroad from Toledo to Adrian held the honors. Other railroads in operation are the 12 miles of the Detroit and Pontiac Railroad from Detroit to Royal Oak and 18 miles of the Southern, another state-owned line, which have been built from Monroe to Petersburg.

Arrival of the railroad in Ann Arbor is expected to help the village recover from the effects of the panic of 1837 which has had a depressing effect upon business in the State of Michigan. The railroad was started as a private venture under the name of the Detroit & St. Joseph Railroad but was taken over by the state in 1837 as a part of an ambitious program of internal improvements voted by the Legislature and approved by Governor Stevens T. Mason.

In his talk at the dinner marking today's event, William R. Thompson, state commissioner of internal improvements, said the difficulty in obtaining money as the result of the panic had caused the long delay in extending the railroad to Ann Arbor. The Central had been completed to Ypsilanti almost 21 months ago on February 3, 1838.

Thompson pointed out how the railroad would shorten the time required to reach Detroit to just two and one-half hours. This is in contrast to the whole day now required to make the trip by stage or on horseback while loaded wagons take more than a day to reach the city.

Glorious Indian Summer weather marked the arrival of Ann Arbor's first passenger train at the new depot with upwards of 800 visitors from Detroit and Ypsilanti. People came from all parts around Ann Arbor to witness the big event. The committee which had arranged the celebration extended a welcome to the visitors through James Kingsley, the Ann Arbor man who has played an important role in getting the railroad started.

BIRTHDAY DINNER

Mr. and Mrs. Jack Morehouse entertained six couples at a dinner in their home last Saturday evening, honoring Warren Benham and Owen Partridge who were observing birthday anniversaries. After the dinner, canasta was played with honors going to Mrs. Warren Benham and Chester Beach. The honored guests received many gifts from the group. The rooms were decorated in keeping with Hallowe'en and lighted candles centered the table. The guests included Mr. and Mrs. Benham from Ridgeway, Mr. and Mrs. Ray Schlegel, Mr. and Mrs. George McCombs, Mr. and Mrs. Beach and Mr. and Mrs. Partridge.

Life is Better With Butter

Everyone prefers Butter to a Colored Imitation. Aside from the deceit and fraud which would result from permitting yellow oleomargarine to be sold in this state, every thinking voter wants to

KEEP MICHIGAN PROSPEROUS

Butter is the foundation on which Michigan's two and one quarter billion dollar dairy industry is built. If the "butterleggers" undermine that foundation—the whole structure is in jeopardy.

Dairying is the state's greatest source of agricultural income and agriculture is Michigan's second largest industry.

Let us not expose that great industry to undermining by selfish out-state interests whose only concern is making more money for themselves. If we allow yellow oleomargarine to invade the butter market it invites cheap imitations of other dairy products to follow suit.

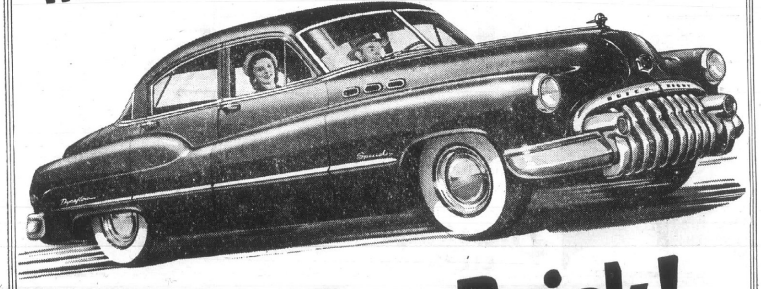
Want a ride that's "out of this world"?

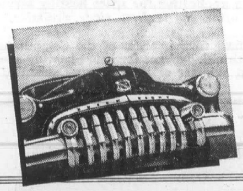


Better Buy Buick!

WANT to be free from that nervous tensing up for a jolt every time a rough spot looms in the road ahead?

Want to enjoy the relaxing feel of a sure-footed car beneath you, that stays level even when the road doesn't?

Well, sir, ease into a Buick and see how such matters are cared for.



See what a wonderful difference in level buoyancy coil springs can make when you have them on all *four* wheels, not just the front ones.

Note what firm and solid steadiness is yours when a full-length torque-tube drive is your keel—how smoothly you stay on course when the rear wheels can't help but run true.

See what big, low-pressure tires and Buick's wide rims can do to pillow your course without jounce or sway.

In other words, sample this two-ton beauty for over-all stance and balance—and the cradling comfort of its roomy interiors.

And while you're at it, get the very special thrill of its mighty Fireball power plant, plus the free-as-a-bird-in-flight bliss of its Dynaflow Drive.*

It's an experience that you owe yourself—and it's yours for the asking. The thing to do is get in touch with your Buick dealer—and discover the ride that only Buick owners know.

**Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.*

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Birds Heading For Southland

INTERESTING CHANGES IN STATE'S BIRDLIFE OCCURING AT THIS SEASON

Migrating flights of birds bring some interesting changes in the state's bird life at this time of year.

To help you in identifying some of the "strangers" who may be passing through the state as well as when to expect the departure of the Michigan birds which winter elsewhere, Dr. George M. Sutton, associate professor of zoology at the University of Michigan, has prepared information on the birds' "timetable."

If you're checking in the regular bird manuals, you may have some identification trouble since the birds have acquired dull colors after the breeding season and seldom break into song during their migratory flights. Dr. Sutton also says that birds are now found in family groups rather than in pairs as in the case in the Spring.

One of the most notable birds now leaving to winter in the south is the sandhill crane, he reports. These birds, about four feet high, of a brownish-grey and not to be confused with the great blue heron, are now to be seen gathering in pre-migratory flocks. Leaving Michigan up until the middle of November, they will proceed to southern Texas and the Mexican tableland. The bird is to be seen in boggy places such as the marshes around Portage Lake and the chain of lakes in Livingston County.

Many ducks and geese, in particular, the blue goose and the snow goose, are now flying through from the Artic, north of Hudson's Bay, to winter in the Vermilion Marshes of Louisiana and the coast of Texas. These birds may be recognized by their high honking and bow-shape formation.

This is also time to look for the small Canada goose from the far north, Dr. Sutton points out. Sometimes called Richardson's goose, the bird nests on the tundra north of the tree limit.

Listing other birds now migrating, principally to the southern gulf states, Dr. Sutton mentions the fox-sparrow, a large red-brown sparrow; the hermit thrush recognizable by his red-brown tail; the Lincoln sparrow, which looks like a song-sparrow but which has finer breast streaking; the white-crown and the white-throat sparrow; and the yellow-bellied sapsucker. In general, he said, these birds nest to the north of Michigan.

Now definitely not in the picture, having left around October first are the hummingbird, the night hawk, the swallow, and the bobolink. However, a number of birds that nest in Michigan and which are still with us are the robin, bluebird, grackle, cowbird, and redwing blackbird. These may be counted on to string out their migratory flights from now until Christmas.

Sandpipers and other shore birds will likewise drag out their departures for months. Very sporadic in migratory habits, these birds, some of which began to leave as early as midsummer, will continue to schedule departures throughout the winter, Dr. Sutton says.

School Age Children Need Dental Attention

Seven out of ten Michigan children entering school this fall have decayed teeth.

The average Michigan five-year-old has four teeth which need treatment.

Half of Michigan's three-year-olds have teeth which have started to decay.

These facts were revealed today by the Section of Dentistry of the Michigan Department of Health.

While fluoridation of Michigan's municipal water supplies will undoubtedly help to solve the dental decay problem in Michigan children, it cannot do the job alone, Dr. Fred Wertheimer, chief of the dentistry section, said today in commenting on the facts.

Good home dental care and care by a dentist are also necessary.

Of first importance in home dental care is the diet of children. Every Michigan child should have a diet that is low in sugar content. He should be given nuts, pop-corn, fresh fruits and cheese in place of the usual between meal snacks of candy, suckers, pop, cookies, chewing gum or jam. He should be taught to brush his teeth immediately after each meal.

Every Michigan child should be taken to a dentist before he is three years of age, and at regular intervals thereafter. The dentist or dental hygienist, by painting the child's teeth with sodium fluoride, can reduce possibility of dental decay by 40 per cent. The first application should be made at about age three to be most effective. Other applications should follow at ages seven, ten and thirteen years. The child may also need corrective treatment such as straightening of teeth.

Until a child is old enough to be responsible for his own dental health, it is the parents' responsibility to see that he has good home dental care and the services of a good dentist, Dr. Wertheimer said. Sound, attractive teeth are important to both the physical and mental health of children.

GAS FOR HOUSE HEATING

Customers will have 30 days to make application for space heating after October 5, 1950 in Tecumseh.

Gas Heating restrictions granted by the Michigan Public Service Commission authorizes the Company to restrict the sale and delivery of natural gas in all house-heating or other space heating installations that do not have approved in writing an application for space heating service *received within thirty (30) days after gas is first made available.*

The order shall remain in effect until further order of the Commission. We urge you not to wait if you are thinking of gas for house-heating as no commitments can be made for next summer or the following summer.

Service applications for cooking and water heating will still be accepted beyond the 30-day period.

Exhibit Of Art Draws Big Crowd

OVER 200 ATTEND TWO-DAY PROGRAM; SIMILAR EXHIBIT SEEN FOR FUTURE

Folk who visited the "Art for Fun" exhibit in the Methodist church last Thursday and Friday were enthusiastic about the quality as well as the quantity of work displayed by sixty-two exhibitors from Lenawee county. The artists were enthusiastic about the exhibit as well as for the privilege of displaying their work for the pleasure of their friends, and expressed hope that this may become an annual affair.

The exhibit, the first of its kind in Lenawee county, was sponsored by the Lenawee County Federation of Women's Clubs with the American Home Committee in charge. Mrs. Perry Hall of Riga, is the chairman of this committee and she was assisted by Mrs. Jerome Travis of Macon, Mrs. Raymond Page of Manitou Beach, Mrs. Fred Ikle of Adrian, and Mrs. Frank Winter of Deerfield. The music committee of the Federation provided music for the occasion. Mrs. Arthur Wonder of Adrian, Mrs. Wilfred Waldron of Tecumseh, Mrs. Elwood Little of Onsted, Mrs. Floyd Gibbs of Adrian, and Mrs. Roy Griffin of Adrian are members of this committee.

Members of the Tecumseh Monday Club and the Blissfield Service Club were hostesses throughout hours of the exhibit.

George Furman of the Toledo Museum of Art was present on Thursday evening and talked on the services of the museum. He was very interested in the display of water colors, oils, opaques, pen and ink sketches, charcoals, cartoons, photography, pastels, fabric painting, china painting, ceramics, sculpturing, and etchings. The exhibit was valued at several hundred dollars. Mrs. H. Herbison of Addison, chairman of International Relations Committee for the Federation, showed colored slides of the architecture and scenery in Japan which were taken by her nephew while in service and who is again in service.

Among the local exhibitors were Mrs. R. S. Moore, Mrs. B. B. Turnbull, Mrs. Mabel Beardsley, Malcolm Duncan, Jeanne Swick, Clare Camburn, Mrs. Glen VandenBergh, Miss Bess Silver, the work of Anna Griswold Crane and Miss Elizabeth Smith, Mrs. E. E. Hendershot, Marian Williamson Childs, and Mrs. Lillian Service.

There was no competition, no entrance fees, no judging, and no prizes offered. Apparently this was why so many felt free to respond to the invitation to exhibit their works. A very informal reception was held at the close of the program on Friday evening for the artists. Punch and wafers were served to show the Federation's appreciation for the splendid response on the part of the artists. While approximately two hundred people of the county visited the exhibit, the Federation hopes that many more will attend next year.

A free-will offering was taken for the purpose of defraying expenses and providing a contribution toward the scholarship fund which has been started by the Michigan State Federation of Women's Clubs for the purpose of sending potential talent to Interlochen during the summer.

It was of historical significance that this exhibit was held in Tecumseh. Tecumseh is the oldest town in Lenawee county and Mrs. N. A. Howland not only organized the Lenawee County Federation of Women's Clubs and served as its first president but because she, too, was an artist.

Wilber K. Younglove, Britton Farmer, Dies

Wilbur K. Younglove, aged 68 years, died at 4:30 Tuesday morning at his farm home one mile east of Britton, after several years of failing health. He had lived on the farm the last 24 years. Mr. Younglove had been a Watkins salesman for 25 years in Lenawee and Monroe counties. He was a member of the Congregational Christian Church in Britton, and treasurer of the Good Fellows Class.

Mr. Younglove is survived by his widow, Lulu, one daughter, Thelma at home; two sons, Perry at home and Ralph of Britton; one grandson, Robert; two brothers, Harry of Oakland, Calif., and Ned of Grape, and one sister, Mrs. Bernadean Huerkimer of Monroe.

Funeral services will be held Thursday at 2 p.m. at the Niblack Funeral Home with Rev. Harry F. Rogers officiating. Burial will be in Ridgeway cemetery.

Schools Holding Open Houses

DISCUSSION PERIODS BRING OUT INTERESTING FACTS ON SCHOOL OPERATIONS

The first of two open houses being held by the schools of Tecumseh in observance of National Education Week drew a large group of interested persons to Tecumseh high school Tuesday evening.

Parents and others were given the opportunity to visit the teachers in their rooms the first hour of the evening's program and then assembled in the cafeteria for a discussion period. "What Is the Cooperation Training Program?" and "What Foreign Languages Should Be Taught In Our School System?" were the two main topics presented to the group. In addition, a question box which had been placed in the superintendent's office the past week, and to which parents had been invited to submit questions on school affairs, was opened, and furnished material which brought out many interesting facts concerning the operation of our schools. Requirements for various scholarships offered Tecumseh students were also reviewed before the group.

Mrs. Walter Pfaus was chariman for the evening and was assisted by Principal James McDowell and his teachers.

After the meeting Mrs. Frank Purcell and her committee served refreshments.

Tonight (Thursday) a second open house is being held at the Central building for the parents of grade school children and others interested in the school. Teachers will be in their rooms from seven to eight o'clock to receive the visitors, and following the open house a regular meeting of the P.T.A. will be held to honor Education Week. An informal discussion period will be held under the supervision of Mrs. Hugh Browne and her committee, and D. C. Smith, principal of the elementary schools, and his teachers will assist Mrs. Browne. Facts of national, state and local interest concerning the progress and needs for educational advancement in our own community will be reviewed before the group.

Mrs. Paul Hadsell and her committee will serve refreshments at the close of the discussion period.

Mrs. Alice Bell Allen Is Buried At Tipton

Alice Bell Allen, wife of the late Earl R. Allen, died Friday evening in Adrian after a long illness, at the age of 67 years. She was born in Adrian in 1883 and had lived the greater part of her life near Tipton on the Allen homestead. She was a member of the Tipton Grange.

Her husband preceded her in death May 23, 1943. Mrs. Allen is survived by a brother, Dr. Forrest Tyson of Augusta, Maine, and a sister, Mrs. Hazel Libby of Tuscon, Ariz., five children, Robert, George and Ellene Hunt of Tipton, Esther Livingston of Wallon Lake and Virginia Gebarowski of Adrian, and eight grandchildren.

Funeral services were held Sunday afternoon at 2 o'clock at the Green Funeral Home with Rev. Edward Escolme officiating. Mrs. Gordon Gove of Tipton sang, "The Old Rugged Cross." The bearers were Lyle and Donald Whelan, John Wisner, Glenn Fisher, Clifford and Wayne Jackson. Burial was in Tipton cemetery. Friends and relatives attended from Walton Lake, Toledo, Clinton, Adrian, Blissfield, Britton, Tecumseh and Tipton.

Temple Dependable Class will hold a rummage sale at Methodist church, Nov. 17 and 18. Nov. 16

Kelly Is Victor; State Goes GOP

PHOTO-FINISH RACE FOR TOP STATE OFFICE; COUNTY SOLIDLY REPUBLICAN

With returns incomplete in a photo-finish race for Michigan's governorship, it seemed apparent this morning that Harry F. Kelly, Republican and former governor, had successfully defeated G. Mennen Williams, Democrat, incumbent. The race was close, and totals still may change as a few remaining precincts report. However, unofficial tabulations give Kelly a lead of between 3,500 and 5,000 votes.

With the defeat of Gov. Williams, Michigan electors on Tuesday swept in a complete slate of Republicans in both branches of the legislature, and in the state's official family. W. C. Vandenberg was named lieutenant governor, Fred Alger, secretary of state, Frank Millard defeated Stephen Roth, Democrat, incumbent, for the attorney generalship, and D. Hale Brake was named treasurer, and John Martin auditor general. Michigan's state government, therefore, will be solidly Republican.

In the Congressional race in the Second District, including Lenawee county, George Meader, Ann Arbor, Republican, was an easy victor over his Democratic opponent, John P. Dawson. Meader's lead was around 20,000. He was a 3 to 1 favorite in Lenawee.

Elmer R. Porter, state senator, and Rollin Conlin, representative, both Republicans, won three and four to one victories over their Democratic opponents, Henry Bourns and James H. Baker, respectively.

In the county election, Lenawee remained solidly three to four to one Republican. Every GOP county candidate was swept into office. Rex Martin is prosecutor, Wade Willett, sheriff, Robert King, clerk, Willis Moore, treasurer, Leonard Warner, register of deeds, Archie Bruce, drain commissioner, Ed. M.

Chest Drive Off To Good Start

ANONYMOUS GIVER ADDS $50 TO FUND—WORKERS URGED TO REPORT

Tecumseh's Community Chest drive is off to a nice start in its first week, with over $2,100 already turned in to headquarters, according to Ronald Harris, chairman of the campaign. "People generally," says Mr. Harris, "have caught the spirit of the slogan, 'Give Once For All,' and have increased their donations substantially over last year."

Returns thus far are very incomplete, but on the basis of those that have reported, Mr. Harris is optimistic over reaching the goal of $7,025. Workers are urged to report as often as possible, and Mr. Harris says that he would like to have every worker, whether finished or not, to make a report by the end of this week.

That the spirit of giving to a worthy cause has taken a strong hold on Tecumseh citizens is aptly illustrated in the story of the gentleman who, dressed in everyday sweater, shirt and trousers, stepped into the Chamber of Commerce office Friday afternoon and inquired if anyone there had anything to do with the Community Chest. When informed that they did, he said he had always given to the Community Chest and would like to give something again this year. Mr. Harris prepared to make out a receipt, and asked the gentleman his name.

"I don't care to give my name," was the reply, "and you don't need to make out a receipt."

"Well, won't you accept a donor's button and one of the red feathers?" asked Mr Harris.

"Why, yes, I guess that will be all right," came the answer, and with that the gentleman left.

Upon opening the man's donation, five $10 bills confronted the eyes of the pleased and surprised chairman.

It's this spirit of giving that will assure the success of the Community Chest campaign, so "Give Once For All," and give generously.

TWO FIRE ALARMS

The fire department answered two calls here last Saturday. The first alarm came in at 5:30 a.m. from the Elizabeth Chase home, 105 N. Oneida street, where a chimney burned out. There was no loss. The second alarm, at 11:25 a.m., the same day was from the Myrtle Mattis home, 303 E. Chicago boulevard. Here an oil stove flared up, but there was no loss.

Rotary's Chief Is Guest Here

223RD DISTRICT GOVERNOR PAYS OFFICIAL VISIT TO LOCAL CLUB

The Rotary Club of Tecumseh was host to Cass Piotrowski, governor of the 223rd District of Rotary International, Tuesday, when he makes his annual official visit to Tecumseh. He spoke to the club following dinner at Legion Memorial Home.

The visit to Tecumseh is one of 37 being made to as many clubs in Wayne, Lenawee and Monroe counties in Michigan, and Essex county in Ontario, Canada.

He conferred with Tecumseh Rotary President Larry Larsen and Secretary Lester Rogers as well as other officers and committee chairmen, before addressing the entire club.

A partner in the law and insurance firm of Piotrowski and Lemke, Piotrowski is a member of the Hamtramck Rotary Club, of which he is a past president. He is also a director of the Liberty State Bank of Hamtramck, as well as president of the Hamtramck Recreation Commission.

He is one of the 201 Rotary district governors who are supervising the activities of some 7,100 Rotary clubs which have a membership of 342,000 business and professional executives in 83 countries and geographical regions throughout the world.

Wherever Rotary clubs are located, their activities are similar to those of the Tecumseh Rotary Club because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of goodwill, understanding and peace among all the peoples of the world.

In his talk to the Tecumseh members, Piotrowski told of Rotary Foundation Fellowships which enable outstanding graduate students to study for one year in countries other than their own, as ambassadors of good will. Since the program was established in 1947, 195 fellowships have been awarded to students in 35 countries with the grants totaling $500,000.

Piotrowski also pointed out the striking parallel between the programs of Rotary and the United Nations Charter showing that since the UN's founding in 1945, Rotary clubs throughout the world have been active in the development of an informed public opinion on the objectives of the UN in an endeavor to make it an effective instrument for free people everywhere.

"MILLIONAIRE" PARTY

The "Millionaire Party" at the Tecumseh Country Club last Saturday evening was attended by 100 members and guests. The club room was decorated to represent a gambling casino. Different games of "chance" were enjoyed, with "immitation" currency. The main feature of the evening was a "horse race," staged by Dr. R. W. Laidlaw. Several prizes were awarded during the evening's entertainment. The hostesses were Mr. and Mrs. Paul Ammer, Mr. and Mrs. James McDowell, Mr. and Mrs. Warren Benham, Mr. and Mrs. Aden Mead and Dr. and Mrs. R. W. Laidlaw.

Will be gone deer hunting Nov. 12 to 30, inclusive. Office open for collections and refills. Dr. R. F. Helzerman. Nov. 30.

My office will be closed Oct. 12-22 and Nov. 1 through Dec. 3, inclusive.

Joint Club Meet Attended By 150

DETROIT PASTOR GUEST SPEAKER AT PROGRAM, FOLLOWING GRANGE DINNER

"Clouds over the Middle East," was the subject of an interesting address, Monday evening at Grange Hall, when Dr. Perry E. Gresham, pastor of Central Woodward Christian Church, Detroit, spoke at a joint meeting of the Monday Club, Wit and Wisdom Club, Business and Professional Woman's Club and the Child Study Club. About 150 members of those organizations, their husbands and guests were in attendance. Preceding the program, dinner was served by the ladies of the Grange.

Dr. Gresham, much in demand as a speaker, recently returned from a tour of the Near East. In 1948 he spent nine weeks in Europe, visiting 23 countries and provinces.

Definitely, the speaker declared, there are, today, clouds over the Middle East—clouds, perhaps, of the beginning of World War III. Briefly, he told of conditions as he found them in the Holy Land, a place where once peace reigned, but today the scene of fighting, gunfire and marching feet

Dr. Gresham came to Tecumseh as the guest of Mr. and Mrs. Gale Fisher, former Detroit residents.

The joint meeting of the clubs was arranged by Mrs. E. J. Aebersold, program chairman of the Monday Club.

Opening the program, which was presided over by Mrs. Truman Rentschler, president of the Monday Club, Mrs. Maynard Mulvany sang a solo, accompanied by Mrs. Wilfred Waldron at the piano.

Products Buys Plant In Ohio

UNIVERSAL COOLER BECOMES A DIVISION OF THE TECUMSEH PRODUCTS COMPANY

Expansion of Tecumseh Products Company, world's largest independent manufacturer of electrical refrigeration units for refrigerators, freezers, and air conditioners, was announced today with the purchase of the Universal Cooler Division of the Newport Steel Corp., with factories in Marion, Ohio. Products took control of the Marion property last week, according to William J. Mericka, president of William J. Mericka & Co., Inc., Cleveland, the firm that handled the negotiations. He indicated that the Marion plants would be expanded under Products ownership.

The Marion property will in the future be known as Universal Cooler, a division of Tecumseh Products Co. About 600 persons are now employed, and Harold Wolf, vice president and factory manager of Products here has gone to Marion to operate the plant.

John C. Forgacs Dies; Funeral Service Today

John C. Forgacs, aged 41 years, of Rt. 1, Palmyra, died at Bixby Hospital, Adrian, at 5 p.m. Monday, where he had been a patient for eight days. He was born January 30, 1909, at Gates, Penna., and was engaged in farming in Palmyra township.

Mr. Forgacs was a member of the American Legion, Underwood-Orr Post. He was an A T Company 313 Inf., gunner and was in Normandy, and northern France, the Rhineland and Central Europe, and in Africa and the middle eastern theater in World War II. He received a bronze medal, three overseas service bars, one service stripe, a good conduct medal and a ribbon with four bronze stars. He served on foreign duty 17 months and 14 days, and a total of 40 months in service.

He is survived by his wife, Francis, and an infant son 7 weeks old; a step-daughter, Annetta Lea, his father and mother, Mr. and Mrs. John Forgacs of Britton; five sisters, Mrs. Anna Graham and Mrs. Robert Martin of Britton, Mrs. Dwight Hern of Detroit, Mrs. William Service of Clinton, and Miss Irene Forgacs of Adrian; three brothers, Joseph of Ridgeway, Stephen of Britton, and George of Blissfield. Several nieces and nephews and cousins also survive.

Funeral services will be held Thursday morning at 10 a.m. at the St. Elizabeth's Catholic church in Tecumseh with Father Michael G. Collins, officiating. The Hall Slater Post, V.F.W., will have charge of the service at the grave. Burial will be at Tipton cemetery.

Rosary was read Wednesday evening at 8:30 at the Collins Funeral Home.

Mrs. Charles M. Sager Is Buried On Tuesday

Mrs. Charles M. Sager, aged 43 years, of 409 W. Pottawatamie street, died at Herrick Memorial Hospital at 7:50 p.m., Saturday, where she had been a patient since last Thursday. She had been in failing health for six years.

Mrs. Sager was born May 25, 1907, in Defiance county, Ohio. Her father, John H. Hall, preceded her in death, February 4, 1941. She was a member of the Presbyterian church, the Presbyterian League and the O.E.S. She was also secretary to the superintendent of public schools here for many years. She graduated from the Tecumseh high school with the class of 1925.

Surviving are her husband, Charles, her mother, Mrs. Della E. Hall of Tecumseh, and a sister, Mrs. Fred Shough of Clayton; two brothers, Clarence Hall of Macon, and Kenneth of Tecumseh, and several aunts, uncles, nieces, nephews and cousins.

The bearers were John Saling, Dale Jacobs, Lawrence Price, Neil Brazee, Delmar Crisp and Weldon Hollar. Friends and relatives attended from Stryker, Bryan and Defiance, Ohio, Albion, Detroit, Ann Arbor, Royal Oak, North Adams, Lima, Ohio, Sand Lake, Toledo, Ohio, Ridgeway, West Unity, Pensicola, Florida, Blissfield, Clayton, Adrian, Saline, Macon and Tecumseh.

Homecoming Is Gala Event

CAROL HARPER NAMED QUEEN — PARADE AND FLOATS FEATURES OF FESTIVITIES

The Tecumseh High school homecoming, sponsored by the Student Council and Varsity Club last Friday, and featuring a parade, floats, queen, and dance following the annual Tecumseh-Blissfield football game, was an outstanding success in the opinion of those attending the event.

Festivities got under way at 11 o'clock in the morning when a parade of floats and students, led by the high school band, marched through the downtown section of the village. Each of the classes in the new high school building submitted a float in competition for the prize of $25 offered by the sponsoring organizations, the sophomores carrying off the honors with their entry. Mayor and Mrs. Floyd Elliott and Mr. and Mrs. Yale Kerby were the judges.

Between halves of the football game the floats, accompanied by both the Blissfield and Tecumseh high school bands again paraded on the football field and Carol Harper, a junior, daughter of Mr. and Mrs. Edward Harper of James street, was announced as queen. Her court consisted of the candidates for queen from the several classes, and included Shirley Fosbender, Shirley VanHook, Judy Sisson, Sandra Beidemeir and Wilma Bumpus.

The Blissfield queen was Carole Ann Reynolds, and her attendants were Pauline Liedens, Mary Jane Berry and Carol Ann Berry.

Some sixty couples attended the homecoming dance at the Central School gym after the football game and in fitting ceremonies during the evening the queens were crowned and each presented with a gift. Dave VanWinkle, president of the Varsity Club, and Kenneth Swartz, president of the Student Council, presented each of the queens with a beautiful bouquet of roses, furnished with the compliments of Dick Eggleston. Music for dancing was furnished by Drexel Lamb and his orchestra.

Chaperones for the dance were Mr. and Mrs. James McDowell, Mr. and Mrs. Elvin Duvall and Mr. and Mrs. Douglas Murdock.

IN "WHO'S WHO"

Miss Maureen J. McLain, daughter of Mr. and Mrs. Elliott F. McLain of 216 W. Shawnee, has just been named one of 21 Albion College seniors to be included in the 1951 edition of "Who's Who Among Students in American Universities and Colleges." Election to this national publication, a coveted distinction on the Albion campus, was made by a student-faculty committee at the college, and choice was based on personality, scholarship, character, leadership and campus participation.

DRAWS JAIL TERM

Pleading guilty to a charge of reckless driving in Justice Robert French's court on Monday, Marvin Megner, Tecumseh, drew a fine of $50, costs of $8.60, and a five-day jail term. He was arrested by police at 3:05 a.m., Sunday.

Indians Scalp Sugar Boy 11

FIVE TOUCHDOWNS IN SECOND QUARTER PUT GAME ON ICE FOR TECUMSEH

A big homecoming crowd braved a chill north wind Friday evening to watch the Tecumseh high school Indians whip the Blissfield Sugar Boys, 41-29, at Recreation Center. The victory was the fifth for the Indians in L.C.A.A. competition as against two losses and placed them in a tie with Clinton for second place in the league standings.

Blissfield drew first blood early in the opening period when they recovered VanWinkle's fumble on Tecumseh's 39-yard line. In three plays the Indians threw the Sugar Boys back to their own 49-yard stripe, but on fourth down Klump heaved a long pass good to Tecumseh's seven-yard marker and after three smashes at the line Rickens went over from the three. He also added the extra point to give Blissfield a 7-0 lead which they held until the first play of the second quarter. The Indians gained possession of the ball on Blissfield's 32 on an exchange of punts late in the first period and with Beasley, VanWinkle carrying the leather, marched to the visitors' five as the period ended. On the first play of the second quarter Whelan slashed through left tackle for the first Indian score. VanWinkle added the extra point to tie the score at 7-7.

And then the touchdown parade was on. Before the period had ended Tecumseh had scored four more markers and at the half had a commanding 34-7 lead. The first of the four tallies came after a 39-yard march, with Whelan again carrying the pigskin over, this time from the three. The try-for-point failed. Bailey recovered Tecumseh's kickoff on Blissfield's 15 to set up the next score, Beasley tallying this time from the two. Breitenwischer added the extra point on a touchdown sneak. Blissfield again fumbled the kickoff and Tecumseh recovered on the Sugar Boys' 23 to set up another score. Three plays later, VanWinkle hit left tackle for five yards and a touchdown. Whelan added the extra point via the pass. The final tally of the quarter came after VanWinkle had intercepted a Blissfield pass on their 30 and carried it back to the 24. After two passes were unsuccessful, Van Winkle connected on one to Campbell which was good to the eight. Then he tossed another to Sisson for the score. Breitenwischer added the extra point and the half ended with Tecumseh holding a comfortable 34-7 margin.

Disposal Plant Site Purchased

VILLAGE BUYS 27 ACRES SOUTH OF OLD FORD MILL AT COST OF $5,000

The Village of Tecumseh has purchased 27 acres of land, south of the old Ford-Hayden mill on East Chicago boulevard, to be used as the site for a new sewage disposal plant. The property was bought from William Fowler at a cost of $5,000.

E. C. Heilman, chairman of the council's sewer and water committee, said today that plans are progressing normally for the building of the sewage treatment plant. Latest engineer's estimates place the maximum cost of the plant at $259,000.

Agreement to purchase the 27-acre site was reached at the regular meeting of the council, Monday evening. That body also approved the rezoning of the northwest corner of Mill and Brown streets from Residence A to Business A property. This move will permit Dr. R. E. Dustin to build a residence type office building on the site. The council also agreed to sell Dr. Dustin a 100-foot strip of property facing Brown street and adjoining the corner lot, at a price of $4 a front foot.

The village purchased a new modern street grader and traded in an old one at a cost of $5,400. It also bought transformers at the water works from Consumers Power Co., at a cost of about $2,300. This will save the village a $60 monthly rental.

Application of the transfer of the package liquor license of Ralph E. Hodges from 107 E. Chicago Blvd., to 120 E. Chicago boulevard was approved. Mr. Hodges owns the store building at 120 E. Chicago and plans to remodel the building and to move his drug store there in the near future.

Approval for the purchase of additional radio equipment for the police scout car was granted. The cost of the improvement will be $275.

There Must Be An Answer

Is the current world crisis being used in an attempt to effect far-reaching and permanent changes in the American economy and the American government? A good many people have reluctantly come to the conclusion that the answer to that question is "yes." The Saturday Evening Post reflected that point of view when it said editorily, "If there is considerable suspicion around that Korea is intended to be the grave of the American free economy, the fault is surely the Administration's. An Administration which has moved heaven and earth to bring about the adoption of all sorts of semi-socialistic measures . . . can hardly complain if some of the people smell the rat. The temptation to use the Korean war as a pretext for permanent changes in our economy is real enough, and there are plenty of planners in the government departments who are eager to yield to it."

Since that was written the Korean war situation has changed enormously, but the temptation the Post described still exists. As a specific example, take economic controls—rationing, price-fixing, allocations, etc. The President has been given stand-by powers in this direction which, in some respects, are even more sweeping than those of the OPA era. Whether the powers shall be invoked in whole or in part is wholly within executive direction. So far, he has activated but a few of them, such as the highly controversial restrictions on residential construction and installment purchasing. Yet the feeling grows that, under pressure of his advisors, he may soon bring all or most of them into being despite the fact that there is no proof of need—and that, indeed, the proof lies principally on the other side.

Going on, the fear is not so much for the possibility of temporary controls, which, as with the OPA, would die with the emergency. It is, instead, that these controls would gradually be accepted by the people as a natural state of affairs and become a permanent part of our economy. And should this happen, it is clear, a completely controlled and largely socialized economy would become inevitable.

David Lawrence put the situation in these words: "We are at the crossroads of decision. Shall the American economy gear itself for war by a system of government coercion? The one road lead to nationalization and government ownership, as in Great Britain. The other road leads away from it — to a kind of cooperation between government and industry which preserves the principle of individual freedom, individual integrity and individual incentive."

Mr. Lawrence then proposed a two-point solution to the problem. First, he said, there should be a public conference between top officials of government and top executives of industry, at which the latter would be informed of our military needs and instructed as to priorities. Second, conferences should be held among management and labor groups for the purpose of discussing and explaining the dangers of inflation and reaching decisions on how to combat them.

Here is the voluntary approach, as opposed to that of coercion and dictation. Mr. Lawrence's last paragraph can be profitably studied by all concerned — management, labor, government and consumer. "Self-restraint arising out of acute pressure to preserve the nation itself can — when the dangers are thoroughly understood — work economic miracles."

—o—

The United States government is continually pointing out with alarm that major industries are too big for the Republic's well-being. In the next breath it announced that employees on the civilian payroll of the government now number 2,060,000. How big is big?

—o—

The domestic political difficulty which harasses the governments of the world these days, including our own, is this: Each one now has more welfare promises in circulation than they can possibly take up.

—o—

Dictators and tyrants of our era have found that by first controlling the press of a nation the control of the inhabitants of that nation follows easily.

—o—

We sometimes wonder if students of our schools can get a fair presentation of any form of government other than the socialism that has been characteristic of our federal government in recent years.

HOLLOWAY

Mr. and Mrs. James Mitchell and family entertained Mr. and Mrs. Elwood Snyder and sons of Cadmus, Sunday, in their home.

Mr. and Mrs. Harry Edwards and Mr. and Mrs. Paul Kopke and sons were guests of Mr. and Mrs. Art McElhiney of Tipton who were honoring Mr. McElhiney on his birthday.

Mr. and Mrs. Harold Johnston have named their infant son Ray Robert.

The Holloway Mother's Club will meet Tuesday evening, November 14 with Mrs. Matt Lunn. Roll call will be on "Hints for Thanksgiving Dinner." Mrs. Lunn will be assisted by Mrs. Albert Smith and Mrs. Alton Wellnitz. The leader for the evening will be Mrs. Raymond Frost.

The Raisin Sewing Circle met Monday afternoon with 20 members and two visitors present in the home of the Rainey sisters. The business meeting was conducted by Mrs. Matt Lunn. Mrs. Allen Blouch was presented with a quilt made with each members' name on a block. Refreshments were served by the hostess.

Two Changes Are Made In Legion's Officers

A joint meeting of Underwood-Orr Post of the American Legion and Auxiliary was held last Thursday evening at Legion Memorial Home, preceded by a baked ham supper. During the business meeting, Laine Holden was appointed adjutant by Roy Briskin, commander, in place of Dale J. Tingley, who resigned, and Robert Brewster was elected finance officer of the post. Mr. Briskin and Mrs. Holden, president of the auxiliary, will appoint a committee to obtain mailing addresses of local service men so that Christmas greetings may be mailed by November 15. Louis S. Schneider represented the post at a dinner in the Book-Cadillac Hotel in Detroit last Saturday evening.

A joint meeting of the post and the auxiliary have been planned for each month, with a Christmas party for members and their families at the December meeting.

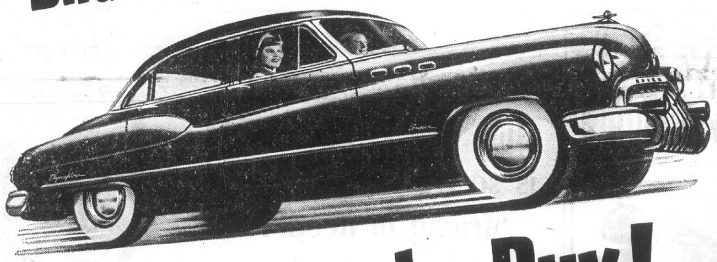
Bird in hand that's a Beauty



and a Buy!

Now it can be told. This clean-lined, smart-stepping 1950 version is the most popular Buick ever built.

Ever since early in the present year, a value-wise public has been taking them away from us as fast as—or faster than—the great Buick factories could roll them out. Within recent weeks, production and sales have set an all-time record.

Count off the distinguished and time-tried features of this winner and you'll know why.

It has a Very Exclusive Motor—Buick's own high-compression Fireball—which gets its driving power from a combustion chamber found in no other car in the world.

It has the bump-smothering softness of coil springs on all four wheels and a torque-tube drive—a comfort combination that no other car provides.

It has Dynaflow Drive*—which ushered in a whole new concept of effortless travel.

It has a brilliant styling which sets it apart from every other car on the road.

And it has prices which say "buy me" to any motorist who's looking for maximum money's worth.

Isn't it sensible, while these great cars are still coming off the line, to check with your Buick dealer about getting one to call your own?

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Only Buick has Dynaflow—and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" tail-lights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

When illness strikes . . Blue Cross-Blue Shield is so truly your "friend in need"!

"BLUE CROSS COVERED NEARLY $1500 IN HOSPITAL BILLS —AND BLUE SHIELD PAID THE DOCTOR $165."

Talk about the VALUE of Blue Cross-Blue Shield protection—here's the record of one subscriber who spent 120 days in the hospital

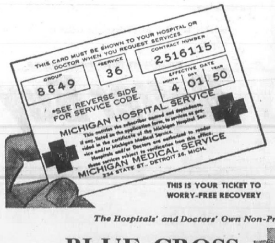
First, Blue Cross covered nearly $1,500 of a total $1,536 hospital bill. All the patient paid was $60, which represented the difference between the private room the patient chose to use and the semi-private one provided for in his Blue Cross contract.

And Blue Shield paid the doctor $165 for his services.

(from Case #91-D50102-151 in Blue Cross files)

The Chances Are 1 in 9 YOU Will Have to Go to a Hospital Within the Next Twelve Months!

You can never tell when accident or sudden illness may strike—bringing with them hospital and medical bills that may take months or even years to pay. About one out of nine people will see the inside of a hospital before the year is out!



That's why you—and your family—can't afford to be without BLUE CROSS AND BLUE SHIELD health-care protection. Already over 2,000,000 Michigan people are enrolled. The Blue Cross-Blue Shield Plans offer you a wide range of benefits at low cost because they are completely non-profit . . . a *voluntary* service on the part of the hospitals and doctors who run them.

Here's What Blue Cross-Blue Shield Will Do for You

Blue Cross Hospital Plan provides up to 120 days of care in any of Michigan's 178 participating hospitals—NO CASH LIMIT on the benefits covered!

Blue Shield Medical-Surgical Plans pay liberal amounts for stated surgical procedures . . . for your doctor's hospital visits in non-surgical cases. *It's worth many times the low cost of these plans* just to know you are protected against these bills.

Ask your employer about the BLUE CROSS-BLUE SHIELD Group Enrollment Plan.

Mr. and Mrs. Walter Miller of Britton and Mr. and Mrs. Henry Campbell of Tecumseh attended a housewarming Sunday in Belleville for Mr. and Mrs. Lynn Fuller. Mrs. Fuller is Mr. and Mrs. Campbell's granddaughter.

Mrs. Robert Collins and daughter were Sunday callers of Mrs. James R. Collins.

Mr. and Mrs. George Greiman of York, Penna., are visiting their son, Gordon Greiman and family, and friends in Adrian.

Mr. and Mrs. Ralph Westgate were guests Saturday evening of Mrs. Westgate's son and wife, Mr. and Mrs. Jack Wilson in Toledo.

Mr. and Mrs. Ernest Topps spent last Saturday in Toledo.

Mr. and Mrs. E. C. Boss had as their house guest Wednesday, Miss Elizabeth P. Rice, director of the School of Medical Social Work of Harvard University. Miss Rice visited several interesting places while in Tecumseh.

Mr. and Mrs. Roger Waring of Cleveland attended the Michigan-Illinois football game in Ann Arbor Saturday. Sunday they called on Mr. and Mrs. Wade Jones and other friends and relatives.

Miss Louise Wilson was home from Ypsilanti over the week-end with her parents, Mr. and Mrs. Harold Wilson.

CUBS TO SEND GIFT

Cub Pack No. 4 is working on one of its "good will" projects for the year. The boys are going to send a box of cub equipment and materials that a cub might use in handicraft work, to the Navajo Indian Reservation in Windowrock, Arizona. Cub packs are being organized among the boys and each cub is reminded to bring their gift to their den meeting next week, so they may be presented at the pack meeting November 20.

15-YEAR POTLUCK

Members of the Fifteen Year Club at Tecumseh Products are holding a potluck supper at the Union Hall Friday evening, November 10, at 6:30 o'clock. Entertainment will be furnished by the Gay Deceivers of Hudson. All fifteen year men and their wives are urged to attend.

PACK MEETING

A meeting of the Den mothers and pack committeemen will meet November 14, at 7 p.m., in the Baptist church parlors. All are urged to attend.

W. S. C. S. TO ENTERTAIN

The W.S.C.S. of the Methodist church will entertain the Young Women's Guild at their regular November meeting, to be held at 8 o'clock in the evening of November 14, in the church parlors instead of on the regular date. Week of prayer and self-denial offering will be taken. The program leader is Mrs. Willis Porter, spiritual life secretary. The hostesses will be Mrs. Floyd Elliott, Mrs. Norman MacNaughton, Mrs. J. M. Artman and Miss Vera Gilbert.

TO MEET NOV. 15

The Presbyterian Women's Association will meet at the Fellowship Center Wednesday evening, November 15 at 8 o'clock. Mrs. F. C. Dickinson will be the program leader on the subject, "I Like Mountain Music." Mrs. Charles Howe will be in charge of devotions and Mrs. John Thompson is chairman of the hostess committee.

LUNCHEON IN BRITTON

The Tecumseh Woman's Society of Christian Service will be the "Encouragers" of the Britton Society at a one o'clock luncheon next Wednesday afternoon. The party is in observance of the tenth birthday anniversary of the Women's Division of Christian Service and is based on the Biblical passage, "And the Carpenter encouraged the Goldsmith."

Those desiring transportation and those who have transportation to offer should call Mrs. E. A. Collins or Mrs. T. Rentschler.

Nothing increases the admiration of children for their parents like a large estate for division among the heirs.

Class Of 15 Confirmed By Bishop Here, Sunday

The Rt. Rev. Richard S. Emrich, D.D., bishop of Michigan, confirmed fifteen people at a service held November 5 in St. Peter's Episcopal church. Presented to the bishop by the Rev. Allan Ramsay, rector, the following people become full members of the church through the apostolic service of confirmation: Rita Kay Crosby, Linda Ann Dewey, Mr. and Mrs. Carl Kennel, Mr. and Mrs. Clare Handy, Mrs. Marian Spitler, Mrs. Nancy Lee Getz, Mrs. Edna Shaw, Mrs. Henrietta Lindsley, Mrs. Robert Farver, Mrs. Verna Hamaker, Mr. and Mrs. Herbert Gilmore, and Miss Rosemary Gilmore.

On Sunday, November 12, at 11:15 these people will make their first communion as full members of the church and be presented with their certificates of confirmation.

Following the Bishop's service and sermon the congregation greeted the new members and the bishop at an informal reception and tea. Under the chairmanship of Mrs. Glenn Williams, assisted by Mrs. Russell Cooper and Mrs. Allan Ramsay, the tea was held in the parish house with Mrs. R. K. Anderson and Mrs. O. W. Laidlaw acting as hostesses and pouring for the guests.

The Universal plant, a long time manufacturer of refrigeration units, produces compressors similar but larger than those made in Tecumseh plant of Products. It is understood that the purchase of the property only enlarges the line of compressors to be offered in the future by the local concern. It will not interfere with Products' plans for future expansion of its plant in Tecumseh, it was said.

Products here now is employing about 3,000 people, its plant having been steadily expanded over the past five years. Its sales volume is between $70,000,000 and $80,000,000.

Friends Will Dedicate Memorials To Two Men

Memorials to Jack Slater and Guy Jr. Beevers will be dedicated at a special Armistice Sunday service to be held at the Tecumseh Friends Church next Sunday morning, at 10 o'clock. Both of these young men lost their lives in World War II.

The memorials will be in the form of pictures of these men, suitably framed with plaques attached. Subsequent to the service these pictures will be hung in the classroom of the Crusaders Class, the Sunday School class to which Jack and Guy belonged. This is one of the rooms in the new addition which was dedicated this past June. The pastor will speak on the subject "The Price of Peace."

Miss Eva Clausen will be the speaker at the service Sunday evening at 7:30 o'clock, at which time there will be special music by Miss Celeste Richardson.

CLUB SMORGASBOARD

A smorgasboard will be held at the Tecumseh Country Club, Sunday, November 12, at 5:30 p.m. The hostesses for the evening are Henrietta Lindsley and Mr. and Mr. and Mrs. Ed Heilman, Mrs. Mrs. Ellsworth Collins.

William J. Bruce will talk on his recent trip to Europe and England, following the smorgasboard.

Corp. Donald E. Everhart Weds Toledo, Ohio, Girl

The Oakdale Evangelical United Bretheren Church of Toledo, was the scene of a lovely church wedding Sunday afternoon, November 5, at 2:30 when Selma Jean Cole, daughter of Mr. and Mrs. Clarence F. Cole of 1612 Pool street, Toledo, became the bride of Corporal Donald E. Everhart, of Fairfield Susan Air Field Base, Calif., son of Mr. and Mrs. Howard A. Everhart of Tecumseh. Rev. Dale F. Emrick performed the double ring ceremony.

The bride's maid of honor was her sister, Ruth Cole. Her bridesmaids were Phyllis Sturt and Ann Langel, and junior bridesmaids were Elaine Lehman and Joan Thompson, the flower girls were Sharon Cole and Audrey Lehman, and the ring bearer was John Martin of Jackson.

Gary Martin of Jackson was best man for Mr. Everhart, and the ushers were Raynor VanVankenburg, Ronald VanValkenburg, and Dalton VanValkenburg, all of Tecumseh, and Stanley Arnold of Detroit.

Ralph Colburn, jr., of Jackson, played wedding nuptials during the ceremony.

The bride is a graduate of Waite High school with the class of '48 and also of a comptometer school. The groom graduated from Tecumseh high school with the class of '46 and was employed at the Tecumseh Products Company before enlisting in the Air Force in September 1948. After an eastern wedding trip the couple will reside in Fairfield, California.

Sharp Increase Noted In S. S. Enrollment

A sharp upturn in the Sunday school enrollment at the Presbyterian church for the month of October was announced today. According to the report, the enrollment of boys and girls increased from 141 to 196, a 40 per cent jump. Of this number, 136 came from 73 Presbyterian homes, and 60 came from homes outside the church.

"This expression of confidence in the Christian Faith and Life Teaching Program is deeply appreciated by both officers and laymen of the church," Robert Ries, a member of the session and chairman of the church's Christian education committee, said today. "This is American Education week. After parents visit the public schools, it might be well to follow it up with a visit to the church Sunday school on Sunday," Mr. Ries said.

Odd Fellows, Rebekahs To Be Baptist Guests

Odd Fellows and Rebekahs, county-wide, will be guests at the 11 o'clock service, Sunday morning, at the Tecumseh Baptist church. The Rev. B. O. Bashore, who is grand chaplain of the lodge in Michigan, and who is pastor of the local church, will speak on the subject, "The Value of Truth."

After the service, the visitors will adjourn to the lodge hall where a potluck dinner will be served, followed by a fellowship meeting. Deputy Grand Master W. George Bain of Wyandotte, and Robert D. Ednie of Detroit, grand warden, will speak.

It is expected that about 200 will attend the church service and the dinner.

Just below the mouth of the Detroit River, where it joins Lake Erie, rests the steamer "Clarion" with the strangest of sunken cargoes: Locomotives.

EARLY MAILING IS URGED BY POSTOFFICE

The Post Office Department again this year is making a special effort to move Christmas mails early.

The department reminds postal patrons that November 15 is the deadline for mailing all packages destined for overseas delivery, but the department urges that such parcels should be sent as soon as possible.

In order to carry the mail-early story to the public, the Post Office Department is presenting a series of four radio programs over the Mutual Broadcasting System network.

Postmaster General Jesse M. Donaldson will appear on a broadcast known as "Washington Report" that will originate from the nation's capital. November 19, "American Railroads Carry the Mail;" and the final show on December 17 will be "Uncle Sam Delivers the Mail."

T.H.S. PRINCIPAL AT U. OF M. CONFERENCE

ANN ARBOR—J. M. McDowell, principal of Tecumseh High School, is attending the 22nd annual Principal-Freshman Conference at the University of Michigan, today.

On this occasion high school principals have an opportunity to talk over college adjustment problems with former students who have transferred to the University.

In addition, the conference permits discussion between the principals and members of the University staff on mutual problems in regard to the preparation of high school students for entrance to the University and their adjustment to life on campus.

Students from Tecumseh interviewed are: Gordon M. Keyser, Douglas Frank McDowell and Gerald W. VanValkenburg.

HAYDEN MILLS HOST

The Hayden Flour Mills was host to eighty Neuhouser Hatchery managers and their wives and Hayden employees from southern Michigan and northern Ohio last Saturday. Turkey dinner was served at the Tecumseh Country Club and the group later attended the Michigan-Illinois football game in Ann Arbor.

Indians Scalp

(Continued from page 1)

The final Indian touchdown came midway in the third quarter. The Sugar Boys fumbled one of VanWinkle's punts and Tecumseh recovered on the seven. It took Whelan but one try to negotiate the seven yards, shaking off three would-be tacklers on the way. Beasley hit right guard for the extra point to bring the count to 41-7.

About this time Tecumseh's reserves enter the fray and the Blissfield attack began to pick up momentum. The Sugar Boys recovered Naser's fumble on the Indian 36 and proceeded to march down to the one-foot line. Castle going over for the marker. Plotter added the extra point to bring the score to 41-14. Two more points were added to the visitors' total when Patton fumbled on his own 16, and in evading Blissfield tacklers, carried the ball back over his own goal linew here he was brought down for a safety. On the free kick from Tecumseh's 20 Krump grabbed the leather on the midfield stripe and lugged it all the way to Tecumseh's 15 before being brought down. It took them but five plays to hit pay dirt again, this time Rickens going over from the three and then also adding the extra point. Score: 41-23.

On the kickoff Tecumseh pulled a perfectly executed hidden ball play when VanWinkle gathered in the kick on the 25, faded back and faked the ball to Beasley and then handing it to Whelan on the 20. Dick carrying the ball behind his back and scampering 80 yards to cross the goal line standing up, only to have the play called back and the Indians penalized for offside.

Blissfield's final score came late in the fourth period when Klump picked up VanWinkle's fumble on the Sugar Boys 31 and outran the entire Tecumseh lineup, going straight down the sidelines for 69 yards and the score. The try-for-point failed and the score stood at 41-29.

The game ended with VanWinkle intercepting a Blissfield pass on his own 35 and bringing it back to the 45.

Ida comes here Friday evening for the final game of the season at Recreation Center. Kickoff time is scheduled for eight o'clock.

The first women colonists came to Virginia in 1608.

Kelly Is Victor

(Continued from page 1)

Braun and Paul Mott, coroners, and Walter Frazier, surveyor.

Perry M. Hayden, of Tecumseh, seeking the governorship on the Prohibition ticket, received a fine complimentary vote locally and throughout the county.

The one local issue, to bond the county for $400,000 for the building of a new jail, apparently was winning by a small margin. However, returns still were incomplete.

The four constitutional proposals seemed to win favor in the county, the closest vote being on No. 4, the so-called oleo bill, which would permit the coloring of oleo. Statewide, the issues won favor, also, and colored oleo, it is expected, will make its appearance on local markets in the very near future.

Nationally, it was one of the heaviest off-year elections in recent years. The people really marched to the polls. As a result, the Truman administration received a sound spanking and apparently lost its hold on Congress. A tie in the national Senate between the two major parties appeared possible, and in the House it seemed certain that Republicans had a working majority.

Tecumseh, as in the past, remained solidly Republican by about a two and a half to one majority. Voting here was brisk, starting early in the morning and continuing heavy until the polls closed, despite the drizzling rain that started about 3 p.m.

Tecumseh polled a total of 1,536 votes in Tuesday's election. There are approximately 2,500 eligible and registered voters in the township.

Here is how Tecumseh voted:

State: Governor—Kelly, r, 1050; Williams, d, 449. Lieutenant Governor—Vandenberg, r, 1090; Connolly, d, 416. Secretary of State—Alger, r, 1139; Hart, d, 378. Attorney General—Millard, r, 1085; Roth, d, 421. State Treasurer—Brake, r, 1098; Eveland, d, 409. Auditor General—Martin, r, 1111; Price, d, 406.

Congressional: Representative—Meader, r, 1117; Dawson, d, 409.

State Legislature: State Senator—Porter, r, 1103; Bourns, d, 410. State Representative—Conlin, r, 1108; Baker, d, 409.

County: Prosecuting Attorney—Martin, r, 1126; Bean, d, 403. Sheriff—Willett, r, 1195. County Clerk—King, r, 1120; Crane, d, 400. County Treasurer—Moore, r, 1131; Brown, d, 393. Register of Deeds—Warner, r, 1136. Drain Commissioner—Bruce, r, 1108; Horn, d, 413. Coroner—Braun, r, 1147; Jurden, d, 371; Mott, r, 1139. Surveyor—Frazier, r, 1183.

CHURCH PARTY TONIGHT

The first of a series of Parish parties will be held tonight at St. Peter's Episcopal Church Youth Center. Dancing, cards, and refreshments will be the order of the evening. All members of St. Peter's, their families, guests, and children (over 12) are invited. There will be no charge.

Pancakes and Sausage
Delicious On Cold Mornings

This is the season when, perhaps, on Sunday morning the family really enjoys a breakfast of pancakes and sausage. Have you served 'em yet?

We have the prepared pancake mix — the kind that you can whip up in a hurry — and we also have those little-pig sausages that are so delicious.

And, to add to the goodness, genuine maple syrup and butter.

It's a treat — and an inexpensive treat. Think it over!

BRITTON

Mrs. Myrtle Taylor and Mrs. Marjorie Niblack were in Clayton last week to attend the installation service at the Clayton Chapter of Eastern Star.

Mrs. Edward Rudel and son Edward, jr., spent Sunday with Mr. and Mrs. Valden Bidle and family.

Ronald Croll, son of Mr. and Mrs. Clay Croll, who fell and broke his knee cap last Friday at his home was admitted to Herrick Memorial Hospital. A cast was put on, and he moved home the first of this week.

"World Community- Day" was observed last Friday afternoon in the Britton Methodist church by the Dundee Council of Church Women. Mrs. Harry Thornberry acted as chairman of the program including meditation music by Mrs. K. E. Lund of Traverse City, devotions, scripture by Mrs. Robert Gibson. Mrs. F. B. Clifford at the piano for assembly singing and accompanied Mrs. Edward Kanous who sang two numbers. A quiz on "Trusteeship with God" through our Council of United Nations proved very interesting. Questions were asked from the audience with Mrs. John Gittus, Mrs. Virgil Bortel and Mrs. Merle Crutchfield acting as the "experts" who answered each question. Refreshments were served by Mrs. Gerald Richards and committee.

Some 125 women from 18 churches attended the Women's Fellowship of Jackson Association of Congregational Churches, held at the Britton Congregational church last Thursday. The all-day meeting opened with registration beginning at 9:30. The morning session devotions were led by Mrs. C. C. Poppenger of Webster. The business session conducted by Mrs. Earl Blinn of Jackson, president of the association, and Mrs. Keith Elliott of Battle Creek, state president, led the consecration of officers. In the afternoon Mrs. Donald Brady of Pinckney was in charge of a pageant, "Thy Will To Do." The address was given by Mrs. Harlan E. Walley of East Chicago, Ind., who is president of National Christian Women in America.

Members and friends of the Methodist church are reminded of the annual gifts for Chelsea Home. The young people plan to take the goods on Saturday and all are asked to get their canned fruits, dry produce, vegetables, preserves, jellies, syrups and fruit and vegetable juices at the church by Saturday morning at 9 o'clock.

On Wednesday, November 15, the Britton Methodist W.S.C.S. will entertain the Tecumseh Methodist W.S.C.S. in the church at the tenth birthday party. The luncheon will be at 1 o'clock.

The students of Britton school enjoyed a puppet show, Monday afternoon.

D. A. R. WILL MEET

Consumers Power Company is bringing to Jackson, an exposition of lighting techniques, which is considered one of the most spectacular and comprehensive commercial exhibitions ever to tour the nation. Developed by General Electric Company and nationally renowned lighting specialists, this Lighting Clinic will present an interesting educational and beneficial series of messages during a stay of three days, November 14, 15 and 16 at the Jackson County Building Auditorium. "As produced here," says H. H. Koelbel, Jackson division manager of Consumers, "the Lighting clinic utilizes platform and screen for a series of helpful demonstrations and illustrated talks about lighting in five of today's major fields of use, namely, lighting for stores, schools, offices, industrial plants and homes. In addition, the big County Building Auditorium will be lined with exhibit booths, where the newest and best in lighting equipment by leading manufacturers of fixtures, and portable lamps will be on display for close-up examination by visitors."

So that the entire area surrounding Jackson will derive the greatest possible benefit from the visit of the Lighting Clinic, business, professional and educational leaders within a radius of 50 miles are invited to attend its various sessions.

In the photo above is the store lighting display, as designed by General Electric.

32 AT LUNCHEON

Thirty-two women were in attendance at the Tecumseh Country Club luncheon last week Wednesday afternoon. Mrs. Walter Pfaus and Mrs. J. W. Spafford were the hostesses and the room was decorated with chrysanthemums and fruit. Bridge and canasta were the diversions with honors in bridge being awarded to Mrs. R. G. Fuller and at canasta to Mrs. Alice Scott and Mrs. Darwin Smith. The hostesses for the November 15 one o'clock luncheon will be Mrs. C. O. Butler, phone 435M, and Mrs. M. R. Blanden, phone 49R2, and reservations must be in by Tuesday noon.

O. E. S. MEETS

The Tecumseh chapter, Order of the Eastern Star, met last Thursday evening with the newly elected officers in charge. Mrs. Kenton Hunt gave a report of the recent Grand Chapter meeting in Grand Rapids. After the business meeting, Jennings Frayer showed movies taken on a recent trip through the western states. Refreshments were served by Mrs. Ted Ehinger and her committee.

Who Pays?

The preacher came along and wrote upon the signboard:
"I pray for all."
The lawyer wrote underneath:
"I plead for all."
The doctor added: "I prescribe for all."
The plain citizen wrote:
"I pay for all!"

CHEVROLET TRUCKS

with Chevrolet's Hypoid Rear Axle

Single-Unit Housing
Here's maximum strength . . . longer trouble-free service! Chevrolet rear axle housings are formed into tubular steel beams; no bolts or rivets to work loose.

Full-Size Inspection Plates
Easy-to-remove, one-piece inspection plate saves time and labor . . . provides full view of rear axle gears when removed.

Splined Axle-to-Hub Connection
Splines—not bolts—deliver the driving power evenly — without strain — on all heavy-duty models. Loose axle shaft bolts and costly grease leaks are eliminated.

Straddle-Mounted Pinion
Gears last longer . . . pinion gear is supported at each end by ball bearings to keep it in mesh. Adjustable thrust pad prevents distortion of ring gear when starting heavy-duty trucks with heavy loads.

4-Pinion Differential
Load and shock of heavy loads are distributed over four pinions instead of two in all Chevrolet medium- and heavy-duty trucks—for longer axle life and greater strength.

Chevrolet trucks are *engineered* to "take it" on the roughest, the toughest jobs. The single-unit design housing and *splined* axle-to-hub connection of Chevrolet's hypoid heavy-duty rear axle mean strength and stamina found in no other truck rear axle in Chevrolet's class. Combine that with other outstanding Chevrolet features . . . powerful Valve-in-Head engines, Synchro-Mesh transmissions, channel-type frames with alligator-jaw cross members! Here is *the* truck that can *handle* tough jobs. . . . America's most popular truck. Come in and see these *great* Chevrolet trucks today.

O-JIB-WA MADE IT POSSIBLE FOR ME TO CONTINUE WORKING

Mrs. Margaret Adams, 418 Maple Street, Boyne City, Michigan, suffered three long years with rheumatism and arthritis in her shoulders, arms, fingers and ankles, but O-JIB-WA BITTERS brought her relief in just one week, and made it possible for her to continue work.

People who have to work while suffering the pains of rheumatism or arthritis can gain much by taking advantage of Mrs. Adams experience as she tried almost everything before getting blessed relief with O-JIB-WA BITTERS. After reading Mrs. Adams statement which follows, we are sure you will agree that O-JIB-WA is well worth your trial.

Very Nervous— Couldn't Sleep

"I can't praise O-JIB-WA BITTERS enough for the results it has brought to me, and only wish that I had started taking it sooner and spared myself three long years of suffering. If it wasn't for O-JIB-WA, it is my honest opinion that I wouldn't be working today. I suffered mostly with rheumatism and arthritis in my shoulders, arms, fingers and ankles, and although I tried many other medicines, nothing seemed to help me. My fingers became numb and my arms were so stiff and painful that I couldn't raise them to comb my hair. Needless to say, it was all I could do to work. I also had a lot of stomach distress and was very nervous and couldn't sleep, but these ailments have also left me, thanks, to O-JIB-WA BITTERS. I am working steady now without the slightest pain as my rheumatism and arthritis has so remarkably improved, that I am convinced that it is just a matter of time until I am completely well again. I personally urge every person suffering with rheumatism and arthritis to try O-JIB-WA BITTERS. I am sure they will be as pleased with the results as I am."

A Corrective Medicine Made Entirely of Herbs

O-JIB-WA BITTERS is not just a food supplement, but an all herb medicine entirely free of alcohol and pain deadening drugs. This great medicine acts to correct the causes of rheumatism, arthritis and common stomach disorders. O-JIB-WA is like taking 5 medicines in 1, as it acts to clear the blood of poisons and waste that foster rheumatism and arthritis. O-JIB-WA promotes better digestion, stopping gas, indigestion and heartburn. O-JIB-WA stimulates weak sluggish kidneys to relieve backaches, nite rising and restless sleep. Regardless of how long you have suffered or what you have tried without results, you owe it to yourself to give O-JIB-WA BITTERS a chance to help you. ACT IMMEDIATELY. YOU WILL NOT BE DISAPPOINTED. Available in all leading drug stores in Michigan.

Phone Service To Be Improved

12-POSITION SWITCHBOARD WILL BE INSTALLED; DIAL PHONES AT BRITTON

The Michigan Associated Telephone Company, through its local manager, Ernest Green, announced today that it had started alterations on its office building here and in the near future would install a new 12-position switchboard and make other changes necessary to revolutionize both local and toll service to its subscribers. The phone company's building is located on East Chicago boulevard, and at present both the business offices and switchboards are on the first floor. Under the new arrangement, the switchboards will be on the second floor, and the first floor will be given over to offices and the maintenance department.

The new 12-position board will replace a 4-position board now in operation. Eight of the positions on the new board will be used to handle long distance calls, the other four for local calls, within the exchange area. The new board is scheduled for delivery this week and, when installed, along with other necessary central office equipment, will increase the number of local subscriber lines from 600 to 1,000.

"With the continued growth of the Tecumseh urban and rural areas, the additional equipment is needed to handle the increasing number of both local and toll calls," Mr. Green said. During the

Big Attendance At Open Houses

KEEN INTEREST SHOWN IN INFORMAL DISCUSSIONS ON SCHOOL PROBLEMS

The open houses held in observance of National Education Week at the new high school building for the parents of high school students and at the Central building for parents of grade school children, on Tuesday and Thursday evenings of last week, respectively, proved to be outstanding successes. About 150 interested persons visited the high school and 200 or more turned out for the affair at the Central building.

At the high school, the question box provided a wide range of questions on school activities and it is felt that the discussions which followed brought about a better understanding between teachers and parents. The meeting was conducted under the chairmanship of Mrs. Walter Pfaus, assisted by Principal James McDowell and the high school teachers. Mrs. Frank Purcell and her committee served refreshments.

Keen interest and lively participation in the discussion period featured the open house at the Central building. The P.T.A. under the supervision of Mrs. Hugh Browne and her committee, assisted by Principal D. C. Smith and

Wm. J. Bruce Speaks At Club Smorgasboard

William J. Bruce, local manufacturer recently returned from a trip to Cuba, Europe and England, was the guest speaker at the Tecumseh Country Club smorgasboard, Sunday evening.

Mr. Bruce briefly reviewed conditions as he found them in the several countries and denounced England's socialistic government as ruinous to the nation. He pointed out that incentive is gone in England, that the population is accepting controls and regimentation, and that the average worker is endeavoring to live and maintain a family on a $14 weekly wage, while prices are higher than they are in the U.S.

Mr. Bruce made the trip entirely by plane. He is a native of England, having come to America when 15 years of age.

Mr. and Mrs. E. C. Hellman, Mr. and Mrs. E. A. Collins and Mrs. Earl Lindsley were the hosts and hostesses. More than 100 were in attendance. Mr. Bruce was introduced by Mr. Hellman.
